PRESIDENT'S REPORT

2014 was another great season for the mighty Dragons. 6 teams competed in the grand finals, with three bringing home the Premiers 2014 trophy; 9C, 10B and 1st Grade. Many thanks to all our dedicated coaches, managers and trainers; with a special mention to grand final winning coaches, Andy Gilmore, John Metcalfe/Adam Garvey, and Wes Phillips. All of our teams, from the U6 to 1st grade played the game in the proper spirit and showed considerable improvement throughout the year. Many thanks must go to all the coaches and the support staff for their unwavering enthusiasm.

A great club like ours cannot function without the support of its members, life members, and supporters. Thanks to all of you who help where they can and for the encouragement they give to our players. A special thank you must go to our hardworking committee and ladies committee, who go out of their way to make sure all the game day and behind the scenes things are in place so the kids can have a great day playing their favourite sport. In particular, I would like to thank Bill, David and Michelle who have worked tirelessly to ensure the smooth running of our club.

A great deal of hard work during the off season resulted in our club having 1st, 2nd and 3rd grade. We would not have had such success without the hard work of the senior side retention committee. The driving forces behind this committee were Greg Bird, Brett Rogers, Steve Ebb, Corey Markham, Aaron Palmer and Shane Newton. Thanks to you folks and other helpers along the way, we had a highly successful year and have built the base for many years to come.

Without the referees and the Junior League we would not be able to participate in such a well organised and managed competition, so on behalf of the entire Dragons family, I would like to thank both organisations for their hard work and dedication.

On behalf of the committee i would like to congratulate all the award winners, with a special mention to the senior and junior club champions, team of the year, coach of the year, sportsman of the year, Grahame Kidd memorial, Gary Cannings memorial, outstanding team, and the two major club award winners. Well done to you all.

The Dragons are a force to be reckoned with both on and off the field. We have great players, hard working volunteers, loyal supporters and a constantly

growing family. It is a great club with a proud history and i thank you all for being a part of it.

SECRETARY'S REPORT

Well, what a great year for the Engadine Dragons.

Our club fielded thirty two teams, thirteen of which went into the finals, six into the Grand Final, with the 9C's, 10B's and 1st Grade being crowned Premiers 2014. Those teams were fortunate enough to play their Grand Final on Remondis Stadium, and we thank Junior League and the Sharks club for making that happen. I have no doubt it's something the boys will never forget and hope it becomes a regular occurrence.

A big congratulation to all our players for the way they conducted themselves throughout the year, whether it be on or off the field, as they make the Club proud, irrespective of where they ended up on the ladder at the end of the year.

Huge thanks to our hard working Committee for their work throughout the year. The work they do on Pub Raffles, Ground duty and manning the BBQ on game days is invaluable and ensures the smooth running of the club.

The Dragon Ladies Committee once again proved to be a huge asset by organising fundraising towards the Junior Presentation through the Trivia Night and Freddo frog fundraising. This is a great group of ladies and I would encourage anyone to join.

Thank you to Grahame Wagener and Bill Kemp for their guidance and never ending loyalty in my first year in the job.

We had fun at the Sportsmen's lunch; Trivia night and the Junior League Ball where we were fortunate enough to have the beautiful Kelsey Bird represent our club as Miss Engadine Dragons.

Thanks to all the Managers for organising their teams and passing on all information to keep parents informed. Thanks to every Coach for not only volunteering their time to train our boys and girls in the skills of League, but instilling in them a sense of mateship, loyalty and fair play.

My biggest thanks go to the Parents for their contributions to the club in time, effort, and fundraising.

We had a great year and look forward to bigger and better things in 2015.

David Gunn

DRAGON LADIES' COMMITTEE REPORT
--

What another fantastic year the Ladies Committee had. We had our biggest committee yet with 12 ladies in total. It made all our jobs a bit easier. As they say "many hands make light work"

We started the year off with the Pink socks for the Woman in League round. It was great to see the majority of the club get behind this great cause with the boys wearing the pink socks looking very handsome. This will be an annual event so if you missed out of getting them this year, don't worry you can purchase some next year.

We also had our Ladies Night out in May coinciding with Woman in League. This was again a memorable night at Raya Thai with all that came enjoying themselves , with great food, Karaoke, dancing and of course wonderful company. Look forward to another fun filled Ladies event next year.

Once again we had the Freddo Frog fundraiser which again was very successful. Thanks to everyone that sold chocolates for your support.

This year saw the return of the Trivia Night, and what a great night it was. I am sure that everyone who came along will agree that Mr Bagoomba was fantastic. The night was enjoyed by all with Trivia, pass the ball competition, putt putt golf and coin toss. Then to top it off we spent it dancing the night away. Thanks to those that came along for your support, and it was great to see some of our A Grade side there supporting our club.

I would like to thank our committee members Tric Davidson (Secretary) , Yasmin Noakes (Treasurer), Renae Kidd, Vanessa McCrohon, Michelle Freeman, Natasha Hardy, Kim Wallace, Kim Hood, Kim Micallef, Lisa Lynch, Belinda Sheehy and Karen Robson for your ongoing support and help with organising all of the fundraising events, helping with merchandise sales and putting your hand up to help wherever it was needed. I hope to see you all back next year.

A big thankyou to Wags, David and Bill for your never ending support of our Ladies Committee.

I look forward to seeing you all again in 2015 for another fantastic year at the Mighty Dragons.

COLIN COLE MEMORIAL AWARD

This Award is given in recognition of the time and effort that a person contributes to the Club in regard to its successful operation.

Grahame WAGENER

This award is given in recognition of the effort that a person puts into the club operating successfully. The club was very fortunate throughout the 2014 season to see a number of new members join the committee and take on important roles which ensures the success of the club to which we thank you all but there can only be one winner and this year's Prestigious Colin Cole award goes to our 2014 President, Grahame Wagener. Grahame is a tireless worker for the Engadine Dragons and is always ready to lend a hand when needed. Grahame wears many hats around the club from President to cleaner of the clubhouse and sheds but it is his work with the various council members that is outstanding. Most members would not be aware of the work that Grahame has carried out in this area and continues to do so seeing him raise considerable funds to carry out work like the new awning area, the re-turf of the western side of the field, funding for the special needs team, etc. When not doing his official duties, Grahame can be found around the ground simply enjoying watching the various teams play their footy whilst offering a hand where needed.

Congratulations Grahame, a well-deserved recognition of the effort you have put into the successful running of the club

ROD BAKER MEMORIAL SHIELD

This Award is given to a person in recognition of their commitment to the Dragons and for the work they have done throughout the year.

David GUNN

David was indeed a worthy and unanimous winner of this award in 2014 and I think every person involved in our club would agree.

David has worked tirelessly for the club this year in many roles, including Committee member, Assistant Secretary, team Manager, team trainer and most importantly he unofficially took over the job as Club Secretary, a job nobody ever wants.

You could always guarantee to see David at Anzac oval every Saturday and Sunday, working in many different positions from ground manager, canteen manager, cooking the BBQ and basically keeping this big club of ours functioning at all times. Dave has been an active member of the Dragons for several seasons now, and has always been on hand to help out whenever his services were required.

In 2014, David was without a doubt the hardest worker on the committee, his work as the Club Secretary was above and beyond the job description, and it did not go unnoticed by his fellow peers each and every week.

There would not be a more likeable, approachable and professional person associated with our great club, his dedication and hard work this year has been outstanding and you can tell that he always wears his heart on his sleeve, in all matters involving the welfare of the players, parents and the club.

Congratulations Dave on your award, you have thoroughly deserved it.

SENIOR CLUB CHAMPION

Awarded to a player from any of the three most Senior sides and held on one occasion only

Shane NEWTON

Shane started with the Dragons back in 1984 as a junior and has since played over 200 games over 17 seasons. His football quality cannot be faulted, a fierce and committed competitor, always giving it all right until the final bell. Skilful with ball in hand which would see him play several positions throughout the years.

Shane's experiences, gained over the years of football have made him a respected person both on and off the field. The backbone of the A grade squads in recent years by both playing, captain coaching and throw in his incredible passion to make the club a continued success today.

In 2014 Shane laced up to again balance both work and family commitments to pull on the Dragons colours once more. His efforts were deservedly rewarded by winning the big one the A Grade Grand Final.

Shane is a true club man and a worthy recipient of this prestigious award.
Congratulations Shane

JUNIOR CLUB CHAMPION

Awarded to a Player from teams Under 10 to Under 14 and held on one occasion only.

Brayden COLENZO

Brayden has been a Dragon since the U6's in 2005. Over that period he has received a Most Improved, 2 x Best & Fairest Awards and played well over 100 games.

A talented hard working footballer, Brayden gives nothing less than 100% every game. Strong ball runner and solid defender Brayden is the complete package. The team's unsung hero for many years and I predict that trend to only continue.

Brayden displays all the characteristics to receive this award. His attitude towards the game and respect he shows to all his coaches, team mates and supporters is beyond his years. He lives and breathes his footy and is always at Anzac with smile on his face ready for training and even putting his hand up to help the younger sides in the club.

Brayden is a credit to his family, and should be extremely proud to receive Junior Club Champion.

Well done Braydo.

GRAEME MORRISON AWARD

Awarded to any Coach for Team performance.

Wes PHILLIPS

This was Wes first year with the Dragons and what an impact he has made taking the 1st Grade to 2014 Minor Premiers/Premiers. The commitment, time and effort that goes into pulling together a competitive 1st Grade side is a huge job in itself but to keep this side united as one and match fit and ready week after week is not for the faint hearted.

Watching Wes from round one of the season go about methodically working out the strengths and weaknesses of his players and then working with them week after week to get the best out of both the individual players and the team as a whole was like watching a surgeon perform their brilliance. Wes could be constantly seen working closely with each of the players to instil confidence and belief that they can be the best.

Wes was a quiet achiever who went about his role in a similar manner. He always had respect for those that we played and never lost sight of the point that he was representing our club at a high level and carried himself accordingly.

The Dragons are very fortunate to have the quality coaches we have and Wes is no

exception and without doubt worthy of this award. We hope that Wes continues his coaching career with the Dragons and continues to instil fine qualities in the players that represent our club.

2014 Coach of the year - Congratulations Wes Phillips.

SPORTSMAN AWARD

Awarded to a Player on all round sporting ability and achievement and held on one occasion only.

Blake HOSKING

Blake is the complete all-round Sportsman. An integral part of our 12A team, Blake had a fantastic year both on and off the field.

A student at Engadine West Public, Blake was chosen to represent Sydney East at Rugby League, Rugby Union and Touch Football. He was also chosen to represent NSW PSSA Rugby League in the prestigious Open Australian Primary Schools knock-out where he was one of the players of the tournament.

Along with these achievements, Blake has represented his school at both Zone and Regional levels in Swimming and Athletics for a number of years.

Blake is a rare talent and achieves at a high level regardless of the sport and we look forward to watching his continued growth.

A polite, well mannered young man, Blake is thoroughly deserving of this year's Sportsman of the year award.

Congratulations and well done Blake.

HAZEL COUSEMACKER TROPHY

Awarded to the best performing Club Player at Junior Representative game level.

Ryan LONGVILLE

GARY CANNINGS AWARD

Awarded to a Player as an encouragement for them to continue playing Rugby League with the Dragons, taking the opportunity to develop and improve their game and to continue their participation in a great team sport with the Club.

Ben BARFORD

This year's award went to Ben Barford, Ben has been playing rugby league for Engadine Dragons since he was 6 and has played 161 games for Engadine and has scored 54 points. Ben is not the biggest boy on the field but that has never stopped him giving his all and mixing with far bigger players most times when he runs out onto the field. You often see Ben helping junior players before his training sessions in learning how to kick goals or any other aspect of the game.

To Ben's credit he also represents the game by being a fully accredited referee.

Congratulations Ben you are truly a wonderful recipient of this award.

PETER GREEN AWARD

Awarded to the most valuable Dragons Player and is based on the person who accumulates the most Best & Fairest points during the season – across all Grades.

Jayke FIBBINS

This was Jaykes fifth season with the Dragons and he has been a natural since the first time he strapped on a pair of boots, and he is a very worthy winner of this prestigious award.

Jayke is a gifted footballer who dominates in every aspect of the game. He is a classy ball runner with a sidestep and speed that most players would love to have. His defence is bone crushing and copy book and his opposition very rarely would run twice in his direction after being on the receiving end of one of his hits.

Jayke has been a prolific try scorer every season, can kick a mean goal and has won the Best and Fairest award several times.

In 2014, Jayke was not only a standout in his team each and every week, he was the best player in his comp, and he was instrumental in his side winning the 9C comp this year.

Jayke is polite, likeable and extremely talented young man, and is the type of player that his team mates depend and rely upon each week.

Jayke has joined a long and impressive list of players to receive this award, and he is definitely worthy of a spot on this list.

Congratulations on a stellar season Jayke, well done

GRAHAME KIDD MEMORIAL TROPHY

*Awarded to any player from under 6 to under 9 in recognition of future talent.
This is not an encouragement award. This is to a player who has shown outstanding ability in his age group and has the potential of being an up-and-coming player of the future.*

Beau WALLACE

Beau has now played 5 Seasons with the Dragons. In his 5 Seasons, Beau has scored 50 Tries and kicked 25 goals amounting to 250 points scored in his career. In Beau's 66 games with the Dragons, he has won the following:

- 2011: Encouragement Award
- 2012: Best and Fairest
- 2013: Best and Fairest
- 2013: Premiers Trophy (Undefeated Minor premiers/Premiers 8 B's)
- 2014: Best and Fairest Runner up

Beau is known for making tackle after tackle often topping his Teams tackle count. He is currently playing halfback in the 9A's and his "go forward" attitude always has the opposition on its back foot. The opposition always have doubts whether Beau will run the ball or put out a pass for his Team. He knows the games and he loves it.

Last year Beau scored two late tries in the Major Semi Final putting his Team into The Grand final. Beau was then an instrumental player in winning the 8B Premiership.

I have no doubt that we will be seeing a lot more of Beau as his natural ability, will always help him stand out from the crowd

A true footballer and a star in the making. Well done Beau.

HELMET ZUSAK CHAMPION TEAM (3rd Grade, 2nd Grade & 1st Grade)
--

<i>Fullback</i>	Lee HIGGINS (1st Grade)
<i>Wing</i>	Ben COTTON (3rd Grade)
<i>Wing</i>	Gavin BEATTIE (1st Grade)
<i>Centre</i>	Craig BOYD (2nd Grade)
<i>Centre</i>	Shane CHAPMAN (1st Grade)
<i>Five-eighth</i>	Adam WHITELAW (1st Grade)
<i>Halfback</i>	Harry DAY (1st Grade)
<i>Front Row</i>	Daniel BRUBAKER (2nd Grade)
<i>Front Row</i>	Cameron DUNSTAN (1st Grade)
<i>Hooker</i>	Steve COUGHLAN (2nd Grade)
<i>Second Row</i>	Matt MILROSS (1st Grade)
<i>Second Row</i>	Daniel HARRISON (1st Grade)
<i>Lock</i>	Dean ROBINSON (2nd Grade)
<i>Utility Forward</i>	Kain EBB (1st Grade)
<i>Utility Forward</i>	Jake DENFORD (1st Grade)
<i>Utility Back</i>	Pierce HIETZE-DAY (3rd Grade)
<i>Utility Back</i>	Sonny TAUARIKI (2nd Grade)

The Players of this Champion Team are picked purely on statistics.

The number of times a Player had played in a particular position and the tally of 3-2-1 points achieved during the season was of importance.

Only those games in the competition rounds were taken into account, Official Trials, Semi Finals, Finals and Grand Finals were excluded.

*This award was re-named in 2014 in honour of Helmet Zusak

This year I had a great bunch of kids, with 5 of the boys playing their first season for the Dragons. We had a very successful year only losing a few games and performing well at the end of year Gala day. All the boys had a good season and made a bunch of new mates along the way. They showed a lot of improvement from the start to the end of the season and played well together as a team. They came up against kids that were a lot bigger and faster, but competed to the end and never gave up. Our older boys Ollie, Riley, Logan, Jack and Jack showed their skills this year with big runs and tackles and will be great to see them move onto the U7's next year as they made it very hard for the opposition to score this year. To all our younger boys Koby, Cody, Jake and Sammy, I am sure you boys will be unstoppable with a years experience behind you.

It was a pleasure to coach you boys this year, you made it fun and we always had a good time. I enjoyed getting to meet your families and can't wait to watch all of you go around next year. A Special big thanks to Hope, my Manager and Matt, my trainer for all the help throughout the year, without you guys it would not have been possible. I would also like to thank all the parents that came and helped set up the field, work on the BBQ and canteen, bought the weekly snacks and assisted with the 3,2,1 points and laughed at me while I tried to organise nine kids under 6y.o

You really are a great bunch of Kids and I hope to see you all back at the Dragons next year for another big season. Thanks again

Coach Tez

Oliver Te Hira

Ollie had a fantastic season, scoring nearly every time he got the ball. His cover tackles from behind were great to watch and how easily he made it look to get through the opposition and run the length of the field. A pleasure to watch play football. Great work Ollie you have a big future in front of you and deserve the Best and Fairest this year.

Riley Smith

Riley was our tackling machine this year stopping them with some crunching tackles. Easily top the tackle count each week and make the opposition want to run the other way. Riley was also great to watch with the ball in his hands as he plays hard and tough. His big runs up the middle would usually lead to a try and throwing opposition over the sideline saved a few aswell.. Good work Riley.

Logan Hill

Logan had a great season and is hard to stop once he gets moving. Damaging runs up the middle and speed to earn himself around a dozen tries this year. Also competes for the whole game and hunts them down in defence with some great tackles and try savers. Great season Logan

Jack Robson

One of our boys playing his first season and Jack was excellent. He was my most improved player this season and that is why he got the Encouragement award this year. Jack was a pleasure to coach and surprised everyone with some great runs up the middle and using his speed to get around the opposition. Always helped out in defence and scored a great try under the sticks for his first try ever. Good Work Jacky boy

Sammy Halliday

Big Sammy improved each week with some great runs towards the end of the year and proved very hard to stop. He did score a great try this year but unfortunately ran out by about 10 meters then back in to score a great try. He also loved to come in and help his Mates during a tackle. I think Sammy will have a great season next year with his size and strength, and will become a handful for the opposition to bring down. Good work Sammy.

Koby Magri

Koby was one of our smallest players but had plenty to offer. He had some really good runs this year and got smashed but got straight back up to play the ball. He did some fantastic tackles this year but usually on our own players. Good to see the skills are there but might try to tackle the other side next year buddy. Koby had a really good first season and look forward to see him play again next year.

Cody Rogers

Every team needs a Cody, non stop talking the whole season from start to finish. He was very entertaining all year and also showed some real good footy skills. Cody was also one of our little boys but had no problem mixing it with the big boys. Cody ran hard and fast and would let the opposition know if they tackled him too hard. He would get up and yell at them. You were great fun to have around Cody, see you again next year buddy. Good work.

Jake Sturgess

Jake had a great season running straight up the middle and not afraid to get dirty. Probably the quietest kid in the team but was a pleasure to coach and did everything I asked of him. Always there ready for another run and got better as the year went on. Good work Jakey

Jack Attkins

Jack improved a lot in defence this year getting in and helping out when he could. Still a bit shy to run the ball up would always follow the boys and hope for an offload. Jack made some nice solo tackles this year and with a bit more confidence will improve and show us his blinding speed. Good work Jack

Best and Fairest: River McMahon

Encouragement Award: Jack Robson

This season started out as a challenging one being all the boys first year of footy & a lot of younger ones who will have a couple of seasons in under 6's. I think I aged ten years in the first few weeks. But as I have mentioned in all the boys individual reports the massive improvement in the team was so pleasing and very rewarding. After losing our first five games we won seven of our last eight games & didn't lose a game at the gala day. But most of all I think we all had a lot of fun. A great bunch of boys who I thoroughly enjoyed coaching. I couldn't be prouder of you all. A big thank you to Erin for managing & all the parents who helped out at training & on game day & to the fathers who picked the points each week. See you all next year.

Chase Stewart

Chase the youngest of the team was so keen to play footy he started training with us before he turned 4, Full of determination & as tough as nails every week Chase had no hesitation getting in amongst all the older kids tackling like a demon. Chase made plenty of determined runs including scoring a great $\frac{3}{4}$ length of the field try beating plenty. I can only imagine how good Chase will be after three years in under 6's. Awesome work Chase.

Daniel Bishop

Daniel took to footy like a duck to water. Having older brothers he was already a natural. Daniel is gutsy, fearless & very determined; he is a tackling machine showing great technique in defence. Whilst not the fastest on the field Daniel makes it up with determination & strength making numerous great runs & scoring plenty of tries. Well done Daniel.

Eamon Row Rayner

Eamon is definitely one of the characters of the team. Full of energy, confidence & always on the move. At first Eamon was a little unsure of which way to run scoring a try for the opposition & even ran around the officials table in one game. By the end of the season it was great to see how much he had progressed with some great running & tackling culminating in an excellent try running half the length of the field bumping the opposition off on the way. Good work Eamon.

Ethan Atkins

Ethon was an absolute pleasure to coach. He always listened to instructions & was the first to do what was told of the team. For this reason along with his will to succeed Ethan improved all season playing some great footy & scoring some great tries, Ethan was one to rely on hardly making any mistakes. Keep up the good work Ethan.

Lucas Cousemacker

It didn't take long for Lucas to find his feet & when he did he never looked back. One of the speed machines of the team, Lucas scored plenty of great tries & even kicked a goal. One of the features of his game was his cover defence saving many tries. Congratulations Lucas.

Lucas White

Lucas, like a lot of the boys he started the season a little tentatively but grew in confidence every week getting more & more involved in defence & running the ball more. By the back end of the season Lucas surprised us all with some determined runs palming opposition defenders off on the way. The highlight being when a bustling run got him across the line for his first try, the lowlight being he scored the try during the only game his mum missed all year. I do believe there were tears from mum when she found out.

Mitchell Bailey

What a great kid, a real character, a pleasure to coach. Again one of the youngest Mitch was another who improved all year. I'll never forget the look on his face when he kicked a goal; "priceless". Mitch is a big kid who would make front row like runs up the middle usually taking a few defenders to drag him down. I think we'll see some big things from Mitch next year.

River McMahon

River is the speed machine of the team. River started the season already knowing what to do scoring tries at will with his speed & great footwork. River also saved many tries in defence & would demonstrate great tackling technique around the legs. River was a standout all year well done.

Xander Dalton

Xander started the season a little unsure but with some hard work at training by mid season the switch turned on as he realised his potential. Xander turned into a tackling machine & realised his size made him hard to tackle resulting in him making some great runs & scoring some really good tries, huge improvement. Excellent work Xander

U6 Blue

Back Row: Lisa Hayes-Conway (Manager), Ben Jones (Trainer), Shane Newton (Coach), Rebecca Kiellor (Manager)

Middle Row: Bailey Doves, Taj George, Cooper Hayes-Conway

Front Row: Coby Kiellor, Hunter Newton, Beau Cartwright, Lincoln Newton, Jett Jones

Coach:	Shane Newton
Manager:	Lisa Hayes-Conway, Rebecca Kiellor
Trainer:	Ben Jones

Best and Fairest:	Jett Jones
Encouragement Award:	Coby Kiellor

What a great year for the boys. The statistics wouldn't say so but the boys never once left the field without a smile on their face and always turned up next week and were ready to go again. With a lot of first timers and a few 4 year olds, the odds were always stacked against us but the boys slowly improved and will be all better for the run next year. I'd like to thank the Managers, Beck, and Lisa for their efforts and Ben Jones for helping out with the water duties. A special mention to the parents of all the boys who should be commended for their attitude to U6's rugby league and the fun first attitude we approached the year with. Hope to see all the boys back playing next year.

Jett Jones

What a great year Jett had for his first year of footy. Great runner of the ball and excellent cover defender. Has all the attributes needed to develop into a great player.

Lincoln Newton

Lincoln started the year well and when interested showed great leadership with his hard straight running and ball and all defence. Still has the best angry face in the U6's.

Koby Kiellor

Koby really came in leaps and bounds this year always plays tough and has a great right hand fend. Really improved this year and has become a crowd favourite.

Cooper Hayes Conway

Cooper is another one that benefited from another season in the 6's. He improved greatly and is always keen for the first run, tackle, kick of goal.

Beau Cartwright

Beau started the year on fire and continued to show great promise throughout the year. Another first timer who will improve greatly after his first year and has great potential.

Hunter Newton

Hunter's first year and being 4 years old played with great effort all year. Loves his footy and will be better for the run. Great ability to run backwards and is always keen to get involved.

Taj George

Taj continued to get better each game and once encouraged to get involved in attack and defence really progressed and gained confidence. Loves his footy and hope to see him back next year.

Our team definitely had a fun and enjoyable season while learning a lot about the game. For all but one player it was their first season, and although it took until the very last game to win one, they made us very proud playing extremely hard each week.

Each teammate managed to cross the line at least once and they all showed great skills throughout the season.

A huge thank you to Reggie and Trent for their patience and encouragement while coaching the boys and also to the parents who week in and week out helped with ground duty, linesmen and trainer. We made a great team!!

A special thanks to the Dragons family, especially Wags, David and Bill who work so unbelievably hard to make Engadine an awesome club to be a part of!

Good luck to the boys going up to the 7's next year, we hope to see the rest of you back again in 2015!

Lauren

Jake Beehag

Always taking the big hits, Jake found his form later in the season and boy what an impact he had!! Several big runs and a couple of great, well deserved tries. Thanks for a great first season Jake, see you next year!!

Lukas Clarke

Lightning Legs Lukie!!! From his well practiced side step to his pure speed, it was clear Lukas loves the game and hard to believe he had not played before! Lukas had the ability to run straight past the opposition to score great tries! A fair player and a wonderful teammate, good luck in the 7's next year bud!

Cooper Craig

Cooper was great at confusing the other team, literally running circles around them. After a long trip away, Cooper returned with force and made some great charges through the middle! Thanks for having this year, see you next season!

Nate Evans

The quiet achiever - Nate was great at taking instructions and performing on cue. Quick off the mark and great ball handling skills, Nate improved continuously throughout the season!! Well done buddy, hope to see you back again next year!!

Tekaea Goff

Our little pocket rocket, with no fear, TK was not afraid of taking on boys almost double his size. Speedy and clever, he managed to score several tries and quickly became a valued member of our team! Thanks for a great first year, hope we see you again next year!!

Ryder Lupton

A mid season starter, Ryder quickly fit right in with the team. A huge smile never left his face, it was so much fun to watch Ryder having so much fun and even better to see how much he had improved by the end of the year.

Thanks for your hard work buddy, see you next season!

Atticus Lynch

A great little defender and always eager to please, Atti made a couple of try saving tackles and always looked like he was enjoying his time on the footy field. Always at training, it was great to see him putting into play what he had learnt during the week.

A great first season, hope to see you back!

Kobi Newton

It was clear to see who Kobi's idol was with his signature right palm much like Paul Gallen's. Always trying to please the crowd and himself, Kobi's determination

produced some great hit ups, runs and tackles. A fast learner with a strong kick,

Keep practicing buddy, you had a great first season.

Chace Nisbet

A genuine crowd pleaser with his huge

grin and his short stocky build, every run he made brought laughter and joy to the sidelines. He scored a great try this season and made a couple of tackles too, our youngest player was not outdone by his enthusiasm and excitement for the game!

Well done buddy, see you next year!

Noah Regan

Having played a season before, Noah brought strength and knowledge which the other boys looked up to. A fantastic leader with a great style, Noah was so eager to learn and even more eager to play good footy. With his sidesteps and charging through the opposition he managed to score in every game he played, skills we missed at the end of the season while he was on holidays. Thanks for a great season, good luck in the 7's!

I'd like to start by thanking the parents, supporters, my trainer Blake for backing up again this year and most of all these young boys for all their efforts on and off the field in the 2014 season.

Our team of nine this year consisted of two, new younger boys who were eager to start their first year of footy as well as seven of the boys from 2013. Our plan was to pick up from where we left off at the end of last season and from the first training it was obvious these boys had the right stuff as they trained like champions and all brought something new to the table, things they introduced to us included things like side steps, speed and agility or running hard and strait.

This year we introduced the concept of the hit, spin and pass, they nailed it with nearly every game they played had one and was followed up by a fantastic try or two. In all the games that our mighty little dragons played they were defeated once, drew once, but WON 13!, and that is a brilliant effort.

Brody Litchfield

Brody started slow this season being one of the new boys and tried everything to get him involved, but towards the second half of the season his confidence grew and was pulling my shirt asking to run the footy, great improvement Brody keep up the good work.

Kade Townsend

What can I say this boy loves to tackle, every week he puts in his best and with a year of football under his belt he will be one to keep an eye on next year. Well done Kade

Ethan Dricoll

Great year from this young boy with his defence improved and adding a fantastic side step into his running style to help him find that try line. What's next for the 2015 season? Awesome job this year.

Kaylem Burge

A try scoring machine! Started off slow with a different running style but then went back to what worked for him speed and a good palm backing it all up with good defence. What a great all rounded player. Great work this year.

Tyson Shuttleworth

Tyson worked hard every game he played to show his team what he can do by some great offloads while being held up and stepping up to kick a few goals towards the end of the season, just got to keep you moving forward. Good job

Kobi Tucker

When this boy finetuned his running style he was scoring tries and kicking goals and with strong defence he has helped run down multiple opposing players to stop many tries. Although this may be your last year with the dragons, we wish you well in your new club in QLD but also send you up with Engadine colours and the memories of a great year of footy. Thank you and good luck Kobi.

Denan Townsend

“D” is a great player that really came out of his shell this year with good strong strait runs that saw him go straight through the opposition and over the try line. Keep up the great work Denan.

Kyan Morrissesey

This year Kyan showed us what he can really do with awesome runs and tackles, with every game he played and you could see him get better and better as his self confidence grew. Kyan is going to be a boy to watch next year, great season.

Hunter Hadfield-Filo

If you every saw this young boy before a game and you were to ask him what he was going to do in that game, it was plain, simple and consistent, he was going over the try line. With hard work he got there what a great effort, he is becoming a great young player with big runs and strong defence keep your eyes on him. Awesome work this year

When I got asked to coach the 7s I was a bit hesitant and after our first trial game I came off the field stressed and looking like a zombie, thinking how was I going to coach eight 7 year olds to play rugby league? Oh boy didn't that change. Saturday mornings were the best day of the week and all the team grew on me. It was a pleasure watching all of them improve each week, and improve we did. Out of our last eight games we only lost two of them. The main thing is that the boys had fun but it was great for them to get some good wins in. I would like to say thank you to Damien for training the team, it made my job that much easier and I know you enjoyed it as much as I did. Also thanks to Nic for stepping up and managing the team. There were a lot of emails sent through the year, thank god you were around. To all the parents, thanks for being so easy going, it made our job so much easier. It was a great year, we all enjoyed it and I hope the boys learnt a few tricks from Damien and I. I hope to see you all back down at Anzac Oval ready for the 2015 season.

Hayden Levin

Where to start with H. He was my organiser. For such a young fella he has a great footy brain. He knows every rule in the rugby league book, he would call the runners, he would call our moves we trained for, and he would do all the talking to the ref. Hayden made this team gel together and without him it would have been a lot harder. I have no doubt H is going to be a future star of the game, great year Hayden keep it up.

Cooper Ball

Cooper is a real competitor, which showed at training though out the year. His cover defence was outstanding, if any player was within 10 metres of the side line he would monster them over it. Cooper played dummy half our last few games and showed with his last tackle runs he could be a big threat in years to come. Great year Cooper.

Koby Wallace

Koby is a super star. There is not one thing in the game he can't do. Great tackler, great kicker, great runner, and outstanding try scorer. Remember his name because in 15 years it will be all over the NRL. It was an honour to watch Koby this year and remember Koby, put that head back when you make those breaks and no one will catch you. Great year Koby.

Tiylha Stahlhut-Winks

This was Tiylha's second season of rugby league and didn't he take it by the horns. Every aspect of Tiylha's game improved from tackling to running, and his kicks were outstanding. He had our set move called 'the blues' off the kick off, down pat. Great year Tiylha.

Tyson Burden

Tyson came to our team a few games into the season and what an impact this guy made. He has the best fend in the under 7's, when he got the ball he fended the other team all the way to the try line. When Tyson ran straight up the middle he was unstoppable. We are so glad you decided to come and play in our team. Keep it up mate, great year.

Archie Hiles

This was Archie's first year of rugby league, the last half of the season you would have thought he was playing for 3 years already. His improvement was out of this world. We told him when you get the ball 'just run straight Archie and you will be fine'. Well Archie ran straight and busted the defence line nearly every time to score long field tries. Archie is one of the fastest players in the team and it showed with every break he made. Can't wait to see what the new season brings for you mate, it can only be good things. Fantastic year Archie.

Cooper Wrightson

Coopers tackling technique is one of the best in the team, when he got stuck in he made some great front on tackles around the legs. His runs were straight and hard and made some good metres during the year. Good year Cooper and hope to see you next year.

Josh Cogan

This was Josh's first year of rugby league and he made a good start. After he got the basics down his improvement was great. Josh was a pleasure to coach this year, he was such a good listener and took everything in that we showed him. Keep it up Josh and look forward to seeing you next year.

2014 proved to be another successful year for our U7s. Each game we played the kids gave their all. It was pleasing as coach to watch the team grow and develop skills we had trained for and to understand the team concept. This year we tried to develop each player into positional play and I'm very proud to say that the team understood the concept quickly and were able to let me know what role they played in the team. To have 2 or 3 players able to fill in at first receiver or dummy-half is awesome. Each player knew all our moves. It was also pleasing to watch each player cross for a try this year, for a couple of the players it was their first try after a trying for a season or two. Another huge plus for the team was they started to help each other out and talk to each other both defensively and in attack. The potential of the kids in this team is something I'm looking forward to watch grow and hopefully develop in the coming years. We are not a big team by any stretch and our guys more than matched it with the bigger kids in our comp. Each player can be super proud of what they have achieved this year and hopefully they have all had a load of fun doing it as well as learning along the way.

No season is easy but with the support of the kids coming to training, our supporters, Mums & Dads, it all makes coaching these guys a pleasure. Thanks to my manager Belinda for always keeping us updated with messages and times, and to Mark thanks for training the team, you have helped the kids massively as well as teaching me a few new tricks to improving my coaching. Thanks everyone for supporting us this season and I can't wait till season 2015 rolls around and we do it all again. I am super proud of these guys and love coaching them. Well done team.

Matt

Kye Connor

A super season mate. You tried hard all year and to be playing halfback this year made your job a little tougher but everything you did was excellent and can I see you developing into a handy organiser. Your talk in defence with putting up our wall certainly stopped a lot of tries. Keep listening at training and trying hard. Well done buddy

Jake Rea

Our Mr Fix-It man. Would fill in just about anywhere when needed and always reliable. Your running game this year was awesome. Watching you weave through other teams was gold. Great work mate.

Cooper Sheehy

One of our three middle men who didn't mind getting dirty in defence but it was your running through the middle that was the standout. Straight and hard the only way you knew. Keep using that fend of yours. Great work

Cooper Stewart

Our middle specialist who would tackle his heart out. Not many players got through the middle and they certainly knew they were tackled. Pleasing to see a few little offloads developing also and some great strong running. Regularly in the top 2 in tackles each week. Great effort buddy

Charlie Bentley

A break out year for you mate. Crossing the line and getting that first try was great. It seemed once you crossed once then the flood gates opened. To see you run straight and hard was reward for your training and listening. Your tackling improved also. Each year you grow with a new skill and more confidence. Well done

Nathan Wright

Our edge defender and would chase everyone. Your running game has grown so much this year, developing a nice fend and a cheeky little swerve. Keep training hard mate. Great work this year

Sienna Connor

Our dummy half and the biggest talker in the team. Everyone knew where they had to be always. Would tackle anybody and take them on running the ball also. A super season sweetheart well done

Blake O'Keefe

What a great year mate. Ran hard , tackled just the same and would chase down any player who made a break. Mr Reliable in a word. A great support player too, always there to help out. Great work

Cooper Smith

A welcome addition this year and our third middle specialist. Great to see you in defence mate and boy did other players know they were tackled. Ran strong every time you got the ball and was also able to fill in if the need required. A great year mate

2014 - This year was the first for the boys playing graded football. We started the year off losing our first 4 games and drawing 1 against Gynea. We were losing, but the games were super competitive and we were only losing by 2-4 points per game. Our boys were digging deep and their defence was awesome. After one particular game, the opposing coach came up to me and praised our boys on their defence, telling me that he believed they were the best defensive team in the competition. We started stringing together some great attack and improved weekly on working together as a team. The boys really pulled the back end of their season together, winning 5 games on the trot. As a coach I'm proud of what our boys have achieved, they definitely improved as the year went on and it's a shame we didn't have just a few more games to really shine as a team.

We can now look forward to the 2015 season which is going to be a cracker with the A, B and C's becoming 2 very strong teams. I would like to thank our trainer Greg Woolley for all his help throughout the season. Greg's input into the technical aspect of the game was great and very much appreciated. A huge thank you also goes to our wonderful manager Karla Stewart. Karla runs a tight ship and nothing was left unorganised. So many hours go into managing these teams and we very much appreciate everything you have done for us this year. Thanks also to all the parents who helped out during our training sessions, on game day with scoring and working in the canteen and on the BBQ.

Ross.

Lewis 'Mr Tackle' Hood

Lewis' football skills continue to improve year by year and this year. He earned his nickname by often winning the highest number of game tackles and at one stage, he had it for 4 weeks in row. Lewis made many metres this year with his good hard runs. Good on you Lewis.

Ryder 'Toad' Stewart

Ryder started the year off good and hard. When he got the ball in his hands he would often show up the opposition with his super quick speed and was always making good metres and tough tackles. Good season Rydie.

Cooper 'Coops' Sherwood

There is no doubt there is something special about Coops. He is an absolute natural talent for this game. Strong tackles week in and week out and super agile runs often found him over the try line. Watch this space! I hope to see you playing again next year buddy.

Jake 'The Man' Wallace

Jake turned each week with his game face on. Jake can play a number of roles in the team and he adapts well to each. Great responsive runs from dummy half to score points and try saving tackles on our line. Well done Jakey.

Ryan 'Rhino' Davidson

Ryan absolutely loves this game and he had another great season out on the paddock. He continues to show us his talent and ability, using his size and quick speed to gain needed metres and making some great front on try saving tackles. Good season Rhino.

Ryan 'Wotto' Wotton

Ryan is a natural all round great footballer. He has blistering speed and can easily read the game in defence and attack. He saved us a heap of tries this season with his great tackling ability. Well done Wotto.

Cooper 'Coops' Woolley

Coops had an awesome season this year. He has extraordinary natural ability at running the ball, easily weaving his way through the opposition's defence. He also displayed great tackling style saving us opposing tries week in and week out. Coops is definitely one to watch in the future.

Mackay 'Morris' Johnson

For a little guy Mackay has big passion and a massive ticker. He showed no fear in taking on the bigger boys making some huge tackles. He could always make great metres in attack. Great season Mackay.

Hayden 'H' Williams

This was a great year from Hayden, making good strong runs often with half the opposition hanging off him! He was also great in defence hanging onto them until they were brought down. Well done H.

What a year 2014 turned out to be for the U8B's. Starting the year with a lot of new faces in the team, our first game against Sutherland in the wet the boys hit the ground running with a tough first up win. Throughout the season one of our best attributes for the boys is that we played as a team. Throughout all of the under 8 teams that we saw in A grade and B grade we were able to see that most teams had a go to child, In our team we had 9 which were our go to boy's which defined our season that everyone had the ability to be a star on any given day. The boys went on to only lose game during the regular season. We made it through to the Grand-final to play Sutherland the only team we had lost to all season. All the boys gave their 110% but in such a close game we just couldn't get over the top of them going down by 8 points.

To all the boys congratulations on a great year and we are so proud of each and every one of you. We look forward to seeing you all again next season to go one step further.

To our Manager Michael without you nothing would have been organised, rosters, social events, 3,2,1 results, team communication both texts and emails. Thanks you did an awesome job.

To all the parents thanks for putting your trust in us and letting us coach your kids with your full support.

Brett & Trent.

Max Carr-McCarron

Everybody knows when Max is around, a great kid that just loves everything about footy. Max's runs this year were fantastic, he ran straight, hard and strong in every game he played all season. These runs and the intimidation of these runs had the opposition getting out of his way as he ran down the field. This set up the rest of the game for the team, with his signature goal kicks putting a smile on every ones face. Great work Max. (Max Bought the NRL to the under 8's)

Dylan Sturgess

Just like Max, Dylan ran hard and straight every game and put fear and intimidation in the opposition every time he ran the ball. As the season went on this was Dylan's strength and he used this in every game to lead his team down the field. With some great tries that came from running through the middle of the opposition team. One of which against Gynea Dylan swan dived so high in the air I thought he was trying to jump over the cross bar. (Nickname LONG LEGS)

Riley Litchfield

Riley has a heart as big as Pharlap's and all the boys know this. Riley became the Captain of the team because of his efforts on and off the field, from his great running game and try scoring efforts to tackling everybody that came near him. With injury woes and uncertainty of game time Riley had a positional change and he took this in his stride and the combination of dummy and first receiver excelled with the change. Leading his team around the park Riley was a true leader of his team, this was another great year Riley well done.

Blake Hayward

Blake had speed to burn as the season went on his runs got better and better. Unlucky not to score more tries this season with countless times getting pulled down less than a metre from the try-line. Blake was also responsible for the hit of the year, leading with passion against Sutho at home. He continued the season with great passion and determination.

Kai Thatcher

Kai had a stand-out year this season, he was given the dummy half duties for the season and this helped Kai to understand the game of footy more. He did some great runs and scored many great tries from Dummy half, at least a try a game if not more. The dummy half and first receiver combination worked well with the boys sharing the runs between the other boys in the team and each other at crucial times in the game. Kai's tackling improved out of sight this year with good technique developing. Keep up the good work Kai.

Zane Bell

Zane has all the skills of a good football player, he has speed, agility and great tackling ability. As could be seen in the last game of the season Zane tackled the most dangerous and biggest player in the other team every time he ran at him. Zane was also challenge this year with some expansive play and creativity and excelled when given a challenge. This made his coaches very proud of him. Zane had some great runs from set moves using his speed and agility to score some great tries. Well done Zane.

Jordan Wymer

Jordan started the season ready to go with some of the best runs of the year. He would beat the opposition team two or three times and even carry two or three players with him down the field towards the try-line to score some great tries. The determination seen on his face was seen to be believed. When Jordan put himself in the games he made a big impact on the game and the positive result that would ensue. Great year Jordan.

Finn McMahon

Finn started the year as one of the on field organisers at first receiver and did a fantastic job in this role on the field. As the season went on Finn moved into a field running position so we could take advantage of his speed and agility in the open field. With one of the best tries of the year in the Final against Kurnell flying down the sideline with a sore ankle to score the match winning try. Finn also used that same speed for some great try saving cover tackles at critical times in the games throughout the year. Well done Finn.

Jayden George

Jayden was our rock in the middle of the field. Countless times leading defence around the middle of the ruck keeping our middle strong. In attack Jayden was deceptively strong and used it to his advantage finding his way over the line on many occasions from impossible positions. Jayden scored a try in the semi-final that had the officials commenting on such a great try after backing up a run from Riley, great year Jayden full of improvement with the best yet to come.

2014 was a very successful year. We started the year with 8 boys who had not played together. Four of our players had never played footy. Yet through their determination and hard work the boys managed to be the minor premiers and reach the finals. Congratulations boys! What a fantastic friendly team the parents, grandparents and siblings support really reflected in our success. Bel and Stephen, Deanne and Dean, Kristy and Steven, Tracey and Steven, Jason and Marnie, Kirstyn and Chris, Angie and Sean, Shannon and Kate and Alma (mum).

A very big thank you to our sponsor Sean Crawley and his company Tyres Plus Sutherland.

We were undefeated until our 2nd last game of the season against St Josephs. What an achievement. Our loss at the semis came down to a golden try. It was a fantastic and tight game against the Premiers of our grade and just the luck of the draw on the kick off ended in Joeys getting a try.

The loss in our final against Cronulla Caringbah came down to our two tries disallowed which would have ended the game once again in a draw. However that's the game of rugby league! Hold your head up high boys. Always remember it is a great achievement to be minor premiers!

Our best game of the season was when we played Como in the second round. We won 40 to 10 and this was our report: What a finish to the season boys. Congratulations you are Minor Premiers!!!! An amazing finish to the season with Harry scoring 3 tries and 1 goal, Luke scoring 2 tries and 1 goal, Ben scoring a try and a goal, Isaac scoring 1 try and 1 goal, Zane scoring 1 goal and Kaylem scoring 1 goal. Today you played as a team it was so great to watch you all working together and looked like you were all enjoying the game. There were some tries that should have been scored Cameron and Zane – well done. You all played so well. Top tackle from Ben in the last couple of minutes secured our fantastic points win.

Sometimes it was difficult in not having reserves which put pressure on the boys however the boys always came through. Towards the end of the season it was great to recruit Kaylem Burge and Coby Wallace to help us out.

We would like to thank Deanne for being such a fantastic and organised Manager even after surgery she still was there for all her support at training sessions and scoring even on crutches!

Another very big thanks to Stephen and Tracey for being our trainers. Thanks Tracey for doing the course and stepping up when we needed you. The game against Joeys was the hardest and you were there. Thanks Stephen for being a great asset in our game plans, positioning and on field support. We are sure we wouldn't have got as far as we did without you.

A very big special thanks to all the fathers who ran the sideline for us and the BBQ duties and to all the mums who helped out in the Canteen. We certainly had our share of duty.

From us: Having not coached before we thoroughly enjoyed our year of teaching the boys the skills required. It was a challenge for both of us and the boys in adapting to each players style of play.

From Clive: It was quite an experience to coach a young side as this and the skills that was required to train boys of this age. It is much different to when I coached older sides. From my experience this season I have realised how important it is for our junior players to be coached and to be made aware of the skills required to learn the groundwork for their future career in rugby league. A tremendous effort from the boys. I am very proud to have been given the opportunity to coach everyone of you. WELL DONE!

From Julie: I thoroughly enjoyed coaching and sharing that experience with Dad is a memory to last forever. After going through the coaching course and coaching you boys I have learnt so much. To end with a minor premiership from you boys made me the proudest coach ever and I thank you all so much. You are all such beautiful boys your spirit and determination and good hearts to play made it so easy as a coach. I hope that I can coach you next year and that you all will continue playing footy. What a great season we had!

Luke Zoppi

As a new player to Rugby League what an incredibly awesome start! Luke your were our top try scorer for the team and really contributed to the success of our game and where we finished. Your attitude was always to play your best and never give up which is a great credit to your character. Some of the tries you scored we will always remember your speed and determination in getting to the line. Luke you are a natural. Always remember this. You are our Greg Inglis

Harry Zammit

A new player to Rugby League and coming from a soccer family what an awesome guy you are Harry. Harry you are always pleasant to coach and you really enjoyed your games with a very outgoing personality you often made the team laugh. Harry you are the second top try scorer for our team and what fantastic tries you scored. Harry you took on the fullback role and also saved many tries been scored against us. It was a credit for you to come from another code and adapt to the skills of rugby league. You are our Brett Morris.

Ben Bishop

A new player to Rugby League. How quickly you learnt the skills of Rugby League at this level. Throughout the year it was a pleasure to watch your games improve every week not only scoring tries but your fantastic side stepping in attack and also your tackling was exceptional. The last tackle at Como is unforgettable. You had no hesitation in taking on opponents irrespective of their size. Well done Ben. You always listened at training. You are going to be a great rugby player. You are our Benji Marshall

Jesse Edwards

A new player to Rugby League. You were always so well behaved and a fantastic goal kicker for us. Your kick offs were fantastic. It was so great to see towards the end of the season how your game started to improve with your defence and running with the ball. You were always the first at training and approached your first year of footy with the right attitude. We hope you will continue to play rugby league Jesse and keep on improving. Congratulations Jesse you were a pleasure to coach. For your kicking prowess. You are Adam Reynolds.

Cameron Boyd Larnach

Second year playing Rugby League. Son and grandson what a great year you had. The determined runs you made during the season were fantastic and it was just unfortunate you were always just short of the try line. However these determined runs you made up the middle contributed to the winning of our games. Your strength on the team also came down to the forward position you played and the fantastic tackles. You also enjoyed being skipper and we could hear you from the sideline telling everyone what to do. Good on you Cameron we love you. You are our Paul Gallen.

Brock Herd

Second year playing Rugby League. What a great player! You made some terrific runs in attack notably on the wing and your terrific runs in the finals. It was good to see you play in the position that the coach wanted you to play in even though you may have wanted to be in the middle. To your credit you did what was asked of you. A great effort for a player who played well above his size and weight. We thought we may have lost you for the finals when you fell off the playground equipment. What a great recovery! You are our Josh Morris.

Isaac Quine

Second year playing Rugby League. You are a good runner in attack with the ball and a fantastic tackler. Once you made a break there was no stopping those legs taking you over the line. You always listened to what we tried to teach you and this helped you improve throughout the season. Your side stepping and runs were incredible. Even when you were injured you always got back up. You were always good at training and were an asset to the team. You are our Cooper Cronk.

Zane Crawley

Second year playing Rugby League. Zane you were an integral part of the team in taking on the role of first receiver and setting up the attack for the backline. You are a very determined player in attack with the ball and made so many great yards up the middle. You have a big heart Zane. Your tackling improved so much throughout the season which was great to watch. Congratulations Zane on a good season. You are our Isaac Luke.

Kaylem Burge

It was great to bring Kaylem up from his lower grade. His tenacity in defence and attack really was an asset to the team and helped us with a much needed reserve. We are very lucky to have had you play for us Kaylem. We hope you enjoyed your experience in playing with a higher grade. We all wish you the best in your football career. You are our Dylan Walker.

Coby Wallace

Thank you Coby for playing two games with us this season. Unfortunately our games clashed with your team and we were not able to have you play with us more. You were a lifesaver in our game against Cronulla Caringbah. We thank you for your hard work. We all wish you the best in your football career. You are our Luke Keary

After the success of last year, and moving into Mod league, we knew we would be moving up into the A's and it was always going to be hard. We had a few new boys who have never played rugby league, however the boys trained hard all year, and despite some big losses early on, were able to improve significantly and were very competitive by Seasons end.

In our last 3 games we were able secure a win against Yarrawarra, as well as be leading in games against Semi Final Teams and even scored 16 points against the Undefeated Premiers Kurnell.

All the boys improved individually as did the Team and will be a competitive Team next season in the 10A's.

Jackson Chalk

8 Trys / 7 Goals: A dynamic player who always tops the tackle count with his "around the ankles" style.

Jai Williams

1 Try: Involved in most tackles and always does it with a smile. Fast and hard to catch.

Brandon Wolkiewicz

(1st Year): A big forward with a great fend. It's hard to take him down.

Brayden Wallace

2 Trys / 2 Goals: A thinker who always holds his position and scored the couple of times it made it out to his wing.

Jai Nixon

(1st Year): Jai is a big forward who runs straight and hard. His starting to realise how strong he is.

Zac Rea

1 Try / 1 Goal: Moved in from the wing after years and did everything expected of a 5/8. Got the ball to the backs every set.

Charlie Te Hira

1 Try / 1 Goal: One of our toughest. Big hard runs and great fend.

Jack Nisbett

2 Trys / 1 Goal: A utility player who loves it in the middle. Very passionate and very strong.

Brayden Beams

2 Trys: Every team needs a Brayden. Tough, attitude and great head for football.

Beau Wallace

1 Try/ 3 Goals: A tackling machine. Beau's go forward attitude was great to see.

Michael Broadstock

7 Trys / 3 Goals: One of our leading try scorers this year. Michael loved get over his opposition.

Nathan Stein

3 Trys (1st year): Very fast and born to be a winger. Just needs to not break his arm mid-season

Henri Hiles

(New to Team): Henri knows his footy, and is hard to catch. Loves running that ball

Bryce Dinsdale

1 Try (1st year): A utility player who prefers the forwards but can play any position.

A special Thanks to the following:

Al Rea

WOW, what a year for the mighty under 9C Engadine Dragons, which resulted in a much deserved Grand Final victory of St Josephs. The boys got to play on Shark Park and defeated our toughest opponents all year 18-10, with the entire 15 players giving everything they had for the entire 40 minutes. This was a great reward to all the boys and their families after going so close in 2013 and just falling short in the GF to Taren Point. All the good judges say you have to play and loose in a Grand Final before you are ready to win one, and we sure proved that theory correct.

Our season started off with a big bang after beating St Joeys 24-18 in the first round, this would set up a rivalry between both sides for the remainder of the season, as they had come down from the B comp and were very confident that they would take the title.

We continued on our winning way for the next 6 rounds defeating our opposition convincingly every week, and by big scores as well. Then we played Joeys for the second time in round 8 and tasted defeat for the first and only time in 2014, (a loss we probably needed to get our minds back to reality).

From then on we continued to dominate every other side in the comp, and ended up equal minor premiers with St Josephs, but were relegated to second on for & against. (A position I felt comfortable with this year as we were going in as the under dogs).

This would set up a Semi Final Clash with Joeys where we would wind up winners 16-12, in which was in my opinion our greatest victory of the year. We shell shocked our opposition, their coach and parents, but it wasn't over yet.

After a 3 week break and little training due to the weather, we again played Joeys for the 4th time in the GF. After a slow start and being down 6-0 after 4 minutes (worried coach) we scored and went into oranges 6 all. The second half was a total domination of Joeys, in which our defence was spot on and proved the difference in the end, and gave us our victory.

As a coach I have never tasted a GF victory before this year, and I can say that it was a better feeling than winning one as a player. Each boy in this team deserved this win, and it has been a great pleasure and honour to have coached you for the past 2 years. You guys are a fantastic group of young men, who were prepared to listen, learn and take in what advice I had to offer as your coach. I am very proud to have been a part of this journey and thank you all for the great times we have had together as a TEAM, and are so glad I was allowed to come along for the ride with my bunch of MISSFITS & SCALLY WAGS. Great effort boys.

I would like to thank my Trainer/ right hand man/advisor, Matt Keogh for all the great help you have given me over the past 2 years. This result would not be possible without all of your dedication and commitment to the team, and I know that the players and parents feel the same. I truly appreciate all the hard work you have done bud, loved every time we had a drink, and will continue to enjoy our friendship for many years to come.

I would also like to give a BIG thankyou to our wonderful manager Michelle Isemonger, who has single handed kept this team going for the last 2 years. Shell

works non-stop for not on the under 9C side but she also manages the 14Bs, is President of the Dragon Ladies Committee and can always be found at Anzac oval helping out in many ways. Shell is an asset to our great club, and the players, parents and especially myself have enjoyed having you as our manager and great friend. Thanks for all your hard work Shell, we all appreciate it.

Lastly I would like to thank all of the dads and mums for bringing their boys to training, games and social outings throughout the year. A special cheers must go to, Troy, Cam, Belly, Benny, Fibbo, Stuart, Mark and Darren for coming and helping me at training when they could make it. Over the last few weeks leading into the finals I especially appreciate all the help Troy and Cam put in every week, the boys and I thank you. Thanks to Nelson for being ball boy/kicking tee bloke, Lachie for all his help, Jaron for his Tackle counts each week (the boys loved that Jazz) and little Jaykey for busting the boys up at training.

I look forward to continuing the friendships and bonds I have formed with all of the 15 players and also the great bunch of parents for many years to come.

SESATIONAL SEASON BOYS, I am very proud of you all and what we have achieved over the last 2 years.

Cheers

Andy

JORDAN BELL

First receiver – Jordan had an outstanding year and was a big part of our Grand Final victory. He was instrumental in leading the team around the park in the first receiver role each week and scored many tries in this position. A big improvement of Jordy's game was his defence, and he held his wing position solid each and every week, and I doubt a try was scored down his side the entire season. Jordy also perfected the art of putting a player into a gap and to off load when was in open space and put a team mate over the try line. Jordan has a big future in the game and he was a worthy winner of the Most improved award this season, great effort Jordy.

RILEY BINNS

Front row forward. Riley had a season that had parents, spectators, other coaches and myself talking about all year. He was outstanding in every game and topped the tackle count each week, with 20 to 30 tackles per game. He was our best forward by a country mile and scored some fantastic tries, but most importantly, set up many tries for his team mates with great tackle busts and then off-loading to a mate for the spoils. Riley received the Best & Fairest runner up award this season, and was not far off the big prize either. I have enjoyed watching you grow as a player over the last 2 seasons and I know there are big things in store for you in the future. Well done mate.

Kane Bowran

THE STEAM TRAIN.- Forward. Kane plays with passion and heart, and puts his body on the line every game. For a little fella, Kane never takes a backward step and plays well above his weight. Like last year, Kane kept improving every game and had a blinder in our Semi-Final against Joeys, and was close to best on field. When he runs the ball up, it seems like he is impossible to tackle and he constantly troubled the opposition defence each game. If I could offer some advice to you buddy, it would be to tackle a little lower (you are a big fan of the old saying, you can't run without heads) and concentrate for the entire 40 minutes. Great year Kane, well done.

Jayke Fibbins

The Natural. Jayke was OUTSTANDING in every game this season and carried on from where he left off last year. He is a natural footballer with all the skills, and excels in both defence and attack. He was our leading try scorer for the year and was a close second in the tackle count. He has the ability to score length of the field tries, and his defence was bone crushing. I could always rely on Jayke to get us out of trouble when needed, and I know the boys look up to him each and every week, and their heads go down when he is unable to play. It has been an absolute pleasure to coach you champ, you are a worthy winner of the Best & Fairest award and I am sure you have a massive future in this great game.

Bryce Cliffe

Bryce /Baz/Bazza/Bruce Cliffe- Winger. Bazza had a wow of a season and got better with every game under his belt. He is a natural runner with the ball and has a lethal side step and in & away, which resulted in some great 4 pointers this season. Bryce was unstoppable in defence on the wing and not many players were able to get around him. He is one the nicest, well-mannered boys I have ever met, and was always eager to learn new skills and take on advice. It was a pleasure to have you in my team Brucey, and congratulations on the encouragement award, you thoroughly deserved it mate.

Jarrold Horton

Second row. Jarrold had a great season and got better and better with every game. Jarrold worked hard on his defence at training all year, which resulted in his tackle count increasing every game. He has learnt to tackle low and hard and to get the opposition player to the ground. When Jarrold put his hand up for a hit up, he always made good yards and troubled the defence. Keep playing footy Jarrold, as I am sure you will keep getting better with age and experience, and definitely be a player of the future. Greta effort bud.

Blake Isemonger

THE SNAKE- Hooker/dummy half. Blakey started the year off like a house on fire and was dominating everything. After 4 rounds he was leading try scorer, close to topping the tackle count each week and playing some sensational football. His sneaky runs from the dummy half position would always result in good metres and on most occasions would gain him a 4 pointer. His defence this year was outstanding in every game and he tackles with such venom and rarely misses a tackle, and if he does he will always chase and make that second effort. He was outstanding in the marker position and gave great ball service to our first receivers from the dummy half position. A more likeable kid I have never met, and I have enjoyed being your coach for the last 2 years little mate and look forward to watching you grow as a player in seasons ahead.

Joel Keough

Forward. Joel had a great season and made steady progress each week. He worked very hard on his defence at training, which resulted in him climbing up the tackle count each week with some solid tackles on the opposition. He also made great progress on his ball running, and made several robust runs each week and got so very close to the try line on a couple of occasions. He is a pleasure to have in any side, would always listen and take advice on board and when he starts to believe just how good he could be at this great game, then the opposition will be in for a massive shock. Well done Joel, very proud of you mate.

Kyle Marr

Utility player/dummy half. Kyle really stood up this year and has progressed well from the 2013 season. He shared the dummy half position again this year and has really perfected the art of the sneaky run, and used this well every week. I was very impressed with how Kyle has worked on his defence this year, and he tackled well in the middle of the ruck each week. He scored some good tries, and is very much a team player. Kyle would be the first at training each week, practicing his goal kicking and always asking advice on different matters relating to his game. Well done Kyle, great year buddy.

Luke Maguire

Centre/Lock Forward. Twinkle toes. This was Luke's second season in footy, and he had an absolute CRACKER . He has improved so much in the last 12 months and has become a major player in our side. His hit ups always resulted in good yards, and more often than not he would cross the try line for a 4 pointer. His biggest asset this year was his defence, which he has worked so hard on all season. He was standout in our last 5 games of the comp, mainly for his outstanding defence, and those of you who witnessed his try saving/match winning tackle in the Grand Final, you would know exactly what I am talking about. Luke you have had a fantastic year mate and I am awarding you the Weekly Man of the Match trophy for all your hard work, well done Lukey.

Chad Bonser

Centre/ Wing. Chad joined our team from last year's B side and fitted in perfectly straight away. He possesses blinding speed and has a lethal side step, which resulted in many great runs this season and some nice tries. He played defensively in the outside centre position and made many good tackles every game. If I could offer you some advice mate, it would be to run a little straighter and use your speed and side step and I am sure you will be the leading try scorer for years to come. Chad was a keen trainer who would always listen, ask questions and follow any instructions given to him. He is one of a lucky few people who has won back to back premierships, and deserves them both. Well done Chad.

Callum McEneaney

Half back/ full back- WOW, what a great little player Cal is. He joined our team from Helensburgh this year and was a standout from the first trial of the season. He possesses one of the best kicking games of any 9 year old I have ever seen in any grade. His general play kicking got us out of trouble every week, his kick offs always resulted in us getting the ball back as he would put the ball over the sideline every time, and you have got to see this kid kick a conversion to witness just how good he is. He has the complete game, runs the ball so well, scores length of the field tries and has a defensive game that any coach would be proud of. His efforts in the Semi-final and Grand final were outstanding, and he played a big role in our premiership win. Cal was only a couple of points of the major team awards this year, but I am sure that will change next season. I can't wait to watch you develop your skills further in coming years mate as I am sure you will be a super star for many years to come.

Josh Pires

Centre. This was Josh's first year of footy and he took to it like a duck to water. The littlest fella in our side, but he sure did not let this stop him one bit. He has speed to burn and runs the ball hard, and got so close to scoring on many occasions this year. What really impressed me about his season was his defence. He tackles well above his weight and is not scared of any opposition player, big or small. Josh is a well-mannered boy who was up there with the best at training every week, and would always ask for advice on how to improve his game. What a fantastic season you have had little mate, and I hope you will be back for many more years to come. You might just grow into your footy shorts by the under 15s.

Braithen Vella

Second row. This was Braithen's first season in rugby league and he improved with every game under his belt. He is a big boy who hits the ball up hard and made some surging line busts every time he took the defence on. His defence was solid every game, but he needs to work on his technique next year to perfect this aspect of his game. Braithen if you start to believe in yourself and concentrate for the entire 40 minutes of the game, I know you have the potential to be a very good foot baller for

many years to come. Congratulations on your first season mate, and not many players can say they won a premiership in their first year.

Laim Watson

LIMO-MO. Front row forward. Right from the get go I knew Liam had potential and was a very capable player. He carts the ball up hard and fast every week and possesses an outstanding one hand off load, just like the old fashion front rowers of the seventies & eighties. His defensive game was solid all the time and rarely would the opposition get past him. Liam is every bit a team player and a pleasure to coach. His manners are impeccable and he would always listen to my advice and ask questions to help better his game. Watching Liam play each week, you would never guess that this was his first season in league, and he impressed all the coaching staff and parents in every game. Well done Mo, it has been a pleasure to have had some sort of impact on your game, and I am sure you have a massive future ahead bud.

Jayke Watson

Training helper legend. Thanks for all your help Jaykey, you could fit into our team any day, even though you are only 6. Job well done mate.

Another great season for our Dragons of the future. The U10's this season went with 3 teams which ensured plenty of game time for all the kids and more opportunity to learn and improve their footy skills. The end results were both A's and B's making the Grand Finals and the C's with several first timers going so close to Semi Final action.

To our boys I am as most coaches a little biased towards the teams they coach, however I believe our kids have without doubt the most natural talent within the competition. The next challenge was to get the boys to play as a team and fit into their best suited positions.

With the quality of opposition teams improving each year this A Grade was to be very close with only a couple of tries each week deciding wins and losses. As the season progressed with some positional changes made, the boys started to work as a team and look better with each week. At season's end we again were guaranteed another crack into the Semi's finishing the regular season in second position behind last year's nemesis Como.

Our first Semi we went down 10-6 to Como at Anzac in a game which we just couldn't seem finish them off. A week later the boys played the best game all year by belting De La 36-18 in an amazing effort, you should be all very proud of making your third GF in 3 years.

So off to the GF we go, this year on Shark Park which I know all the boys were nervously excited to play on the big stage. Unfortunately as in the Semi, 1 try was the difference, seeing the boys go down fighting 6-12. Although disappointed with the result I couldn't be prouder with the effort. I know we will be back for revenge next year and have no doubt the result will be different.

To Mick my Manager thanks for your ongoing assistance with all the behind the scenes organisation from team rosters to submitting the game day sheets it does not go unnoticed, you are a freak. To Hoody thanks for looking after our kids both at training with some much needed words of wisdom and their welfare on the field. Braydo I would like to thank you for your support all year not only doing the tackle counts but your encouragement for the kids always there to help out whatever was needed, you're a champion.

To our parents, thanks for all your assistance with ground control, bbq's, training but most importantly your continued support and encouragement for the kids and myself during the season. It was a pleasure to be involved with great kids and families again.

I would like to especially thank Jayden Kepu, Jacob Gunn, Jake Quinlivan,

Ben Metcalfe, and Justin Letton from our 10B's for playing several games throughout the year. Much appreciated.

Congratulations to our eventual Dragons Premiers; the 9C, 10B and 1st Grade teams.

Cheers Lynchy

Kooper Bannister

2 Tries 1 Goal (Second Row)

Big things were expected this year from Koop and he delivered. A constant handful in attack and as many opponents found out hard to crack in defence.

Kooper played out a bit wider this year with saw him make many damaging runs.

The more Koop goes looking for the action the better he will get. There will be more to come in 2015. Well done Big Koop

Kody Burge

2 Tries 1 Goal (Front Row)

Kody took huge steps forward this year. With more game time this year Kody showed he has the potential to game to dominate in years to come. In defence he is improving every week. In attack he has great footwork for one of our big fellas which saw him score a memorable try out wide against Joeys during the season. Good work Kody

Lachlan Colenso

2 Tries 3 Goals (Front Row) – Best & Fairest Runner Up

Lochavich had a stand out season in 2014. The team's captain he leads from the front always taking the first hit up. His crashing runs gave the boys great momentum. Loch always gives 100% at training and carries that on to field every week. Plenty of ticker shown all year copping a couple of wacks and getting straight back up. And I know there will be more to come Lachie.

Flynn Dante

1 Try 1 Goal (Front Row) – Most Improved

Flynno is without doubt the teams rock. A no-nonsense player who does his job every week. A grafting runner with ball who always made good ground with each hit up. Another strong defender seeing him top the tackle count in many games. A pleasure to coach, Flynn should be very proud of what was an amazing year. Well done Flynn

Harrison Hood

11 Tries 2 Goals (Centre)

H is a tough all round player who can dominate in defence and hit the line hard in attack. Harrison is a major part of our team's success causing headaches for opposition teams every game. H copped a nasty cut during the year and was back giving 100% the very next game. A real game changer with either an electric try or amazing tackle. Solid year H.

Taj Kidd

3 Tries 2 Goals (Hooker)

Taj played the vital role of dummy half for the team this year, and done an outstanding job. In defence as in seasons past making many courageous bootlace tackles to stop oppositions certain tries. Taj gave great service and as his confidence grew became the complete hooker having many scoots and scoring some well deserved tries. Great stuff Taj

Zane Kidd

1 Try 1 Goal (Half Back) – Encouragement Award

Zane has natural football ability. I think this year Zane has definitely come of age. Playing first receiver and forming a great combination with Taj. Funny that. As the year progressed Zane really began to grow in confidence and take control of organising the forwards then delivering great service to Dane and our speed men the shine. Big years ahead Zane well done.

Dane Lynch

2 Tries 9 Goals (Five Eighth)

What a clever, skilful and reliable footballer Dane is developing into. In conjunction with Zane directing the team around the park was a real key to our success this year. Playing 5/8 helping our backs get plenty of scoring chances and often sniffing out a try of his own. In defence always up there in the tackle counts. Well done Danger

Tyson Mitchell

10 Tries 10 Goals (Fullback)

Mr Consistant. It's hard to pick Tyso's strongest points cause doesn't have any weaknesses. A very gutsy player who's always in the thick of the action from the opening whistle. Speed to burn scoring many tries, and good positional sense. In defence he was always in the face of opponents. Tyso is an excellent trainer who could play many positions. Well Done Tyson

Kurt Peychers

3 Tries 8 Goals (Lock)

The nugget had another fantastic year. On his day he is one of the most destructive runners in the team. Kurt has natural ability with the ball, seeing him setting up outside runners for several tries. When he commits in his tackling they stay hit. I

think Kurt needs to realise the talent he has and when he does look out next year.
Great work Didley.

Kye Robson

6 Tries 4 Goals (Second Row)

Robbo is our teams most committed player giving 100% in every game. Kye played in a different role this as a ball runner which saw dominate with many hard runs causing problems to teams all year. As seasons past his defence was just as strong. Kye is an excellent trainer and understands the game beyond his years. Great work Robbo.

Luke Wallace

8 Tries 3 Goals (Centre) – Best & Fairest

Cool Hand Luke. Luke had without doubt his most complete season. A gifted ball runner, Luke ran strongly all year with many attacking raids resulting in some amazing tries. Moving Luke up in the line proved another weapon for the team with his defence being a standout, saving many tries all season.
What a year Luke Well Done.

2014 what a great year it proved to be for the 10B's. There is nothing better than seeing 13 little champions run onto Remondis Stadium to play their Grand Final & winning 16-6 against De La Salle. We were Minor Premiers / Premiers and what a well deserved win it was.

2014 started with Johnny as an existing coach & myself first time coach, with a few new team members, who quickly became great mates and we could see the bonds between these 13 boys form quickly.

After a few weeks trialling new positions, we finally had our structured team. Johnny & I could come up with a game plan for the boys and set some goals for the 2014 season.

The boys played consistent all year with a highlight score of 52-0 against St Pat's, having the mercy rule called on the game half way through the second half.

We battled a few injuries through the year but stuck together as a team. Every week, the boys turned up to training. They were dedicated, well behaved and gave 100%.

One thing about this team is that there are not one or two players doing the job; there were 13 little champions, who gave their heart & soul every single week to form this team.

We would like to thank Charlie Te Hira, Jackson Chalk, Jack Nesbit & Beau McInerney for helping out during the season.

Thanks to our champion trainer, David Gunn for all your efforts this season with not only our team but for what you do with the club also.

Thanks to our wonderful manager / social coordinator, Natasha Hardy, for her endless amounts of texting and for organising all our social events.

A big thank you to the parents for getting the boys to training every week & for your endless support and friendship throughout the season.

Last but not least, to the boys each & every one of you, have made Johnny & I so proud. We hope that you have enjoyed your season & that this season will be a year, you will never forget and you all will be talking about in years to come as I know we will.

Cheers
Garvs & Johnny

Jett Hardy (Kamakazi Kid) – Centre / Fullback

Jett is a real speedster coming up against many opposing teams throughout the year. Jett has worked hard all year at training on his defence and has improved out of sight, becoming a great little defender. Jett finished the year off strongly, scoring a great try in the Grand Final putting the final nail in De La Salle's coffin. Well done mate, hopefully next year will be an injury free season.

Luke O'Keefe (Smiley) – Centre/Fullback

Luke is a pleasure to coach. He has a great attitude at training and it shows on the field. Luke is a great attacking player scoring some awesome tries out side for us this year. He defence is courageous, never missing a tackle, and his try saving tackles were unbelievable in the Grand Final. Well done Luke on an awesome year mate.

Ben Metcalfe (Metty) – Second Row

Benny had a big year. He is natural footballer with great determination. Ben's attack has been outstanding making great metres all year and scoring some great tries. Ben's defence shows great technique, he tackles hard with controlled aggression. Great season Benny, well done.

Jayden Kepu (Kepz) - Second row

Jayden is a complete footballer. He is consistent every week with his hard running, always making valuable metres up through the middle and scoring some great tries. Jayden has a great tackling style – low & hard with a great work rate. He is a happy kid & took on any challenge that was asked of him. Jayden showed his versatility by helping out in the centres, showing he can play anywhere on the park. Well done on a big year & great game in the Grand Final mate.

Riley Burden - Front Row

Riley had a solid consistent year. A quiet kid with a big heart, always there first to cart the ball forward, making great metres, taking 5 to 6 kids to bring him down. Riley's defence was outstanding all year, smothering his opponents. Big game in the Grand Final mate. Well done on an outstanding year buddy.

Jacob Gunn (Gunny) – Halfback

Jake had a great year, taking on the challenge of half back. It's not easy for a 10 year old to work to a game plan and direct the team around, but Jake did this 100% and was a big factor in our team's success this year. Jake's general play and goal kicking was outstanding, never missing a kick all year. Jake's defence improved every week, tackling the bigger kids down low. Well done on a great year mate.

Lachlan Stanton (Spiders) – Five eight/Centre

Lock is another kid that is always happy and giving 100% at training. Locky has speed to burn with one of the best steps I have seen on a kid. Locky scored many tries out wide for us this year. His defence is text book with great technique 'low and hard', bringing down much bigger kids. He finished the year strong with a great try in the Grand Final, having a blinder. Well done Spiders.

Jake Quinlivan (Bob) – Front row/Centre

Bob has the potential to change a game, scoring some great tries, carving other teams up on many occasions with this fast hard weaving runs. Bob is a happy kid on & off the field and took on any challenge in front of him. His defence improved through the year, taking on the big kids, one on one around the legs. Well done Bob.

Justin Letton (Jussy) – Front row

Justin had a massive year; he has listened very hard at training & put in the hard yards. One of the most improved players in the team. Justin was always there first to cart the ball forward, making great metres, taking 5 to 6 kids to bring him down. Jussy's defence has been strong & consistent all year smashing the opposing team. Well done mate on an outstanding year.

Lachlan Goodwin – Five eight

Lachie had a big year. This kid loves his footy & has miles of talent. Lachie gave our outside backs, good ball all year & has the ability to break the line. The biggest improvement in Lachie's game was defence, becoming one of the best tacklers in the comp, coming up & smashing his opponents 'low and hard'. Well done champ

Joel Fry (Wombat) – Front row/second row

Joel had a good consistent year, one of the most improved players in the team & is developing into a great little footballer. In attack, he knows one way straight & hard, making valuable metres & busting the defence on many occasions. Joel's defence has been strong with some great ball and all tackles. Well done Wombat.

Luke Alewood – Second row

Luke has had an awesome season. A quiet kid with a big heart. Luke is one of the hardest trainers I have seen with a great attitude & it shows on the field. Luke has been a try scoring machine, carving teams up out wide with his hard running & big fend. Luke's defence is solid driving low & hard, never missing a tackle. Well done Luke on a fantastic year mate.

Jy Garvey (Garvs) – Hooker

Jy is our team's Mr Consistency, week in & week out, he goes on the field & gets the job done with ease. Jy is a natural footballer, who plays hard & strong. He defends in the middle of the field, taking on much bigger boys every week. Jy made valuable

metres out of dummy half & scored some great tries, none no better than the one he scored in the Grand Final. Well done Jy on a great season mate.

The boys can look back with pride on their efforts this season. With half the team making their debut for the mighty dragons and myself, being a rookie coach it seemed like a perfect match and that it was. It was a really memorable season. I believe we achieved the goals which we set at the start of the season and that was to continue to improve on the basic skills and most importantly to have fun and there was plenty of that in our team.

To the boys who played their first season, congratulations. Well done for slotting in so well. I am sure it will be the first of many.

To the veterans this season you had your chance to shine and that you all did. You boys are a great team and a pleasure to coach. I enjoyed watching you all improve week after week and using the skills we practiced at training. I admire your enthusiasm and willingness to learn at training and on game day.

I know that each and every one of you gave 100% and never gave up. You are showing many of the qualities needed to be part of successful Dragon sides of the future.

Thank you for the help that I have had throughout the season. I would not have been able to coach the team without it. Our manager Michelle who does so much behind the scenes. Our superb trainer / team doctor Brett, thanks for all your efforts. You're the best in the business. Also to Mick who has helped out with whatever is needed. You have made my job much easier.

Thanks to the parents for your support and encouragement. Your boys are a credit to you.

A special thank you to all the younger boys from the 9's who helped us out most weeks so that we could compete this year.

Thanks to the Management and committee of the Engadine Dragon's for all the support and assistance you provide.

Lastly to the boys, I want to say thank you for a great season. Keep believing in yourselves and never give up.

See you all next year.

Steve

Rory Cartwright

Mr Consistent - A try scoring machine, scored tries when we really needed them. Has the best support play I have seen and always willing to help out in defence. Rory you didn't let anyone down all year and you had a great season. Well done.

Kallen Dries

The Flash - Lightning quick, with speed to burn. Scored many fine tries with his determined runs. Big defensive improvement this year with many more one on one tackles shutting down the play. Impressive season Kal, congratulations.

Fletcher Johnston

The Quiet Achiever – Kept on improving throughout the season. Developed a straight and hard running technique that worked well. Another one that has improved in defence using the shoulder and going around the legs. Good on you Fletch. Good work.

Brayden Carswell

Another quiet achiever who absolutely loves his footy. Listened carefully at training then executed it perfectly on game day. Always willing to roll up his sleeves and help the forwards out in attack and defence. Had a first season to be proud of. Keep up the great effort Braydo.

Kadyn Judd – Kado

Captain courageous – Gave 120% every week. Leads by example so was an easy pick to be Captain. Has it all, hard running, strong defence and kicking game second to none. Super season Kado. Congratulations.

Beau McInerney

Natural athlete – capable of anything. Possesses an awesome sidestep which lead to man run away tries. One of the top tacklers bringing down the bigger fellas every week. Beau, just believe in yourself because you could do anything. A solid effort this season Beau. Well done.

Cameron Read

Cam is another naturally gifted footballer who unfortunately for us started the season late but had an immediate impact. A free runner of the ball. Scoring tries and one of the top tacklers. Top stuff Cam. Congratulations.

Chris Boyd–Larnach

Twinkle toes – Earnt nickname after making a big break upfield and beat every player twice. Super consistent. Did not have a bad game all year. Chris you are a very valuable player to the team and good on you for a fantastic season.

Nick Freeman

Fearless competitor – Grabbed opportunity for game time with both hands and never looked back. Strong defender, who topped the tackle count most weeks. Smart and elusive running from dummy half scoring many tries. Well done Nick on an outstanding season.

Koby Rowlings

Mr Enthusiasm – Improved with leaps and bounds every week. Another great listener. Made plenty of powerful charges making valuable metres every game. Sometimes taking 5 players to drag him down. Sound defender. Terrific first season Koby. Well done. You're only going to get better.

Cory Parker

Quick Learner- another Dragon playing his first season but no-one would have known. Powerhouse runs scoring some great tries and always tried his hardest in defence. Cory you should be proud of what you have achieved so far. Congratulations.

Riley Newton

No Frills – Riley is an old school forward. Plays hard up the middle with a no nonsense approach who loves giving it back to the opposition. Another big improver. Riley you are an important player in the team. Keep believing in yourself. Congratulations on a solid season.

Riley Cussens

The comeback kid – Signed up for his first season and went so hard during the trial that he broke his collarbone. Slotted straight back into the team and showed a very high work rate. Picking up skills straight away with strong running and defence. Riley you showed outstanding determination to comeback and played well in every game played. Congratulations.

We started off the season with what I believed our best opportunity to take out the competition. After last years injuries and set backs I truly believed it was going to be our year. How wrong I was. Broken finger, broken hand and season ending leg injury slowed us right down and again ended up another year that could have been. In the early months we had five boys picked in the zone school boys Sam, Logan, Ryan, Kobie and Eli, rep side who's team ultimately won the Robert Stone Shield. From these five three Ryan, Kobie and Eli went on and made the top 30 players in the south east of Sydney. Not a bad effort. Despite this I believe the boys had a great year and improved on their skills and team work. I would like to congratulate the boys on earning the Cronulla Sutherland Junior Rugby League 'Most improved team'. A great achievement well done boys. Finally I hope the boys have a good break have a great off season and look forward to getting back into it early next year.

Brayden Andrews

Braydo is another kid lacking in self belief and confidence. I saw a glimpse of his ability early in the trials where he tore apart Collegians. Braydo has showed potential over the last couple of seasons. He made the move from wing to 5/8 and showed he has the ability to be great on this position. He has a great passing game and strong runs which are unpredictable. Braydo needs to get more involved in the game and by doing this will give him confidence and self belief.

Ryan Astbury

One of my boys who had his first taste of rep footy one of the three boys making the top 30 in Sydney. Again Ryan week in and week out did his job and use his greatest asset his speed. Ryan also did well in his athletics this year, but hopefully finds the time to stick with both running and footy. It was a pleasure coaching Ryan this year and I only expect him to get better next year.

Brad Bishop

Bisho's first year in A grade and he showed that he could mix it with some on the best. A quiet kid who showed when he put his mind to it could play like an A grade footballer. Brad back yourself and believe mate.

Luke Bishop – Luke's first year in A grade also and did not look out of place in any game. A versatile player who does what I ask of him week in and week out. Wasn't far off getting one of the team awards, good effort for his first year in the top grade. Well done Luke.

Corey Burling – Corey surprises me each week with his rough and unorthodox play. I asked him to move positions to fullback and his speed and ability to break the first line of defence on the carry back was outstanding. Another that needs to believe in his ability, work a little harder on his basic skills and he has a big future in the game.

Tyler Coldwell

Tyler's second year in the top grade and he started the year off gangbusters. He was my enforcer when it was needed. Mid was through the season Tyler was my most consistent player and his defence up the middle was solid. He copped a knock against the Colts and had a ride in an Ambulance and it affected his game and confidence, and to top it off had a knee injury which cut short his season, but I know he will be back bigger and better next season.

Cooper Duffy

Cooper showed a different attitude this year and particularly at training, he pushed himself week in and week out and. He tried hard each week and with his hard training came and improved performance on the field in particular his defence towards the back end of the season. Unfortunately he was another casualty and suffered an injury, breaking his hand and cutting short his season. I'm sure he will be back raring to go next year.

Eli Ferguson

Eli was another one of the boys who had a taste of the school boys rep footy making it to the top 30 in Sydney. Playing in an unfamiliar role of fullback, where he was solid back there in attack and defence until he broke his finger. This put him out for a long and frustrating six weeks. On his return he played a number of positions and was always solid in defence and attack giving it his all. Confidence and working on the little things will make him a better player.

Logan McKinlay – Buffy balls runner up again. Logan also was picked in the school boys rep side and well deserved. A kid with so much heart and so much determination who lets his solid runs do his talking for him. Always the first there to back his mates in a scrap and ready to take the ball up to the opposition when his team needed it. On another side of Logan he is the joker of the team and constantly keeps us entertained. Another good year and I look forward to watching him grow and develop into a better footballer.

Cooper Noakes

Noakesy is quiet kid who always has a smile on his face. He is a pleasure to coach and does what he is told when he is told. Little complaints and tries hard each week. Noakesy is another kid who has an uncanny knack of breaking the line and making something out of nothing. He is also a solid defender when his head is in the game. Cooper is another kid who needs to believe in himself and back his ability to reach his full potential.

Ty Parkes

Ty is a kid with so much potential and ability but again lacking in confidence. When he isn't thinking about things he defends and attacks as good as any player in the competition. With great hands and ball skills and the old school around the legs tackling Ty could be one of our teams strongest players. Stay confident and positive and I have no doubt he will improve to the potential he has.

Tom Strover

This was the second year for the soccer convert and didn't let the team down. Great pair of hands and burst of speed Tom was a handful for the opposition. Tom needs to work on his basic skills and defence and as I tell him week in and out get more involved and will continue to improve and be a very good footballer.

Samson Vatuvei – It has been nothing but pleasure to watch Sam grow into the young man and footballer he is today. Sam doesn't say much, and he doesn't have to as he lets his footy do it for him. Sam was a late call up for the school boys rep side and didn't let the team down there either. This year Sam was the most consistent week in and week out giving it his all. Like a true front rower he did the hard work and back his mates every step of the way. I'm very proud to have coached Sam over the past few seasons and couldn't think of a more deserved player than him for the Best and Fairest award. Congratulations Sam on a great season.

Kobie Wilson

Kobie is the player every coach wants in their team. He wears his heart on his sleeve and plays like that week in and week out. This style of football also got Kobie a school boy rep position and like Ryan and Eli one of the top 30 players in Sydney. Kobie is a leader amongst the boys and leads by example. Kobie played a number of positions this year without complaint and gave his all no matter where he was. A good year, but I expect he will be back better next year.

Cheers Fergo

After last year's great result, this season didn't produce the same outcome. However, the effort that the boys gave each and every week made my proud to be coaching them. With a few teams coming down from the A's, this made the B-grade competition very competitive this year. Having said that; we still pulled off some great wins against some good opposition. I can't fault the boys on their commitment and enthusiasm in those games and every other game, regardless of whether they won the game or lost the game, they always gave 100%. As a coach, I couldn't have asked for anything more and in my eyes, you are a team of champions!

No team can run smoothly without the backing and support of a good Manager, so I would like to thank you Simone for all the time you spent sending out emails and text messages, organising team events and making sure that we all got to the right oval at the right time. Thank you for your dedication and hard work over the past two years.

Our trainers Kurt and Daniel, thank you for all your help and insight at training, it would have been a hard task without you both. It's a big commitment to give up your time, especially on those cold winter afternoons, so I thank you very much for your help and devotion to myself and the boys. Last but by no means least, thank you to the parents for pitching in when necessary and helping out with the various club duties. Thank you for letting me coach your boys, it was a pleasure - I've enjoyed the ride. Scott H.

Brynn Magson (Half Back)

A very talented young football player. This year has been hard for Brynn after last year captaining the team to a Grand Final, to this year captaining a team that struggled a little bit at times. You're a true captain, leading from the front, never taking a backward step in attack and defence. You gladly put your body on the line week after week for your team. It's a pleasure watching you play the game and you will have many successes and triumphs ahead of you. Thanks mate.

Tom Shepperd (Forward)

Tom underwent a football epiphany this year - from the quiet little Winger from years gone by, to a rampaging Forward this session. Tom really stood up this year and showed what a great hard runner of the football he is, scoring some fantastic tries. He more than deserves the award for "Most Improved". Congratulations Throttle Jockey!

Luke Davoren (Forward)

Big Luke Davo really stepped up again this year, having to spend a lot more time on the field than he has done in previous years. It was great to see him take advantage of his size and great palm to break the defence on numerous occasions. Luke played through injuries this year, but still went out and gave 100% on the field, and as a coach I couldn't have asked for more than that. I can only see Luke progressing to an even better footballer in the years to come, thanks Davo.

Zane Ryan (Hooker/ Centre)

A quiet and diligent kid at training but undergoes a metamorphosis when he hits the football field, becoming a tackling machine! Showing no regard for his own safety, bringing down the biggest kids on the field. Zane's running game has improved no end, with some good sidestepping and evasive running through the defence. It's been a privilege to have coached Zane this year to see him evolve into a player with a lot of potential for the future and is more than deserving of being this year's "Best & Fairest".

Steve Cooke (Forward)

Steve has continued on this great form from last year. An important member of our team quietly going about his work in attack and defence. A hard and uncompromising straight running Forward, that never takes a backward step on the field. Always diligent and hardworking at training, thanks for this year Cookie.

Ryan Barden (Five-Eight)

As a coach I had big expectations following last years performances and Ryan didn't disappoint! A silky smooth runner and passer of the ball with a great side step - he is the 'full football package'. Ryan could turn his hand at any sport and succeed and deserving of this year's "Best & Fairest Runner up". Thanks for your efforts Bardo!

Josh Green (Hooker)

Josh thoroughly deserves to be the winner of this year's "Encouragement" award. He stepped up again from where he left off last year, with hard and uncompromising defence around the ruck. You can always rely on Josh to keep the defence rock solid in the middle of the field. A great try scorer from dummy half, scoring many a try to get the team out of trouble. Thanks for this season Joshy.

Max Pettit (Forward Centre)

A great kid - I've coached Max for a few years now and have always found him to be a well-mannered and gentle kid, but he leaves all that on the side line, going out on the field to give his all. Max's defence has improved out of sight this year, pulling off some great hits on the opposition. I wish him all the best and I thank him for his efforts over the past few seasons. Thanks Max.

Jake Bonser (Fullback/Wing)

Jake had a solid season in both attack and defence, with the best leg tackling technique in the team Jake can be a strong and reliable defender. A memory of Jake this year is scoring a fantastic length of the field try against St. Joseph's really showing his raw pace and evasive skills. Hopefully Jake sticks to football as I see great potential in him.

Dom Newell (Five-Eight/Hooker)

This year Dom sustained a broken finger in the game against Yarrawarra whilst going in to make a tackle. We really missed Dom for a couple of weeks as he was unable to play, but we were glad to have him back. It took a few weeks for Dom to get his confidence back, but once he did his crafty kicking game and astute passing was back on track. Dom is only a small little bloke, but is a gutsy player on the field. Fantastic year Dom, hope you come back next year.

Aaron Hanlon (Full back/ Wing)

Bags is improving all the time, and I can only see him getting better the more he plays. A great year at full back this year, safe as houses under the high ball, and a great talker in defence. Bags copped a concussion this year, which put him on the sideline for a couple of weeks, but he came back bigger and better than ever with a great defensive effort against Saint Pats pulling off some fantastic tackles. Well done mate!

Jordan Litchfield (Full back)

Jordan is an extremely talented young footballer and has really made full back his position in the team. Jordan has all the attributes of a good footballer, with safe hands at the back and a great attacking game. Unfortunately Jordan had problems this year with his ankles, which inhibited his performances, but really showed a lot of guts and determination playing against doctor's orders to help his team out. Hopefully next year when Jordan is injury free he will kick some serious ass! Thanks mate.

Owen Williams (Forward)

Another new acquisition to the team, the Ox only knows one way – hard and straight! A tough and uncompromising Forward, always willing to take it up hard against the biggest kids in the opposition. Owen had a great year this year with a fantastic solo try against Yarrawarra. Gaining a lot of confidence from that try which helped him have a great season. Thank you for all your efforts this year Owen – Well Done!

Josh Mac (Forward)

Josh sustained a bad ankle injury early in the season which kept him off the park for a few weeks. He came back from this with determination and gusto. For a big fella, Josh has a good passing game and a good safe pair of hands. When Josh runs wide of the ruck, he makes great inroads and set up many a try with his hard running. Thank you for all efforts this season Josh, all the best.

This year, along with the trainers, I had the honour and pleasure of coaching a fantastic team of boy's. At the beginning of the year the boys found out that they were going to move up from the C grade to the B grade and that this was going to be a big challenge. To every single players credit the welcomed the challenge, accepted the changes in positions; and with determination and a positive attitude the team got on with training. At every single training session, using the motto "how you train is how you play" they gave their all. The way they threw themselves into learning and practicing the drills especially tackling practice was unbelievable and impressed myself and the other trainers; I cannot describe how proud of them I am.

The boys then took this training and went onto the field and applied what they had been taught and at the same time bonded into a team. In almost every game we played we were always a worry for the opposition usually leading the top teams into the second half. However a lack of reserves meant that fatigue took its toll on the team and we were unable to sustain our lead. To the boys credit they never ever gave up tried to put points on the scoreboard up to the last play.

I would like to thank A.J Wall, Andrew Stephen and Tric Davidson for all of their help. A.J Wall came in as the trainer and supported the team, his knowledge and easy going manner with the boys made training a pleasure. Andrew Stephen stepped up to help train and was fantastic in picking those key details in the way each boy played so as to enable quality one on one time with the players. And Tric Davidson, most definitely a manager's manager; without her the season would not have run so smoothly and I as a coach would have been lost. Tric did everything I asked and more and I can't thank her enough. And finally parents, without your support none of this would have been possible. Thank you.

Kurt Ceaser

Kurt came across from Gynea and played his first year with the Dragons this year and what a bonus that has been for us. Kurt has played good solid football this year always supporting in attack, which has resulted in a couple of tries for him and great in defence. Kurt is a great player and with the positive, happy attitude he has is a pleasure to coach and will continue grow.

Ruben Evans

Ruben stepped up to every challenge this year and went from strength to strength, he trained hard and that showed every time he hopped onto the field. Ruben played a number of different positions and was a good solid dependable payer especially in the dummy half role. A pleasure to coach and I look forward to seeing him next year.

Mitchell George

Another quiet achiever and a pleasure to coach, Mitchell was asked to change position this year and with no fuss did. He trained hard to master his new position and proved he was more that up to the job. Every time he got his hands on the ball the opposition worked hard to bring him down. As a coach I am proud of the way he

adapted and got on with playing football. With his positive attitude Mitchell can only continue to develop into a good solid player.

Toby Sultana

A big year for Toby this year he moved into the dummy half position and was responsible for the distribution of the ball. Toby gave everything he had in every game. He took on opposition players twice his size in defence and was willing to try something different during the attack. Toby was great at training and demonstrated a real passion for the game another player who will go from strength to strength.

Cameron Stephen

I have had the pleasure of coaching Cameron (Bobby) for a number of years now and have enjoyed watching him develop into a great player with natural ability. Cameron is a passionate player who was explosive on the field in both defence and attack and often left the opposition players reluctant to go near him. He came down from the A's, fitted straight into the team and used his knowledge to help the other players during training. Cameron has been great positive influence through-out the season and as a coach every year with Cameron is a pleasure.

Kade Middleton

A big growing year for Kade this year; Kade continued in his position and it proved vital that he did. Kade was always dependable and distributed the ball with growing speed and accuracy. He worked hard in defence at training and often took the brunt of the big forwards during the games. With Kade's work ethic he will continue to develop into a great player a truly valuable team member who was a delight to coach.

Samuel Hughes

Another player who worked hard this year especially in defence, Samuel was usually in the most vital but also most thankless position, the winger. I cannot count the number of tries he stopped out on his wing and he more than proved his worth. In attack every time he touched the ball he proved that he had both speed and power. A great team player who made helped make coaching a great experience.

Zac Morrell

Zac worked very hard this year and was another player who took a no fuss approach to each and every game. At training he worked hard on his defence and that showed in each game. Zac is a great team player and demonstrated this time and time again a rare quality he should be proud of. Zac always displayed a positive attitude both at training and in the game, he was easy to coach and I look forward to coaching him again.

Matt Spencer

What a hidden talent, one of the backbones of the team who's passion for the game showed in each and every game. A big quick forward, who gave everything on the field, often splitting the opposition and always threatening their line. Also a great defender, working above and beyond in defence, Matts tackling rate during the game was unbelievable. With Matts quite no nonsense approach to the game and training he is going to grow into a great player.

Lachlan Moran

Lachlan came to us this year for his first year in football and played like he has been playing all his life. Lachlan threw himself into the first game and played good hard no nonsense football from that point on. His defence was outstanding often completing two or three tackles in a row. In the attack it often took three or four players to bring him down. At training Lachlan displayed a mature easy going attitude that made him a real pleasure to coach.

Jack Rattenbury

Another lad who has never played before and what a find he has turned out to be. Jack took to the game straight away, he went out to the wing where his defence proved to be an asset. Jack often took on players twice his size and to their shock either brought them down to the ground or pushed them over the sideline. Jack showed great skill with the ball and often made good ground in the attack. Jack was definitely our morale officer and his positive attitude was very infectious, I look forward to coaching Jack again.

Cynan Grey

A great year for Cynan who showed again what passion he has for the game, both in playing and at training. Cynan brought everything he has learned playing and attempted to incorporate it into training and the game. Another player who came from the A's and has thrived with the support of his new team. Cynan played two main positions this year and proved vital in both positions. His covering defence as fullback was outstanding, his ability to make something in attack often allowed the team to get with-in striking distance of the oppositions line. A great dedicated player who sets a standard and works hard to maintain it.

Saxon Garside

Saxon also came across to football this year and was another great find, Saxon showed a natural talent for the game. Saxon proved to be great in defence and often played in the vital positions of wing or centre. Saxon also had speed in the attack and was able to run down the sideline evading many of the defenders. Saxon was great at training and worked hard at learning the game.

Well, what a rollercoaster of a year.

This was the first year for the boys playing on a full field and this was always going to test us. With a number of long and short term injuries, school rep footy and other outside distractions, getting numbers to training and games continually proved a challenge. That being said for this group of boys to make the semi-finals in a very tough and competitive under 12 'A' grade competition was a tremendous achievement.

Once the boys took the field they played with a fearless attitude and tried extremely hard. Many players this year, more through necessity, received the opportunity to play in a variety of positions and showed some real potential.

A special thanks must go to the coaches and players of the 12B's 11A's & 11B's who regularly assisted us in providing numbers, sometimes at short notice, enabling us to take the field. All boys proved to be up to the job and more importantly never hesitated to jump at the opportunity. Many thanks guys, much appreciated.

Thank you also to our manager Judd, for his services in ensuring everyone was kept up to date regarding training and game times and all the parents that helped out at duty on game days.

We hope everyone enjoyed the season and it would be great to see everyone back again next year competing in the famous Dragons colours.

Thanks again Mitch, Dean and Tye

Dane Courtney – Hooker .. Dane is one of our experienced players in our team. His ball skills from dummy half are great to watch and can be damaging in defence. A great all rounder player, with a great step, speed and kicking game which at times got us out of trouble.

Jared Kidd - Winger.. Jared played wing this year, he did what was asked of him on the field. With speed to burn he is a player who runs on confidence, when he is on, he can do anything. This showed in his last play of the season, putting his body on the line for his team, and leaving in an ambulance. Jazz, believe in yourself.

Heath Luck- Front Row.. Heath had no Luck this year. Breaking his arm in the first game against Como and then the other arm a couple of weeks later. We really missed his hard running game. Hopefully he will bounce back bigger and better next year, we need you!

Steve Green – Utility.. Steve probably pound for pound, one of the toughest kids in our team. A coach's dream, first to training, last to leave. Always putting in a 100%.

We moved him into the middle in defence which he owned with the best boot lace tackling you will ever see. Good work.

Ethan Pastor - Second row.. The new look Ethan this year. One of those players who always give you 100%. Ethan took on a leadership role in our team this year on and off the field. Always giving encouragement to his team mates. Another fantastic year Ethan.

Jayden Leplaw – Fullback & 5/8.. One of the smallest in our team, Jayden started the year in the halves, controlling one side of the ruck. With his great speed the move to fullback was smooth, where he ran our big plays with great skill. Great season.

Brad Simpson – Fullback & Second Row.. Started at Fullback which he made his own, bring the ball back with great aggression and pace. We moved him into the second row where he excelled, with strong defence and great hole running he played that well. We couldn't put back to fullback (Sorry Mum!)

Harry Noakes – Utility.. The talker of the team, his enthusiasm can lift our team when needed. Always putting his hand up to have a run and with great timing onto the ball, he can get us out of trouble. Great team player, his willingness to learn and ask lots questions. Well done.

Ryan Lang – Centre .. Came back to the Dragons this year. He started the year well in one of the centre positions. He then broke his collarbone which put him out for several weeks, and then again. Looking forward to next year. Hoping you get more game time next year.

Adam Arkley – Front Row .. Started the year as the best hard running forward in the comp. Taking some great hit up and also looking to off load, his game was really developing. Due to an unfortunate injury, which then keep him out for several weeks. Your presence was sorely missed.

Max o'Shea – Front Row .. Making A grade this year, Max adapted well. Being one of our middle four in defence which he handled well. Up against front rower a lot bigger than him. Max held his own. He has great determination and never gives up. Well done.

Joshua Smith – Halfback.. Little man of the team with the biggest job, to run the whole team. Josh is starting to go to the line and putting players through holes. With a good short kicking game and also turning into one of our best goal kickers. Another good season Josh

Lachlan Munro- Winger .. Started the year in B grade, then we borrowed him for a couple of games and there was no way he was going back. Very aggressive runner of the ball and with a never give up attitude. A great kid to have in your team.

Kobi Paynter - Centre .. First year in A grade. Kobi got better and better as the year progressed, always listening to the coaches. Highlight of the year a great try

against Cronulla Caringbah with a beautiful line run which paid off as we had been working on that play all year.

Sam Healey - Second Row & 5/8 .. Fantastic year in attack and defence. Starting as a second rower then thrown into 5/8 where he did an amazing job and helped drive the team around. Great kicking game that is bound to cause some dramas for teams next year.

Blake Hosking – Lock.. Massive year, being selected to play for his state. Blake gained lots of confidence from this. This was clear watching him make some crushing tackle, which was felt around the ground. Leaving the attacking team running to the other side of the field. Your hard work has paid off.

Congratulations to all the team for great season.

The team was very unlucky to just miss out on the finals with a record of 6 wins, 1 draw and 7 losses.

Everyone put in their best effort all year and that is all you can ask as a coach.

With the merger of 2 teams from last year it took a few games to get things going but once we started playing as 1 team the results started to come with some really tough wins over some tough opposition.

With Josh & Rayden having their first season with the Dragons they did very well and quickly became an important part of the team.

It was great to hear the positive support on the sidelines from the parents. The team really thrived on the support from all the cheering throughout the year.

I have to say a huge thankyou for the support and hard work of Meg Kenworthy our superstar manager.

The amount of effort and time put in by Meg to ensure all the parents were informed of everything that was happening with the games and club news was fantastic.

Another big thankyou to Brian, John, Craig, Kevin and all the Dad's that came to training and helped out. The team could not have been as successful as they were this year without all your help.

Every team member should be extremely proud of your huge effort this season.

Joshua Hill

Every single game Josh left nothing on the field. His efforts lifted the entire team all year and he was a huge part of the team's success.

Josh played a very important role in the forwards steering the team around plus always being tough on defence and never giving up in a tackle.

Fantastic first year at the Dragon's mate & congratulations on a well deserved best & fairest award.

Cameron MacRae

I have coached Cameron for a few years and this was the best year he has played so far.

His confidence was high and always ran the ball hard and made some great tackles.

There was some fantastic tries scored by Cameron including a length of the field effort in the first minute against Bosco which was awesome.

Congratulations on an excellent season.

Matthew Naude

Another great year at the Dragons for Matt.

With a great running style Matt was able to make plenty of breaks throughout the season and was an important part of the team's attack.

Well done Matt on another good season.

Tyler Cussen

Always tough in defence making plenty of tackles every game.

Tyler had some of the strongest hit-ups throughout the year and often carrying 2 or 3 defenders each time.

What a fantastic year and I can see a long and successful rugby league career with the club.

Samuel Dickey

Another great year Sam. Always trying hard and got better as the season went along. Good to see you get more confident and put in a big effort again this year.

Well done mate.

Rayden Tregubova

What a great first year at the Dragons for Ray. Always putting in a huge effort and never giving up. Rayden is a great example to all his team mates to always give your best on and off the field. Running the ball up with plenty of side steps and quick dashes Ray made some great runs throughout the year.

Well done on an excellent effort this year.

Travis Green

One of the team's big improvers this year. Travis was very strong in defence and made some brilliant tackles including a big tackle against Menai which definitely saved a try. Always putting in a huge effort it was great to see Travis have another fantastic year.

Jayden Dennis

One of the toughest players on the team and never gives up. With either a darting run out of dummy half on the fifth tackle to score a try or making a big tackle around the legs cutting down the opposition Jayden is a very important part of the team.

Well done on another brilliant year Jay.

Adam Clarey

A talented footy player Adam always gives a huge effort for the team. Adam was a force to be reckoned with this season and really led the way for his team mates with plenty of big runs and hard tackles. Congratulations on setting a great example for the whole team and having another awesome year at the Dragons.

Jack Cassidy

Another of the team's big improvers this year. A great runner of the ball Jack made many big runs and was an important part of the teams attack. Jack's defence was also strong and made many great tackles. Well done on another big effort with the Dragons this year.

Dane Parsons

A huge asset to the team in both attack and defence always putting in a big effort. Often tackling players twice his size Dane always lead the way for the team with his strong defence. Congratulations on making your 100 games milestone with the club and another great year with the Dragons ...well done.

Griffin Kenworthy

A great player with plenty of skills who always give his best on the field. Often busting through the defence and making a break down the field gaining plenty of metres for the team and a few great tries as well. Griff was a huge part of the team's success this season. Congratulations on another brilliant year Griff.....well done mate.

Billy Solylo

Was another player who always put in a massive effort at every game. Billy many times side stepped around the opposition and made some great runs for the team. Very strong in both defence and attack Billy helped organise and lead the team all year. Well done on playing over 100 games for the club and having another great year at the Dragons.

Ty Kepu

Always putting in a big effort Ty did a great job organising the team from the half back position. We often saw Ty make big metres up the field with some hard runs and scored some great tries....especially the game against Joeys at Kareela. The team benefitted from his great last tackle kicks and conversions. Congratulations on another big year at the Dragons

Blake O'Hara

It was great to have Blake back in the team later in the year. With Blake back in the team he added another big forward to the team and along with some big runs and good tackles it made the team stronger. Well done Blake on another great year.

Lachlan Munro

A strong part of the team for most of the year until he got promoted to the A's. Always putting in a huge effort making some brilliant tackles and very strong runs. Great work on a good year with the Dragon's.

Dane Skelcher

We were lucky to have Dane make a comeback and play a few games with us this year. Dane always puts in a big effort every time he is on the field and works hard in both attack & defence.

We started the year well in an even comp but due to injuries and players being missing we didn't finish the year as strongly as we started. The boys should be proud of their year. I know you all enjoy playing the game of footy and you play the game in the right spirit. Hopefully you keep an interest and come back next year. Thank you to my Management team, Tricia & Tracey, for all your help and humour during the year.

Ryan Purcell / Hooker

Ryan always plays a solid game in the middle of the field with great tackling and organisation. His work is greatly appreciated by his tough coach. Although Ryan's efforts mostly go unnoticed, the boys all relied on his great passing game to start our attack. Very proud of your effort Rhino

Jake Zoppi / Backrower

Although he's our youngest team member, Jake plays well above his age. He's a great running backrower with a great step plus a very skilful passing game. If he wants to, he could have a big future in the game. When he switches on, Jake's a demon defender who was a handful to the opposition. Good year JZ

Jesse Campbell / Fullback

Jesse is an outstanding attacker, scoring the most tries for us this year. We involved a lot of our attack around Jesse because we didn't have enough size to go through the middle. By the 2nd round, every team in the comp was looking out for him in attack. Jesse showed great defensive displays against the big boys and showed lots of guts standing up for himself.

Callum Vella / Halfback

Callum loves this game and he has a great footy brain. Playing well above his weight both in defence and attack. Callum is always eager to learn at training and willing to give things a go in the game. He always pushes himself harder than anyone else in the team. Number 1 for effort Callum

Tye Simms / Centre

Tye has one of the best side-steps in the team. Early in the year he played centre and used his pace to great effect scoring some great tries out wide. Tye is one of our strongest defenders showing good technique in his tackles. He finished the year playing in the forwards because we needed his great defence in the middle. Great year Tye!

Kai George / Prop Forward

Kai shows a lot of talent as a forward with his power running and strong tackling skills. Kai picks up new moves with ease and has great hands and a matching passing game. Keep pushing yourself Kai, and you can go a long way.

Lee Cheadle / Backrower- Centre

Lee had a great year and was a big improver. This boy doesn't realise how good he can be. When injuries hit us late in the year, Lee was a stand out and stood up when we needed someone. I'm very proud of his efforts. A real damaging wide runner who's improving all the time in his defence. Great year, Lee.

Corey Alford / Backrower

Corey has a great set of hands and is a hard defender. Great to see him score his first try in footy against De La Salle. Corey has a good footy brain and shows a lot of potential and I'd love to see him continue playing. Keep on improving Corey, you are very easy to coach.

Brodey Stevens / Winger

Brodey has the ability to play hooker, half back and winger. He has a good passing game, is a strong defender, and when he wants to be, has good speed. He showed good positional play in defence on the wing. A good team man.

Aiden James / Utility

Aiden can play every position but he's not allowed to play prop .. lol. Aiden did some amazing tackling this season and scored his first try against De La. Aiden gives 110% and is a really valuable team member who could be slotted in wherever he's needed. Good on ya, Aiden!

Sam Russell / Backrower

This was Sam's 2nd year playing footy and he had another great year. All the opposition were looking for him. He's a devastating tackler with great technique and great heart. Sam uses his power runs to great effect and gave his all for the team in every single game. Keep doing what you're doing, learn some more, enjoy your footy and you can go as far as you want to. Well done Bull!

Lachlan Russell / Centre

Lachlan has the most natural ability in the team. He did some great side stepping at speed and scored some spectacular tries. Lachlan showed great attack and great technique with his low tackling. Hope you come back to footy next year but whatever you do, have fun and train hard.

Dee-Jay Poi / Prop Forward

This was his first year of footy and it took Dee-Jay a little while to understand the game but he finished the year as a very strong forward. I couldn't be happier and I was so proud of the way he improved. I hope Dee-Jay comes back to footy next year and keeps progressing by learning to use his strength and to be more aggressive in attack & defence. Great work, Dee-Jay.

Damon Cameron / Winger

Damo aka The Cruncher. Damon plays well above his weight and has a natural ability to be in the right place in defence and has been known to consistently pull off 3 tackles in a row. Damon's one of the toughest kids in the team who'll always go back for another go. Damon could always be counted on to do his job. Another one to score his first try this year! A pleasure to coach.

Josh Upham / Halfback

Josh came to us later in the year and slotted really well into our team. Josh is a pleasure to coach and is a student of the game of footy. He uses his speed well and has a very good passing game. Josh finished the season really well in tracking down the big boys in defence. Hope you come back Josh, and get after them in defence.

This year was a tough year for us! Losing so many kids from last year, we had to combine A and B grade. We started off with 19 players and lost 2 to injuries. 17 was a good number but we needed everyone of them every week.

U13's is a hard age group. Most of the teams were bigger, stronger and faster than us this year, but to our boys' credit they went out with the right attitude, gave it their best and never gave up.

We only won one game this year but a lot of the games we were right in it. The boys trained hard, they learned new skills and plays and their execution was good but we were just playing bigger teams. The boys improved from week to week, and from where they started to how they finished was a massive improvement! Thank you very much for putting in a big effort.

This was the first year of rep teams. Congratulations to the 4 boys who made the Sharks SATS team. I hope you boys gained plenty of experience from it and can pass that on to the other boys at training.

I would personally like to thank the 4 other people who helped me every week.

Daniel Smithers

For assisting me by turning up to every training session and every game day. Dan was a huge help through the year at training, putting the boys through a lot of drills that he has learnt from the Sharks. I know all the boys loved having him around so thank you!

Matt Connor

I think is the best trainer the kids could have. Matt also turned up to every session and on game day did everything he could to get the boys ready to play. I love his enthusiasm and his passion towards the kids. Thanks Matt!

Doug Dickson

Another great trainer and did everything to look after the kids with strapping to settling the boys down. If ever there was an injury, Doug was always there to take care of things. Thanks a lot Doug!

Tina Metcalfe

Tina took a lot of pressure off me by being such a great manager. She communicated with the team, keeping me updated with what was going on, getting rosters done, doing all the points each week, sitting on the table scoring week in and week out. Thanks Tina you did a fantastic job!

To all the parents - thanks for getting the kids to training and game day and helping out with the Club duties.

Most of all, thanks to all the boys who played, for a great year! Matt

Jack Metcalfe (Fullback)

Jack played at fullback, which was a new position for him. He is very safe under the high ball and returns the ball with strong running. He has a great step and a good turn of speed. Jack is a solid defender and was sometimes asked to defend in the line to strengthen our defence. Jack played injured most of the year with his feet but still gave 100% every week. Great year Jack!

Brad Amour (Wing)

Brad played on the wing most of the year and often moved into the centres when needed. He showed tremendous courage, taking on kids twice his size and never backing down. Brad is a good trainer and often asked for extra tackling practice. As the year went on Brad got more confident and ran the ball well. Great work Brad!

Luke Dickson (Wing)

At the start of the season we tried Luke in a few positions but he was more suited to the wing position. Luke is a confidence player and this year showed some great skills by catching cross field kicks and doing some great offloads. Luke is a good trainer and gets involved in everything. He is a strong runner of the ball and a good defender and has formed a good partnership with Kye on the left hand side. Good job Luke!

Zachlan Soady (Wing)

This was Zachlan's first year of football. Once Zachlan found his feet and got more confident, he showed some good skills. He has a great set of hands and good speed. Zachlan is a good trainer always listening to what he is told to do and is keen to learn. Zachlan missed the last few games because of injury. Hope to see you back next year! Thanks mate.

Kye Mayne (Centre)

Kye had a great year this year. He is an outstanding runner of the ball with loads of speed and caused a lot of headaches for many oppositions down the left hand side, resulting in some great tries. He is a good defender and trainer always listening to what to do and plays well week in week out. Well done Kye!

Jacob Barling (Centre)

Jacob was a real surprise! Very quiet with not too much to say but made up for it on the field. Jacob is one of the best defenders in the team. He tackles around the legs every time and when we needed to mark up on someone he was always there to do the job. Jacob is a strong runner of the ball and puts himself in position to hit holes. He was often asked to play in the forwards and always did a great job. Jacob missed the last few games with a broken nose and was greatly missed. Good year mate!

Luke Mason (Five Eight- Half Back)

Luke is a real pleasure to coach. Everything is done at 100%. Luke is one of our best trainers and most consistent players. Luke played up in the line this year and thrived on being more involved. He is a great defender getting up off the line in their face and an outstanding ball runner with plenty of speed resulting in a few tries this year. Luke moved to half back later in the year and did well running the team around the park. He is a good goal kicker and a great all round player. Great year Luke!

Cameron Westlake (Halfback)

Cam was our Captain this year and had the job of running the team around. It's a tough position to play and even tougher to make the right decisions and come up with the right plays. Cameron is a talented kid who has great hands, a good passing and kicking game, and can put people through holes. He moved back to fullback late in the season and pulled off some try saving tackles. Cameron was also our leading goal kicker this year. Well done Cam!

Ryan Lane (Front Row)

Ryan was the most improved this year. Coming up from B grade I was looking forward to seeing how Ryan would go. I must commend him on his off-season training. Ryan was running every day and started the season fit – great work Ryan. Ryan improved from week to week taking the first hit ups and defending in the middle is not easy for a big fellow. Ryan is a strong runner of the ball and doesn't know how strong he is. His defence was solid as the season went on. Best game was against Yarrawarra we had no reserves and Ryan took 1st and 3rd hit ups all game and never came off. Great season Ryan!

Logan Flemming (Hooker)

Logan is the smallest kid in our side but what an inspiration! He tackles everything that moves and hits the big guys around the bootlaces every time. Logan doesn't get enough credit for his dummy half work. In my opinion, hooker is the hardest position on the field not only do you defend in the middle but to be at dummy half every play the ball as well, Logan always gave good service to his backs and forwards, never a bad pass and when there was one marker always scooted out making plenty of metres. Good on you Loges, thanks mate!

Joel Patton (Front Row)

Joel is one of our best trainers he is very fit. It doesn't matter what it is, he is always up there, wins the 'malcolms' every time. Joel is one of three of our front rowers he hits the ball up hard and is a real handful to tackle. Joel defended on the left hand edge this year with Blake and did a great job, very solid in defence and we never had a problem down that side. Joel broke his arm in the last game and showed a huge amount of courage. I hope all goes well in the off-season and that you're all good for next year. Well done Joel!

Alex Rizk (Front Row) – Alex is a great kid to coach. He gives 100% no matter what. He is a good trainer and a great listener. Alex takes everything he is told on board and you see him doing it on the field. Alex runs the ball straight and hard and for a smaller forward, doesn't back down. In defence he puts his body in front and pulls off some good hits and even resulting in a few injuries. This is Alex's second year of footy and I hope he is back for more next year. A real pleasure Alex – thanks!

Blake Paton (Second Row)

Blake is also an excellent trainer and also very fit and gives you everything at training. Blake is a strong runner and has a good step and swerve often making good metres and beating a couple of players. Blake's defence was also good putting his body in front and using the tackling techniques that he was shown at training. As the year went on and the more Blake got involved he was one of our big improvers. Big expectations for next year! Great work Blake!

Cameron Alewood (Second Row)

Cam was one of our captains this year. I think his biggest strength is his talk on the field and his leadership. Cameron has plenty of speed and a very strong runner of the ball. He scored a few tries by hitting the line hard, busting through to score. Cam has a very long kicking game and the highlight for me was a 40-20 up hill at Anzac in the last game. He is a consistent player, a good defender and goal kicker. Good year mate!

Tristen Burke (Second Row)

This was Tristen's first year at the Dragons. Tristen played a number of positions for us this year but mainly played in the second row. He was our smallest forward but went in hard and played hard every week. Tristen runs the ball straight up into much bigger kids but never shies away. In defence he is like a missile and chops their legs out from under them. Tristen often gets hurt because he goes in so hard. He's good trainer and I hope to see you back next year mate. Great work!

Nelson Gilmore (Lock)

Nelson is the real workhorse of our team. He only knows one way and that is flat out. Nelson has a great right foot step and can offload like a half back. Nelson's strength is his defence. He holds the middle together with tackle after tackle. Nelson got injured a few times this year and I tried to move him into different positions but to his credit, he just wanted to be in the thick of it. Great job this year mate - thanks!

Tyron Connor (Utility)

TJ is a player that every team needs. He is not just someone who can play 1 or 2 positions but versatile in all positions. TJ is a good trainer and often trained as a ball player. Another of our smaller kids who often played in the forwards to give our bigger blokes a rest, and he didn't look out of place. TJ has a good step and passing game and was often called upon to get the team going forward. Well done TJ!

Aiden Selcraig

Aiden started off the year with us and played on the wing but unfortunately had an ongoing shoulder injury had to sit the rest of the year out. Thanks Aiden and I hope your shoulder is right for next year.

Paul McGregor

Paul is another who started the year but also had to sit out the season with a knee injury. Thanks Paul and I hope your knee is on the mend too.

It was an absolute pleasure to be part of this team. Such a great bunch of boys to coach, talented, hardworking, didn't complain (or they learned not to complain), fun, knew how to have a great time; and best of all, every one of them were great mates. All of your parents should be very proud of the way you performed this year.

It was a tough but rewarding year, every game was hard fought, we had to be at the top of our game every week and I think we were. We weren't the biggest team, but our hard work, heart and determination kept us in every game we played. Still a few of us have to get our mind set right, but all in all I'm very proud of the way we performed each and every week. It was a pity our Semi Final was played under such dreadful conditions. I think we were playing well enough to go a lot further in the competition. The team had a few new players and it was their first year with a new coach. With time these boys will develop into a very good Football team.

Thanks. Firstly to all of the parents, for getting the boy's to training and all of our games. Secondly to Jordon & Brian for all of your help throughout the season during training and at our games. Your work with the boys was much appreciated. To my wife Lyndall for doing the stats each week, also much appreciated. To the boys, thank you for such a great time; listening to instructions, working hard, playing hard, and for all of the laughs. Keep working hard, if you have a Dream go after it. And last but not least to Kim our Manager, Thank you so much for all of the work you have put in, organising the boys (and me), taking the stats, all of those text messages, for everything you have done. Thank You

Thanks again for a great year.

Darren.

Ben G

Showed his talent after moving from the wing to fullback, very honest under the high ball very quick off the mark. Easy to coach a great listener and follows instructions. Very nice kid great to see him at the Dragons.

Likes - The movies with his girl, Dislikes - The Wind.

Caleb

Huge improvement from last year, played wing and centre. Good aggressive player, very quick and hard to tackle. A great kid to have at training gives his all. Congrats on your Sat's selection.

Likes - Rugby League better than Baseball, Dislikes - Getting beat by Riley in the sprints.

Lach A very good Rugby League player can play anywhere just doesn't realise it yet. Strong, great defender and can kick goals from anywhere (even with his hat off). Will get better every year, another one of our Rep players that with more belief can go all the way.

Likes - His hat, Dislikes - School.

Bailey

Started in the second row then moved to the centres because of his pace and great hands, if Bailey keeps his form consistent throughout the whole year, he could go to the next level.

Likes - Annoying everybody, Dislikes - Training being too hard.

Ben W

Has got a bigger heart than Phar Lap. Team player, Reliable, great defender, can play wing, fullback or in the halves. For a kid with a small frame can match it with any player in the competition. He never stops smiling, a pleasure to have in the Team.

Likes - Smiling, Dislikes - 80kg Centres & 90kg Wingers.

Riley

A Great talent still developing, went from centre to 5/8 and adapted well. Fast, elusive can always rely on him to make us 15-20 meters at any time. One of the jokers in the team, training was never boring with Riley present. Can't wait to see how far he can go.

Likes - Home & Away, Dislikes - Getting Tackled.

Max

First year with the team, fitted in from day one. Our halfback, this kid can play, quick, smart, a great kicking game and a great kid as well. Can see why he was the Sat's halfback. If Max keeps learning and trains hard will end up being a representative player for a long time.

Likes - Mcflurry's, Dislikes - Being injured (having to watch from the sideline).

Josh

What was this kid doing playing Aussie Rules. The most improved player in the team (by far), big strong and willing to learn. Quiet at the start of the year being new to the team, by the end of the season couldn't shut him up. Josh has recently been named the team's head joke teller.

Likes - Kearnsy laughing at his jokes, Dislikes - Kearnsy not laughing at his jokes.

Bunny

Played above his weight all year, my opinion the best defender in the team. New position this year, I wouldn't have had any other hooker in the competition. Fun just finds Bunny a great kid and awesome to have around.

Likes - Fun, Dislikes - An exercise we do called the Crab walk (you have to see him do it).

Wilbur

Completely different player than last year one word comes to mind, Inspirational. Tireless worker on the field and it payed off by making the Sat's squad. He doesn't know it, but the whole team learnt from Wilbur this year. Congrats on a great season. Likes - Big Hits and playing Kick Tennis, Dislikes - Not being selected as Goal Kicker.

Bugsy

Improved with every game. A little down in confidence after some bad injuries last year, but a must in the team. Always wants to learn & improve, tough, strong and has great hands. A great kid to have around the team. Likes - Looking at the stats sheet, Dislikes - Braces.

Kearnsy

Doesn't know how good he is, when he starts believing will be our next rep player. Pleasure to have around works hard, plays hard and loves a laugh. When there's mucking around at training, Kearnsy is the first to blame or DOB in someone else. Likes - Dobbing in his mates, Dislikes - Not being selected at 5/8.

Logan

(Our Captain) One of the better talented footballers for his age I have seen. Logan will strive at whatever he sets his mind to do. Not only a very good Rugby League player, also a great kid. Keep learning and working hard and thank you for being a great Captain for your team. Likes - His Camera, Dislikes - People getting in the way when he's taking a photo.

Topo

Mr Versatility can play anywhere on the field, I think he'd probably play in the front row if I asked him. Loves his footy, elusive with great hands, another player that plays well above his weight. Selfless, a kid that would do anything for his mates and that's why he's a must in this team. Likes - Party's, Dislikes - Not getting invited to a party.

Nu-Nu

First year in A Grade, fitted in great. Played a couple of different positions for the team, big heart, great skills will get better every year. The boys loved having Nu Nu around the team including me, a great kid with a great nature (only downfall he likes the Roosters). Likes - The Roosters, Dislikes - Anyone kicking his Roosters ball.

Heath

Another with his first year with the team. Hasn't played much Rugby League a sensational Baseball player but we're converting him. So strong and can kick a ball a

mile, cleaned out all of the boys wallets after the Goal kicking bets. Had a great year hope he's back next year.

Likes - Rugby League better than Baseball, Dislikes - Burpees.

Cory

Our flying winger. A season he would like to forget after all of them bloody injuries. Keep your chin up, we all get them your luck will change. Pre-season was the first picked a kid with a lot of potential very fast and a great defender. Next year will be bigger and better.

Likes - Nurses, Dislikes - Ambulances.

This was a hard year for the boys where our opposition was tough and the games were getting harder with bigger hits and a faster game being played.

2014 offered us some new players to the team which helped us in speed, tackling and confidence. The first half of the year we were working on positions but by the second half of the year, all the parents were able to watch the boys play some very strong games but just fall behind on the score board and be beaten by the full time siren, but that's footy and we just got on with it and turned up the following week to go again.

To Graeme Wagner, David Gunn and the rest of the Engadine Dragons committee – I thank you for all of the efforts that you have put in throughout the year. It takes a lot of hard work behind the scenes week in, week out to make a club tick along and this has been another successful year.

To the Dragon Ladies that organise the events during the year to help raise money to improve the club and the presents for the kids – I thank you all for your efforts.

To the Parents that help out when rostered on, whether it is the ground set-up, selling meat trays tickets, canteen or BBQ duties, this is what makes and brings a club together.

Another year that I want to thank Michelle for being our dedicated Team Manager, helping organise the boys and parents with the many text messages that went out for either ground set-ups, nights out and just generally managing the whole team – thanks again Isey!

Again I thank Matt for backing up and helping out as the team Trainer. Not a year where we made the semi-finals, but I would like to think that Matt and I helped the boys learn and enjoy their football and one day set their goals to being the next Engadine A Graders !

Well done boys, it's been a proud to see you guys develop into good footy players over the past 5 years – stay focused, work hard and set your goals – you can and will achieve anything you want !!

Thanks for a great time all

Cheers

Rod

Aaron Barford

“Adz” Another year saw Aaron in the Hooker position. He has developed and owns his trademark as the chopping ‘bootlace’ tackler. When the opposition ran anywhere near the middle of the park, Adz would chop ‘em down before they even knew what hit them.

Bailey Freeman

“Bobcat” A long serving clubman, who isn’t the fastest player, nor the flashiest player but he is a hard working back rower that always tries his guts out week in, week out at training and on the field. Bai never complained if I put him into the front row, back row or lock – he always had a go! He also has to put up with me as his Dad so....

Jake Glanfield

“Glannie” had a great year on the field, he is getting bigger and stronger every year. Jake was always there putting his hand up for a hit-up and was very solid in defence with some smashing tackles. This was Jake’s best year by far and his opposition felt it many times.

James McCrohon

“Jim Bob” played in a few roles this year from Fullback to Half Back. James although one of the smaller guys on the team has developed a large kicking game and at times was able to use this as part of our attacking strategy and a safe bet to converting goals.

Josh Smith

“Smidy” Another one of our big Props that ran hard all year and was honest to put in a big effort week after week . He had a few injuries in the back end of the season, but he kept trying his hardest and at times was difficult for me to get him off the park – Great year Smiddy

Jai Jacques

“Jaizee” Another year and another surprise package from Jai. He loves his footy and played on the Wing. He is always there having a laugh and at times would do the most amazing things on the field. A funny and cool kid who just takes everything in his stride – nothing fazes Jaizee

Jaron Isemonger

“Jaz” As the year progressed so did Jarron and his commitment to the team. Regardless of the position he played he always gave full commitment in defence and saw him cross the line for a few tries in the season. Jaz has developed a very handy palm that saw a few opponents cop one or two in a game

Lachlan Keough

“Lachy” Another season on the wing and another couple of trys for Lach. His attack and support play saw him cross the line and he was gaining confidence in backing himself in defence.

Mitchell McDonald

“Mitch” This season again saw Mitch in the halves, directing the team around the park and creating some clever plays that saw his team mates cross the line time and time again. The work of a half back is never done and Mitch always gave everything he had. A tough little bloke that keeps on going

Zack O’Halloran

“ZackO” Again Zack played in our Halves and Centre position. He had a great year and once again was able to offer the team some clever plays and special kicks that saw our outside backs pick up a few trys throughout the season. Good year Zack – well done

Liam Roche

“LeeMo” Liam surprised me this year as the last few he has played out in the back line, but this year Liam asked me if he could jump in the back row. He played it tough up front tackling hard and running the ball straight up the middle.

Jack Riley

Jack started the year a little quiet but then halfway through started to find his feet again and played the second half of the year – like the Jack of old !He brought back his speed with cover defence and attack and you started to enjoy your footy again. Jack you’re great to watch when playing with that spark and confidence – back yourself and things will happen.

Kye Russell

Kye played a few roles this year from Prop to Centre. The opposition found him hard to stop when he was running hard due to his size and speed which saw him cross the line many times during the season. Well done Kai – keep on going

Dylan Parks

“Dyl” Dylan played either as our replacement Hooker or in the back row. He was one of the smaller boys but played the game hard and never took a backwards step in defence. Dill was a pleasure to coach, a great kid with the right mental approach to the game – just go hard!

Bodie Micallef

“Boodz” Bodie really did surprise me this year. He played in a utility role either as a back rower or filling in as a winger. He hit the ball up hard and was there in defence. At times Boodz would even hit the ball up from a tap and just run hard into the defensive line. A true surprise package!

Jack Sherwood

This was Jack’s first year in the B’s and he brought with him not only confidence but great attack. The best thing I like about Jack was his smile and laugh and seeing him enjoy his footy again. Keep it up Jack - enjoy your sport.

Nathan Cask

“Carrots” This was Nathan’s first year with the boys and he had a great year in scoring tries or kicking goals. He played in a few spots in the back line and had plenty of speed to burn down the line. Another pleasure of mine coaching Nathan.

Max Stewart

We lost Max to a serious injury early in the season and he wasn’t able to return to play with the team. While Max was there he played strong and made an impact to the team.

“You are only as good as the people around you”. This is so fitting to the people who helped make the 2014 season successful and memorable. I would specifically like to thank Bert and Anthony, my superb trainers for all their efforts at training and game days. Thanks to Ross also for his Thursday night appearances at training. To Kylie, her efforts and commitment to managing this side is exceptional. Every detail, every email, every message and correspondence to the team Kylie handled with ease. She kept me organised! Thank you so much Kysls!

To the parents, thank you for all your support and encouragement. I truly appreciate your help with fundraising efforts, our trip away, getting the boys to and from training & games.

Thanks to both the wonderful committees at Bosco and Dragons. Your support is appreciated.

This is the third year of the Bosco/Engadine venture and undoubtedly the most successful. Making the Grand Final was evidence of the hard work and tenacious attitude of 18 young men. With the inclusion of 5 new players this year we fielded an outstanding team across all positions.

I am so proud to have coached these fine (yet at times punishing) young men. They have a very unique bond and friendship, which is evident in how they play as a team.

Cooper Bowen

Coops cemented his position at fullback this year. Fast, athletic and strong Coops can do anything with the ball in his hands. He was a powerful defender. If Cooper warmed up well he generally played well. Thanks Coops!

Jack Dempsey

Jack came up from B's this year after playing a handful of games for us in 2013. He immediately gained the position as our five eight. Jack took out numerous awards in the early part of the season, before a finger injury ruled him out for some time. Jack guided the team around the park with great vision and composure. Thanks mate!

Damien Fahey

Damo is big, strong, committed and a pleasure to coach. Damo is Mr Consistent, he always played fantastic week after week and never took a backwards step regardless of the opposition. Great year Damo!

Taine Fleming

A tackling machine, rarely misses with a great technique. Every week he topped the tackle counts and cleaned up the middle of the ruck area. His attack and kicking game improved significantly this year, as he became a leader/general on the field. Cheers Taine!

Jack Gorry

Goz is a great player who is extremely versatile. He could play any position from centre, five eight, lock, and second row. He cemented his position in the back row. Goz has a copybook tackling style, and he listens to advice and takes everything on board. A pleasure to coach Goz!

Max Hogan

Max would have to have one of the highest work rates in the comp. Often working himself to the limit. He's strong, skilful and tough. Playing with injuries throughout games and not wanting to let his team mates down. Good luck next year Maxy!

Charlie Hook

Charlie came to us this year from Yarrawarra and immediately gained a wing position. Extremely good under highballs and grubbers Charlie's positional play was outstanding in how to read a game and he often made hard things look easy. He always put his body on the line in defence. Thanks Prince Charles!

Blake Ibbett

Ibby is probably the lightest and toughest bloke in the team. Pound for pound smashing the opposition attacking players. Blake found himself in the outside backs this year in hooker and back row. There was never a worry that things wouldn't get done when Blake was on the field. He just likes to tear in and get dirty. Thanks Bibbett!

Brodee McGovern

Brod's came up from the B's, although always regarded as an A player, confidence was a bit of an issue. Not the biggest player but would have to be the hardest. Brodee only knows one way and that is forward at the fastest and hardest way possible. It was a pleasure watching Brodee develop this year into a true team man and a great back rower. Congratulations on the award Mate!

Zac Moran

As a team this year I don't think we realised just how important the fatman was to us. When Fatty wasn't there we lacked go forward and size in defence. Fatty loved coming off the bench and immediately ripped in. Thanks Fatty and good luck in the work force!

Jonathon O'Donnell

Jono was one of the five that came to us from Yarrawarra. Jono could play anywhere in the backline. As he has blistering pace, great hands, and a great defensive game he often smashed his opponents. Jono could turn a game by himself, often scoring great individual tries. Cheers Jono!

Daniel Peychers

Peach is another guy that could play in numerous positions. Probably best suited to second row or five eight. Peach's powerful running rate is a pleasure to watch. For a big guy he is very quick with the ball in this hand. Another guy that is joining the workforce this year. Good luck mate!

Monty Raper

Monty injured himself early on in the year, with the team having to realise just how important he is. Monty consistently would do two hit ups per set of six and for a big guy gets through an enormous amount of work in defence around the park. Monty is ready to take the next step and make Matthews Cup. Congratulations Monty on a top season!

Jay Shearman

It's great when you get to coach guys that you don't have to over explain things to. This guy just knows what line to run and at what time. Jay has got great hands, tough in defence and can kick. Can't wait to see what the future holds for Jay. Congratulations on Best & Fairest. Thoroughly deserved. Thanks mate!

Tom Squire

Tom suffered a season ending injury early on. I only wish we had Tom in the GF as he would have been a great help. Thanks for being around Tom and thanks again for doing the stats!

Dylan Smith

Dylan is one of the best ball runners in the comp. He's strong, agile and quick. He's definitely the best defensive centre in the comp often leveling the opposition with bone crunching tackles. Congratulations on your award & good luck in Matty's Cup next year mate!

Luke Taylor

Luke's been involved with the Dragons for over 100 games. This year Luke's confidence grew as he improved out of sight. It was a pleasure to watch Luke scooting from dummy half and his commitment to improving his game was evident as he became more confident under the high ball as the season progressed. Thanks Luke!

Jack Tripi

Mr Football, this guy just loves the game whether watching it or playing it. He's always the first to do extras to work on his game. Tripp often wore the blame when things went wrong, but not once did he spit the dummy. Great passing and kicking. His running game is exceptional which he is yet to believe. Great year Tripp, thanks!

Firstly I would like to thank everyone involved with the team, from the parents to the Club executives & all in between. We had another great year. Our goal was to make the Semi's. We made our goal but were unlucky in less than favourable conditions, again for the 2nd year in a row we lost to Como 18-8 in the semi-final.

Regardless of the result we are very proud of all the boys and for me to watch every player in this team learn, mature & play footy the way they were coached made it a joy to watch. With not one mug in the group, we enjoyed watching friendships form as they played footy for each other.

I hope to see all of you back next year.

Finally

Mick & Craig - Thanks for your support not only for doing the Managers job but the little thing like field set/pack-up, canteen & BBQ always there to lean a hand.

Goz – For all your hard work organising the boys footy trip away

Coach Taylor

Cameron Wilbers

The fullback spot opened up for one of the boys this year and it came down to a very hard decision between Cam and Mitch S, in the end Cam won out and I saw a new confidence in Cam, easily his best season so far. Safe as a bank at the back saving numerous tries and gave the team extra options in attack. Injecting himself in attack at every opportunity, non-better than putting Ben Taylor away for the winning try against De La.

Mitch Sheehy

As above Mitch easily filled the void of Fullback when Cam was out but Mitch was always my first pick for wing, big enough to play 2nd row but the slinky skills of a natural athlete saw him come in and take the pressure off the forwards with his weaving running, he scored another super solo try in the semi. He is teams top point scorer for good reason, always knew the way to the try-line and his goal kicking is second to none! Sorry Noaksey.

Mitch Francis

Losing Jack Dempsey to the A's this year was a worry but after watching Mitch for a couple of games I noticed he was a clone of Jack - a quite achiever and has a great footy talent with timing & vision, solid kicking game, always had the back-line organised and I don't think I saw him miss one tackle all year, It did take him some time to feel comfortable in a new team but at the back end of the year he really shined.

Brodie O'Brien

As I said in the last game of the season about Brodie, I take this kid for granted. I don't need to say much to him I just know he will go out and give 100% every time and what more can you ask of a kid. Captain for a reason due to his leadership and desire to win, you always need a player to make a difference in a game when the chips are down, Brodie would smash a big kid just to get his team mates firing and never gives up even if the game was lost, evident in the last game of the year when the game was out of reach Brodie scores a great solo try in the last minute of the game.

Ben Taylor

Ben just keeps improving as a footballer, one of our strongest defenders who loved getting in & doing the hard yards, Ben found another level this year in attack running harder and faster, you could really see the difference it made

Kane Faust

Kane asked to try the centres this year and fitted in nicely, lucky for me as we lost Tim to a broken leg and Travers to AFL, Kane has one of the best tackling techniques of any player I've seen, no-one gets past him. In attack he only knows one way straight and hard, other teams would mark him as our danger player and for good reason, one of our best player's week in week out.

Kyle O'Halloran

I said this last year Trev was my super Sub. Kyle could play any position on the team and did so to great effect, I think Kyles greatest attribute is his understanding of the game, regardless of what position I put him in be it 2nd row, 5/8 or wing he understood what was required of his job for the team, great season Trev.

Josh Cairns

Josh is the kind of kid you want in your team, always giving 100% on & off the field. Tieless tackler & never takes a backward step with the ball in his hands

Kayne Micallef

really found his confidence at the end of the season, like last year Kayne gave us variety out of dummy half sharing the duty's with Josh Noakes, always putting his body on the line in defence & dangerous in attack

Billy Dublewicz

Billy had a great season this year, always dangerous every time he touched the ball, scored some great solo tries and the opposition players knew it when Billy tackled them, was one of our best forwards

Jai Williams

Unfortunately Jai broke his arm early in the season and missed most of it but when he returned didn't miss a beat, not the biggest kid on the paddock but definitely has the biggest heart. Strong in defence and always seemed to find gaps in attack.

Jack Troy

Jack loves playing footy and always gave his all when given his opportunities, deceptively quick Jack knows his way to the try line and always puts in for defence

Josh Noakes

Josh is a very natural footballer, can make something happen from nothing, made some very smart decisions from dunny half scoring some great tries and got the team out of trouble with his kicking game, Also a very handy back up goal kicker to Mitch

Jack Palmer

Big and strong runner who always made yards for the team, most importantly out of our red zone, Jack had a great season scored some great runaway tries and always puts in for defence

Will Rodwell

New kid on the block and didn't he make a splash, like Jack P a big strong runner, leant fast what his job was in the team and carried it out to the tee, never took a backward step when taking the ball up and was strong in defence

Nathan Waterworth

Big strong Centre who made a great partnership with Kane F, always working on the backline moves and very strong in defence, see you in the surf Nath.

Chase Williams

Chase came over late in the season after not having a team to play for, took a while to adjust but found his straps in the second half of the season, putting his body on the line in defence and always putting his hand up to run the ball

Joseph Afungia

Like Chase come over later but made a BIG impact, Arki was a little quite but was willing to listen and learn, Arki improved with every game due to his desire to train hard and get fit, Hard hitting in defence and always had 3 or 4 players trying to bring him down.

Well what a year it was for the under 16's Division 1 Team. With only four teams in the competition, it was always going to be tough year. But we were always going to make the semi-finals. We started with a great win against Aquinas at Blaxland Oval and our confidence was at an all-time high. We were competitive in the majority of our games for the remainder of the year, except for a few, proving that we were a very physical side that could match it against any of the three other teams. With injuries, school activities, holidays, work and other commitments at 16, it seemed very hard to both train and have a complete team for the weekends. With all these distractions and lack of boys training we remained strong, as a team should. The boys should be proud and hold their heads up high for the way they conducted themselves, they played the game in the right spirit and stuck by their mates. It has been a good learning curve on how to keep going even though things are not going your way.

Winning the semi-final against GyMEA was the ultimate payback for the boys for all the effort they kept putting in each week. Even though we didn't win the final the following week, it was a great way to finish the year.

I would like to thank all the boys for their efforts. Prior to the 2014 season starting we were struggling to have a team or even a competition, until the boys from St Joeys come to us, so thank you for joining the Dragons in 2014. Sorry to Joel Gaunt, who done his knee at pre-season training, hopefully we will see him in the Dragons jersey next year. Kyle McCarry and Josh Paton helped us out on several occasions at the end of the season and definitely proved they are capable of playing in the top grade in 2015. Thanks boys.

I would like to thank Greg Rae for all his work, managing the team and myself. Greg certainly puts in a one hundred percent effort and his time and commitment is very much appreciated. I would also like to thank Steve Collier, Steve Ebb and Sean Johns for running the water and helping at training. Sean also helped me with the coaching this year and certainly has a lot to offer to the boys, thank you. Thanks to Kay Cannings for strapping and tending to the boys injuries throughout the season and Brian Cannings for his involvement with the team. To all the parents that supported, dropped and picked up, helped in the canteen and BBQ and packed up the field, thank you.

Luca Calabri: Wing

Luca played several different positions this year including wing, centre and five eight. He has great speed and was able to show this on several occasions, running over 50 metres to score some tries. Luca has great foot work and timing.

Joel Collier: Wing

Joel didn't get to play as many games as he would have like to this year due to injury and work commitments. Joel played centre and wing and always has the opposition worried about his aggressive defence.

Juye Ebb: Lock. Co-Captain.

Juye grew up and stood up this year. He mainly played lock and on a couple of occasion moved up to the front row. Juye was very strong in defence and attack, leading from the front. His defence was tireless and very effective. He should be very proud of the way he played and co-captained the side this year.

Luke Farrell: Front Row.

Luke played front row for us this year. When he ran the ball, the opposition always struggled to contain him. With a bit more confidence Luke will be hard to stop. Unfortunately Luke broke his wrist at the end of the competition and missed the semi's.

Alex Horwood: Second Row

This was also Alex's first season at the dragons; he came to us from St Joey's. Alex showed great enthusiasm and grew more confident as the season went on. Playing in the back row for nearly the whole season, he certainly did his fair share of work in both running the ball and defending. Good work Alex

Zach Hunter: Centre.

Zach has all the ability that any kid would want. He can kick, he always looks for the off load, he has great speed and his footwork is very good. With a bit more confidence in himself and dedication Zach will be a great footballer.

Brayden Jamieson: Five Eight and Centre.

Brayden come to us from St Joeys as well. Playing mostly five eight, Brayden fitted straight in to his position. He has good hands a massive clearance kick and he also proved very strong in defence. Brayden would often go straight from our game to an AFL game proving his fitness was never a problem.

Matheson Johns: Full Back and Centre. Co-Captain

Matheson had a very impressive year. Playing most of the year from fullback he would constantly lead the hit ups. He lifted his defence this year to another level making numerous try saving tackles with no self-preservation. Matheson is very dedicated to Rugby League and is always ready to do what it takes for the team. He

also played in the centres and at lock towards the end of the year due to others being injured. Matheson should be proud of the way he played, trained and co-captained this year showing the other boy's the way to run and tackle. Great work Matt.

Kieran Levin: Hooker and Half Back

Kieran started the year at hooker and moved to half back just after half way through the season. As I said last year his defence would improve with confidence and it did. This year we also got to see what he could do with the ball and it was fantastic, he had both the forwards and the backs moving forward in attack. Kieran doesn't miss a training session and loves playing the game.

Ryan Levin: Five Eight, Half Back and Hooker

Ryan had a very busy year. Playing half, five eight and hooker. Ryan is the quiet achiever; he goes about tackling everything that comes at him and then slips into the attack distributing the ball every set. He is another player that rarely misses a training session and loves playing.

Aiden Martin: Centre and Wing

Aiden was another ex Joey's boy coming to the Dragons for the first time. Aiden is a good kid to coach and certainly improved his game as the year went on. His defence in the centres was excellent, often having to shoot in to cut the ball off. Aiden and Luca were a great pairing and often linked together to score some tries. He shows great aggression and often upset the opposition, walking away always smiling. Good work Aiden

Nathan Mills: Second Row

"Millsy" was our last import from the Joeys. He didn't get many breaks on the sideline this year and would tackle his heart out for the whole game and keep going. His technique improved during the year and would always bring down the opposing players quickly and effectively. Nathan is also a quiet achiever rarely saying much at training, but always turning up ready to train and play.

Tristan Monk: Wing and Second Row

Tristan had another good year at the dragons. He plays the game very straight and very tough in both defence and attack. His solid running from dummy half would always gain us valuable metres and his defence was second to none, instantly stopping the opposition in their tracks. Tristan would often fill in for us in the forwards without a problem.

Liam Rae: Second Row and Front Row.

Liam backed up his best and fairest award from 2013 with a very solid effort this year in 2014. He has improved on his running at holes and works tirelessly in defence, often running himself off his feet. Unfortunately Liam had to play front row for the

majority of the year due to injuries and lack of players. He is a true team player that works hard at both training and in the game. Liam also leads by example and has matured into a very reliable and valuable player. Great work Liam

Josh Ridge: Front Row.

Unfortunately we didn't see a lot of Josh this year due to other commitments. When Josh did play he would certainly add enthusiasm. He is very hard straight runner of the ball, proving to be hard to handle.

Jack Schuetrim: Wing and Front Row

Jack played wing at the start of the year and then moved into the front row, which he handled and was instantly more involved. With a bit more experience in the middle he will prove to be a good hard working forward. His confidence improves every game.

Cameron Smith: Half Back and Hooker.

Cam is a very passionate rugby league player. He is a very hard worker and loves being right in the middle where the action is, often doing two and three tackles in a row, in consecutive sets. Cam is certainly a very valuable player in this side and contributes 100% every week. He played both half and hooker this year and his enthusiasm and passion is great to have in the side. He received a head injury late in the season and we all hope he is ok.

Jake Wheeler: Centre and Full Back

Jake plays with great energy. He played both centre and full back this year getting involved in every game he plays. Jake is always probing looking for that space to make something happen. He is always pushing himself until exhaustion and is a very reliable team player. His speed, agility and short kicks often end with tries. Good work Jake.

I would like to say it has been a pleasure coaching the boys this year, we have had mixed success but they turn up to every training session and every game with a consistent winning attitude.

Having trained or coach a lot of them from back in the 9s it has been a pleasure to watch them grow into young men, I think you would agree that they are a great group of boys who respect each other and love playing together each week.

The boys should be very proud of your efforts this year, we had some injuries that made it an uphill climb but the boys gave everything every week. I think this stood out in the last game, with no chance of a semi spot the boys still went out and played one of their best games, great effort.

I would like to say a huge thankyou to the trainers this year, Bryce and Troy; I appreciate all your efforts, commitment and input each week we couldn't have done it without you. To Sandra, you would all agree her commitment to this team; over all the years I have been involved she has been managing an outstanding effort, thank you Sandra.

To the parents, thank you for your support again this year, you make our job easy. Your help on game day with canteen, pack up etc it is greatly appreciated.

Best of luck to the boys who are playing next year, can't wait to come down and sit on the hill and watch you run around.

Thanks for the great memories.

Martin

Benjamin Barford

Ben played in the centres this year then moved into the halves when Chris was injured. Ben is a great attribute to our team, his passion for football and talk on the field is something that stands out. He was more than happy to move into the halves late in the season and did a great job. Ben was never scared to take on any size opposition in defence, great year Ben.

Braiden Broadstock

Braiden came back to our team after a few years away and lead by example from the start. He played in the front row but could be found looking for the ball all over the park. Braiden is a strong boy who intimidates the opposition and lifts the boys when he is on the field. As we know he fractured his hip early in the year and was out for the season, it was good to see him back at training walking around with the boys towards the end of the year.

Angus Brown

Angus played on the wing this year and played a critical role shutting down our flanks. Angus loves getting involved in the play and we worked with him on getting him to come in for some action and we he did he made great inroads in the oppositions defence. Angus is quick out of dummy half and follow the play, this sore him score a few tries this year, great to see Angus well done mate.

Jett Cheadle

Jett played second row this year and what a year he had; Jett has a great ability to make good metres and consistently would slip through the opposition gaining us critical field position. He defence this year went up another level with some great effort throughout the year, dead on his feet he would still stand up and take them no. He also had a great year with the boot, kick some great gaoled from all over the park, great year Jett.

Lachlan Fraser

It was Lachlan's first year with us this year and he played on the wing and in the centres. We worked with Lachlan on his defence throughout the year and it was great to see his improvement as the year went on with some great one on one efforts. He was also able to scoot from dummy half against the tired forwards when he came on, great effort this year Lachlan.

Mitchell Ibbett

Mitchell played in the second row this year and had a great year, he trained hard and played hard all year, even with some back issues early in the year he would come off but tell he could go back on if I need him. It was good to see him come good and be able to stay out there and get amongst it. Mitch is a strong boy and has no fear in hitting it up or taking on the biggest opposition a great asset to our team, great year Mitch.

Christopher Jenkins (VC)

Chris played in the halves this year and was instrumental in our set plays and guiding the team around the park. He is a player that leads by example and never stops getting involved the whole game from scooting out of dummy half to make 15m or relentlessly defending in the middle of the park all day. Chris was injured toward the end of the year and this took him out for the rest of the session which was a real shame as he was having a great year, terrific year Chris.

Jason Hollaway

Jason played his first year with us this year and played on the wing and in the centres; he came on board and was keen to get involved from the start. It was great to see him want to tackle every week and want to have a hit up, happy to play any ware on the park and do anything we ask, a great kid to coach and great for the team. He played dummy half in the last game and stepped up another notch, hope to see him running around next year, well done Jas.

Dylan Lees

Dylan played in the halves the first half of the year then moved to full back, but it doesn't matter where we put him he is consistent in his efforts every week. Dylan has a great football mind and can read a game changing his attack or defence to suit. Moving back to full back allowed him to pope up in attack anywhere across the

park and make inroads in their defence, great asset to have, another great year Dylan.

Kyle McCarry (C)

Kyle led us from the front again this year playing in the front row and had the best year yet. Kyle was our captain this year and lead from the front with his efforts on the field and at training, he has a passion for the game and this shows each time he is out there. He lifts the team when he is on the field with his hard defence, shutting down the opposition's biggest players and his willingness to continually hit it up; we have to drag him off to have a rest only to be nagged to get back on. Kyle never gives up and was a big part of motivating our team this year, great year Kyle.

Riley Morgan

Riley played front row this year and was one of big 3 that gave all each week. He is a player that doesn't give up, he hits the ball up with a great amount of speed for a front rower and loves making those hard one on one ball and all tackles that stop the opposition in their tracks. Riley is an easy boy to coach and puts in every session, it has been great to watch him grow in confidence over the last few years to where he is now, well done Riley.

Jai Osgood

Jai played both in the forwards and on the wing this year and never lets us down. Due to some front row injuries Jai was able to slot into the forwards for a large portion of the games and he did every think we asked of him. He would slip into the front row and step up a notch, I think he liked it a bit too much singling out the bigger opposition player. He loves hitting the ball up and getting involved where ever he is on the park, another hard year Jai, well done.

Josh Paton

Josh played in lock this year and had another great year. Josh once again led the team in defence with an impressive work load each week, some big hits that lifted our team. He missed most of last year with a broken shoulder so when he started the year with some niggles in his back it made us all a bit nervous. But after a few weeks it came good and it was great to see him able to play at full strength. Josh was always involved from defence to putting his hand up to hit the ball up over and over, it was evident every week. Another great year Josh, well done.

Jarrold Pettit

Jarrold played in the front row this year and had a great year growing in strength as the session went on. I have known Jarrold for a long time and this year he blew me away with his efforts on the park, his effort in defence increased every week, I think he was starting to enjoy smashing the opposition. Jarrold has great fitness with an ability as a front rower to stay on the park for a full half which was got us through some tuff games, assume year Jarrold it was great to watch, well done.

Matthew Tetley

Matt played in the centres and second row this year and had strong year, unfortunately he fractured his ankle early in the season and we missed him for the first half of the year but when he came back he was keen to get straight back into it. Matt loved playing and would hit the ball up any chance he had, he also had the ability to pull off some assume tackles in defence. A good around player in our team even dropping back to fullback in the last game and killing it, great to see you back playing, well done Matt.

Lachlan Skillcorn

Lachlan played on the wing and in the centres this year and had a good consistent year. Lachlan was able to come on and get involved straight away scooting from dummy half or calling for a hit up. Lachlan never took a backward step in defence no matter what size the opposition and he had a lot of respect from his team mates for that. Lachlan was a true team player keen to play where we need him, even asking to play in the forwards the last game. Well done on the year Lachlan.

Matthew Smith

Matthew played hooker this year and had another good year. Matt was always at post every played the ball, this doesn't seem like much but it is a consistency that supports the team and allows the boys to focus our set plays. Matt was also able to make inroads in the opposition defence with his scoots from dummy half which would gain us valuable metres. Great year Matt, well done

Jayden Watson

Jayden played his first year with us this year and played in fullback and the halves. He had a great first year and fitted into the team well; Jayden has a great ability to draw and pass the ball and was suited to the halves working well with Chris and our set plays. He also is very effective in defence with a passion to put on some big hits all game. Jayden has a great love for the game and I can only see good things for him in the future, great year Jayden look forward to watching you play next year.

Matthew Westlake

Matt played in the second row this year and was a major part of our attack and defence. Matt is a very strong runner of the ball and when he got it he would make crucial metres. We worked with Mat this year coming in and working through the middle which opened up his game. Matt was strong in defence able to pull off some big one on one hit's that lifted the team. I can only see his game getting better over the next few years so good luck and well don Matt.

The boys had a fantastic season, playing against a combined Engadine/Gymea side at Anzac, as well as playing at Shark Park against a Team from the South Coast.

The boys won both games.

All the boys turned up to training every week and always had their Engadine Dragons gear on.

Our last game was at Allianz stadium where we had a chance to play 2 games before the NSW Cup Grand Final.

- Carl O'Farrell: Played for 4 years and loves to run the ball.
- Patrick May: Played for 4 years and the fastest in the Team.
- Jake Ashford Cox: Played for 4 years and loves to get involved.
- Joshua Baratta: Played for 4 years and is a big forward who is very hard stop.
- Hayden Watson: Played for 4 years and is always around the ruck.
- Bailey Ferguson: Played for 4 years and loves to run the ball.
- Sebastian Dalton: Played for 3 years and loves those angled runs.
- Brodie Shiagetz: Played for 3 years and really loves his football.
- Jack Leighton: Played for 3 years, lightning quick and a big kicker.
- Matthew Barnes: Played for 2 years, a fantastic trainer and runner.
- Michael Patruno: Played for 2 years, a strong player who runs straight at them.
- Cooper : First year of football, loves football and being part of the team.
- Zac Mackenzie: First year of football, Always runs the ball with a smile.
- Adrian Soliman Ford: First year of football, a great tackler.

Thanks to Wags, Smithy, Ebby, Jake, Jai, Milky and all others who assisted with Coaching/Training this year.

We began the year with good player numbers, training as one squad combining 1st, 2nd and 3rd grades.

With the player personnel we had this year our expectations were high, and were hoping all 3 grades would play finals footy. A big ask considering many of our players were new to the club and many had not played alongside one another before.

End result from a club perspective was fantastic winning the major prize, a 1st Grade Premiership.

Unfortunately our third grade missed out and 2nds were knocked out in week one of the finals.

Week 1 saw both 1st and 2nds play Gymea at Gymea.

2nds had a tough win and the feeling was good but short lived when our 1st grade lost.

It was apparent from the beginning that if our 1sts did not win than none of us felt like winners.

The 2nd grade comp was very competitive seeing us win and lose by some very close results. We played and won against every team, but also lost against every team. The 2nd grade winners Aquinas were the benchmark only losing two games all year. Our first game against them ended in a draw with us being run down in the final minutes, the 2nd game we lost by one try, and the 3rd game we won. This is an indication of how close we were as a team to being the best.

We went into week 1 of the finals playing Gymea who we had already beaten twice with the one loss against them coming after some of the boys had been celebrating Chuppas 21st the night before (not ideal circumstances).

Fielding one of the strongest teams we had put on the field all year and for the first time having to sit a couple of boys out that game (sorry about that guys) I was feeling confident.

End result we are not a wet weather team and lost. Understandably it is hard not to be disappointed not to have taken out the competition this year but overall you guys should be proud of what we achieved and especially what many of you guys did for the club, and your mates, supporting 1st grade and 3rd grade throughout the year, playing two games and in Brettos case three games in one weekend.

I enjoyed the year coaching you guys, but it was pretty easy with such a good bunch of blokes. Hope to have plenty more beers with you guys in the years to come.

This year's awards were picked by the accumulation of the players player votes after each game which ended up being very close with 5 players being within a point or two of each other. Congratulation to the guys who get the trophies but honestly there was not a bad player amongst you in my opinion.

Thank you to Sarah for managing and BT, Zane, Tommy for running the water.

Thank you Birdy and the A grade committee guys for your support all year.

Thank you Wellsy for training the boys and uncle for being uncle.

And lastly thank you Supercoach Wes for everything and congratulations, job well done. Cheers Wayne

Firstly I would like to thank Engadine Dragons JRLFC for giving me the opportunity to coach their first grade team for 2014. In particular, Grahame Wagener and all the members of the first grade committee who had complete faith in me from day one. I would like to personally thank all of my staff without them we would not have been anywhere near as successful as what we were. I also want to thank our sponsors and supporters for sticking with us throughout the year.

This side, were not only the best football team I have ever coached but without doubt the best first grade side I have ever seen in the Cronulla Sutherland Junior Rugby League Competition. I have met so many good people within the Dragons and have thoroughly enjoyed my year. Thank you so much.

Winning this years Grand Final 62-0 is not only the highest winning margin in a in our competitions history but also an absolute credit to the boys and the effort they put in from pre-season all the way through to the end. I have never coached a more committed bunch of guys, who gave it 100% at every training session and game no matter what the conditions. All the hard work paid off and remember boys for the rest of your lives you will be drinking winners piss!

Wes

Manager: Greg Bird

Without doubt, Birdy would have to be the nicest person I have met in Rugby League. From our first meeting when I decided to coach, Birdy has worked tirelessly in organising this First Grade side. Even now, weeks after the Grand Final, Birdy is still working hard! From all the boys, and me you are a legend and we couldn't have done it without you! Thank you. Champion!

Assistant Coach: Uncle Al

You are a close mate who makes rugby league enjoyable. I truly appreciate all that you have done for this side - you keep me confident and you create a great team environment. Thanks bud. Champion!

Strapper – Terry Waters

I was so excited when Terry joined us at Engadine. Like Uncle Al, Terry helps make a great team environment as well as being the best strapper in the comp that these guys are fortunate to have. Champion!

Head Trainer: Scott Wells

Another close mate, who I have been fortunate to have as a trainer for the last three years. Wellsy, I have been trained by a lot of great trainers during my years in Rugby League but have never seen one as passionate and professional as you. You had this side as fit as any professional rugby league side and when people ask how we won 62-0 a lot of that credit should go to you. Champion!

Water distribution: Kirt Green

Kirt joined us through the season and was a great help getting the guys ready on game day and keeping up hydration during the game. Thank you for giving up your time and we all appreciate it. Champion!

The Thursday night boys: Brett and Ebbby

Thank you for your commitment throughout the year boys. Cooking us the BBQ every Thursday night as well as your sponsorship and great team atmosphere. Champions!

Fullback: Tim Clayton

I have never seen a better Fullback performance in my life then what you gave us in our GF. Cronulla Caringbah were dominating us in the first 10 minutes but you changed the game with that try saving tackle. From that play we scored in the next set of six and you continued to excel as the game progressed. Champion!

Fullback: Patt Carr

For the last few years, Patty has been one of the best Fullbacks in this competition. Missing out on playing in the GF is horrific especially for a player of your capabilities but you handled yourself well and it was class how you put your team ahead of yourself. Thanks Legend! Champion!

Winger: Gavin Beattie

Gav is the type of kid you love to coach. Although he could play in any position from 1 to 5, he was so safe on our left side that he made his presence felt at every game. He is strong in both attacking and defending and on top of that his kicking was unbelievable all year. Champion!

Winger: Sam Sinclair

Has anyone ever played with a guy that inspires a team like Sincas, cause I certainly haven't. Whenever you think a side is getting on top, our 70 something kg winger will hit it up in our red zone and make metres that put most forwards to shame. If you needed reminding, ask Ramey, the opposing winger from Blackcats, on just how good he defends!!!! Champion!

Centre: Travis Young

I was so happy when you decided join us bud. You lift everyone on and off the field and are an absolute class player with perfect running technique. Absolutely perfect technique!!!! Champion!

Centre: Shane Chapman

Another player that leads by example, who was so committed to the team that he was happy to play with broken ribs. I don't think he missed a tackle all year and was quite happy to get anyone that had been missed by someone else. Like our other centre, Chappo is also absolute class. Champion!

5/8 or Centre: Toby Topham

Toby's potential is unlimited and I can't believe he isn't already playing professionally. I pray that Toby makes it when he heads overseas to play next year.

Unfortunately Toby went away at such a crucial time in the season and because of it he missed playing the Grand Final. Had he been playing though I can guarantee the Blackcats would not have come back out of the sheds after half time! Champion!

½: Hayden Airey

H worked his arse off week after week and I was so disappointed for him when he got injured and was out for a long period of time at the business end of the season. H, your time will come mate, especially if you keep working hard as you do. This comp will be yours to have!!!! Champion!

1/2: Harrison Day

I am so glad you decided to play football this year. What you did on Grand Final day, at your age, is out of this world. You should be so proud of yourself mate, I have never seen any ½ dominate a GF like you did. Don't stop playing bud, whatever you do – you can be old and retired in your 30's!!! Champion!

5/8: Adam Whitelaw

I don't have much more to say about Spud that everyone doesn't already know. I will say this though; if you ask anyone in an opposite team whom they think the best player in the comp is they will say Spud. Ask anyone in our team who they think the best is, they too will say Spud. Champion!

13: Matt Milross

I think everyone was pretty happy when you came home from Perth but no one was happier than me! You have the biggest motor in the comp and arguably you are the toughest competitor. You never have an off game. Champion!

Lock/Hooker: Josh Pig Martin

Pig can be the biggest headache to coach but you just cant help but love the bloke. If you go through the year and have a look at who got the points against the best two teams, Pig did every time. Champion!

Lock/Hooker: Kain Ebb

Co-Captain and the most unselfish player I have come across. Ebby at his size owns the opposition. You have an unbelievable work ethic and never will you be beaten. Mate, you could have pushed to have your starting spot back after returning from injury but you knew that Cam was doing a fantastic job and you put the team first. A true Captain. Champion!

2nd Row: Jacob Denford

Our Co- Captain who was easily our most consistent player. How did Cronulla ever let you go? Your hard work throughout the season didn't go unnoticed mate. You led us so well all year and I think everyone needs to watch the Grand Final again to see just how good you played. In fact, you never had a bad game. Champion!

2nd Row: Daniel Harrison

I hope you can forgive me one day Chuppa, no one feels worse then me about you missing out on the big one. I know up until the point that you got injured, you were our best player and it was so hard to take you out of the GF team. All I can say is

that you are so young, with stacks of potential - you are not even close to your peak mate. Keep at it and prove to everyone how much of a mistake I made by not playing you. Champion!

2nd Row: Shane Newton

You are the heart of the Engadine Dragons and I thank you mate for getting me the chance to coach at this fantastic club. I am so happy that you got to finish your career where you deserve - on top and as a winner! Champion!

2nd Row: Ashley Hatch

When you and Trav came, I just felt our side lift. Defensively brilliant and always there to take us forward, you are the player that everyone wants on their side when things get tough. Champion!

Front Row: Scott Nancarrow

Awesome year buddy, you took us forward from the very beginning and I wouldn't swap you for any other front rower in the comp. I don't have much more to say mate apart from you know the respect I have for you. Champion!

Front Row: Mick Newton

What do you think of my arm spin now buddy? Hahaha. I always knew how tough you were Mick but I was amazed at how of footwork you have for a prop. You led from the front all year and are an awesome player to coach. Champion!

Front Row: Cameron Dunstan

Like Denford, how did Cronulla let this bloke go? If you want to teach any up and coming players how to play front row, tell them to watch Cam play. Cam, you are the type of player that can change a game at any time. You have unbelievable speed off the ground, which allows great metres to whoever takes the next drive. Champion!

Hooker: Cameron Robinson

To hold your spot with two great hookers like Ebby and Pig in our side shows just how good of a 9 you are. Perfect ball either side of the ruck and constantly looking to get us forward. There would not have been too many weeks that you were not top of the tackle count either. I am glad you decided to come to The Dragons mate! Champion!
