PRESIDENT'S REPORT

This season we fielded 25 teams, and from those teams eligible to play finals football we had 12 teams play in the Semi Finals. After the first round we had 7 teams progress to the Finals where 6 teams contested Grand Finals. An excellent effort from all the Players and Team Management. While we congratulate those who played in the finals series all of our Teams deserve congratulations and high praise for the way they conducted themselves throughout the season. Our U6 Blue Team played in the U6 Gala Day and had a great run, only to just miss out winning the entire competition. Our Tommy Bishop Shield Team also just missed out after a count back on a drawn game. We have plenty of strength coming through the ranks and great leaders taking the boys forward.

One of our Major Sponsors – Adams Smash Repairs – also sponsored the Committee shirts, which is very much appreciated, and ensures that the Members of the Committee are easily recognisable around the ground to give spectators assistance.

Congratulations to the Club's major award winners. Whilst it is not the reason Players and Officials participate, it is nice to be recognised for the season's contributions.

To our relatively small but active Committee thanks for all your hard work, our Club would not be able to function without your assistance. Special thanks to Craig Wheeler - Vice President, Leanne Lucy - Secretary, and Dale Morrell - Treasurer. Your support and assistance in the governing of the Club is greatly appreciated.

To the Players, who are the Club, thanks for the great year and the tremendous team and club spirit. Club spirit is the essential ingredient that will work to make our Club grow bigger and better each year.

Thanks to Peter Sciberras and all the workers from the teams who worked so hard to make sure our canteen was run smoothly and efficiently.

Once again the Club was fortunate enough to secure quality sponsors and their generosity ensured the Club continued to function financially. Without their contribution the financial toll would be very precarious and the impact is not something anyone would want to consider. Thanks once again and I hope your season as a Dragons Sponsor has been an enjoyable one.

The Club also acknowledges the contribution of the Junior League who organises and runs the competition, thank you for your efforts and continued support. The Referees, Touch Judges and various Officials deserve praise for the continued great job that they do in ensuring all of the clubs are able to compete each week.

To the Parents and supporters thank you for your support each week. I hope that your Teams provided plenty of highlights and that your children enjoyed the season playing with the mighty Dragons.

I look forward to next year and I am sure that with your continued support the Club will enjoy another successful season.

SECRETARY'S REPORT

The 2010 season was successful for the Dragons. Whilst we did not bring home any premierships many of our Teams made Semi Finals, Finals and Grand Finals and we still had a good season in some other areas. Junior numbers from the U6's to the U11's were up so we hope we can continue in this vein into next season. Unfortunately we were not able to field teams in the U13's, U16's, U19's and U21's which is leaving a shortfall in the Club. Hopefully we can fill these gaps next year. Well done to all of the boys who did play and for showing outstanding sportsmanship.

Thanks to Brian Cannings for being the face of the Pub Raffles at the Engadine Tavern on a Friday night. For those who are not aware, Brian has been running these raffles for around 40yrs and the revenue gained from the raffles helps enormously to support the Club. Thanks to the all of the Committee and Parents for attending the raffles and selling tickets.

Thanks to Peter Sciberras and his team for running the canteen and all the Parents from the teams who helped out each Saturday when their Team was rostered on. We were fortunate to have home games every Saturday from Round 1 but were only given five Sunday home games.

Throughout the year we had a few social events for the Dragons. The Annual Sportsman's Lunch was very well received and attended. Thanks to Grahame Wagener for all of his hard effort organising the day as he did a great job and we look forward to the Spotsman's Lunch again next year. Thanks also to Paul Williams and Mark Dodge for organising a very successful poker night. As well as making good profit, a good night was had by all. Thanks as well to Kim Hobson who organised the girls night at the Bowling Club. It was an enjoyable night and there were many exhausted Mums the following morning at Saturday football. Thanks to the Parents who supported these nights to help the Club raise some funds and also have a good night out.

Thanks to the beautiful Anne-Marie Coughlan who represented the Dragons at the Miss Junior League Ball with her partner Steven Coughlan. They made a very attractive couple and although not wining on the night I'm sure they had fun and they certainly did the Club proud.

Thanks to the Committee for attending pub raffles, canteen and ground duties each weekend. The Committee is currently not very large considering the Club's size. We welcomed some new Members this season which was wonderful and we hope this trend continues into next season. We are always looking for new Members. The Committee meets on the first Tuesday of each month at the Clubhouse.

Thanks to the Executive Committee, Grahame, Dale and Craig for assisting me in my role and also Paul Williams. Your organisational skills are superb.

We had a good year with Sponsors, retaining some old ones and picking up a few new ones. Thanks to all the Sponsors for your financial contribution to the Club, and to the Sponsorship Committee for their work.

Special thanks to Kevin Querin for compiling the rosters throughout the season and for all of the work in preparing the Yearbook. I know that many hours have been spent in collating this book.

To all of the Players, Parents and supporters thanks for a great 2010 season. To the Coaches and Managers who tirelessly gave up their Saturdays and Sundays for their Teams, many thanks.

I wish all of our Members a safe and a wonderful Christmas and off-season, and I look forward to seeing you all again in 2011.

Secretary

TREASURER'S REPORT

We built up another healthy surplus this year; this makes three in a row and can now be officially considered a winning streak. We hoped we would need a big surplus for lots of Premiership Jackets; oh well, maybe next year.

Looking ahead, with the withdrawal of financial support by the Cronulla Sharks to the Cronulla-Sutherland District Junior Rugby Football League, we expect that clubs such as ours will be required to cover more of the costs of running the junior and senior competitions. We will need to be diligent and prudent in our own finances to cover these additional costs; I expect that we will have to lift our prices and put extra effort into fundraising to do this.

A great working relationship with the President, Vice-President and Secretary has made my job smooth and easy. A special thank you to the Assistant Treasurer Paul Williams, who again took a great load off my shoulders by dealing with the pub raffles.

Thanks also to the Committee for making things happen, Sponsors for providing financial support and Players and Parents for digging deep into their own pockets for functions, raffles, food and drink, and for being the point of the whole thing.

My three years as Treasurer have been an honour and a privilege and I thoroughly recommend to anyone the rewards that come from rolling your sleeves up and getting involved with your Club. It's time for me to move onto other things both within and outside the Club and I wish the incoming Treasurer all the best.

Notes to the financial statements

Basis of Accounting

In the officers' opinion, the Incorporated Association is not a reporting entity because there are no users dependent on general purpose financial reports.

This is a special purpose financial report that has been prepared for the purposes of complying with the NSW Associations Incorporation Act 2009 and associated regulations. The Officers have determined that the accounting policies adopted are appropriate to meet the needs of the users.

The following is a summary of the significant accounting policies adopted in the preparation of these financial statements. Unless otherwise stated, these accounting policies are consistent with those of the previous year.

N.B. The Statement of Cash Flow presented in the 2009 annual report was incorrect; all other statements were correct.

Income Tax

As the Incorporated Association is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Acquisition of Assets and Depreciation

With the exception of financial assets, assets are expensed not capitalised, i.e. they are fully depreciated upon acquisition.

Revenue Recognition

Revenue is recognised when it is received or the right to receive payment is established.

Trade and other payables

These amounts represent liabilities for goods and services provided to the entity prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the Australian Taxation Office (ATO). In this case it is recognised as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in GST paid or GST collected.

As the Incorporated Association is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is eligible for certain GST concessions.

COLIN COLE MEMORIAL AWARD

Grahame WAGENER

This Award is given in recognition of the time and effort that a person contributes to the Club in regard to its successful operation.

Grahame's tireless efforts on behalf of the Club have not gone unnoticed and congratulations are due upon winning this most prestigious award. Over a number of seasons Grahame has made enormous contributions of his time and energy in support of the General Committee. Grahame has been a fantastic leader this season as President and his efforts in support of this Club and for our community have been extraordinary.

Grahame was also instrumental in substantial fund raising efforts this season and including through the Bunning's BBQs, the very successful Sportsman's Luncheon, and in the securement of various government grants to the Club, upwards of \$20,000.00 both current and pending. His efforts in liaison and in negotiation with Sutherland Shire Council have been vital to the Club going forward in regards our liquor license and our Clubhouse lease arrangements among several other matters of significant importance to our Club.

Congratulations Grahame.

ROD BAKER MEMORIAL SHIELD

Steve CRABB

This Award is given to a person in recognition of their commitment to the Dragons and for the work they have done throughout the year.

Steve has been among the most reliable and exemplary Members of the Club over many seasons and has never shirked any of his duties or forgone any additional tasks asked of him whilst serving on the General Committee. Despite his son Rhys having not played since 2008 Steve has continued to support the Club as one of its most invaluable volunteers.

Also serving diligently on the 527 Committee over several seasons Steve represented the Club in 2010 as our Junior League Delegate in a most outstanding manner.

Congratulations Steve.

SENIOR CLUB CHAMPION

Awarded to a Player from any of the three most senior sides and held on one occasion only.

Nathan BULLOCK

Outside of Life Membership, receiving the Senior Club Champion Award is one of the most prestigious awards our Club can present. Over the years we have had many outstanding recipients of this award and this year is certainly no different.

Nathan began his playing career for the Dragons back in 1995 in the U7's being awarded the Best & Fairest Player in his first season. Since then he earned the Best & Fairest Player Award in '98, '05, '07 and again in 2010. Nathan also received the Best & Fairest Runner-Up Award in '04, '06 and '08.

Nathan received the Gary Cannings Award in '04, the Peter Green Award in '05, and he made the EDJRLFC Champion Team – Front Row in '06, '07, '08 and again in 2010.

Nathan has played 16 seasons for the Dragons accruing 247 games and amassing a seemingly impossible and most impressive total of 309 points as a Front Rower.

Certainly one of the most formidable Front Rowers in the Junior League.

Congratulations Nathan.

JUNIOR CLUB CHAMPION

Awarded to a Player from teams Under 10 to Under 14 and held on one occasion only.

Jack TRIPI

Jack began his playing career with the Dragons in 2008 in the U9B's where he received the Most Improved Award in his first season. Jack earned the Best & Fairest Award in '09 and again in 2010 as testimony to the fact that he is surely an outstanding up-and-coming Player of the future.

Playing a total of 41 games and scoring 112 points including 27 tries Jack is already presenting as a prolific try scorer so early on in his young career.

A wonderful Team Player already earning the respect of the opposition, Jack is shaping as a Player that we will all enjoy having on our side as he progresses through the grades over future years.

Congratulations Jack.

GRAEME MORRISON AWARD

Awarded to any Coach for Team performance.

Mark DODGE

Mark is one of our more experienced Coaches and he coached the U11B side in 2010 where they certainly responded well to his astute coaching style. Finishing the regular season as Minor Premiers with only 1 loss from 13 games, they ended up 3 competition points clear of their nearest rival.

They won their Semi Final 12-0 earning for themselves a berth in the Grand Final which unfortunately on the day they lost 6-12 following some lamentable decisions.

Racking up an impressive total of 304 points for and 110 against, the U11B Team was voted Most Outstanding Team in 2010 for their on-field achievements and as testimony to the efforts and guidance of their Coach.

Congratulations Mark.

SPORTSMAN AWARD

Awarded to a Player on all round sporting ability and achievement and held on one occasion only.

Luke DODGE

Luke played in the U17A side in 2010 where he acquitted himself in an outstanding manner scoring 7 tries including a hat trick in Rnd 3 and emerging as one of the best Second Rowers in the competition.

Luke began his playing career with the Dragons back in 1998 in the U6's. Eligible to play in the U6's again in 1999 he was awarded the Best & Fairest Player in his second season. Since then he has earned the Best & Fairest Player Award in '01, '04 and '05. Luke also earned the Best & Fairest Runner-Up Award in 2010.

Luke received the Junior Club Champion Award in '07, represented in the Harold Matthews Cup in '09, and has made the EDJRLFC Champion Team – Second Row in 2010. Duly rewarded for all of his hard work and dedication Luke has also been selected in the train-on squad for the Illawarra Steelers S.G. Ball Cup side for 2011.

Luke has played 13 seasons for the Dragons accruing 187 games and amassing a most impressive total of 299 points.

In an unselfish sacrifice of his time and in display of his commitment to the Dragons, Luke fulfilled a Trainer's position in the U14B Team in 2010 at a time when the boys really needed someone to look towards and he was inspirational in this role.

An honest and very passionate Dragons Player and a true gentleman off the field, Luke is certainly a worthy recipient of this most prestigious Club Award.

Congratulations Luke.

HAZEL COUSEMACKER TROPHY

Awarded to the best performing Club Player at Junior Representative game level.

No representative Players during the 2010 season.

GARY CANNINGS AWARD

Awarded to a Player as an encouragement for them to continue playing Rugby League with the Dragons, taking the opportunity to develop and improve their game and to continue their participation in a great team sport with the Club.

Chris JENKINS

Chris is a champion bloke who wears the Club jersey with pride and passion and he more than anyone deserves this Award for his enthusiasm and his determination.

Chris began his career with the Dragons in 2003 in the U6's and received his 100 Game Award in '09. Chris has now played a total of 8 seasons for the Dragons where he has accrued 115 games for a total of 52 points.

Always reliable, Chris is a great young footballer who deserves our encouragement to continue playing. Many recipients of this Award in the past who continued playing have subsequently gone on to become high achievers for both the Club and at representative levels.

Congratulations Chris.

PETER GREEN AWARD

Awarded to the most valuable Dragons Player and is based on the person who accumulates the most Best & Fairest points during the season – across all Grades.

Dane PARSONS

This is Dane's third season with the Dragons commencing in 2008 in the U6's. He has now accrued 42 games scoring an average of a point a game for a total of 42 points.

Obviously his consistent efforts have been recognised and rewarded by his coaching staff during 2010 with regular appearances in the 3-2-1 points awarded following each game.

A Player of the future, Dane is well deserving of this most prestigious Club Award in being named the Dragons' most valuable Player for 2010.

Congratulations Dane.

The Players of this Champion Team are picked purely on statistics.

The number of times a Player had played in a particular position and the tally of 3-2-1 points achieved during the season was of importance.

Only those games in the competition rounds were taken into account, Official Trials, Semi Finals, Finals and Grand Finals were excluded.

* Awarded 2010

NATIONAL UNDER 20's competition was started in 2008 as an under 20's age group. It follows the 1st Grade competition draw.

PRESIDENTS CUP was under 19 years (1975, 76 and 77). Prior to 1975 and after 1977 the competition was under 21 years. It was discontinued in 1987.

JERSEY FLEGG CUP was under 17 years (1975, 76 and 77). Prior to 1975 and until 1984 it was under 18 years. In 1985 it was changed to under 19 years. In 1997 it was changed to under 20. It was discontinued in 2007.

S. G. BALL CUP was under 15 years prior to 1978 when it took over from the Oatley Shield. From 1979 to 1985 it was under 16 years. In 1986 it was changed to under 17 years. In 1997 it was changed to under 18.

HAROLD MATTHEWS CUP was an under 14 K.O. competition having taken over from the Endeavour Cup. In 1985 it was a 'round robin' carnival. 1986 to 1996 & 2003 under 15 years. 1997 to 2002 & 2004 onwards under 16 years.

MAL MENINGA CUP formed by the Super League in 1997 (for that year only) and was an under 19 competition.

TERRY LAMB CUP formed by the Super League in 1997 (for that year only) and was an under 17 competition.

What a fantastic year the mighty 6 Reds had, undefeated, not a bad effort for Under 6s. 5 of our 9 boys played their first year with the Dragons.

The boys were very well behaved at training, doing everything we asked (well most of the time) with enthusiasm. This enthusiasm transpired to the game with each Player knowing their rolls and positions to take on game day. Each and every Player improved greatly as the year went on. There was never the same stand out Player week in week out and for such a young age the boys showed fantastic team work.

We had a very enjoyable year watching the boys develop. A special thanks to Steve and Wayne for helping with the training duties, Renae's fantastic effort as Manager and to all the Parents who helped out with jersey washing and providing the fruit and treats for the kids. Our Parents also did our 3-2-1 points each week to ensure an even Best & Fairest. We hope all the boys return next year, the future looks bright for Engadine Dragons !

David and Adam.

BEN DRISCOL: This was Ben's first year. Ben did everything that was asked of him. When he ran the ball up and was caught he showed that he had one of the best off loads in the game. All the boys followed his hit ups and often his off loads resulted in tries. Nice effort Ben.

LACHLAN GRAINGER: Aka 'pockets'. Even if Lachlan's hands spent more time in his pockets at training than not, it didn't affect his game. This was Lachlan's second year and his improvement was amazing. He ran the ball with speed and confidence, even scoring some tries. Lachlan was never afraid of putting his body on the line, making some excellent tackles. You beauty Lachlan.

HARRISON HOOD: This was Harrison's first year but you would never have known. Harrison was a very strong and fast runner with speed to burn. He sure knew the way to the try line. Harrison was also one of our top defenders. His enthusiasm inspired the Team. Well done Harrison.

FLETCHER JOHNSTON: Another first timer to footy who improved out of sight. Without a doubt the strongest part of Fletch's game was his defence. He was often the first to the tackle otherwise he was always there to assist, a trait he must have inherited from his Dad. Fletch even scored some mighty tries. Good job mate.

LACHLAN JONES: One of the smallest guys in the Team, showing plenty of ticker by always being willing to tackle the biggest kid on the field. Easy, just jump on his back ! Lachlan was fast with a great side step and was able to step around a whole team to score many tries. Top effort Lachlan.

TAJ KIDD: Second year of footy and along with his twin brother Zane, lives and breathes footy. His text book tackling never stops and he is entertaining to watch. He has the ability to take the biggest kid over the sideline alone. A strong runner with a fluent side step scoring many tries this year. Top stuff buddy.

ZANE KIDD: The twin of Taj and as said, lives and breathes footy. Zane even sleeps with his footy. Zane scored lots of tries by running around the opposition and proved capable of scoring from anywhere on the field. A top tackler who doesn't stop, often putting his body on the line. Stay strong Zane.

DANE LYNCH: In his first year, Dane improved week by week. Always threatening to score a try, and doing so most times he touched the ball. Dane was one of our fastest runners who had the ability to run straight up the middle or around an entire team. He was always there to make the big cover defence tackle to save a try. Superb Dane.

BEN METCALFE: Ben bulked up in the off season becoming our big prop forward, steamrolling the opposition straight and hard with lots of pace and who knew the way to the try line. When Ben was often asked to stop the good player with his defence, he would then go and put a big 'ball and all' hit on every player carrying the footy. Great effort Benny.

The Mighty 6 Blues had a fantastic season. 5 of last year's Team backed up for another year and we welcomed 4 brand new Players.

Our season was divided into 2 halves. The first 6 games were about learning basic skills and having fun. As we had a mix of both experienced Players and newbies, it made for a lot of fun come game day. We won 3 out of the first 6 games and scored 128 points for and 128 points against. We now knew the basics so it was time to put some plays into action.

The last 6 games were about putting our new skills into practice. Although the boys are still only 5 and 6 year olds, they managed to pull off moves such as "the Mousetrap", "the Line-Out", "the Dummy Tap" and "the Fake Lineout". To see moves that we trained for actually work on a Saturday was great, as well as giving us all a laugh. These boys love their footy. We won 5 of our last 6 games with a for of 182 and an against of only 76.

I may be a little biased, but we were definitely the most improved Under 6 side in the District.

We went into the Gala Day with the thought being, this is our last day as a Team, let's have some fun. After cruising through the pool games undefeated and listening to the crowd, we were suddenly the favourites. After a great start in the Semi's, unfortunately our day was cut short in the Final in a controversial game against the eventual Champions.

Well it's the end of an era, with 5 of the boys going into the 7's next year. I will miss this Team a lot. A special thanks to all the Mums, Dads, Brothers, Sisters and Grandparents that cheered us on every week. It's great to have such good support. Thanks to Brendan, Jake, Peach and Joel for your assistance as Trainers and a special thanks to Mick and Simone who did so much for both me and the Team.

NICK FREEMAN: (1 Try). Mr Consistency. This was Nick's second season with the Dragons. Nick runs like a forward straight up the middle every time. He was able to break the line a few times this year and made the most of his opportunities. Held his spot in defence and loved taking down the big guys.

JET HICKSON: (1 Try). The Hitman. Jet's first season of footy. Jet loves being rough and tough and Rugby League is his game. Jet has a lot of strength and has no fear running straight into the opposition. Jet showed improvement every week and will be an asset in the U6's again next year.

RORY CARTWRIGHT: (3 Tries). Mr Illusive. Rory backed up for his second year and his improvement this year was unbelievable. Rory pulled off some of the biggest tackles this season. Rory loves running the ball wide and he made us many metres in each and every game. Will be missed in the U6's next year.

JY GARVEY: (4 Tries, 1 Goal). Mr Reliable. Although this is only Jy's second season, you would swear he had played for years. Jy never missed a tackle and was always one of the first out of the line. Jy knew his job on the footy field and did it well.

CHAD BONSER: Mr Tough. This was Chad's first year but you would not have known. Chad was involved in everything and did it with a smile. Chad took the ball up the middle with every hit up and never took a backwards step.

JACKSON CHALK: (1 Try, 2 Goals). Mr Around the Ankles. Jacko's first season of footy, but he has the best tackling style in the comp. Jacko simply doesn't miss and always goes around the ankles. Will be a major force in the U6's next year.

JAI WILLIAMS: (3 Tries). Mr Happy. Jai loves his footy. Jai is always the first off the line to attempt a tackle and always has a smile on his face. Next season will be Jai's third in the U6's and he will be hard to stop.

LUKE WALLACE: (32 Tries, 8 Goals) (Player's Player Award). Mr Natural. This is Luke's first season of League yet he still managed to score 146 points for our Team. Luke saved as many tries as he scored and was a major asset for our Team.

KURT PEYCHERS: (22 Tries, 5 Goals). Mr Offload. Kurt reads the game better than any other 6 year old. From perfectly timed runs to putting a mate through the gap for a try, Kurt has it all.

Joel, Jake and Peach: Shorter than most other Trainers.

Brendan: First season, ran the magic water with style.

Simone: A great asset to the Team. Will be missed next year.

Mick: Backed up for his second season, showing great improvement.

Paul: Charming, Handsome, Charismatic, Dynamic, Approachable.

Parents: A great bunch of potential Karaoke Champions.

The 2010 Footy season: What a great year of footy from all of the boys.

No matter what the result, come 10a.m. Saturday morning the boys showed everything that we all love in the great game of footy. The thrill of running out of the sheds and onto the field, the excitement of lining up against the other team, the sound of the whistle, the cheer from the crowd...the contest.

These boys throughout the year reminded me what I liked about footy growing up, what I had forgotten about for many years, and as an on the field Coach I reckon I had the best seat in the house. The boys showed how simple footy really is, that it's not about anything else except for your mates...your footy mates.

Let's not forget to mention some of the Team highlights from the year, that last third comeback in Rnd 1, the goal line defence and comeback which led to a win in the final third against Bosco at Anzac. You know, that win against Bosco showed how far the boys as a Team had come in the year. In Rnd 2 Bosco had beaten us by 30 odd points but by Rnd 9 the Mighty 6 Greens were not about to let that happen again...not on their home turf.

For some of the boys this will be their last year in the Under 6's. Some of them I am sure will be going around again next year in the Under 7's...some of them will keep going through the Grades, some of them might hang up their boots sooner or later.

No matter what happens in the future I will always look back on 2010 with a smile and with pride...pride in the boys, the Under 6 Greens, the Team, the Mighty Engadine Dragons.

Patto Williams.

RILEY NEWTON: Riley is the sort of footy Player who's not interested in the flashy stuff...he likes to rip into it straight up the middle. He was always there to help out his teammates in defence and made countless crucial tackles and hard runs up the middle during the season. Great games throughout the season, however the best game of the year by far was in our win against Bosco. Keep at it Riley every team needs Players like you in the engine room.

LACHLAN COLENZO: To say Lachlan likes his footy would be a lie...he loves it. All season he tackled hard, ran hard and scored a bag of tries in the process. I lost count of the amount of times Lachlan broke the line or set up another one of the boys...I also lost count of the amount of times he made 2-3 tackles in a row or tackled a kid in the clear. Best game of the year was in the win against Bosco in Rnd 9...made a crucial tackle in the last third and scored the final two tries.

KOOPER BANNISTER: What a year for Kooper. Not sure how many tries this kid scored because I think we all lost count after a few rounds, I am sure his Parents know because he kept telling me how much money he was gonna get after each try. Seriously however, when Kooper wasn't scoring tries he was saving them. Best game of the year was vs GyMEA where he made countless try saving tackles and scored 6 himself.

JOEL FRY: Natural at dummy half. Joel loves everything about footy...and from about the mid point in the season when he took over the role of controlling the ruck we really started looking like a footy team. Always encouraging his teammates and waiting for the right moment to make the most of the opportunities for the Team. I have also got to say that when you looked at this kid after a game of footy you knew he had been in there up to his eyeballs...making tackles, pin point passing skills, making conversions and scoring tries.

XAVIER JAMES: Xavier had a great first year playing footy...from his first run at training when he pulled out the big 'don't argue' from his kit bag you could tell he was gonna be a good fit. The year just got better for Xavier, making line breaks consistently led to his first try...it was only going to be a matter of time...he is going to get a bag of them for sure next year. Outstanding defence during the matches on the Gala Day.

HAYDEN WILLIAMS: Hayden or 'H' was another kid who had a great first year playing footy...for one of the smallest kids on the park each week he showed that size doesn't matter as long as you're willing to have a go and have fun doing it. Scored his first try in the final game of the year out of dummy half.

BILLY PRICE: Billy is one of those kids with a natural ability to side step and get around his opposition. Scored one of the best tries of the season vs Bosco in round 2 when he stepped his way through almost the whole Bosco team. Also worth mentioning that he owns the prize for the 'Falcon' of the year...great year Billy.

FYNN WILLIAMS: What else can be said about Fynn other than that he was one of the definite characters in the Team. Loved nothing more than helping out to make his 3 tackles in the first term and then get into the swing of making everyone laugh. Memorable moments out on the field included 'the seagull', 'the robot', or the time he ran from the field when the Manager threatened to kiss him if he didn't make another tackle.

JACK NISBET: Jack without a doubt made a couple of the biggest tackles of the season...I even felt my bones jarring on a couple of them. When he wasn't making the tackle he was piling on the pressure by rushing out of the line and forcing the opposition into mistakes. Best game of the year you could tell that he turned up ready to play...I think the Mohawk he had that morning gave it away.

MICHAEL BROADSTOCK-MALONEY: This kid loves having the ball in his hands and when he doesn't...well he just loves making everyone laugh. From his first line break through the middle of the ruck early in the year to his last down the sideline towards the end, he kept showing that when he has the ball he is a good kid to watch...also does everything with a smile on his face.

This year we had a great year with the kids having lots of fun. One thing we tried to achieve, was that all the kids had a great time and came off the field each week with a big smile on their faces, be it if they won or lost. I think we succeeded in doing that.

To start the year off we had only 2 kids that had played football before. By the end of the year, what a Team we had.

We had a few bustling runners of the ball this year.

BEAU WALLACE “the Flash”, **KYE ROBSON** “Soward”, and **FLYNN DANTE** “Bones” all kept the defence second guessing at all times.

CHARLIE TE HIRA “the Hitman” and his side kick **BLAKE ISEMONGER** “the Breaker”, followed by **RYAN DAVIDSON** “Corned Beef” busted up the middle every time they were asked to.

JACOB GUNN “the Superboot” knew how to put a goal over the posts.

In defence the opposition were always cut down by **BRAYDON WALLACE** “the Chopper”.

JARROD HORTON “the Haunter” would always pop up when you needed him.

KANE BOWRON “boot laces” roughed them up around the ruck, always with a big smile !

We finished the year off with the Gala Day and the boys did us proud. They made it to the Semi Final and just missed out on getting through to the Final.

What an excellent year boys. You should be proud of yourselves for being such a great bunch of kids.

See you all next year.

Ben, Michelle and Ross.

What a fantastic season our Team had for 2010. We were lucky enough to have a group of Players with a great mix of skills.

Throughout the season the boys trained really well, and took advantage of the experience that both Dale (our Coach) and Aaron (our Trainer) have.

Later in the season we all saw the Team work together really well and play some fantastic football, notching up quite a few wins. When it came time for Dale and Aaron to be restrained to the side line we all realised that throughout the year the boys really had been listening and we saw a Team out on the field spread out and working together in both attack and defence.

Thank you to all Parents that helped out throughout the season and also to Kathryn and Andrew for managing the Team.

Special thanks to Dale and Aaron for all of your time and effort with what is a great bunch of kids.

Boys you should all be very proud of yourselves.

CAMERON STEPHENS: What a great all round Player, Cameron, I think some of the opposition are still hurting from your hard tackles, you gave 100% every game and scored some impressive tries, good luck next season.

MAX PETTIT: Proved to be an outstanding Player, Max you really took on board everything we talked about at training and implemented it well. With Max's tireless effort's and positive attitude he was an important asset to our Team.

BAILEY KING: For his second season Bailey stepped up to the plate and made some fantastic strong runs and tackles. Bailey you came sooo close to scoring so many times, best of luck next season.

ZAC MORRELL: What a great motivator of the Team, whenever you were out on the field you were always helping to keep the Team in order and focused. Every time Zac got the ball we saw a hard straight run at the opposition, well done.

RYAN ASTBURY: For his second season, we saw Ryan always giving 100%, with his speed and agility he wreaked havoc on the opposition's defensive line and came up with impressive results each game. Can't wait to see what next year brings.

TYLER COLDWELL: Consistently enthusiastic and put in a lot of effort all season, always listened well to his Coach, Trainer and teammates. Tyler improved well throughout the season with some great strong runs and was always there to back up his teammates. Look forward to seeing you next year.

JAKE BONSER: "Don't judge a book by its cover", one of our smaller Team Members, Jake you play a hard brand of football. The courage you show on the field in defence and attack is to be commended. Well done mate see you next season.

BRAYDEN ANDREWS: An entertaining Player to watch, another one of our fast and agile Team Players, more often than not managed to find himself over the try line. Brayden you play with passion and enthusiasm every game and I am sure you will have even more to offer next season.

KURT FRASER: From being a little unsure early in the season his confidence grew as did his skills on the field, he made some good strong runs and defended well. Kurt you will be a good asset to your Team next season, look forward to seeing you play.

2010 was a great year for the 7 Blues. We had lots of boys who demonstrated skill and ability coming up from the U6's, so it was a challenge to blend and mould them all together.

What a phenomenal year, all the boys were amazing, as were the Parents. We had lots of support, fun, friendship and great footy games. We only lost 1 game all season by 2 points and the boys played their little hearts out week after week. They became more like a little family than just a Team, showing wonderful support and encouragement for each other.

Sportsmanship is a big thing for me, it's not just about winning, and every single one of these boys impressed me with their wonderful attitudes and sportsmanship. Engadine Dragons should be very proud of having such wonderful kids playing football for them. As I have been saying for the past couple of years, with boys like these the future of the Dragons is looking good.

See you all next year in the U8's.

Fergo.

LUKE DAVERON: My big bopper, Luke was a Player who improved steadily during the year. A great attacking Player with one of the best fends for his age, Luke really found his place scoring tries for the Team. Luke always ran with a huge stride and got us out of our end on many occasions. A great year Luke, well done.

COOPER DUFFY: Cooper "DUFF" stepped up this year to take on a real leadership position within the Team. My dummy half and cover defender, Cooper was always a reliable Player. Cooper even had a new move named after him, the "Duffy Dummy", which he scored many tries from. Well done to Cooper, awesome year.

ELI FERGUSON: Eli was always reliable guiding the boys around the park, but also knowing the right time to take on the line and picking the gaps. Eli was surrounded by some outstanding Players this year who challenged his skill and ability. Eli had to work very hard which he did. He was reliable and hardworking. Another outstanding year. Eli was voted by all the Parents as the Best & Fairest Player in 2010 and this shows the calibre and quality of the Player that he is. He is a real Player of the future.

CYNAN GREY: Cynan was always a reliable defensive Player, and very rarely let the opposition get around him. Cynan's running style and explosive speed, and his back and forward weaving, made him a handful for every opposition. His ability to bamboozle the opposition, creating a gap to go through was uncanny and 99% of the time led to a try. Awesome effort Cynan.

BRYNN MAGSON: Brynn improved as the year progressed, culminating in a full length of the field run and try in the last game. The thing that impressed me the most about Brynn is his leadership in defence, always the first one up out of the line, putting the opposition on the back foot. Brynn is a natural leader and likes to talk to the boys, showing great enthusiasm. With more confidence Brynn will be a footballer to watch. Well done Brynn.

BEN MARTYN: Ben always tried hard and worked his butt off. Ben showed great improvement during the season. He is an enthusiastic Player, both on the field and at training. In fact, Ben was the hardest trainer out of the whole Team, and this would have contributed to his improvement during the year. Ben was a great teammate for the boys Well done Ben.

COOPER NOAKES: Cooper “NOAKSEY” is a very quiet achiever. One of the best defenders not just from our Team, but from all the teams we played, Cooper always gave 150%. He was always reliable and strong in his game. A huge asset to the Team, Cooper was bringing boys twice his size down week after week, displaying an excellent defensive technique. Cooper is a Player of the future to watch. Cooper has been awarded the Encouragement Award for coming Best and Fairest Runner-Up as voted by the Parents. This demonstrates Cooper’s ability and performance week in and week out.

THOMAS SHEPHERD: Tom was another quiet achiever, who didn’t say much but thought about it a lot, and showed great improvement over the year in both attack and defence. Most impressive was Tom’s straight, hard running and with this running came tries. Tom never backed down from running directly into the opposition, showing guts and determination. Well done Tom.

SAMUEL TOMPSON: Sam was another quiet achiever who let his game do the talking. Sam worked his way during the year to becoming one of the best Players in the Team, with a great step and an offload which led to a number of tries being scored. On his day, Sam was also one of the best defenders in the Team. A real Team Player and a strong all-rounder, Sam is another one to watch. Well done Sam.

What a tremendous effort from all the boys this year with most of the Team playing their first season of footy and this as my first year of coaching.

Before the first training session even began we lost one of our boys to a broken arm which left us short for the season. Thank you to the boys who filled in for us from the 7 Reds and the Under 6 teams. That being said our U7 Greens held their own when we were playing short. There were some pretty tough games when the boys had to put in that extra effort and play hard, without a break. And they all did.

The stand out game for me was against De La Salle who gave us a touch up in the first round but we came back and beat them in the return match - much to their disgust.

I enjoyed my first year of coaching. You are all a fantastic group of boys, just learn to spread out.

A big thanks to Rob for running the water and looking after the many disappearing kicking tees, and to Nicole who filled in for our Manager Kirrily when she had other sporting commitments.

LOGAN McKINLAY: "The Hitman". Wow what an awesome first year, this kid is going places. Our main try scorer, there was not a game that he didn't crash through the opposition defence on his way to a try. His defence was as rock solid as his nickname "The Hitman" implies. Great season Logan and good luck in the U8's next year.

TY PARKES: "The Axe". Not many opposition players got past Ty this year. He was always ready to chase them down. Ty loved playing Fullback. His speed was also an asset in attack. A game I remember was against the Colts where Ty was a stand out in attack and defence earning him Man of the Match for the 3rd time. A great year Ty, looking forward to seeing you next season.

SAMUEL HUGHES: "The Smiling Assassin". As the name implies, Samuel is always a happy go lucky kid and a great asset to the Team. Even when taking a huge hit from the opposition, he came up smiling. Great defence this year Sammy, with some nice stepping runs up the middle of the ruck. Samuel was a pleasure to coach. Keep trying mate, you will get there.

MITCHELL GEORGE: "The Bull". Our brilliant dummy half who always gave good service to his first receivers. Also making some great runs from dummy half crashing over for his first try against Yarrawarra Tigers in a game which we won. With Mitch's size, once he gets his confidence he will be an awesome asset to any football team.

AARON HANLON: "Braveheart". Not blessed with speed but makes up for it with a big heart. Aaron copped some big hits early on in the year but he always got up, dusted himself off and played the ball. Never one to shy away from a tackle, Aaron just needs to remember to run forward and to use the palm. Good season little mate, you tried your best and I am very proud of you.

DREW LANE: “Slingshot”. Some of Drew’s defence this year was outstanding. Grabbing the opposing teams’ jerseys and slinging them to the ground, saving many a try. In attack with a sensational palm, at times managing to sprint away only to be stopped short of the try line. One of the more experienced Players in the Team, Drew was always happy to give advice and help his teammates. Hope to see you again next year.

OWEN WILLIAMS: “The Ox”. Owen made some hard yards through the centre of the ruck, with at times 2 or 3 players hanging off him but still his legs kept pumping. This kid had a sensational end to the season and we really missed him in the last two games, especially in defence. Owen just kept getting better and better as the year went on, and I can see he will only improve further next year. Great season buddy keep up the good work.

Well done to the boys, first year of grading and making the A Division side. That is an awesome effort in itself.

This season turned out to be a successful one....just falling short at the last hurdle twice !! We have to learn that when we have a tough game we need to ALL defend and not just leave it up to a couple to do the tackling. If we all tackle then we will make that last hurdle. With other team's coaches approaching me saying "What a well structured team we are", that made me a very proud and excited Coach.

It was a pleasure to coach this Team from training to the games it was just lots of fun and laughs.

Boys be very proud of your year because I am ! We set a game plan each week and the Team executed it to the letter. The way you carry yourselves on and off the field is a credit to you all.

I would like to thank all the Parents for all the help this season. Ty our Trainer, Al the reports man, Nicki our Manager, and everyone that helped out at training & duties.

See you all next year, I hope.

Dean.

STEVEN GREEN: The first of our little men. What he gives away in size he makes up in heart. It's a big man's game and you had your hands full trying to contain them in the forwards but to your credit you never stopped trying. The ability to drift, draw and pass will be the platform of your game in the future. **Highlight** was the finals where we were treated to some of the best long-range pinpoint passes of the year.

JAYDEN LEPLAW: Our second pint sized pocket rocket. You showed us glimpses of brilliance throughout the year. Blindingly fast in open spaces combined with a good step, and deceptively strong in spinning out of tackles. Whilst not naturally an aggressive Player, he would fire up whenever he got a little extra attention from the opposition. **Highlight** was scoring 4 tries on his Birthday.

HARRISON NOAKES: The Smiling Assassin. When focused you are a great runner of the ball, and when your timing is on your hit-ups are picture perfect. Your step is more of a smooth swerve, and it has carved up the opposition many times. At times a lack of self preservation has provided some memorable collisions in both attack and defence. **Highlight** was your carve up try against Como in Rnd 6.

BLAKE HOSKING: Cool and reliable under pressure. Not a textbook tackler, but an effective defender who used his strength to wrap up the opposition and drive them down hard. With the ability to break the line from a standing start, you have the potential to be one of the hardest runners in the comp if you work hard on getting your timing right. **Highlight** was your two tries in the Grand Final.

DANE COURTNEY: A great understanding of the game is your gift. Combined with natural speed and good tackling technique, you're a well rounded Player and you played a big part in our defence. The expectancy to deliver can sometimes take its toll on you, but with maturity you will learn to use it to your advantage. You were also our second best kicker and try scorer. **Highlight** was some great try saving tackles, and being given a job and taking control.

DANIEL MacDONALD: The biggest kicker of the ball, and our top goal scorer for the year. Arguably the Player with the most untapped potential. When he switches on and goes from little steps to big strides, he is too big and too strong. Needs to summon his primal instincts and use his biggest asset, which is his size. Work on this and your tackling technique (your Dad has got some good ideas for this) and you will go far on a bigger field next year. **Highlight** was your massive hard running in the Semi's gaining lots of great metres.

SAM HEALEY: He has the football gene and it shows. A great open play runner who can find gaps or make them appear with his unorthodox stepping style. You can tackle, and more involvement in this area will help improve your game. Don't let the pressure to play well get to you. Your ability to make big metres was a big part of our go forward this year. **Highlight** was beating your schoolmates from Bosco.

HARRY GOLDSMITH: Has come a long way from just being a speed machine. He can score from anywhere and his speed is his weapon. This year he has worked hard on improving his defence and is now on his way to becoming a complete footballer. Learning to take a few knocks has been the key. Our top try scorer for this year and towards the Finals you also saved a bunch of them. **Highlight** was scoring 5 tries in the Final. Should have been 7 !

ETHAN PASTOR: A tackling machine with a big heart. Led the charge at the start of the year by running onto the ball hard and the rest followed from there. His defensive game is his strength and his work rate became a close second. Needs to learn to draw on more than just natural ability to reach his full potential. You were our best defender. **Highlight** was finding out that Cronulla-Caringbah's plan of attack in the Finals was NOT to run at you.

Well where do I start? This year was by far the most rewarding year to date for me as an adult and as a Coach. I have said over the years two things about Rugby League and my career:

- 1 - If you make the GF and lose you may as well have come last;
- 2 - I don't like coaching young kids in competition.

Well how wrong could I be? Just to make the Semi's and watch the kids perform to the point of being part of the top two Teams, hitting it out to play in the GF was the best experience I have had so far as a Coach. It was so different from being a Player and I am so proud of the boys this year. On a different day who knows what could have happened.

Me, I know we won and that's it. We lost one of our best the night before the GF to swine flu, and thanks to God he is home and well. Love ya "Heathy". We lost if not our best strike weapon the day of the GF and we had a Player sent off with 9 minutes to go. We were winning 6 nil with 4 minutes to go and the boys with all of that against them only go down 6-12. Our boys are winners.

They can hold their heads up and be proud of their year as I hold mine up and I will never forget this year. Thank you all so much for the opportunity to teach our boys about this great game. Let's come back next year and take it home.

A big thank you to Renae Kidd who through her pregnancy did a fantastic job as Manager. I think everyone would agree that the year went far smoother with her as our boss. Also to Wayne, (Steven the man child) Smith, and David Kidd. Thank you very much and to all of the Parents.

As usual I am happy to eat my words on 2 things:

- 1 - Just making the GF is such a great achievement and a wonderful experience and should not be taken lightly;
- 2 - Competition is healthy for children...it is the adults who find it hard.

Thank you to the Engadine Dragons for allowing me to coach again this year. Sorry we fell 1 short but we won. Our boys are proud of themselves and so they should be. It has been a pleasure coaching this year and very humbling to lose a GF. Losing is not a bad thing. It sucks big time, but it's not all that matters. These boys have strong friendships that I hope will last well into their High School years and far beyond.

Judd O'Shea - Happy Coach.

JAYDEN HOWELL: Jayden is a big strong kid with heaps of aggression. When he learns to direct that aggression at the other team he will be very hard to stop. He progressed throughout the year to finish in the top try scorers, well done Jaydo. If you realise your potential who knows what you could achieve.

LACHLAN MUNRO: Munro, Munro, Munro...sounds like training LOL. He is such a talented kid. He can run, tackle, pass, he can do it all. When he concentrates he is unstoppable. I think Munro, you have a bright future whether it's modelling or Rugby League. It was a pleasure getting to know you this year mate.

JAKE HUNTER: Jake Hunter has the ability to dominate a game which he showed in the GF. He is strong and rangy, i.e. and hard to stop. Well done this year, the last game just tipped off your season. The Clive Churchill medal for the GF just proves what you are capable of in the big games.

SINAE SAMUELS: Big Sinae. He is a man mountain and at just 8 years old he tips the scales at 65KG. I am looking forward to seeing him play next year, I really think that when he realises he can crush people he will.

JACKSON McDONNEL: Jacko is by far the most talented kid going around. His initial speed is devastating and boy can he tackle. He is great to watch and the more he matures the better he is going to get. Jacko, on his day, can be the best on field. I would like to see more of it next year.

LACHLAN FROST: Well the year ended too early for Frosty. His start to the year was a little slow but by the end of the season he played two 'man of the match' games and scored his meat pie. If he starts next season the way he finished this one I feel sorry for the opposition. He is big and strong and can punish the opposition with his attack.

HEATH LUCK: Heathy is big, super strong and rugby league is his game. He is your typical work horse forward. Heath has a bright future in this game if he wants it. Heath is a pleasure to be around and great to coach. Well done this year mate.

JARED KIDD: From the start of this season to the end Jared has come so far. Jazza's defence has gone from average to being one of our safest defenders. As for his attack, well the leading try scorer says it all. He was just pipped at the post by 2 points for the Best & Fairest Runner-Up Award and let me say that that Award would have been justified in his trophy cabinet this year. Just as good is the Players Game Trophy which he gets to keep and he thoroughly deserves it as well.

MAXIMUS O'SHEA: Maxo has really stepped up this year. At training, he always does what is asked of him and on the field he unselfishly plays dummy half every game. Let me say that when he is not on the field the Team really misses his direction. He shows great leadership and maturity far beyond his 8 years. Max has been voted by the Parents as the Best & Fairest Runner-Up for 2010 and I am so very proud of him. Well done Maxo, and it goes to show that consistency doesn't go unnoticed.

JOSHUA SMITH: (the mighty midget). Joshy is one of 3 or 4 midgies in our Team but by far he has the world's biggest heart. Not only is he a kind and generous boy, he fears nothing. There is a video of him jumping from a 20 or 30 foot bridge which just goes to prove it. He is our Best & Fairest Player. Now, best yes, but our kids play as a team. Fairest, absolutely. He is first receiver and directs the play. He is the best defender in all of Rugby League. He is bigger than Arnie, stronger than the Hulk and such a valued member of our Team. Well done Joshy you thoroughly deserved the Best & Fairest Award this year. If anyone got to see this kid tackle you would have witnessed a true natural. You can't teach the talent he has. Josh and Max work so well together and were a big part of us going as well as we did.

What a great season from all the Team this year.

It was a fantastic effort from all the boys who consistently gave their best each and every game. An example of the Team's will to win was then they came from behind against Cronulla-Caringbah in the second last round of the year to tie up the game in the last minute with a brilliant try from Billy. The conversion kick was made by Blake but with a questionable decision the Team was denied and the game was called a draw.

My favourite moment of the year was the brilliant try saving tackle made by Jacob to deny the celebrating De La Salle player a try when he was dragged over the dead ball line. Due to this never give up attitude again the Team managed to win a nail biter at De la Salle in the last round to end up 3rd on the ladder for the season and make the Semi Finals which was an awesome achievement from the boys.

To make the Semi's was a goal we aimed for as a Team and all the hard work at training really paid off...especially all the running around the goal posts when someone was mucking up helped to keep the Team extra fit. The Team always helped each other especially in defence. The 'brick wall' was very hard to break and quite often we saw 3 or 4 or 5 hands all helping each other when tackling the opposition. We had a lot of the Team playing their first year for the Dragons but it didn't take long for everyone to become good mates and start playing some great footy.

Just want to say a big thank you to Simon Parsons for all his help at training and during the games. Parso was always there to help out with tactics and keeping the kids motivated during the games which was another big reason why the Team did so well this year.

Another big thank you goes to the Team Manager Nathan Titmus. Nathan did a great job this year in keeping everyone informed of what was happening on the weekends and with the Club. Even when Brodie broke his arm and was out for a few weeks Nathan still stayed involved which was great.

Another thank you goes to Natalie Good who organised the end of year BBQ for the Team. After the Team took on the local BMX track we all went back to Ayden's house where Natalie had made a fantastic Engadine Dragons cake which all the Team thought was brilliant.

We had a great group of kids and Parents this year. The Club could not survive without the help and support from the Parents so I want to say thank you to everyone who helped out throughout the year.

After an excellent year and making the Semi's the whole Team can be proud of what they have achieved and I look forward to seeing everyone again next year.

'A Proud Coach' – Jason.

CAMERON GRAINGER: 'Crunch'. He earned his name by making some big tackles this year. Always putting in a big effort and helping out his teammates with some great off loads which set up quite a few tries. Many times we watched 'Crunch' put his body on the line and make a tackle on someone a lot bigger. Never complaining and always listening at training and the games, Cameron improved a huge amount this year. Well done !!

AYDEN GOOD: 'Animal'. Flying down the sideline and leaving his opposition behind him. Ayden won the battle with the sideline this year and made some big runs for the Team...great work. Another big improvement in Ayden's game was his defence. As the season progressed, by leading with his shoulder and making some big hits his tackling technique was one of the best in the Team. Fantastic job on another big year for the Dragons.

DANE PARSONS: 'Dash'. A huge year from Dane. We always could rely on 'Dash' making the big tackles when required. Dane would always lead the way in rushing up in the line of defence to shut down the opposition attack. One of the smallest guys on the Team and from time to time taking a big hit and getting injured he would always keep going. Helping to organise the Team on the field and creating some of our best attacking runs often ending up in a try, Dane was a huge part of the Team this year. A well deserved Best & Fairest' for the Team.

HAMISH JACKA: 'Hammer'. Running hard at the opposition and regularly breaking the line, Hamish has had a big year. Always putting up his hand to take a hit up and making plenty of metres 'Hammer' was one of our best Players this year. Due to his hard work on the field we often watched Hamish score a try and even kick a few goals this year. Hamish played a major role in our defence as well by hanging out wide and shutting down any opposition player who would try to make a run down the sideline. Good work 'Hammer' on a fantastic year.

BRODIE STEVENS: 'Axe'. Hanging out wide and shutting down the attack with his big shoulder the 'Axe' was a force to be reckoned with. A big part of the Team, Brodie would always put in a massive effort. In attack Brodie had a little bit of a 'Benji' side step happening to confuse the opposition and make some good runs which helped the Team. We lost Brodie for a few games at the end of the season with a broken arm from playing an extreme game of footy when he was on holidays but Brodie kept coming to the games and supporting the Team which was excellent. Due to his hard work he was able to make the Semi's and finish off the year with the Team on the field. Great year Brodie...well done mate.

BILLY SOLYLO: 'Bee Sting'. Always organising the troops on the field Billy was a massive part of the Team's success this year. As our first receiver it was a big job on his shoulders and he never let us down. The 'Bee Sting' would always rush up to take on the opposition attack and was regularly the toughest brick in our brick wall of defence making some huge tackles throughout the year. In attack he always ran as hard as he could to often make some big breaks, create tries, and even scored a few times himself. Billy always gave his best on the field this year and deserves the 'Encouragement Award'...great effort mate.

JACOB KIRTON: 'Jackhammer'. Playing a very important role in the Team at dummy half Jacob has had a fantastic year. Always putting in a huge effort we often watched Jacob on the last tackle fly out of dummy half and take off with the opposition chasing. 'Jackhammer' would regularly catch the opposition napping and score a try which was usually followed by a conversion. My favourite moment of the season was in the last round when Jacob never gave up and chased the De La Salle player all the way into the in goal and just when the De La Salle player was putting his hand up celebrating before he put the ball down to score Jacob came up with a huge tackle and took him over the dead ball line and saved the try. Well done on a fantastic year.

BLAKE O'HARA: 'Gorilla'. For Blake's first year at the Dragons he improved a massive amount from game to game and became one of our most damaging attacking Players. The call would be made to give 'Gorilla' a run and he would quite often bust through a few tackles and take off down the field to score a try. Blake's defence also improved throughout the season making a lot of good tackles for the Team. Awesome effort this year Blake.

SAMUEL DICKEY: 'Slammin'. Always charging up out of the line to take on the opposition and a couple of big hits in defence this year made by Sam helped out the Team. Some big improvements by 'Slammin' this year especially in his attack. We saw Sam only half a centimetre away from scoring his first try a couple of times this year because of his charging runs. Due to some great offloads from Sam the Team was able keep the ball alive and make some extra metres throughout the year. Well done Sam on another great year for the Dragons.

LEE CHEADLE: 'Charger'. Busting through tackles and always charging hard. Lee was one of our best attacking Players this year and made plenty of big runs down the field. By using his speed Lee was able to get past the opposition and make plenty of valuable metres for the Team and he also scored a few tries throughout the season. Always gave his best on the field and never gave up in both attack and defence. With plenty of practice and hard work Lee improved a lot with his defence as well. Another big effort this year, good work mate.

A great season for all the boys, they all played very well improving with every game. It took them a while to get going but they came home well, winning their last three games of the season. After losing most of our games early in the season we came up against second placed Taren Point at Anzac Oval. After a great training session the boys came out and played their best game of the year running out winners 20-10. I don't know who was more excited, the boys or the Parents ? It was a great day for everyone, and it was great to see the boys improve and go on to win two more games.

I would like to thank all the boys for their big hearted effort this year and hope to see them all back again next season.

A big thank you to Bob Mitrevski for his time coaching the boys, and to Dianne Holliday our Manager for all her hard work this year keeping us up to date, and to Brad Bassett for showing off his vocal skills every week while looking after the boys on the field. I would also like to thank all the Parents that have helped out through the season as touch judges, time keepers, trainers and supporters.

Mark Allen.

SHANNON ADAM: 'Benji' as he is called for his pace and his little step. Benji scored some great tries this year and pulled off some try savers in defence as well.

NATHAN ALLEN: Nathan improved a lot from last year with some great hit ups, scoring a couple of tries and kicking some goals.

BEAU BASSETT: Beau had a good year improving all the time both in attack and defence. Just keep running hard and straight next year mate.

ETHAN NANCE: Our youngest and smallest Player but that did not stop Ethan from getting involved in the game. He was not afraid to run the ball up and get in and tackle. Well done Ethan.

CALLUM HOLLIDAY: One of our big improvers for the year, showed how quick he is by scoring some good tries out wide and his defence was great showing us how well he can tackle as well.

KYLE PRATT: He is like a little tank, Kyle only knows one way in attack with his solid runs all year and some good defence as well. Well done.

TRAVIS GREEN: Travis played very consistently all season, he ran the ball very well scoring a lot of tries out wide with his pace and agility. He also showed his leadership skills by organising the play at first receiver.

JESSE CAMPBELL: This was Jesse's first year of footy and he improved all year, both in attack and defence even picking up a man of the match for his great defence, well done Jesse.

KOBI PAYNTER: Kobi was another big improver, he realised that with his size and pace he was very hard to stop when running at the opposition. His defence in our last three games was excellent. Great job Kobi.

JOSH MITREVSKI: Another one of our most improved over the last three games. Josh improved so much he earned a Man Of The Match not just for his hard work in the game but also for the effort he put in at training. His defence was bone rattling and he scored a great individual try. Great effort Josh.

2010 turned out to be a very exciting and encouraging year for the U9A's. We finished the season in 4th position only 6 points off Gymea, who once again remain the benchmark for all sides competing against them. (They are good).

This year saw the merging of last year's A & B sides to form a group of highly talented football Players with an abundance of skill and speed to burn, but unfortunately no big boppers like the other 3 teams that made up the top 4. Week after week we came up against teams that at times made us look like a U8 side in size, but to the boys' credit none of them took a backward step and they gave their all every week. I hope all the boys have a big 6-12 inch growth spurt over the off season so we can give it to Gymea, DLS and Yarrawarra.

There were many highlights to the season, but I have picked 3 that were standouts in my opinion:

1 - Round 7 against Taren Point, we were playing with 9 regular boys due to injury, and 3 of the U8 boys who stepped up to help us out. Down 12-24 with 10 minutes to go we staged the comeback of all comebacks to get up 30-24 with Jordy scoring 2 great solo tries and Reece kicking a very good goal under immense pressure to get us home on the bell. I was a very happy Coach and somewhat emotional after such a great victory.

2 - Round 9 against Gymea, even though we lost 6-16 it was as good as a victory against a side that has been undefeated for 2 years. Every boy played to their true potential and gave their all, and we all left Corea Oval thinking that we can one day beat this exceptional team.

3 - Round 8 against Yarrawarra, this was a game I won't forget for many years. After being down 0-6 we came back to win 16-10 in what was a sweet victory for both Players and Parents. Playing with no reserves we toughed it out right to the finish and came away with an inspiring victory. Every boy gave 110% for the entire 40 minutes and never gave up. It was the highlight of the year for me and I think for most involved with the team. (Well done boys).

I would like to thank Grant for his trainer's effort and for helping out every week at training; I couldn't have done it without your help mate, cheers. Thanks to Mase who was a great help with selections and skills work at training, he and Grant spent a lot of time one on one with several boys and helped their game immensely. A very big thanks to Sam Day who managed the team exceptionally in all areas, and as with Grant I couldn't have done it without you. It's a thankless job being Manager and people don't fully understand the work that needs to be done to keep everything running smoothly, thanks Sam.

I would also like to thank Lewis Fabrications for being our Sponsor. Russell and Jen were fantastic in every way and their generosity is a credit to them. I especially would like to thank them for putting on a feed and drinks after our Semi Final loss, for buying the Team jumpers for the boys to keep and for providing their property for the Father & Son weekend away. Outstanding job guys, thank you so much.

Finally before I get into the Player summaries I would like to thank all the Parents for their help throughout the year. From supplying the oranges and treats each week, to picking the 3-2-1 points each game (a task everyone hates I'm sure) and for bringing your boys to training, and to the games. It takes up a lot of your spare time and the boys and I

appreciate it (even though we might not tell you all the time). Thanks to those who helped with the scoring when Sam was at netball, and all the Dads who helped at training when they could (special mention to Wayne Visser who was always there to help out)

I have thoroughly enjoyed the season and I'm looking forward to next year with what I consider to be a fantastic bunch of boys. Enjoy your off season, stay safe and I hope I see you all back next year for a successful 2011.

Thanks for putting up with me

Andy.

REECE BELL: (Reecy). What Reece lacks in size he definitely makes up for in talent. He plays like Todd Carney and shared the role of first receiver and was excellent in keeping the Team rolling. At the start of the season he was doing his job so well that he wasn't backing himself and having a run. After I gave him the green light to attack the line with the football Reece showed everyone what we know he is capable of. He possesses one of the best side steps in the game, can throw an awesome dummy that fools many a Player, and tackles with the strength and ability of a boy twice his size. Reece was 1 point off the Best & Fairest Runner Up, and 2 points off the big award. A fantastic year mate, I'm looking forward to next season.

JAYKE DAY: (The Snake). The second smallest boy in the Team but one of the quickest, just like Preston Campbell. Jayke was my number 1 dummy half, a job that he excels at. He was there every time to give good ball service to his first receivers which kept our momentum going. His tackling improved heaps over the year, to the point where he was bringing the big boppers from Gynea and DLS crashing down. His quick thinking darts from dummy half resulted in some clever tries, none better than against Aquinas. Jayke worked hard all year to improve his game, and was always keen to take on advice from the coaching staff. You had a ripper season mate, looking forward to next year.

LOGAN FLEMING: (Logie bear). My smallest Player with a heart like Pharlap. Anyone who saw Logie tackle would be in amazement of his technique, skill, power and the courage he displays, much like Allen Tongue. Week after week he would bring boys twice his size crashing down with bootlace style tackles. He filled in as number 2 dummy half on many occasions and was outstanding in this role. His running from this position resulted in a fantastic try against Aquinas, much to the joy of his Parents and Grandparents (it cost Sam 20 bucks). I can't wait to have you in my team next year Loges as you were a pleasure to coach, and a fine Player to boot.

NELSON GILMORE: (Doer). Doer had a sensational year both in defence and attack. His running of the football always made us many metres and was a key point to getting us out of our danger zone on many occasions. He runs with such enthusiasm and determination (very much like Paul Gallen) and often carries 2 or 3 defenders along for the ride as he strives forward. His defensive game is up there with the best in the comp, with 20-30 tackles per game (as recorded by his GrandFather). Nelson was a standout in many games this year, and fully deserved the Best & Fairest Award. His life revolves around playing football, and his Mother and I are both very proud of his achievements this year. What he lacks as an academic he makes up for as a footballer). Well done Buddy.

THOMAS LEWIS: (Hit Man). Thomas had the best start to the season out of all the boys showing a fine display of defence and attack against Yarrawarra and Bosco. He runs the ball with great speed and always flirts with the sideline but has the ability to cut back in when confronted by the opposition. He scored several tries with his robust running and made many metres. When tackled by Thomas, the opposition knew they had been hit, (he hits like Sam Thaiday) and I mean hit, and if he puts his energy and technique into tackling around the legs and not always trying to go high, then no opposing player would run at him twice in a game. If you don't come back to us next year Tom, I hope you continue your football career in Picton as I'm sure you have a big future in the game.

KYE MAYNE: (Tough As Nails). It was a great pleasure to coach Kye this season and to watch his game improve week after week. He stepped into the right wing position and tackled every player that dared to come in his direction with great force. His running game is one of the best in the comp (like Greg Bird), he often made huge impacts on the defence and he scored some sensational tries in the process. Kye always listens to the coaching staff, follows instructions given to him, and was a good trainer each week. Next season I believe Kye will even be a more dominant Player and will excel in his football. Great season Kye.

LUKE MASON: (Grease Lightning). Luke has speed to burn, a lethal side step and loads of natural ability which resulted in him scoring many tries for us this season. Against GyMEA in the second round Luke scored one of the best solo tries that I, and most of the Parents on hand had ever witnessed for a boy of his age. He plays in the fullback position (much like Jarrod Hayne) and excels with his darting runs when returning the football from the opposing team's kicks. He also possesses one of the best kicking games around, including kicking off and general play kicking, and without a doubt the best goal kicker in the comp. A solid defender at the back, Luke had a sensational year.

JACK METCALFE: (Metty). Jack oozes natural football ability, is as quick as any boy in the comp and is a match winning Player which he proved on many occasions this season. His ability to score tries from nothing using his speed and side step is uncanny. He constantly caused the opposition many headaches with his elusive running style and was solid as a rock with his defence, tackling around the boots every time. He reminds me a lot of Billy Slater when he runs the ball, and he has the ability to set tries up for his team-mates as well. Jack was also only 2 points off the Best & Fairest trophies this year and I'm sure he will be a big player in the major awards in years to come. I think you might be a better Player than your Dad ever was Jack (and they're big boots to fill), just ask him ! Great season mate.

JORDAN SYLVESTER: (Jordy). What a fantastic season Jordy had in all areas of his game. Jordan scored so many tries we lost count, many times 2,3 or 4 in the one game. He is quick as a fox, weaves through the opposition with ease and even developed a great dummy at the end of the season. What impressed me and his Dad this season was his defence which he has been working really hard on all year at training and it paid off in each game. He was solid as a house on the wing and the opposition rarely got past him and scored. I can see Jordy being a fast running forward in years to come (similar to Ben Creagh) and he has a huge future in the game. Jordy is a very likeable boy who was a pleasure to coach and very worthy of the B & F Runner Up. Well done mate.

BRYCE VISSER: (Blocker Roach). Bryce joined us this year from the 'Burg', and had a solid season. He runs the ball like Steve Roach and possesses a magic one handed off load, which he displayed many times this year that led to tries. Unfortunately Bryce missed a big part of the season due to illness but when he was able to play he always gave his all in both attack and defence. I hope that Bryce returns to the Dragons again next year and backs his size, strength and ability, and gets himself more involved as I'm sure he has the makings of a quality Player. Bryce was a pleasure to coach and was always well behaved. Well done Bryce.

CAMERON WESTLAKE: (Have-a-chat). Cameron was one boy who excelled in coming from the B's last year to the A Division comp. He is a constant thinker on the field who is always setting up or scoring his own tries. He shared the role of first receiver and was exceptional in this position. Cam is quick on his feet, can side step like Mark Gasnier, and can throw one of the best cut out balls I have seen for a boy of his age. He is solid in defence and his kicks in general play are second to none. Cameron was always one of the first Players I would go to when we were kicking for goal and he never misses. I can see Cam as a halfback or five-eighth for many years to come as he reads a football game so well. Keep up the good work Cam.

THOMAS WRIGHTSON: (Tommy). Tommy is a gifted footballer who gives his coach 110% every week. He has a strong defensive game that he backs up equally as well with his strong attacking runs (similar to Beau Scott). Thomas is very quick and proved to be a handful for the defence each week. He can inject himself into a game and become a match winner, and can also set his team-mates up with great passes to score tries. Tom constantly puts his body on the line week after week which resulted in a few injuries this season, but I could always count on him to back up the following week. Without a doubt Tommy was a standout at training each week and was always well behaved and respected by the coaching staff. Looking forward to next season Tom as I'm sure you have a huge future in the game.

A hugely successful year for the 9C's with an appearance in the Grand Final. Although we lost the game 0-34 vs Yarrawarra these boys are winners. We started the year with a nucleus of the 8C side from 2009 and were lucky to gain 7 new recruits. Of the new recruits, 6 boys had not played footy before. A fantastic effort.

At the first trial it looked like it was going to be a long season. I knew that I had my work cut out to make this little side competitive but it didn't take long for me to realise that there was some real talent in this side. The first four weeks of the competition saw the boys lead the comp with 4 wins from 4. The boys trained hard each week learning new skills and gelling together as a Team. We soon came to earth with some up and down results during the middle of the season, the boys would win a couple of games then lose a couple. I think the most pleasing aspect of our Team is that we were able to play consistent hard footy.

If there is one stand out feature of this side it is that they never give up in any circumstance. Of the 16 games the boys played we only lost 6 games all season. By the end of the season I was convinced that each Player knew his role and position in the Team, something that I as Coach am pleased to have accomplished.

I have loved every minute of this season and can't wait till next year. I would like to thank the boys for being in our Team, all the Mums and Dads for their support and help throughout the year at training and on game day. To Jiba our Trainer and Dave our Manager thanks for all your help during the year. To our two Team Sponsors LJ Williams Earthmoving and Jeff Marsh Photography thank you for your support.

To the boys, I hope to see you all back on deck for season 2011. Up the Dragons.

TYLER JONES: The first of our new recruits and made the fullback position his own. A great cover defender and if it wasn't for Tyler I'm sure some games may have gone the other way. Not only a great tackler but was brilliant in attack. Found the try line 12 times and was also handy at kicking goals, landing 9 goals. Great season mate, one of the best in our Team.

BLAKE FRY: Another new signing this year playing his first year of footy. Blake trained the house down each week and was one of the biggest improvers. Played mostly out wide but was never afraid to come in and take a hit up or two for the forwards. I knew with Blake that whatever I told him to do I never had to worry about his position being covered. Looking forward to watching Blake grow in confidence and keep improving. Great work buddy.

LUKE GOODMAN: Number three of our new signings and a real quiet achiever. Found himself playing most of the year at dummy half and never let us down. Always asking questions and willing to learn. Trained hard each week and that showed with the effort he put in on the field. A hard working Player who will get better with every game he plays. Thanks Reggie, bring on next year.

RYAN LANG: A tiny Player with a big heart. Ryan had the added responsibility of helping the new boys out wide and was great. A great defender out wide and was also very capable in attack. Worked really well in the backline and was the rock out there. Another top effort mate, hope to see next year.

JOEL O'HALLORAN: Another new recruit and also a little man. However you wouldn't know by the way he threw himself at players in both attack and defence. Was a big improver as the year progressed. Played out wide for us and didn't let his mates or me down. The more footy you play mate the better you will get. I'm proud of you buddy and hope to see you back.

JOSH WALLACE: Playing his first year of footy, Josh started slowly but soon found his feet playing next to TJ and Cam. Would fill any position that we needed and did his job. Always put in the effort at both training and on game day. Mate I'm glad you joined our Team and I can't wait to see what you can do now that you know what footy is all about. A top effort, thanks buddy.

CAMERON BENNETT: Played mostly at second receiver this year and switched from his old position of fullback easily. A natural runner with the ball, Cam can also put a hit on if needed. With Tyler and Ryan, Cam formed the backline wall that made it hard for any team to get through. Thanks mate on a great season.

TYRAN CONNER: Our first receiver and was handed the job of Captain this year. Had a great season organising the team as well as playing his own natural game. Can defend as well as attack in an all round great effort. Was the top point scorer for the Team but couldn't have done it without the help of the others. A top season mate and I am super proud of the way you led the Team at training and on the field. You will be back next year.

RYAN LANE: The head of our forward pack and was always there to take the first hit up in every set. That was his job and he stuck to it. If he was going forward the others followed and we usually won the game. Improved with each game and I look forward to you continuing to improve next year. Thanks for your effort buddy.

SAMUEL GURTON: Our marker leader. Would more often than not get to marker and chase any player with the ball. Was a standout defender this year and also not scared to roll his sleeves up and do a hit up or three. If Sammy got angry the other team knew about it and I reckon he put a few of the opposition off their game when they ran at him. A top season mate, well done.

DYLAN WEBB: Our first forward new recruit and probably the biggest improver of the year. Once D found his feet and the role he played in the Team D stood up. Ran hard all year and defensively tried his heart out. Will only get better with more footy and was rewarded with a call up to the A side towards the end of the year. Top work mate, can't till next year.

PAUL McGREGOR: Probably the hardest runner in our side and always made the important metres early in the tackle count. Could also put on a big hit in defence and is improving every week. Like the rest of our forwards will definitely scare a few teams next year. Keep working hard mate, thanks for your effort.

HAYDEN LUMB: Improved out of sight each week and is a confidence Player. I was really pleased with the way Hayds took the lead at training which showed on game day. His running of the ball was great on the edge of the ruck and his defence improved too. I'm looking forward to watching you play next year mate, top work.

WILL ARROWSMITH: The quiet achiever of our side. Played mostly dummy half but as I found out at training was the hardest hitter in the Team. Will does his job week in week out. When he gets the chance to have a run he certainly doesn't let anyone down there either. Like his tackles, his runs also leave a dent in the defence. Thanks for a great year mate.

What a fun year it was to come back to a younger team. I had seen the boys play the year before and knew that I would be in for a good year and the boys did not let me down.

This year the U10's were broken up into 3 teams - A, B and C, and with 36 Players that in itself was a win for the Club. While it was hard to grade the boys and get the right mix I believe that the boys that were chosen for the grade team did the Club and their Parents proud. Well Done.

The majority of this Team won their area age group and went on to the State knock-out and nearly topped their Division. I hope that we start our year in 2011 the way that we finished this one because if we do the other teams had better watch out.

A big thank you to Melissa Palmer and to Jock Colenso for their help with managing and training the boys, and also to the rowdy supporters on the HILL in what has been a great year of footy for the boys. Cheers Guys

BEN WATTS: When Ben is on song he has the best kicking game in the comp, he is also a great runner of the ball which we would all like to see more of (that's if he can see where he is going).

BRAYDEN COLENZO: Brayden has no idea of how good a footballer he is. He only needs to look at a tape of the Cronulla-Caringbah game to see. Keep running hard like that and you can go anywhere.

COREY PARSONS: At the start of the year I was wondering why they called him "Slippery" and by the end I knew why. He such a strong kid for his size, maybe too shy for footy though (only joking). Just remember to get involved.

WILL MAYNE: The Sleeping Giant of the Team, but when you annoyed him watch out. This kid pulled of some of the biggest hits in our Team. Other teams beware because he is only going to be better after a run in the grade team.

DYLAN PARKES: This was Dylan's first year in footy but what an impact he made. He is a natural for this game with his running and tackling being grade quality. Well done mate.

JACK CLISDELL: When I came to the Team I thought he was a bit small for the grade team but as soon as I saw him tackle I knew why he was there. He will probably grow up to be a stand up comedian.

JAKE KEARNS: The biggest halfback in the comp until he woke up. Jake was the engine of the Team. He might not know it yet but the boys all admire him and follow his lead, when he is going well it is a fair statement to say that so does the Team.

LACHLAN MEIER: The best dressed footy Player at the Dragons. What a great set of hands he has at fullback. I am yet to know if he is a back or a forward because he runs and tackles like a second rower but has the hands of a halfback.

THOMAS PALMER: Tommy played up in the front row for us this year and did a great job but he is a bit like Will Mayne. Don't upset him like the kid did in our last game, he nearly knocked him out with a great tackle...and remember don't dob yourself in.

ZAC TOPHAM: A great little footballer that has all the tricks. He is such a strong kid for his age and so hard to handle at the defensive line. He would probably be one of our best defenders and probably our smallest. Great work.

JOSH MILROSS: The prankster of the Team as well as being a pirate (ask him) Josh started off being a hand full at training then, became a great asset and a pleasure to have playing for me.

I would like to start by thanking all of my staff for their fantastic efforts throughout the year.

Great job by Jason running the boys on the field, and an outstanding effort from Michelle for organising the Players on game day and for phoning the Team two to three times as I changed my mind throughout the day. I would also like to give a special thanks to Jackson Micallef for helping out throughout the season with training

Now to the Team. The boys had a hard year coming up from the C's to the B's this year not to mention the lack of substitute Players on game day, but with all that in mind they improved their skills to a higher level and that's all we could have hoped for. All the boys defensive skills improved greatly as well as their attack so hopefully next year the score board will tell a different story.

Well done boys. I had a great year with you all and I hope to see you all next year.

Cannonball.

CURTIS HUNTER: A fantastic year with great tackles and a few great tries as well.

KANE DENNIS: Had a great year in the centres making some great runs as well as some good tackles.

JAKE GLANFIELD: Jake is a big solid boy who can make a big dent in the opposition's defence when he gets going.

WILL HICKEY: Played an important roll defending the outside line and backing up for any offloads came his way.

JARON ISEMONGER: Played a solid year as hooker and used it to his advantage to score the most tries this season, all from dummy half.

LOGAN KEPU: Broke the line many a time when he would throw a dummy pass to an empty space that fooled the opposition most times, and couple that with great defence.

BODIE MICALLEF: Played a great season at five-eighth backing up Jacob and making some good plays, and although he is the smallest Player on the field he tries to run just like a forward.

JACOB MIFSUD: Was our main play maker this year at halfback which isn't an easy job trying to remember all the moves that we learn at training but Jacob did the job proud. Thanks mate.

DANIEL PASCOE: He's coming so watch out. This boy can really do some damage when he runs the ball and now that he knows how to get down low and tackle, Ouch !

HARRISON QUERIN: I don't think this kid actually knows how good he is, he can tackle and with his long legs he can run as well. Things can only get better for this one.

JOEL TAYLOR: Joel is quick on his feet and when he has the ball everyone gets dizzy watching him run the opposition around the field.

RYAN VOZZO: Ryan is built like a tank and runs like one too, pushing the defence back and taking 4-5 players to take him down. Is handy for his little behind the back flick passes to a supporting team mate that typically found an open field.

The 2010 season started well for the U10's with a big turn up for pre season training giving us the opportunity to field 3 sides in this Grade for the first time in years. Our side consisted of a couple of league Players new to the Club, 6 soccer players and a sprinkle of old hard heads. Working hard at training it didn't take long for the boys to gel, raking up some impressive wins early in the comp. As the year rolled on we improved as a Team but unfortunately so did the other sides, which saw us miss the Semi's by the narrowest of margins.

Some great football was played throughout the year and we had a lot of fun but more importantly with so many new Players, new friendships were formed and that's what football is all about. Thanks to all the Parents, Grandparents and supporters this year for all your help ranging from canteen, pack up, set up, training and just being there in support. For the kids, a special thanks to H.B and Japo for backing up each week after soccer. Great effort guys. A big thanks goes out to Nick and his parents who covered lots of kms to play with us and we would not have had a side without you mate. Hope to see you next year. On a final note we would like to thank the Club committee for all the hard work during the year.

Look forward to catching up with all our new and old mates next year.

Mark, Michelle and Rod.

JAI JACQUES: Playing his first year with the Dragons Jai came up with the goods running around at hooker and dummy half where he gave the side great service. Jai gained more confidence with his new team as the year went on and it showed in his defence and attack. A hard trainer, we all hope to see you back next year Jai.

DREW ASTBURY: Drew was another of our more experienced Players and led the backs accordingly, with pace to burn he was unstoppable in the clear and always has the defence in two minds as to which way to go. A great Team Player.

BLAKE PATON: Blake started the year playing the back row for the first time coming from halfback last year. Blake was able to hit at half pace and go straight through. His defence was outstanding and constantly received man of the match points for his hard work. Thanks for helping out.

JOSEPH AFUNGIA: Aki came back to the Dragons this year after a couple of years break and didn't his team-mates love to see him. A very popular team member who puts in a big effort in every game he plays. Aki's hit ups became harder and deeper as the year rolled on. Looking forward to a big year next year mate.

LIAM SWAN: Our very own Braveheart. When the going got tough Liam got going, pulling himself up off the deck time and time again after some very big hits. A strong runner with good ball skills, Liam will be a great asset to the Dragons in years to come. See you next year mate.

JAYDEN BUCHANAN: Jayden's first year in league was a cracker. A front row forward with a solid build "Dado" had the added luxury of being one of the fastest in the Team. This made him a handful for every side in the comp. The way Dado improved his running style during the year from a touch sideways to straight up and through them was a joy to watch. Big things to come from this front rower.

NICK MANSWETO: Dedication and love for the game is there for all to see. Travelling many miles during the season to play for our great club was a great effort. A very enthusiastic member of our Team, pound for pound he was one of the toughest men in the comp. Continually putting his body on the line and showing the bigger boys how it is done. Good stuff Nicky.

HARRISON BLACKER: A big rangy second rower in his first season of footy, it didn't take him long to stamp his authority on the field. HB's hard running gave the opposition plenty of headaches as with the rest of our debutants. His defence improved throughout the year with a full year of footy under his belt, next year will be a big one. See you then mate.

JOEL PATON: Joel's efforts this year at training and on the paddock were solid to say the least. Filling in at fullback in defence he stopped many tries and played a major role in our set plays. His broken field play was just as good, hitting the holes well. Pleasure to coach, have a good season in the pool mate.

JACK RILEY: This was Jack's first year of league and what a beauty it was. Jack proved to be a real natural with speed to burn and he scored some great tries. Always working hard in defence, Jack was a great trainer too. He has what it takes for a bright future. It was good to have you on board Jack.

BAILEY FREEMAN: One of the more experienced Players in the Team, Bailey led from the front ripping into anything that came his way like a good red head should. Always willing to talk his troops up when the chips were down. Real Captain material.

JAMES McCROHON: "Jim Bobs" first year of league saw him become a real excitement machine. With great speed and a tricky step, he was always enthusiastic and eager to be involved, working above his weight in defence, a valuable Team member.

SEAN STEPHEN: Sean is one of those Players every coach dreams of. He took the challenging halfback role in his stride. A great trainer, always willing to listen, learn and work hard, he took these qualities on to the field and his Team benefited from it. Great year Sean.

I would like to first start my report with a few thank you's. To my wife and kids, thank you for all the support you have given me over past 15 years, I have given up a lot of time on other people's kids and my family have always supported me 100%. Thanks guys.

To Mick my Manager and Anthony my Trainer, thank you, you have both been fantastic. These guys put a heap of effort into this Team which you have all witnessed, and also a lot behind the scenes. They are both an asset to this Team and to the Club.

A final thank you to the Parents for your support over the past three years. I intended to coach this team for two years but stayed for three due to them being a great bunch of boys, whom I thoroughly enjoyed coaching.

I wish all the boys the very best for their future and I hope to see them around and still playing good footy.

Cheers, Mark.

JACK TRIPI: (Best & Fairest). Jack had another fantastic year and was arguably the most consistent Player throughout the season. He displayed an ability to not only organise himself, but also his team-mates in both attack and defence. His ability to read the game and produce scoring opportunities was invaluable to the Team. In defence Jack rarely allowed the opposition past and he pulled off some fantastic try saving tackles. Totally deserving of his second Best & Fairest trophy in as many years.

JOSHUA NOAKES: (Best & Fairest Runner-Up). Josh is the complete footballer. His ability to analyse the opposition in defence, and formulate individual and team set plays in attack demonstrated this. Josh is an asset to the Team and he plays an integral part in improving the overall ability of our entire Team. He has been consistently one of our best Players over the many years that I have known him. He receives the Best & Fairest Runner-Up and I'm sure he will go one better next year.

TAINÉ FLEMING: (Encouragement Award). His second year as the full time No1 and Flemo will never cease to amaze the crowd with his ability. Taine represents what rugby league is all about, he is small in stature but unbelievably huge in natural talent. He encourages his team-mates, he places his body on the line and runs with both speed and evasiveness. I lost count of the try saving tackles he made, and watched as he made many 60 metre runs down field off oppositions clearing kicks. I love watching this kid play and look forward to seeing him in action next year.

LUKE TAYLOR: (Most Improved). Luke really came out of his shell this year. A lot was expected following his last year's efforts and he didn't let anyone down. He made a massive impact in 2010 and is totally deserving of the Most Improved Award. Luke has the ability to run over the top of the opposition with a very powerful leg drive, and given a gap will more than likely score from any distance. His defence was outstanding and if he keeps improving at this rate he will be hard to beat for the B & F next year. Well done Luke and see next year.

BRAEDON HAUSFELD: Although Braedon didn't have as big a year as last year, he was still one of our best forwards. He started the year with those blistering runs and that unrelenting defence, but slowed a little mid season. I know that the way he finished the year that he will be back bigger and better next year. We go to the full field in the U12's and with the style of game that Braedon plays, I'm sure there will be no stopping him. Well done mate and see you next year.

TRISTAN McGUIRE: Tristan had a good season, and played some excellent games throughout the year. He showed an excellent set of hands in a number of different games and he did not waiver when asked to take the big hit ups. Tristan always played a very selfless game and is an admirable Team Player with an attitude that aids in building good character amongst the entire Team. His defence was solid and he should be extremely proud of himself for an excellent year.

KAYNE MICALLEF: Kayne is a real competitor on the field and plays with his heart on his sleeve. He is a great Player who really puts his all into everything he does on the paddock. He plays an excellent game, in attack at dummy half he delivers the ball in an accurate and timely manner and possesses a text book style of defence. When he decides to run he displays a great little step. He is a key Player in the Team and should be congratulated on an outstanding year.

DANIEL PEYCHERS: An enthusiastic and tough Player who came ready to play each week. Daniel also possessed a great attitude and is a real team man. His work from dummy half was to be commended and was consistent in defence throughout the year. Like last year Peach saved his man of the match performance until the Semi's. If only you could do this week in week out you would be a force to be reckoned with. Congratulations on a tremendous season of footy.

ADAM MOBBS: It was encouraging to see Adam really enjoying and loving footy this season. When Adam decided to play he could really play an excellent game, especially when he utilised his size and strength. Alongside his wingman Greeny he ensured the right hand side of the field was very safe in defence. He can hold his head high for his ongoing improvement throughout the season and for demonstrating a better understanding of the game. Like the other forwards in the Team he will begin to develop into a better footballer when he begins to run harder and from a deeper position.

JAKE GREEN: Greeny is an outstanding Player who loves his footy and this is apparent on the field. He always gives 100% and he works tirelessly in defence and the majority of his tackles are straight out of the text book. For his age he is an excellent listener and follows the instructions laid out by his Coach, which ensures he is an exceptional player. An aspect of Jake's game which he does better than anything else is his support play. If one of his team-mates make a break it can be fairly well guaranteed that Jake will be there in support. Jake was also smart enough to follow Josh, and later in the season he was able to sense Josh's next move in attack, which saw him receive some fantastic ball in both second and third phase plays.

BAILEY PINATARA: After some on field encouragement from his team-mates Bailey could produce some tremendous runs, but at times it appeared he would doubt himself and slow down when he hit the line. It was good to see his confidence grow towards the end of the season, and when Bailey realises how strong he is there will be no stopping him. There was some definite improvement in Bailey's game and he should be extremely proud of his efforts throughout the season.

BLAKE IBBETT: Blake made the natural progression to the higher grade being the Under 10C's B & F in 2009 and it was obvious throughout the trials that he belonged. He started the season a little slow but by round 5 was proving to be a real handful for the opposition. At the end of the season Ibbey had gathered plenty of 3-2-1 points and was one of the leading line breakers in the Team. Another one of our smaller guys, but like Taine he plays about 20kgs above his weight. Well done Blake and we will see you next year.

DALE EDMUNDS: Dale is a very likeable young man who shows both his team-mates and the opposition a great deal of respect. He was never frightened to get involved and have a go, and produced some remarkable runs and tackles during the season. Like the rest of the Team Dale showed a great deal of improvement and development as a Player throughout the season. He played many positions throughout the year and I must say was solid anywhere you put him. Great effort Dale, come back next year as I know this is your game.

ZAC MORAN: Zac shouldered a lot of responsibility as the main man to take the ball forward. He was nearly always the first to take the ball straight up in settling the Team's attacks, and generally provided the shot in the arm the Team needed to get going each game. Zac is big and fast and is one of the forwards who has learnt how to utilise his body effectively in attack. He is a unique talent who can play both up the centre of the field or inside backs. He is an exciting Player who deserves a big pat on the back for a very good year.

BRODIE O'BRIEN: Brodie was another one to come up from the C's last year and he proved to be a real asset to the team. He has got pace to burn with a fantastic step and plays with real passion. Brodie played in many positions this season which shows what a great utility Player he is. You can't help but like Brodie's attitude towards the game and the way he plays. Great effort mate, I hope to see you back up next year.

JACOB DUCKWORTH: Ducky came into the Team in Round 5 from another club and was an unknown quantity. He showed some excellent skills at training and on the field and was trialled in a few positions. Unfortunately he found it hard to make it to training and to a few games which ultimately held him back from cementing a full time position. You can see this guy has natural talent and if given the chance will be something to watch in the future. Hope to see you back next year Ducky.

First of all we would like to thank all the Parents for their support and guidance over the year. Without their support we would have struggled to get by on a week to week basis. This being our first year in the top job, we didn't quite know what to expect, and after the first training session we knew we had our hands full. But after getting to know the boys it was more enjoyable then we expected. Although we missed out on the Semi's the boys were always having fun. If the boys could try and focus at training a bit more, they would surely give the other teams a good run for their money.

Alex has been offered the Head Coach job at the Wagga Wolverines, and is considering the role.

Matt Ford has been nominated to go on a 3 year elite trainer's course, led by Donnie Palmer.

Scott Newey is most likely to be in jail by the start of the 2011 season due to 'minor' anger problems.

And the one and only Matt Knigge has decided to take a sea change and is heading south to Captain-Coach the Bomaderry Swamp Rats.

All jokes aside, we would all love to come back next year if allowed to try and get the boys to that next stage.

The person we would like to thank the most is Paul Williams. Over the last 8 months he has been like a father to us. His organisational skills are second to none and he was greatly appreciated throughout the whole season, and we would love to see him win the Zone 3 All Pro poker tournament coming up in December. Thank you Paul 'All in' Williams.

Thanks for a great year...keen to win the big one next year.

Alex, Niggy, Fordo & Scott.

KYLE MAXWELL: 'Luke Douglas'. Kyle has the ability to be a step above any other front rowers in the competition. He can be too nice for his own good. If he bought some aggression to his game...WOW ! Better see you next year big guy.

CHAYCE WILLIAMS: 'Bull-rush Champ'. Chayce was a late arrival to our side, and added the size that we desperately needed. He was a bit shy and held back for the first part of the season but towards the end of the season showed his full potential. If he could work on his leg drive and pushing through the tackle, he is set for big things. Thanks for the year mate.

AARON PIMMS: 'Pimmmylaaahhh'. Aaron started the year on fire. Destroying people left right 'n' centre. Towards the end of the season he began to quieten down but a stern talking to from his mentor and coach got him back on track and he finished with a bang. And Pimmmylaaahhh will work...trust me. Cheers mate.

KURT FULCHER: 'Home Run'. The first time I saw Kurt at training he was mucking around beyond belief. I did not know what to expect from him. But after getting to know each other, he really started listening and focusing at training, resulting in good on-field performances. I really hope you give footy another crack next year mate. Good luck in baseball as well.

RYAN SHERGOLD: 'Goldy'. Goldy played a bit of wing and hooker this season. Scored a few smart dummy half tries this year in big games. Scored a full length of the field try down at Anzac that everyone will remember. Great season mate, see ya next year.

RYAN HORNE: 'Horndiddydog'. Horney started of the season a little slow due to a broken arm. Once he started believing in himself he started to show his real ability. Was one of our best Players in the last couple of games. Has the Engadine Dragons never say die attitude.

KANE BARBER: 'Migraine'. Kane is one of the smallest Players in the comp but that didn't bother him. He stepped up this year and did some great runs up the middle of the park. He loves his footy and loves doing malcoms at training.

BEN GARVEY: 'Garvo'. Benny was a bit quiet at start of the season as it was his first year but when he started to get to know the Team he came out of his shell. Improved a lot during the season. Moved from the wing to second row where he belongs. Great season mate.

BLAKE JACKA: 'The Snake'. I don't think I have ever heard Blakey talk. Is a very quiet kid at training but once he hits the field he unleashes the Dragon inside of him. A pleasure to train and always did what we asked of him. Thanks for a good season, hope to see ya next year.

CAMERON GONINAN: 'Always On Time'. Was another shy kid that was a machine on the field. Not the biggest kid but always got one of the biggest jerseys. But when Cammy puts that XXXL jersey on, no one will get past him. One of the best tacklers in the comp. He would even put Alex Hayden on his backside.

JAKE HANBIDGE: 'Ham Sandwich'. Was the most improved Player this season. Hammy really stepped up in the last half of the season. Is a born centre and would cop a lot of big knocks but never wanted to come off. Loves the tough games. Scored one of the best tries I've ever seen against De La.

TONY CANINI: 'Tunzzzaaa'. Tunze is a hard running second rower. Helped out the front rowers, getting us out of our own half by taking hard runs. Once Tony starts to believe in himself this kid can go a long way. Hope to see you again next season mate. Pleasure to coach and loved watching you play.

JAKE WILLIAMS: 'Willy'. Jakey loves his footy and loves playing footy with his mates even more. Jake is a true Engadine Dragon, he is another kid who never gives up. He will just keep going. A great kid to train and always listens. Thanks Jake for a great season.

MATT TILIA: 'The Ox'. Tilly was our halfback for the season. Has a great footy mind, always talking and leading by example. Tilly has a great tackling style and will crunch the other team. Opposition players would be scared to run at him.

BROCK WYNES: 'The Rock'. Brock told us he was a hooker at the start of the season, we trialled him at second row and never thought of changing him. Second row is Brock's position, hard runs out wide and is a work horse in defence. Good season bro.

MITCHELL SHEEHEY: 'Michelle Heshe'. The best fullback in the comp. Had a great step on him and would always beat the first one or two defenders. Was our best Player, scoring and setting up a lot of our tries. Well done on Best & Fairest. Thanks for a great year champ.

Well congratulations boys. We set a goal at the start of the season to make the Semi Finals in the A Division and you did it.

I am one very proud Coach as we defeated both De La Salle and Gynea for the first time in the A division. We eventually went down in a very close Semi-Final 0-6 to Cronulla-Caringbah.

Thanks to my wonderful support staff, which include my Trainers Ken Ebb and Steve Collier and my Team Manager Tanya Longville. I would also like to thank my football advisor and Team Sponsor Boyd Ryan and my brother Brad Wheeler who also sponsored the Team. Also many thanks to Sean Bellotti who along with Boyd conducted our pre-season training sessions at Wanda Beach.

Last but not least I would like to thank Martin Smith the U12B's Coach for his support and all the U12B Players who came up and sat on the bench and played for us. I honestly believe that we need both a strong A and B Division to successfully proceed through the age groups to end up with a strong senior team in the future.

BEVAN GEMMELL: Bevan played his third year of rugby league and is developing into a very good fullback. Bevan is blessed with natural athletic ability and is probably the fastest runner in the Team. As the season progressed Bevan started taking the line on especially from our set moves and looked very dangerous, and his defence improved as his confidence grew. Bevan is also the side's top goal kicker and kicked some memorable pressure goals from out wide. Bevan kicked 4 goals. Well done Bevo.

KANE HOPKINS: Kane came back this year after most of last season off with a leg problem which is a very hard thing to do in A Division footie. As Kane's confidence grew, his footie improved and he played some really good games. His defence was solid at all times and he scored a couple of nice tries, the most memorable being the try in our last game at home against Gynea to level the match, and when it was converted we hit the front and went on to win the match. Kane scored 2 tries and kicked 1 goal. Well done Kane.

BRAD WATTS: Brad has class written all over him. He has without a doubt the best footwork in the Team. He made some amazing runs and scored some nice tries. His most memorable match was against Aquinas(2) when he was judged man of the match after scoring 2 fantastic tries and he also had a really big game against Gynea in the last round. Brad's defence also improved over the season and will benefit when he gets his growth spurt. Brad scored 2 tries. Well done Watty.

JOEL COLLIER: Joel is a tough centre who tackles opponents ball and all and when they have been hit they stay hit. Joel had a particularly memorable game in the first round against Aquinas(1) the top side in comp and he really ruffled them up, and when one of their big centres put the acid on him he replied in kind with a nice right hand. Apart from the tough stuff, Joel can be a very damaging runner and a highlight for me was him scoring in the last minute against Gynea in round 2 which led to a well earned draw. Joel scored 3 tries. Well done Joel.

MATHESON JOHNS: Matheson played his second year of rugby league and what a year it was. Matheson is very fast and has a great tackling technique. He improved over the year and I think that he will eventually move from the wing to be a little more closer to the action. Matheson is also a very coachable kid who listens to instructions and actually carries them out. Matheson deservedly gets my Most Improved Award for the year. Matheson scored 2 tries. Well done Mato.

DYLAN LEES: I have now coached Dylan for five years and what an honour it has been to be associated with this great kid for that length of time. Dylan was brought up from my victorious B Division side and acquitted himself well in A Division footie. Due to Dylan's great football ability and his understanding of the game I used him as my utility Player. Dylan played fullback, winger, five-eighth, halfback and lock during the season and played well in each role. I'm sure Dylan will blossom when he also gets his growth spurt. Dylan scored 1 try. Well done Dylan.

RYAN LONGVILLE: Ryan is another very coachable kid and is skilled in all areas of the game, in both attack and defence and also kicking. I also believe that Ryan is a natural leader and that is why I made him Captain for most of the season. I played Ryan at five-eighth and I think that is his position, he directed the side well and used his great kicking game to good effect. Ryan's defence was another highlight for me as he really shoulders up and puts opponents down ball and all. I have great pleasure in giving Ryan my Encouragement Award as he has the ability to go a lot further in the game. Ryan kicked 4 goals with the most memorable being on the siren from wide out to get us a draw against GyMEA in Rd 2. Well done Buddy.

RYAN LEVIN: What a clever, skilful and tough halfback we have in Ryan. Ryan had a very good season and in conjunction with Buddy directed the side around the park as all good halfbacks do. Ryan played some memorable games and he scored tries against the "big 2" Aquinas(1) and GyMEA, when he took them on by himself from around ten metres out. I honestly believe that International Rules will suit Ryan down to the ground as he will be able to take sides on and back his ability without having to worry about getting caught and having to hand the ball over. He is another Player who will benefit when he has his growth spurt. Ryan scored 2 tries and kicked 1 goal. Well done Ryano.

JAKE WHEELER: What a great year Jake had after also coming up from my victorious B Division side. Jake played lock this year and I think the position really suited him. He really toughened up this year and ran and tackled hard and basically led from the front. When we were running it out of our twenty, Jake in conjunction with James always led the way. Jake also possesses good ball skills and can put Players in holes and can make breaks with his elusive running style and holding the ball out in front. Jake was regularly in our top three Players each week as his work rate is first class. Jake deservedly won the Best & Fairest-Runner-Up Award. Jake scored 2 tries and kicked 1 goal. Well done Jake.

ZAC HUNTER: Zac is one of those forwards who just keep working in both attack and defence. Zac has a solid tackling technique and has an elusive running style with a swivel and spin when he reaches opponents. Zac's most memorable games were when he was judged man of match in the first round against Cronulla-Caringbah and in the Semi Final against Cronulla-Caringbah once again. Zac is the type of Player who never lets his teammates down. Well done Zac.

JUYE EBB: Juye really improved as the season progressed, so much so that he got best and fairest points in two of the last three games and was judged man of the match in the Semi Final. Juye ended up being a fantastic defender for us and was taking opponents down regularly in one on one tackles. His defensive work rate is first class. You will definitely be wearing that head gear from Rd 1 next year. Well done Juye.

BRAIDEN BROADSTOCK: The third member of my victorious B Division side to come into A Division this year. Braiden did very well after also having to adapt to a positional change from centre to second row in the forwards. Braiden in the second half of the season was running straight and hard and tackling very effectively as well. He got man of the match in our last "must win" comp game against Gynea and was also in our top two Players and got an award in our Semi Final. Braiden was back to re-earn his nickname of the Machine. Braiden kicked 1 goal. Well done Machine.

JAMES WAYLAND: James came over to us from Como looking for an opportunity to play A Division and boy are we glad he came over to us. James played fantastic football all season, taking us forward in attack with his great charges and leading our defence with his brutal hits. After progressing through Round 1 all the A Division clubs knew who James was and no team dared to stand over any of our smaller Players as James made it clear that he would back them up 100%. James is the best forward in the age group and also in the top three Players in the age group in my opinion. James was also our top try scorer with 6 tries which is some sort of achievement from the front row. James deservedly won our Best & Fairest Award, he also made Sydney East for Rugby League, Rugby and Baseball, and NSW for Rugby. What a fantastic Year. Congratulations James.

KIERAN LEVIN: Kieran played the vital dummy half role for the side this year and played it well. I believe International Rules next year will suit Kieran just like his brother as he will have the opportunity to scoot out of dummy half without the worry of getting caught and having to hand the ball over. Kieran also returned this year after breaking his collarbone, so getting through the year and back into the grind of A Division football should give him more confidence going into next season. Kieran is quick and has a sound tackling technique. Kieran again like his brother will benefit when he has his growth spurt. Well done Kiero.

JOSH RIDGE: Josh played 3 games this season and in combination with James we had the two best front rowers in the comp, two big mobile units and we looked really good only narrowly losing one of those games but in his third game of the season, Josh suffered a badly broken forearm which was to be a season ending injury. I have never seen a braver boy when he suffered the injury, not a tear in sight. In the preceding game Josh had got the man of the match and looked on track for a great season. The Team really missed Josh's presence but got on with the job nevertheless. Josh to his credit was still a regular at all our games and was always there on the bench and in the huddle to encourage the boys. Josh as I have mentioned is a big, mobile kid and is actually one of the fastest kids in the Team, his potential is unlimited. I look forward to having him back in our line up next season. Well done Josh.

Congratulations boys on an encouraging year. We started the year with two teams coming together and by the end we were becoming one strong side. It was always going to be tough task with new positions for many players but I was very proud of the way the boys took up the challenge. We got a few wins under our belt at the start of the season only to lose the next few by slim margins. We worked hard on our defence throughout the year and the results showed at the back end of the season with every one working together and shutting down some strong Semi Final teams.

The area that held us back was getting over the line each week, we could hold them out but couldn't get those points on the board. I believe we have it in us and it is something we will work on and once we get it right watch out.

I would like to thank my Trainers Bryce Paton and Tony Jenkins, they are at every training session and I appreciate their ideas and feedback, without them it would have been a struggle. I would also like to thank my Manager Sandra Jenkins, Sandra goes above and beyond her roll making sure everyone is up to speed with all that is going on throughout the season and making sure all the Parents are a part of the Team. To the Parents, I would like to thank all the Parents for all of their support and help, it makes it a great Team to be involved with.

I was very proud of the boys' efforts this year, watching them improve makes me look forward to next year as they grow and develop as a Team. A great bunch of boys, every one of them having real potential.

Thanks for the year and I hope to see you all next year.

Martin.

BENJAMIN BARFORD: Ben moved into the halves this year with the extra responsibility of calling the plays in attack. Ben has a great understanding and a love for the game so he fitted into the position with flying colours. Ben is a great talker on the field in both attack and defence and this is critical to getting everyone playing as a Team. I love his passion for the game win lose or draw. Thanks for all your help this year Ben.

ANGUS BROWN: Angus played wing this year and he improved in leaps and bounds with his speed and ability. As the year went on Angus got a real feel for his position and by the end of the year his understanding in defence and attack added a new dimension to our Team. His ability to chase down a kick and regain it or to make the tackle was great. Shutting down his side of the field in defence became his specialty. The improvement in Angus was a joy to see for both myself and the Trainers. Top year Angus, can't wait to see what you can do next year.

JETT CHEADLE: Jett is a great utility Player who moved between the centres and second row but I think he is best suited to second row. Jett has the speed and size and he uses this in his defence, he can and has the potential to hit the line hard and I would love to see him running the ball up hard next year where I know he will cause some damage. Great year Jett, thanks for your efforts.

JAKE FROST: Frosty played in the forwards this year and he is one of our most talented Players. When he is firing he can do things that can change a game. He runs onto the ball hard and fast and can shut down the opposition's biggest threats. Frosty has the potential to go far in this game with commitment and hard work, he is a Player that lifts the Team when he is in full flight. Congratulations on another hard hitting year Frosty.

MITCHELL IBBETT: Mitchell stepped into the fullback position this year and didn't let us down. I put him there because I needed to have someone I could rely on to be there, read the game and have good ball control, and he ticked all the boxes. Mitchell also assisted later in the year in moving our defence around from the back, which we found helped immensely, not forgetting to mention his own defence with some try saving tackles. Thanks for taking on the fullback roll and nailing it Mitch.

CHRISTOPHER JENKINS: Chris played dummy half this year. He moved into this roll with ease and I could always rely on him being there and getting the ball away fast and safely. Chris would have to be one of our greatest tacklers with a technique that puts some NRL players to shame and therefore he is a great asset to have in defence shutting down the opposition's forwards. Great year Chris, looking forward to you running from D/H next year.

AUSTEN KENNEDY: Ossie is one of our front row forwards who loves to take the early hit ups and he has a great ability to make us crucial metres early in the game. In defence Austen can smash the biggest of the opposition and as the season went on he grew in confidence, don't upset him if he is tackling you. I believe with an understanding of his potential and his ability Austen will be one of our big weapons next year. Keep hitting hard Ossie.

KYLE McCARRY: KP is one of our front row forwards and he can hit the ball up hard and make the opposition think twice in defence. Kyle has great potential as a strong forward with his passion, size and love for smashing the ball up. Like others this year Kyle started to understand his potential and this helped his confidence grow as the session progressed. Looking forward to see you smash them next year Kyle.

JAI OSGOOD: Jai played wing this year and is our first selection for goal kicker and once again he didn't let us down. Jai is a great comfort to have out on the wing with his strong defence and he also comes in for his runs where a set of fresh legs towards the end of each half helps his teammates out. Congratulations on another strong year Jai.

JOSHUA PATON: Josh started the year in the halves but I soon realised his strength was missed in attack and he moved to second row. Josh forms a major part of our attack with his speed and strength. Breaking the line in many a game he is also a strong part of our defence in shutting down his side of the field or any of the opposition's key players. They soon learnt not to upset Josh. Another great year Josh.

JARROD PETTIT: Jarrod is one of our big forwards and a great kid to coach. He is Mr reliability, never complaining with any request from the Trainers or myself. Every week Jarrod puts in 100% in defence and attack, he is improving year after year and his hit ups are crucial in getting us going in each set. Well done on another great year Jarrod.

LOGAN QUINN: Logan is a quick running centre who has the potential to bust the line with his amazing speed. He worked well out wide with Angus this year breaking down the side line and shutting down their side of the field, this combination also has great potential. Logan is starting to see his ability with speed and ball skills and he has the making of a great Player who could be a try machine. Great year Logan, hope to see you next year.

LIAM RAE: Liam played lock this year and is a strong, tough all round Player who can dominate in defence and hit the ball up hard in attack. He is another Coach's dream kid, he loves his football, understands instructions and delivers them with passion. Liam is a critical part of our structure. Great year Liam, thanks for putting in 100%.

MATTHEW SMITH: Matt started in the centres but moved into the halves. This was a big change for him after playing dummy half for the last few years but he took on the challenge. Matt's speed helped us get the ball out quickly and towards the end of the year was taking on the line and working well with Ben. Thank for stepping into a new position this year Matt.

MATTHEW WESTLAKE: Westy is another of our strong forwards who takes us forward each week. Matt has the ability to run onto the ball hard and take on their defence, this is something we lacked at the start of the year but game by game Matt improved and as I said each week he started to understand how strong he was. Matt has great potential as a hard hitting forward, someone we can always look towards to make us crucial metres. Great effort this year Matt, can't wait for the next.

ZAC LOVEDAY: Zac was a strong utility Player for us this year who was able to move into a wing or centre position as required. Zac was new to the Dragons this year and fitted straight in. Being one of the smallest in our Team Zac is one of our strongest in defence. Zac is a great Team Player and I would love to see him come in more next year for some strong runs. Great efforts this year Zac.

The U14's started out in A Division after finishing Runners-Up in U13B's in 2009. The Team would have been capable of playing in the A Division but a few boys decided to leave to further their football careers and this caused unrest amongst the remainder of the Team. A few others that were new to the Team plus some others who had played for a few years were concerned about playing short so they also moved on to other clubs.

By the start of the season there were only 5 boys left from the 2009 season. As we had no U13's this season we were able to accommodate those remaining boys in the U14's side which gave us a Team of 14 Players. I knew it would be a struggle in A Division but also knew we would get looked at being regraded after 3 rounds. The Team forfeited the first round and it was decided that the Team should be folded. This caused further unrest. After discussing this with the boys and some of the Parents the boys agreed that they would still like to play.

We played Bosco with only 8 Players in Round 2, and got thrashed by Cronulla-Caringbah in Round 3 with 12 Players. We were then regraded to the B Division and began picking up a few more Players. Our total number of Players ended up being 17, not that we had them all there at any one time but we did manage to get a few reserves. The season rolled on well. We won one game and had a draw and almost got away with a few more. Although we lost we probably had our best games against GyMEA(2) and De La Salle(2) who ended up finishing in the top 4. This Team definitely has ability and a lot of courage, we just need to start the season together a bit earlier next year and get the boys to believe in themselves and apply themselves at training.

Thanks to Natasha Magson for being my Manager. She did a great job and also managed another of our Teams just as effectively. She was constantly in touch with all the Parents about game times and training, and organised rosters for the Parents. Natasha and my wife Leanne were instrumental in getting the Team onto the field and keeping them together.

Special thanks to Peter Ellem who trained the Team on Tuesday nights as I was at work. I also appreciated you looking after the Team on game days when it didn't clash with your own commitments with the U15's.

Thanks to Luke Dodge and Blake Lucy for being the Trainers of the Team. Your commitment was wonderful and although you both could not attend training on a Tuesday night due to TAFE you still did not miss Thursdays or game days. It's great to see you both giving back to the Club after playing with the Dragons for so many seasons yourselves. The boys really looked up to you both. Also thanks to Matt Connor who also assisted at training and helped out at a few games which was a big bonus for the boys.

Thanks also to the boys from the U12's who helped us out on a few occasions.

Lastly thanks to all of the boys for playing. I hope you enjoyed yourself as much as I enjoyed coaching you. I look forward to seeing you back next season and you can even bring a few friends along to play as well.

Col Lucy.

JESSE McGREGOR: (Fullback). A very athletic Player in the Team Jesse was one of the Players deeply concerned when we looked like not having a team. Jesse was very safe taking the high balls and has a very elusive running style breaking the line on many occasions. Saved many tries at fullback with his sheer speed. Good season Jesse.

TYLER MAGSON: (Wing). This was only Tyler's second year of football. He also did it tough as he is still of slight build and is eligible for the U14's again next year. After being a bit timid early in the season he got more involved and started making some good tackles and even showing a bit of aggression (in the St Josephs game to his Mother's surprise) as the season went on. See you next year Tyler.

RHYS HOLDEN: (Centre). Rhys was another boy coming from the U13's and also only in his second year of football. Like Jesse, Rhys is extremely fit and would play a game of U14A's soccer each week before football. Rhys is fearless in defence and brought down many boys twice his size. Rhys was the best trainer in the Team. The highlight of Rhys' season was scoring a very well read intercept try against De La Salle(2) and also scoring the winning try in the only game we won. Well done Rhys.

SHANNON WATTS: (Centre/Wing). Shannon has played for a few years with the Club but was taking a break when recruited by the boys as we were short of Players. Another Player who is only 13, Shannon tried really hard. His game will improve when we work with our defence more next season.

KURTIS BREWER: (Wing/Centre). Kurtis was playing his first season for the Club having been recruited by the boys. Kurtis has a great tackling technique and received applause even from the opposition on many occasions for bringing down boys sometimes 3 times his size. Thanks for coming to play Kurtis.

LUIS GOUGKOUSSIS: (Hooker). Our little lad who would rather wear TN's than a pair of footy boots. Luis is a great tackler having had a few years previous playing experience. Look forward to seeing you next year.

DANIEL JAMIESON: (Halfback). Probably the tallest halfback in the comp. Daniel was our leading try scorer and goal kicker. In just his first season Daniel did very well. Looking forward to a good season from you next year Daniel when you become more familiar with playing with all your teammates.

JAKOB FITZPATRICK: (Second Row). Jakob signed up with Dragons but left to play for Cronulla-Caringbah as he was wary of us having no Players. When Cronulla-Caringbah folded we very happily welcomed him back to the Team. Jakob was an asset to the Team, fearless in attack and a great tackler as well and helped motivate the Team on the field. See you next year Jakob.

JURRA FERGUSON: (Five eighth/Halfback). Jurra has been playing with the Club since the U6's. Jurra has very safe hands and this contributed to our attack. A great ball distributor and runner with a good reading of the game. He missed a few games due to injury but the Team really fired when he returned. Good season Jurra.

RYAN LYNCH: (Front Row). First season with the Club. Ryan was a really tough competitor, always running the ball hard and taking it to the defence. See you next season Ryan.

BRANDON MAXWELL: (Lock). Maxy although lacking in a bit of size made up for it in ticker. Always tackled and ran hard and never took a step back. Maxy has been playing for a few years and we hope to see you back again next year.

JARROD COSGRIFF: (Second Row). Our hitman. Jarrod worked tirelessly in defence always topping the tackle count. Jarrod also took the ball up well. Jarrod was inspirational in keeping the Team together. He put in 100% in the game every week and was one of the few boys who listened to the Coach's instructions and then carried them out onto the field. Jarrod had his best season with the Dragons in 2010 and was easily a well deserved winner of the Best & Fairest trophy.

ADAM DINGEMANS: (Second Row/Centre). First year of footy. He spent a few weeks out with a shoulder injury. When he did play made a big difference to the Team. Definitely added size to the Team and his defensive game was very sound. Look forward to seeing you back next season Adam.

DYLAN RAE: (Centre/Wing). Missed the first few weeks as he wasn't sure whether he was going to play but after being 'T Boy' for a week the desire to come back was there. Played A Division soccer each week before turning up to footy. Unfortunately Dylan missed a few games due to injuries not related to football (in woodwork classes at school) but played hard each game and always tried his best.

BADEN SCIBERRAS: (Second Row). Baden plays very tough, a little scary at times. Always got under the skin of the opposition. Baden always took the ball up hard and tackled hard. A usually quiet boy, Baden was sin-binned once for talking back to the Ref. Unfortunately Baden moved to NT and did not play in the last 2 games.

BRODY DAVIS-JURY: (Front Row). New to the Club. Brody joined the Team a few games into the season after being found at school by Baden. A very big boy which gave our Team some much needed size, Brody had a great season and his game dramatically improved each week. Brody was able to make many offloads. See you next season Brody.

BRANDON BEDFORD: Played only one game as Team was short. Was taking a year off as he wanted a break. Thanks for helping out Brandon and hope to see you again next year.

LIAM RAE: Brother of Dylan. Played up twice from the U12B's when we were short. Is very tough for a 12 yr old. Showed no fear when making tackles.

JAKE FROST: Played up twice from the U12B's. Again a pretty tough kid who was fearless in defence.

KYLE McCARRY: Played up once from the U12's when we were short. Also big and tough.

This was a very enjoyable season for all involved, even if it didn't quite finish as we had planned. Right from pre-season training it was clear this was a very committed Team who were prepared to give everything they had for each other. I have never been involved in a team who are so keen to learn and able to put into practice what we had worked on at training. Adding to this is the genuine quality of all the boys as people, they all respect and encourage each other which made for a very enjoyable environment both at training and on game day.

We started off the season in the A Division competition where we weren't quite up to the standard and after four rounds we were dropped back to B Division. In those first 4 weeks the boys never gave up and in some cases we finished off the game with as few as 10 Players yet the boys were still busting their gut. Once back in B Division our confidence lifted and we didn't lose a game until Grand Final day. At times we did play some very good quality football, executing our game plan to perfection. Our first half against De La and our second halves against both Aquinas sides was fantastic football to watch. Unfortunately we just couldn't manage to string two good halves together.

In the Semi Finals we played Como and defeated them 18-4 playing some really good finals football, going straight through to the Grand Final. We started the GF in superb form leading 8-0 after 10 minutes thanks to 2 tries to Tom. From that point we switched off mentally and started giving away possession cheaply and we found ourselves behind at half time. From there it was just too hard to get back into the game considering the conditions. It was a tough game to lose considering the success of the rest of the season, but the season shouldn't be remembered by this one game. I'm sure we have all learnt a lot from the experience and hopefully we have become smarter footballers as a result.

I want to thank Pete, Conor and Wayne for all their help through the year, they made my job a lot easier and gave me someone to bounce ideas off. A big thanks also to Kim who as a Manager was sensational. She is the most organized person ever and nothing was ever a problem, with a lot of things already organized before I could even think about them. Thanks also to all the Parents who helped with the fundraisers throughout the season, especially John and Pete who organized the prizes for our major raffle. Well done to the boys for selling as many raffle tickets as they did and I'm sure it will be well worth the effort when we are on the Gold Coast.

Thanks must also go to our Sponsors. Our Team Sponsor was Adam Bray & Associates (who never quite got down to a game). Thanks also to Pizza League who supported us throughout the year and also to Brasserie on East at the SUS Club who donated weekly Player Awards to the boys.

Once again thanks to all involved for such an enjoyable season.

See you next year in A Division.

Ferret.

THOMAS KIRWIN-OLIVER: This guy is a champion both on and off the field, a brilliant Player and an even better person. Playing at fullback he was not only very safe, he was also very dangerous. When the opposition made a break you always felt safe that Tom had them covered. I can't remember anyone getting past him this year. When he had the ball in his hands he was devastating. It didn't matter if it was a kick return, a scoot from dummy half or chiming into the back line, every time Tom got the ball you got excited. There were many games this season where he scored multiple tries, which generally came at crucial times of the game. Thanks for helping to make this a very enjoyable season.

BEN PASTOR: What an absolute champion this bloke is. Benny is as tough as they come. Every game you would see Benny take on guys double his size only to see them snapped in half. For me the highlight of his season was our game against De La where he tackled the two biggest players in their team, leaving them both injured. Ben was also safe in attack and managed to score a try in his 100th game for the Dragons which was great to see.

STEVE SOLLARS: This was Steve's first year back at footy after a long time off. This guy is full of enthusiasm and is always keen to learn, and as a result his game really improved throughout the season which was great to see. His best game of the year was in the Grand Final where he really got himself involved and had some good quality touches of the football, and also worked well in defence. A little more confidence and aggression will see him get a lot more opportunities next season. Can't wait to see you at Anzac next year.

KAELIN HUTCHINSON: Unfortunately we didn't get to see enough of Kaelin this year. A couple of bad hand injuries kept him out for large parts of the season. When he did get on the field he was great. A very good attacking Player, he scored some very good tries this season. The best of those was at Anzac where he backed up the play to get an offload, and then run the length of the field to score a great try. A Player with plenty of ability, I hope you get a full season next year.

BRENDON ALOISO: This was Brendon's first year of footy and it didn't take him long to fit in. Brendon is a bloke with plenty of natural ability, he is strong, fast and keen to learn. I can't wait until you realize how much ability you have and start to back yourself a bit more. With a full season under his belt I'm sure he will be one of the big improvers next season. Brendon scored a couple of really good tries this year with some great finishing out wide. In defence he was very safe and he picked up our defensive pattern very quickly. I can't wait to see you back next year.

DANIEL FITZSIMMONS: This was a great year from Fitzzy, he was strong in all areas of his game. Starting with our kick-offs where he had an amazing ability to find the ground and where the ball would often go dead or find the sideline, which would give us possession and put us on the front foot. At the start of the year it was a case of the closer to the action Fitzzy was, the better he played. But by the end of the year while playing in the centres he went looking for work and the Team benefited enormously. In attack he was great with some good dummy half runs and some strong running out wide where he scored plenty of tries. His defence was also very impressive and by the end of the season he was very intimidating out wide. Fitzzy gained a lot of respect during our finals series where he played strongly with a busted shoulder.

DUNCAN ELLEM: This guy has an enormous amount of natural ability. His footwork is some of the best I have ever seen. Dunny has the ability to create something out of nothing, even when he was heavily marked by the opposition. A highlight of his game was his returns from the kickoff, where he always made plenty of ground beating a number of defenders and he often scored from the kickoff. Dunny's defence was first class, always looking for work and saving plenty of tries for us. As our Captain he always led from the front and set the standard for the rest of the Team. Well done on a great year.

JORDAN TALOTTA: Totty came to us from Yarra and immediately made an impact on and off the field. Jordan's personality makes him a great bloke to have around the Team. With a great skill set he worked hard on learning to steer the Team around the field. His kicking game was a feature, and when he was on his game the opposition were constantly working the ball out of their own corner. Totty kicked plenty of goals from out wide which was always handy, he just needs a bit more practice from in front (or stop practicing to hit the posts). His defence improved throughout the year as his confidence lifted and I'm sure he will work hard on it again next year. Jordan's enthusiasm made him a pleasure to coach and I can't wait to work with him again next season.

LUKE SMITH: Smithy is another one of those blokes you love to have in your team, his sense of humour makes him very enjoyable to be around. On the field he is one of the toughest Players running around. After moving him between several positions to wherever he was needed, he finally found himself back at his favoured lock position where he played as a ball playing forward. This is his best position and our wide runners had plenty of success running off him. Smithy didn't avoid the hard stuff either and did plenty of work in attack and defence. One of the hardest hitters in defence, plenty of blokes tried to avoid him only to be smashed anyway. When Luke got injured in our GF it was always going to be hard for us to win, but due to his toughness he couldn't get back onto the field quick enough.

HAYDEN SPLITT: I was so glad to see this bloke playing such good footy at the end of this year because he really did deserve it. Bluey really worked hard at training and by mid season it was really paying off. Another guy who I shuffled into different positions due to team requirements, and he filled each position brilliantly. His best position was in the middle of the field where the real feature of his game was his ability to take the ball to the line with a support runner. This ability was on display at De La where he went to the line, threw a big dummy and ran 50m, and then we then scored off the next play. He then backed it up not long after by tipping on to his front rower who ran 60m. This was the highlight of my season personally, to see a guy work on something at training and then put it into practice in the game, it was really satisfying. Thanks for a great season, can't wait to see you next year.

CAMERON PARRY: A fine example of Heathcote education, Cam is never going to be a rocket scientist. However, he is an exceptional person who deserved to be playing the great footy he played all season. Always worked hard at training and the results showed on the field. From the start of the year it was clear he was a very honest, hard working footballer, but by the end of the season he also became a very good wide running second rower who was still able to do the tough stuff in the middle. Scored some great tries, especially towards the end of the season from running some good quality lines. Thanks for a great year.

JACKSON MICALLEF: Jacko is a great team man, he leads by example and is a great communicator. Able to run good lines, he is also a very strong ball runner who we could always rely on to get us going forward. Jacko scored some good tries this season by simply running over the top of the opposition. In defence he was very strong, pulling off some of the biggest hits of the season. If only he could play wrapped in bubble wrap we might be able to get a full season out of him.

MICHAEL COURT: What a fun bloke to have in the Team. Mick has a great sense of humour and is a constant source of amusement. In his eyes he is a 5/8 in a front rower's body and he reminded me of this weekly. He was in fact a good front rower who was able to take the ball to the line and use his support runners. Very good at getting the Team going forward, it was common for Micky to take 2 hit ups in a set of six which really helped our style of play. Unfortunately Mick has a phobia about training hard. We might have to work out some sort of bribe using pizza to overcome his problem. Well done on a great season.

PIERCE HIETZKE-DAY: Another great, fun bloke to have in the Team. Ranga had an awesome season. Whenever you show something to Pierce at training you can see in his face that he is taking all of it in, and everything we worked on at training Pierce would put straight into practice on the field. To coach a guy like this is very rewarding and he fully deserved his award this season. Ranga moved from halfback to hooker this year and he made the position his own. In defence he worked hard and did a great job of controlling the speed of the game. In attack he was always busy, jumping out of dummy half and giving good service, and as the year went on he really began to identify when to run and when to pass. Still has plenty to learn, but I have no doubt he will be a top class hooker next season. Well done on a really good season.

BLAKE CONNAL: Tiny had a fantastic season. On his day he was one of the most destructive runners in the competition and was consistently breaking the defensive line. Blake could always be counted on to get the Team going forward and he was a big reason for the Team's success. Blake also has a very good off-load which could put his teammates into space. Hopefully we will see a lot more of this next season. Tiny also played some minutes in the second row during the finals series where he could run at some smaller defenders. This was a huge success as he scored a try in the Semi and was unlucky not to score in the GF. Congrats on a good year.

JARROD BENNETT: Unfortunately Jarrod couldn't find Anzac Oval on weekdays this season and as a result we didn't see enough of him. When he played, he did show plenty of enthusiasm and did some quality things. Unfortunately his fitness and knowledge of our game plan let him down. Hopefully he is a bit more enthusiastic next season and we can see him back at his best.

I have watched these boys, at least most of them, play football over the past 8 years. From young kids to older kids and what a great football team they have been and can still be.

We started the year early with some training and a lot of fun and that's the way the year went, a little bit of training and a lot of fun. It has been said to me that they have wasted a lot of talent and what would have been if they had all trained harder and what if this and what if that. I would like you to all know that they have said to me and the Coaching staff that they are here to have fun with their mates and enjoy their footy, and not worry themselves about winning or losing games. This would explain why a couple of them knocked back opportunities to play SG Ball for the Sharks. This worried me when we first talked about it but then I realised that this is exactly what I wanted them to do this year...ENJOY FOOTBALL.

We had a good year with some good wins and some good losses. I would like to say that I enjoyed every minute but that would be a lie, let's just say that Sundays were great and Tuesday and Thursday nights the wife would have to hide the sharp knives before I arrived home. What I did find out is that you are all a great bunch of kids and it has been great getting to know you all on a more personal level.

A great big thank you to Kevin Querin, Wayne Smith (2nd year) and Jake Denford for helping manage and train the boys.

JOHNNIE BEDFORD: A great year for improvement in your defence, you really stiffened up our left hand side. Your kicking game also added a new dimension to our game, well done.

AARON BENNETT: A good solid Player in our 3/4 line with great speed and strong defencer. His lucky number is 18.

RYAN COLEMAN: Ryan was new to the Dragons and played in our halves and on the wing. I am yet to be told what the florescent arm bands that you wore to games were for ? But I still have the photos.

HARRISON DAY: A great footballer and a fan of COD, did you get that nuke ? Harry had a lot of injuries this year but soldiered on even when asked to leave the field.

BRETT DENFORD: Will the real Denford please stand up ! Brett was a little disillusioned with footy at the start but decided to become our best trainer, always leading by example which was shown with his fitness on game day.

LUKE DODGE: Luke was the quite one in our Team, hardly ever having a word to say. Always attentive and never argumentative. But really, a great footballer who gave his best each week.

JORDAN DOW: Cheeza gave his best at training and in games, scoring one of the best tries of the year against Cronulla-Caringbah off a scrum, well done.

CONOR ELLEM: Conor did not last that long into the season as he injured himself at training but it is fair to say that he was missed as it did not go unnoticed that he had done a fair bit of training prior to the start of the year.

AARON FAULKNER: This kid would be the hardest hitter in the comp bar none, even if some of them are illegal. He gave away so much in size but nothing in heart. Keep going hard mate.

KURT FREER-McKINLAY: Brick joined us after the season had commenced and he was a very useful utility.

BRAIDEN GARRICK: Braiden finished the year at halfback and I wish we had started him there, he did a great job.

DANIEL HARRISON: Daniel is the most friendly guy in the Team and it was great for the Dragons to have him come over. They say he can sing, even if Kyle doesn't think so.

TYLER HORTON: A new kid to the Team this year who did a great job on the wing.

BLAKE LUCY: Blake to me is a real trooper, he didn't get on the field all that much but he never complained and was always there for the Team and the Club.

DAMIEN MOGUS: Quit through the year.

MICHAEL MORRIS: A great guy and a great second rower, it has been good getting to know you mate.

JAKE NEWMAN: This kid is 65kg and benches 120kg, do I need to say anymore. There are a few centres a little sore for thinking that they were going to run over the top of him.

LUKE RICHMOND: I am still looking for that hat. For some reason he was always aggressive at training but at least he carried it into the games. He was always great at dummy half.

BRAD RING: Brad has the hairiest legs in the Team ? A nice guy who has a great sense of football in him.

ISAAC SCIBERRAS: This kid tried so hard and this year was gaining the rewards for his efforts but sadly he had to leave us for the NT before the year was over. Good luck in your future.

JORDAN SHIELDS: Quit through the year but then never really got started.

ADAM THOROGOOD: We are all still waiting for your 7 try romp that you promised. It would have been great to see you here a few years earlier. Stop texting me.

TEAM SPONSOR: Shane's Gourmet Cuts

On behalf of Coach Tye Fleming I want say thank you to all the Players for a great season. They really are a good bunch. They always put in, on the field and off. The guys who did not get selected were always keen to help with strapping or running the water, whatever it takes to be involved. We know and we want our generous Sponsors and everyone in Engadine to know that these guys did their best and proudly carried on the tradition of our great Club. You never heard of any of our fellows bringing anything but good repute to the Club and to junior rugby league. It has been an honour, a pleasure and a privilege to know you and be associated with you.

Do not underestimate the contribution of the A Ressies. Everyone in the Club knows that the A Grade is our flag ship. All the young Players and the older ones too aspire to one day represent the Dragons in the A Grade, and the Ressies have always assisted by supplying Players to the A Grade. We have a very young Team at the moment. These young Players are being groomed to be future A Graders. I am confident that blokes like Milky, Loges, Luke Nigro and Steve Ring can play A Grade in the future if they continue to train and develop.

The spirit in the Club should be acknowledged too. It is so encouraging to see blokes like Chris Wood, Nathan Bullock, Nathan Harris, Ben Leahy and Andy Johnno from the A Grade pulling on a jersey to play for us at every opportunity just because we are Engadine and there's a game on.

A lot of the Players from the A's and the Ressies watch each other whenever the draw allows and it was a damn shame we both played at the same time on Sundays. But don't worry we will be there to support the A Grade at every opportunity.

While I have your attention I want to talk about some other people too. Everyone in the Club that supports the Players in some way. First thanks to Tye Fleming who did a great job of his first year as Coach. Everyone that knows Tye knows why the Players like him and I am sure that should he coach again he will retain Players who will benefit from their first taste of open football under him and develop into an even better team next year.

Thank you to Parso and Cheeks for their valuable assistance throughout the year. Thanks also to Billy Kemp the Recorder, Greg Bird for collating and publishing the match reports, Leanne Lucy for coordinating information and registering of Players and Graeme Wagener for the great Thursday night barbecues and his leadership and support generally. A lot of work is done by the unsung heroes and if I have missed anyone I thank you too for making 2010 an enjoyable and successful year for the Engadine Dragons A Reserve Grade Team.

Rodriguez.

MICHAEL WARREN: Likes to talk it up a bit but also can play a bit as well. Played a fair bit of A Grade this year and is equally at home in the backrow or centres. Can pull off a big hit now and then too. Just a little tip Cuzzie, stop talking it up and let your footy do the talking like your mate Brewie. Who knows, you'll probably play even better.

KURT MARSH: Kurt is a specialist winger who is very safe and very rarely makes any mistakes. Even though he may have been rested a couple of games this year due to plenty of flankers, not once did I hear him complain. A good bloke for team morale and a pleasure to coach.

BRAYDEN DAVIES: Started the season in the halves and was playing pretty good there. Decided to move him to fullback where I thought he'd go even better and he didn't disappoint, scoring some great tries with his blinding speed off the mark. Also saved many a try by bringing down players twice his size.

BLAKE COLE: Started the season a bit hesitant but improved with each game as the season went along and by season's end was playing some good football, to the point where I picked him in my starting side for the Semi Final.

SCOTT FRATER: An older Player who made his return back to the Dragons after many years away. Probably one of the hardest running centres in the Ressies comp scoring plenty of tries. Did a great job of Captain as well when Benny handed over the reins.

KIEREN SMITH: 'Salad' only played half the season this year before suffering a nasty knee injury. Up until that point he was playing some of the best football we have seen from him. Had he played the whole season he might have shaken that nickname the way he was playing. But who knows, maybe he will never shake it. Thanks for the season 'Salad'.

ANDREW McNIECE: Another one of the new policemen to the side. Andrew played just over half the season this year before also suffering a bad knee injury. It was a shame because he was improving with each and every game. Don't know where he went after the injury though. Hope the knee is all good now.

TOM HUBBARD: Tommy is definitely a confidence Player. Started the season at fullback for us and started well scoring some good tries and returning the ball back well from kick returns. Then half way through the season he had a few quiet games and sort of lost interest and pulled the pin. Told me he just wasn't enjoying it. Did hang around though and help out and even played a couple of games at season's end when we were short, so thanks for that mate.

STEVE DABIN: The policeman was new to the side this year and was a very handy Player indeed. A solid type Player who started off in the backrow but then got moved to five-eighth where he played some good skilful football. A good guy to have around who I hope is back next year. Coffee & donuts anyone ?

DAVID HIRD: Hirdy was a great footballer back in the 80's and nothing has changed, I mean for a bloke his age to be playing at a shade over forty is a massive effort. David wouldn't last as long out there as some of the younger blokes but once out there he would show them how it's done. Not a bad runner of the football but it was his low driving defence that really stood out. He knows how to play in pain too, proving his toughness. Thanks for the season mate.

LUKE NIGRO: What a bleeder ! Luke must have had a target on that nose this year, copping plenty of high shots. But he showed his toughness, going back out there every time and never staying down. Played most of the season on the wing and did a great job there. Played a few games in the back row towards season's end and tackled himself to a standstill on many occasions. Keep doing those weights mate and that second row spot is yours.

PAT KELLY: Played a lot of A Grade this year and rightly so. Not the biggest front rower but that didn't matter, always putting in playing tough, and one to never take a backward step.

DENIS MARSH: There was a 4 week period towards the back end of the season where Denis was playing the best football I think I have seen him play. If he can carry that form into next season look out. Not sure if he's playing though ?

GLEN DRYLAND: Not the fittest looking footballer we have seen but once on the field tends to raise a few eyebrows the way he just keeps on going. Will play anywhere in the forwards and always has a good go. Then has a good go on the beers. Nothing wrong with that.

STEVEN COUGHLAN: A real competitive type Player who hates to lose. Only a small bloke in size but once he's on that field is all heart. Always near the top of the tackle count and gives his all every game he plays. A true dummy half, tends to LOOK LEFT THEN RIGHT, before sniffing out the hole.

SHAYNE CANTRELL: Came back to the side half way through the season after serving his suspension with a few added extra kilos looking like JOHN BUTTERGIEG. But once he got a few games under his belt and a bit of fitness he was back playing some good football. Shayne likes to play the game tough and when the games got tougher so did Shayne.

DANIEL BRUBAKER: Doesn't say too much before or during the game and tends to let his football do the talking. Gets through a mountain of work in attack and defence every time he plays. Knows how to find the try line and got called up to A Grade on numerous occasions.

LOGAN McGLINCHY: Logan is the type of Player who has a bit of everything in his game. I don't know what part of his game is the strongest because they're all pretty good. Tackles well, runs well, passes well, kicks goals and in general play. Scores plenty of tries. SUPER SEASON.

BRENDON HORSNELL: Brendon came to the Dragons this year not having played for about 10 years. Took a few games to get going but by season's end was playing good football. Brendon's strong running at season's end was a highlight. Hopefully you're back next year Brendon because you improved heaps from start to finish.

TODD VICKERY: Todd has been playing in this side for a while now and always has a good go, whether it's in the centres, fullback or wing it doesn't matter. Mightn't have scored many tries this year but was always safe and reliable and very rarely missed any tackles. Remember Todd, place the ball down with two hands and your try tally will rise.

BEN COTTON: Started the season as our Captain and did a great job, always at training and leading the way with his copy book defence. Not the biggest bloke in the world but definitely not one to take a backward step. Work commitments though meant he had to go to Adelaide half way through, where he was definitely missed.

GAVIN PRIESTLY: Gav was one of the new guys this year who I signed up over a few beers one night at the pub. He mightn't have got as many games as some of the other forwards but he never complained and always went out there and had a good go and never let anyone down. Not a bad goal kicker either.

JUDD SHULTZ-O'SHEA: Judd only played a handful of games this year before suffering a bad elbow injury. Would have been a very handy Player come Semi Final time had he not got injured. Thanks for having a run and helping out mate.

STEVE RING: Steve was another Player who only played half season before sustaining an injury. For a guy who could have been playing U21's he still has toughness beyond his years. It was an absolute shame to lose Steve when we did because he had been one of our best forwards.

JAMES MOLLARD: Played mostly halfback this year mainly because I thought he was the best passer of the football in the Team. A very unselfish Player who always tried to set someone up rather than go himself. A good season, hope he's back next year.

VILIAM NAPA'A: Another bloke who just rocked up out of the blue and thank God he was on our side. A dead set powerhouse in attack and defence. I actually felt sorry for some of the other sides who had to go up against Vili. Tell's me he's going to give rugby away next season and just play league for the Dragons. Look out A Grade comp.

ONE HIT WONDERS: Simon Parsons, Andy McAllum, Kurt Ridley, Joel Hamill
Jake Denford, Rodney Siolia and Alex Hayden. To these guys thanks for your efforts.

SPECIAL MENTIONS: To my two waterboys Parso & Cheeko, Wags, Leanne Lucy and Judd, thanks for making my job easier. Last but not least our Manager Rod Gersbach, thanks for the season mate, couldn't have done it without you.

Thanks for the year everyone, GO THE DRAGONS !

Tye Fleming.

This season we were out to win the Premiership that we let slip last year however early in the year this wasn't looking possible, only being able to round up thirteen A Graders for the first game. We managed to get some A Reserve Players to fill in and we were still winning every game. Knowing we would need a lot more Players to get us through the season we were scouting for Players and by Round 5 we had another six 6 A Graders. So everything was falling into place and we managed to finish Minor Premiers for the second year in a row and this gave us two bites at the cherry again in the Semi's.

The Semi didn't go to plan finishing in a draw after extra time and we finished the game with five bad injuries. Having to replay the Semi really took it's toll on the Team. After winning the replayed Semi 14-13 we were off to play Gynea in the Grand Final. Things just didn't go to plan and another season had slipped away. Last year we bombed out in the Final and this year the Grand Final, maybe next year will be our year.

Help is always needed to have a successful season and without Scott, Kendall and Corey helping out in the coaching department, this season would have been a lot harder. We also had two full time trainers in Cheeko and Nicko who did a great job.

A Thursday night always meant training, a few beers and a surprise meal that saw Players mouths watering by the end of training ready to eat another great meal that our head chef Wags had been preparing all day. Thanks Wags for your cooking and strapping. We would also like to thank Mick from Mick's Quality Family Meats for supplying the meat each week.

Another great Club and Team person that has a killer hand shake and will never let you down is Greg Bird our Manager, always going out of his way to organize and help in all of our Team and Club functions.

To all of these people involved I hope we can all be around together next year and in the future, you're all great friends and this Club needs more people like you. Thanks for your support.

Sponsorship is what keeps this Team and this Club afloat and without all of our Player Sponsors and Team Sponsors this season, we would not be able to supply much needed Player Insurance protection that I think is essential for anyone with a mortgage. I would just like to make special mention of all of our Team Sponsors who are listed at the beginning of this report.

Thanks very much for your support in 2010 and we hope to see you all again next year.

MATTHEW STUBBS: (Fullback). First season with our Club. I think one of the best Players in the comp and our Team would not have been so successful without him.

JASON BEARE: (Wing). Coming back to play after having a few seasons of soccer, Jason was a great asset being a safe winger and a good goal kicker. Thanks Beary.

JAMES ANDREWS: (Wing). First year in A Grade saw Jimmy go from being a good winger to one of the best wingers in the comp by the end of the season. Good season.

PATRICK CARR: (Centre). First year with the Club coming to Engadine after Aquinas folded Patt was one of the finds of the season. Able to score tries from anywhere and support Players out in the clear all the time. Hope to see you in Red and Blue next season.

NATHAN HARRIS: (Centre). Never thought you would have centre beside your name in an end of year report did you Harris ?. People had questions about me putting Harris to centre but after Round 1 supporters and other teams were talking about this big centre from Engadine scoring tries and running over the top of people. Unfortunately a bad injury didn't see him get to his best and he had to play the Grand Final injured as we were short on Players. One more season to rectify.

MARK STEWART: (Centre). I managed to twist Pony's arm for much needed help in getting him to come back half way through the season and he filled the centre spot like he never left. Thanks Pony.

CHRISTOPHER WOOD: (Lock). Could be a Captain. Always leading from the front till he can't stand up. His Team and mates mean everything to him on and off the field. The Team wouldn't be the same without him.

MITCH NEYLAN: (Halfback). Only one to get a close-up of a Yeti in our Team. Coming back after being overseas Nails took a few games to get going but finished the season as one of our best with his direction and kicking game, he is a great asset to our Team. Another great season.

ANDREW JOHNSTON: (Five-Eighth), (Captain). A true leader, Andy has a will to win and this shows to anyone who has seen him play. This is the one bloke you would want to go to war with but not sleep next to. You could have got the trifecta if you had have tried a bit harder on the last night on the footy trip. Shame on you.

SHANE NEWTON: (Second Row). Shane moved back from Canberra this year and fit straight into the second row with damaging runs and a great ability to offload and set up tries, and a great ability to break noses and not get caught.

AARON PALMER: (Second Row), (Coach). Finally gets to wet a line.

SCOTT NANCARROW: (Front Row). Another great year saw him just miss out on an award. Without him going forward our Team would struggle. A great asset to our Team. See you next year.

TOM IACONO: (Second Row / Hooker). Came over with Patt from Aquinas. Would have been Best & Fairest without a doubt but missed the first 3 games and started from the bench in his first 4 games. One of the best tacklers I have ever seen, putting on big hits all year. Hope you're back next year.

TRENT CROFT: (Hooker). A great Team Player and I feel that our Team wasn't the same without him after he did his knee. One of the things we needed in the GF.

NATHAN BULLOCK: (Front Row). A true club person who just loves playing footy with his mates after a bender. Always going forward, our Team wouldn't be the same without him. (Still yesterday's hero). That's for not turning up on the trip away.

MICK NEWTON: (Second Row). Newts was our starting second rower and was playing the best footy I have seen him play before he had to go on a trip overseas. But it was great for him to come back for the Semi's and this is another bloke you want standing beside you on the field. Good year.

DALE NEWTON: (Second Row / Front Row). It was great to get Dale back half way through the season after his shoulder was right. He was a bit rusty in his first few games but finished the season on fire showing why he once played Grade.

JAKE DENFORD: (Lock / Second Row). I think Jake loves playing with his mates and he knows how valuable he is to our Team and our Club. Hope you're around for next year.

BEN LEAHY: (Front Row). Played Resi's half the season but when he got a call up he gave it everything. Never missing a training session he proved to be a safe front rower that always made valuable metres.

JOEL HAMILL: (Hooker / Wing). Joel had a bad season with injury but if he hadn't got these injuries he would have been a great asset for the Team.

SHANE CHAPMAN: (Centre). Lost Shane early in the season to a bad shoulder injury. Would have been a great Player for our Team.

PLAYERS WHO HELPED A GRADE THIS YEAR FROM A RESERVES WERE:

Steven Coughlan, Kurt Ridley, Michael Warren, Daniel Brubaker, Scott Frater, Pat Kelly

Aaron.
