

Engadine Dragons JRLFC 2014 Grading Guidelines

All participants/players for the Engadine Dragons JRLFC in ages ranging from U8 to U16 are to be graded in the appropriate division/grade according to the participants/players ability and skill level. Grading is beneficial to ensure a safe and positive environment for participants.

In addition to this, the players are graded so they are playing with, and against players of a similar ability while nurturing and developing all players' skill level.

The Engadine Dragons JRLFC follows the NRL National Code of conduct which can be found at this link:

Grading Guide

The following will be taken into account during the grading process; but will be not limited to:

- Week to week training
- In house games
- Trial games
- Grading trials

Grading Personnel

The above criteria will be attended to and monitored by the Engadine Dragons independent grading committee members, which have been appointed by Adam Lynch; Coaching and grading co-ordinator. Opinions of all appointed coaches will also be considered in the grading process; however, the final decision as to a player's division/grade will always be determined by the Engadine Dragons Grading Committee.

At the end of the grading process, any appeals should be put in writing for the attention of Adam Lynch, and will be considered by the Engadine Dragons Grading Committee.

Note: Please inform Coaching/Grading co-ordinator with group training commencement times / dates. This will ensure a smooth progression for a successful season ahead.
