PRESIDENT'S REPORT

This was a year everyone was waiting for, a year with no covid or interruptions. Unfortunately, the weather had other plans and we had a significantly rain affected season. The rain didn't dampen our spirits and we were all just happy to see the kids out playing footy again even if it was in puddles.

We had 39 teams this season and 27 made the semi finals and we came away with 6 premierships which is a fantastic achievement. Congratulations to all the teams for a great season. The Mini Dragons program ran again, and we had a great turnout once again.

This year we started our Mental Fitness for Life Program, and it was a great success. We managed to run specific courses for different age groups to help with understanding, responsibility, guidance and help with mental health, social media, tomorrow man, tomorrow woman and team bonding issues. We also held a girl's league tag camp for mental health and team bonding.

A special thanks to all our sponsors this year. This was our biggest year ever for sponsorship with plenty of money going towards the kids and mental health programs. Our club sponsors are what keeps the club going and without your support the club would not be able to function so once again thank you for your generous support.

We had 39 teams this season and 27 made the semi finals and we came away with 6 premierships which is a fantastic achievement.

To all our coaches, managers and trainers thank you for your time and effort in teaching and organizing of our kids throughout the year. Without you the kids wouldn't get on the field. Thanks to all the parents for your support and for running the canteen and barbecue each week.

I would like to thank the executive Grahame Wagener, Belinda Green and Derek Spurdle, our Vice Presidents Sarah Gurney, Matthew Henson, Michael Stone, Matthew Chapman, Ben Jones, Matthew Knigge, our management committee, and the general committee for your help you have done throughout the year in helping of the running of the club, we all look after a part of the club, and it doesn't go unnoticed. You make my job so much easier from the workload you all take on and I really appreciate all you have done throughout the year. I would also like to mention our life members that still support and give guidance in running the club. A special mention as well to Donna and Corey for the excellent work in running the canteen so well all year.

Some things to look forward to next year are mini dragons, a bigger program for mental health, the new under 12 boys' mental health and team bonding camp in February and the girls 12's to 14's league tag mental health and team bonding camp in March. We will also look at having more social events for all the families in the club to enjoy.

Remember as a growing club we are always looking for new people to join the committee to share the workload. As a committee member you are never forced to work, we always ask first to see if you have spare time. In 2023 we would love to see some new faces to help out and give input into running of the club.

Thanks to everyone for giving me the opportunity to lead the club I love so much it has been a privilege.

I hope you all have a great offseason, and the rain stays away. I look forward to seeing you all back in 2023 for another great year for the mighty Dragons.

AARON PALMER • PRESIDENT

SECRETARY'S REPORT

Not Covid, but rain. The rain affected our season but did not dampen the spirits of the Dragons. The kids even enjoyed playing in the puddles and the mud. 39 teams played this season and 27 played in the semi-finals, with 6 winning premierships. A great achievement by our boys and girls, coaches, trainers and all the volunteers. All the teams, from the mini dragons, to all the girls and boys right up to senior level, played the game in the right spirit and showed great enthusiasm throughout the year.

Thanks from the club to all the coaches and their support staff for their dedication.

In addition, we held successful Mental Health programs both in the club and at camp. These programs will be continued and expanded, as will the Internet and social media safety initiatives. Thank you to those organisers and their helpers for introducing and continuing with these programs.

The Executive, led by Aaron, and the management committee introduced the Roles and Responsibilities Statement which clearly defines the positions in the club and the approximate time needed to undertake the tasks. Also, our constitution has been updated to better reflect our club at this time in history.

Our sponsors have been wonderful in the support they have given to the club and the club thanks them all on behalf of our Engadine Dragons family.

Without the referees, NSW Rugby League and Cronulla Junior League we would not be able to participate in such a well organised and managed competition, so on behalf of the Dragons, I would like to thank all three organisations for their hardwork and dedication throughout the year. Thanks also to the district club for supporting Junior League.

Our sponsors have been wonderful in the support they have given to the club and the club thanks them all on behalf of our Engadine Dragons family.

Congratulations to all the major Award winners, both at player level and in management.

I would like to make mention of Toni Middendorf of Pattern Two creative design who has done a great job in putting the Year Book together in a very short space of time. This is a very big job and the club thanks you for your time and effort.

The club has great players, hard-working volunteers, loyal supporters and a strong history. It is a great club and I am sure you are all proud to be part of it.

Looking forward to seeing you next season and for many seasons after.

GRAHAME WAGENER • SECRETARY

DEREK SPURDLE

Treasurer

Thank you

SPONSORS

Engadine Dragons wish to take this opportunity to acknowledge and sincerely thank all of our Sponsors. Your ongoing support is a vital contribution to every success enjoyed by this family Club and, in our object to promote the game of Rugby League generally, to support and develop our players and to field competitive Junior Rugby League and League Tag teams in representation of the greater Engadine community. We trust that you have all seen the value and the potential of the support you lend to the Dragons and we all hope to see you lining up alongside us again.

COLIN COLE MEMORIAL AWARD

This Award is given in recognition of the time and effort that a person contributes to the Club in regard to its successful operation

2021 & 2022

BELINDA GREEN

Belinda is a very worthy recipient of this award, and this is her second year in a row of winning this award. This year Belinda was Assistant Secretary but found herself having to fill in as Secretary as well. Belinda is also a Junior Vice President of the CSJRL and devotes her time to the successful running of the junior league as well.

Belinda devotes her time for the club all year round spending many hours at home and at the clubhouse as assistant secretary/ secretary. Belinda no longer has kids playing but keeps showing up each year to offer her time to support for the club.

No doubt rugby league and Engadine Dragons is fortunate to have someone like her looking after us and the game we love so much. We would like to congratulate you on this great achievement and hope you will be around for many years to come.

Congratulations Belinda

BILL KEMP AWARD

(FORMERLY ROD BAKER MEMORIAL SHIELD)

This Award is given to a person in recognition of their commitment to the Dragons and for the work they have done throughout the year.

2021

SARAH GURNEY

Sarah commenced her involvement with the club as a parent in 2015, supporting her first born as a proud Mum from the sideline. Fast forward just 5 years and not only was Sarah (and husband Shane) following three kids around the shire in representing the club, Sarah also registered as a player with the inaugural Senior Womens League Tag side for 2020, where many new friendships were formed. During the subsequent off-season Sarah was only too keen to give back to the club that had given her family such, and reached out to the committee to see how she could help, beyond the financial sponsorship from her business.

In the space of a few months Sarah was able to re-establish the Social Committee for 2021 (a key fundraising support for the club that hadn't been around for a few years), help implement a more structured approach to the club's communications and social network presence, assist numerous members of the Executive with administrative activities, become involved in ground managing duties (when not driving her kids to their own games) and almost learn how to run the Len Cousemacker Scoreboard.

Always one of the first hands to go up whenever assistance was required (for tasks that barely anyone sees but so many of us benefit from), Sarah is a fitting winner of the Rod Baker Memorial Shield for 2021.

Congratulations on your award Sarah, we look forward to your continued involvement with our great club.

2022

MATT HENSON

This is the second year Matt has been looking after the league tag as League Tag Vice President. Matt has shown his professionalism in this role and has made the job look easy with his excellent management skills.

Matt has not only been organising the girls league but has also organised the girls league tag camp. He also took on the recording job this year and did an excellent job. Matt has also taken on the organising of the boys 13's camp to come in the new year.

Matt is a very worthy recipient of this award, and the club would be lost without him. We would like to congratulate you on this great achievement and hope you will be around for many years to come.

Congratulations Matt.

RECORDER'S REPORT

MAJOR AWARD WINNERS

BARRY MANUS AWARD

(SENIOR CLUB CHAMPION)

Awarded to a player from any of the three most senior sides and held on one occasion only

1962	Warren HARRIES
1963	Robert WALKER

BARRY MCMANUS AWARD

SENIOR CLUB CHAMPION

Awarded to a player from any of the three most senior sides and held on one occasion only

DANE COURTNEY

Dane started his career with the Dragons in 2007 as a junior, playing his 15th season for the club and his 200th game for the club this year. A very proud personal and club achievement. Dane is a fierce and committed competitor, always contributing 100% in every game he plays. Skilful with the ball in hand and with speed to burn, Dane is respected on and off the field for not only his natural ability, but his sportsmanship and knowledge of the game.

Dane, I am sure your family, coaching staff, supporters and all your friends and those who have had the pleasure of watching you play the game you love so much, will stand with us and congratulate you on taking out this very prestigious award and its very fitting to see it awarded to such a talented footballer and great clubman of the mighty Engadine Dragons.

Congratulations Dane Courtney, Senior Club Champion, 2022

LEN COUSEMAKER AWARD

JUNIOR CLUB CHAMPION

Awarded to a Player from teams Under 10 to Under 14 and held on one occasion only

RILEY SMITH

Riley Smith is the recipient of the Junior Club Champion for the 2022 season. Riley has played 10 seasons and almost 150 games for the Engadine Dragons. Riley plays in the front row and is Vice Captain of the back-to-back premiership winning U14Gold team and leads the team in every way.

To be a great football team you need a player like Rilz. He's one of the great characters within the team but when he takes the field his work rate and competitiveness is elite. Riley leads by action making more tackles, cover tackles and hit ups than anyone in the comp. Riley has great ball skills and footwork breaking the line all game and playing roles in our attacking structure. Every accolade Riley has achieved he has earned the toughest way possible. Riley was selected in the Sharks Academy this year; I am sure it's the first of many representative selections.

You're a credit to your family and our club and a worthy recipient of this years Junior Club Champion.

Well done, Rilz.

NELLIE WARNER AWARD

GIRLS SENIOR CLUB CHAMPION

Awarded to a player from any of the three most senior sides and held on one occasion only

STEPHANIE FAULKNER

Steph started her career with the mighty dragons in 2018. Having progressed from touch to league tag (and now to tackle with Cronulla Caringbah, fingers crossed we can establish a Dragons women's tackle team soon enough ...), Steph's tenacity has supported her attacking prowess in all forms of the game, averaging close to 1 try per game in her 44 games for the club. With a permanent smile and loving nature that belies her competitiveness, Steph is a great role model for new members into the team, often spending extra time with them to ensure they not only grasp the basics of league tag but also that they feel a part of the team, a leadership quality often overlooked in passionate champions such as Steph. Congratulations Steph on being awarded the Nellie Warner Girls Senior Club Champion!

HAZEL COUSEMAKER GIRLS

JUNIOR CLUB CHAMPION

Awarded to a Player from teams Under 10 to Under 14 and held on one occasion only

MIA INGLIS

Having begun her league tag career with the mighty dragons in 2020, Mia immediately established herself as a humble leader, both on and off the field. Be it the hard attacking yards in the middle, organising the defence, communicating with her teammates during a game or at training or even discussing the finer points of play with teammates, Mia has always possessed a no fuss calmness in getting the job done (as evidenced by 28 tries in 28 games). A keen football sense and competitiveness has helped drive Mia towards her successes, which included 2020 B&F (and leading point scorer), leading player and point scorer in 2021 (no team awards issued) and now the only too worthy recipient of the Hazel Cousemaker Girls Junior Club Champion, well done Mia!

LARRY WARNER COACH OF THE YEAR AWARD

(FORMERLY GRAEME MORRISON AWARD)

Awarded to any Coach for Team performance

MICHAEL KELSO

The commitment, time and effort that goes into any Coaching role is a huge job, but to keep a 25-player squad united and match fit week after week is not for the faint hearted. Watching Mick from Round 1 of the season methodically establishing strengths and weaknesses of each player and the squad, and then working with them week after week to both get the best out of individual players and the team was something he worked on at training and after hours. Mick could be seen closely working with players to instil confidence and belief that they can be the best. Mick was a quiet achiever who went about his role in a similar manner. He always had respect for those we played and never lost sight of the point that he was representing our club each week.

The Dragons are very fortunate to have the quality coaches that we have, and Mick is no exception and without a doubt a very worthy recipient of this award. We hope Mick continues his coaching career with the Dragons and continues to instil the fine qualities in the players that represent our club.

Congratulations Mick Kelso, Coach of the year, 2022

MITCH HEALEY SPORTSMAN AWARD

(FORMERLY SPORTSMANS AWARD)

Awarded to a Player on all round sporting ability and achievement and held on one occasion only

JETT NISBET

Jett is in his 8th year with the Engadine Dragons, with 6 Best & Fairest awards, the Peter Green Trophy and the Graeme Kidd Memorial Trophy under his belt, Jett is a natural leader and a well-known player across the competition.

Jett has represented Sydney East in the PSSA Rugby League competition in the winning U11 team in 2021, and in the U12 team in 2022, with further selection into the U12 NSW Top 30 Development Camp Squad.

Jett over the past 4 years has won both Gold and Silver at the NSW Little Athletics and NSW PSSA Championships for Shot Put and is the current record holder for both the Zone and Region U12 Boys, as well as the club record holder from U9-12 years in this event. Jett is set to represent NSW in the Australian PSSA Championships in Shot Put later this year.

As well as both his Rugby League and Athletics achievements Jett has also competed at the PSSA Zone & Regional Swimming carnivals from 8-12 years.

MARK MCGAW TROPHY

(FORMERLY HAZEL COUSEMAKER TROPHY)

Awarded to the best performing Club Player at Junior Representative game level

BLAKE HOSKING

Blake started his playing career at the Dragons in the U6's in 2007, playing 197 games in 14 years at the club.

Blake is a very talented footballer, being awarded 3 x Best and fairest awards, Engadine Dragons Sportmans award (2014), and Junior Club Champion in 2016. Blake was selected in Cronulla Sharks Harold Matthews team in 2018, and has remained at Cronulla, playing S.G Ball and Jersey Flegg.

Blake is a fierce competitor that teammates want to play with and play for. In 2022, Blake was awarded Cronulla Sharks Jersey Flegg player of the year, and Players Player, such is his contribution to the team.

We wish Blake nothing but best wishes in his rugby league career and are very proud to call Blake an Engadine Dragons Junior.

Congratulations Blake Hosking, Representative Player of the year, 2022

GARY CANNINGS AWARD

Awarded to a Player as an encouragement for them to continue playing Rugby League with the Dragons, taking the opportunity to develop and improve their game and to continue their participation in a great team sport with the Club.

EMERALD & KALARNI MARKHAM

For the past 5 years Emerald and Kalarni have been helping in the running of the canteen and barbeque. This year especially when numbers were low you would always see one of their faces in the canteen or on the barbeque helping.

We thank you on your ongoing support of the club. We would like to encourage you to continue working with the club and hope you are around for many years to come.

Congratulations Emerald & Kalarni

PETER GREEN AWARD

Awarded to the most valuable Dragons Player and is based on the person who accumulates the Best & Fairest points during the season – across all Grades.

BAILEY PHILLIPS

Bailey is the type of person every team wants. Softly spoken, but with his 'never say die' attitude, every player wants to play with him, and every player plays for him. A gifted footballer, Bailey has a big motor and a big heart, committed to every minute of every game and playing front row as well. His defence is bone crushing and his opposition would rarely run in his direction twice after being on the receiving end of one of his shots. Bailey also has speed that most players would love to have. Bailey is a great footballer, great teammate and a very humble, intelligent and likeable individual.

Congratulations Bailey Phillips, Peter Green Award, 2022

GRAHAME KIDD MEMORIAL TROPHY

Awarded to any player from under 6 to under 9 in recognition of future talent. This is not an encouragement award. This is to a player who has shown outstanding ability in his age group and has the potential of being an up-and-coming player of the future.

IMOGEN PALMER

This is Imogen's 4th year playing tackle with the boys and 4th year playing league tag. Imogen's tackle awards have been 1x Best & Fairest, 1x Best & Fairest R/UP and 1x Encouragement award. Her league tag awards have been 2 x Best & Fairest awards playing a year above her age group.

In her first season playing she managed to tally up 59 tries and it was clear she had great skills. Playing against boys doesn't seem to worry Imogen. She shows great toughness and all round ability on the field. Imogen has a bright future in the game. We would like to congratulate you on this award.

Congratulations Imogen

CONGRATULATIONS TO OUR U16S GIRLS WHO PLAYED IN THE LISA FIAOLA CUP AT TUGGERAH. LEFT TO RIGHT: CHYNNA, BRYDIE, BROOKE, FREYA, AVA.

NSW UNDER 18'S

Ryan CARR

TERRY LAMB CUP

Mark McKERNAN

Mark STEWART

NATIONAL UNDER 20'S

Was started in 2008 as an under 20's age group. It follows the 1st Grade competition draw. It was discontinued in 2017.

PRESIDENTS CUP

Was under 19 years (1975, 76 and 77). Prior to 1975 and after 1977 the competition was under 21 years. It was discontinued in 1987.

JERSEY FLEGG CUP

Was under 17 years (1975, 76 and 77). Prior to 1975 and until 1984 it was under 18 years. In 1985 it was changed to under 19 years. In 1997 it was changed to under 20. It was discontinued in 2007. It recommenced in 2018.

S. G. BALL CUP

Was under 15 years prior to 1978 when it took over from the Oatley Shield. From 1979 to 1985 it was under 16 years. In 1986 it was changed to under 17 years. In 1997 it was changed to under 18.

HAROLD MATTHEWS CUP

Was an under 14 K.O. competition having taken over from the Endeavour Cup. In 1985 it was a 'round robin' carnival. 1986 to 1996 & 2003 under 15 years. 1997 to 2002 & 2004 onwards under 16 years.

MAL MENINGA CUP

Formed by the Super League in 1997 (for that year only) and was an under 19 competition.

TERRY LAMB CUP

Formed by the Super League in 1997 (for that year only) and was an under 17 competition.

TEAM REPORT

All our players played the game to the best of their abilities and continued to improve each and every week. We had a great win record against some very strong competition. Unfortunately the weather played havoc with our training sessions which resulted in a lot of learning throughout the games.

We had a nice mix of new players and those with experience that enabled the team to grow together. There were some very exciting games during the season with individual glimpses of brilliance throughout. One of the moments that will stick in my mind is when our team managed almost 20 offloads on a single tackle trying to edge out a try before half time against Cronulla Caringbah. All the players, spectators and officials were on the edge of their seat watching the play unfold.

I would like to thank Ken and Silvana for all their help this year with the boys. This year would not have been as successful without both of your efforts each and every week.

All the players should be extremely proud of themselves and the way they played the game this year.

All the players should be extremely proud of themselves and the way they played the game this year.

PLAYER PROFILES

BENJAMIN CONDON

Ben was a fun player to have in the team. He was the biggest talker on the field every game, constantly telling me about all the things he had done in the week. He continued to try in every game and secured his maiden try for the year in the 2nd last game. I still don't think he can believe Iron Man was the referee for one game this year.

MORRIS DABIN

Moe was the biggest improver this year. One of our smallest boys but he played with all heart. He received a few tough hits early in the year but it didn't stop him. His steady improvement saw him bag 4 tries in the 2nd last game and lead the tackle count in our final game.

LEO DAY

Leo as another improver throughout the year and really found his best games towards the end of the year. He was elusive across the park looking for a break in the defensive line to run through. He concentrated at training and was a pleasure to have around.

ZACH JEKKI

When Zach committed to a tackle or a run the other team knew about it. He often came up with perfect front on tackles that stopped some of the best attackers in their tracks. He is deceptively strong and at time was only stopped on his runs by the sideline.

KOBY MAY

Koby quite possibly enjoyed his year of footy more than anyone on the planet. He was always smiling and having fun no matter a game or training. Very deceptive in his running, scoring some great long range tries during the year.

ZANE SANFORD

Zane is a quality footballer who developed a great offload in the later stages of the season. He would often push up in defence to turn the attack back inside and used his speed well in cover defence to chase down runners. There is a lot of potential in Zane to keep improving.

TASMAN SMITH

Tas had a fantastic year. He was aggressive running the ball and ferocious in defence. At times his line speed in defence was lightning quick, halting any attack before it got started. Right from the first game to the last he was consistent in all facets of the game.

JACOB THORBERRY

Jacob has speed and strength to burn. He was extremely consistent all throughout the year regularly crossing the line for a tough try. Despite being a great tackler, he worked on his defensive technique throughout the year which resulted in textbook legs tackles.

TEAM REPORT

What a top bunch of little blokes to be involved with. Every player in our team got better as the year went on. It was a tricky year with so many wet weather disruptions but the training sessions we did manage to get in were good fun and you could really feel the improvement on the game days throughout the season.

With all the boys eligible to play in the 6s again next year, we were a super young team in the competition. All the boys will be far better off next year for getting involved this season and I look forward to coaching them again next year.

Thanks so much to all the parents for being a really great bunch of people to have around and it's easy to know what kind of parents you're dealing with when you see how well behaved and respectful the kids are.

Thanks to all the friends and extended family of the boys that also came and helped the parents support our team.

To the club, thank you for everything involved with have this club successful and running so smooth. Also for allowing me to be involved with a great bunch of little humans.

A huge thank you to Elesha Stone for looking after our side, you made life so easy for us in the ever evolving and demanding role of manager. I really appreciate your help and easy-going approach to just getting whatever needs to be done ticked off.

Trent Croft as trainer, thanks mate. Super helpful as trainer and laughing through everything with me, plus your interchange formulas under pressure never wavered. Cheers mate.

But the biggest thanks go to the little fellas that had a go this year and played in this team. I'm really proud of all of you and you should be proud of yourselves. I am really looking forward to next year and helping you into the second year of your footy adventure.

Thanks everyone and enjoy the break over summer.

Cheers Matt

What a top bunch of little blokes to be involved with. Every player in our team got better as the year went on.

PLAYER PROFILES

GEORGE CHAPMAN

Georgey got much better as the season went on as he looked to get more involved. A good runner of the footy and started to get amongst the tackling later in the year. I loved watching him play his first year of footy from the box seat.

JAKE CROFT

Jake is a real natural with the ball in hand and loved getting into the games by scoring some classic long range tries. Making some great tackles towards the end of the season too.

HAMISH HILL

Hamish really enjoyed being around the boys. It was so good to see Hamish get involved more at the back end of the season at both training and in the games. Once he realises how strong he is and channels that into his running and tackling game he will have a big impact.

CUBA GORDON

Cuba is inspirational. The junior of the side and smallest but that didn't deter him. He had so many good runs, tries and tackles. Will be hard to handle for the opposition next year.

NIXON NISBET

Nixon the wrecking ball. His strong carries busting straight up the middle make life very difficult for the opposition. He is extremely tough and enjoys getting into the heavy defensive side of things too.

JOSHUA SELVAGE

Josh is a great young bloke to have in the team. He is super enthusiastic at training and a crowd favourite every time he touched the ball. It was great to see the smile on his face after he scored a few tries.

FLETCHER SPOONER

Fletcher had a great year. Always putting his hand up for the hard runs and was not afraid to get involved in defence. A really good team player and really loved his footy.

ZAXON STONE

Zax has footy running through his veins. He is a keen textbook tackler and scores some top tries with his speedy runs. Plenty of natural ability and I'm looking forward to watching him do his thing again next year.

TEAM REPORT

Such a great season and an absolute honour coaching these little Under 6's legends again. Watching them all develop in different areas of the game has been a pleasure to be apart of. Putting their learnt skills at training into practice on game days is great to watch. Welcoming two new players into our team was awesome, they slotted straight in, and both played exceptional for their first season.

A special thank you to Prue & George and all the parents, grandparents for brining your children to training and game days. Without your commitment to the team, training and game days, and Engadine Dragons Club your children would not be able to play. Thank you

Well done to all involved in the Under 6 Green Team 2022, was a great season and look forward to 2023!

Cheers Scott

PLAYER PROFILES

REID PERRY

Reid's second year playing football and we could definitely see his passion and development for the game. He shows up every week with determination written all over his face. He encourages his teammates and celebrates their tries and wins as a team. He runs in hard for a tackle sometimes missing, however he never gives up.

Well done on another great year Reid.

KAI HARTIGAN

Kia's second year playing, and wow can this boy run! He certainly brings his "A Game" to every game. He is willing to get in and have a go, tackle, run and is willing to share the ball amongst his teammates. His love of the game is evident. Look forward to seeing you back on field next year faster than ever and giving it your all again.

HARRISON MARTINI

Harrison is the quietest amongst our team – bless him! During training Harrison participates and absorbs all he has learnt and then come to game day he applies these learnt skills to his game.

Harrison has excelled this year and his confidence has developed tremendously. He should be very proud of his effort and commitment to the season and his team. Well done!

ROCCO GHAZAL

Rocco has had another great year in the Under 6's. He applied the skills learnt from previous years to this year and was a gun on the field. Once Rocco got hold of the ball and found his bearings and worked out which way to run, he was straight down the sideline! Rocco is a great team player and has a genuine love for the game.

CHEVY RARE

Another great season for Chevy, a quite achiever but don't let this fool you. Can run once he has control of the footy and gives it his all. He attends training bringing what he has learnt to game day. He shares the ball amongst his teammates and loves to celebrate tries and game wins.

Has been a pleasure coaching you again this year Chevy and watching you develop. Well done on another great season.

JACKSON GOOD

Our stepping machine of the team! Jackson loves to sidestep, weave in and out through the opposition. His quick on his feet which lead to many tries throughout the season. Being his second year Jackson, was ready to go from the very first game, headgear and mouth guard on every game and determine to give his best at every game. Has been a pleasure yet again having you in the side and watching you develop.

ELLIOT MILLER

Mr Facial Expressions! What a season you had. Your development, and commitment this season was exceptional. You were a force to be reckoned with at every game, you gave it your all. You ran hard, tackled hard at every chance you got. Every game you brought something new and exciting whether it be a new facial expression, tackling style or wanting more food on the sideline!

Another awesome season, well done.

LUCAS OWEN

“The Power Booster” of the team! Lucas encourages his teammates at every game, he loves to give a little confidence boost! His development over the last two years has been phenomenal. His commitment at running the ball hard and going in for every tackle is something he prides himself on. He maybe quite off the field but his love of football is larger than life!

Look forward to seeing you back on the field in 2023.

JAEGAR MOSS

Jaegar's first year of football and what a season he had. His ability to tackle had everyone on edge at every game! What a tackling machine! Jaegar's newfound love of football was evident at every game as he weaved his way to the try line in nearly every game. His determination was written all over his face, he gave it his all in every game and was a welcome asset to our team. Great first year buddy, can't wait to see you back next year.

Such a great season and an absolute honour coaching these little Under 6's legends again.

TEAM REPORT

The U6 Orange Team had a great season. These boys thoroughly enjoyed their first year of footy. They loved the training sessions, meeting new teammates and playing against other teams. All the wet weather did not stop them from turning up each week eager to play. It was fantastic to see the boys meeting new friends and displaying great sportsmanship each game they played. They are all looking forward to their season next year.

We asked the players what they enjoyed most about their first season of footy:

PLAYER PROFILES

BODHI GREEN

Bodhi said he loved, "Scoring and tackling and running."

Bodhi enjoyed his first season of footy. He turned to each training session enthusiastic and ready to practice. Bodhi found great success at running down the sideline and scoring tries.

HUNTER TUNBRIDGE

Hunter enjoyed, "Scoring tries and the sausage sizzle."

Hunter turned up to training and matches each week ready to go! He wasn't always fond of running the ball but by the end of the season he gained more confidence, which resulted in a couple of tries.

It was fantastic to see the boys meeting new friends and displaying great sportsmanship each game they played.

JAYDEN BENSON

Jayden said he loved, “Scoring tries and versing other teams.”

Jayden had a fantastic first season of footy and enjoyed playing each week. He showed great speed and towards the end of the season Jayden was a try scoring machine with lots of great runs.

KYE NONENMACHER

Kye said, “Loves my footy mates and playing and training.”

Kye had a good first season of footy and gained more confidence each week. He turned up to each game all geared up and ready to play and scored a couple of tries.

LENNOX FIESS

Lennox said, “I like when you do tackles and score tries.”

Lennox had a great first season of footy. He was always eager to have a go at training and on game day. Lennox wasn't scared to have a run up the middle and get tackled and had success at scoring some tries.

LOGAN JOHNSON

Logan enjoyed “Getting to run a lot and scoring.”

Logan had an awesome first season of footy. He loved to chase down an opponent and finish this with a ripper tackle. By the end of the season Logan was a tackling and try scoring machine.

MAX JOHNSON

Max said he, “Loved tackling.”

Max had a fantastic season of footy. He really loves the game and turned up to each training session and match super enthusiastic. He is a tackling machine and will tackle anything and everything. Max also enjoyed scoring many tries.

TOBY MUNRO

Toby said, “I liked tackling and scoring tries.”

Toby enjoyed his first season of footy and he was excited each week to get out on the field and play. He gained confidence every game in his tackling and had success scoring lots of tries in the corner.

TEAM REPORT

Season 2022 was an enjoyable season for the Under 7 Red boys. This year the core group were joined by two new players – Hayden and Mannix. These boys brought experience, determination and leadership the group needed and they all bonded really well.

We moved up a level this year and at times had some really tough games against great opposition, but hopefully this will make the boys next year. The highlight was undoubtedly the mid-season game at Gympie played under some of the worst conditions ever seen. The boys had a blast despite a heavy loss.

Although difficult at times with rain interrupted training sessions, it was always a pleasure to Co-Coach the team with Guy and our Manager Shaylee. We look forward to seeing the boys continue to play together year on year and grow as a team.

A massive thank you to Guy & Shaylee for turning up each week, and to all the parents for their support and positive attitude of us and the boys.

PLAYER PROFILES

EDWARD HEWITT

Our most consistent player - Ed was outstanding in attack and defence frequently playing well above his weight. He is a pleasure to coach as he always listens and follows direction very well. His sidestep was feared amongst the competition and scored many great tries.

RYDER HICKS

The feistiest and most determined player amongst our team, Ryder displayed great leadership at times especially once coaches were taken off the field mid-season. Plays without any fear and always first out of the line in defence.

CHARLIE GRANT

Another that lives and breathes footy – Charlie stunned many spectators with freakish tries all throughout the season. What he lacks in size he makes up for in immense skill and is always great to coach. Featured in the Cronulla JRL Trys of the Week!

We look forward to seeing the boys continue to play together year on year and grow as a team.

PARKER PANDOLEON

Never afraid to take the big hit up, Parker is the teams go to guy off the line. He still doesn't like getting dirty but showed throughout the year he never takes a backwards step and should be proud of his efforts.

OSCAR HEWITT

Our teams most improved - Oscar showed great improvement week on week and tried his hardest all the time. Crossed the line a couple of times and always played with a smile on his face.

MANNIX LANHAM

Joining the team for the first year, Mannix fit right in straight away. Great skills, speed and no fear means he is the complete footballer. Top try scorer for the team, the only time he was stopped was when he broke two bones in his arm towards the end of the year. Even then he stayed to support his team and is a real team player. A deserved winner of Best & Fairest.

HAYDEN STEPHENS

Another newcomer, Hayden was our self-nominated captain. Has real leadership skills, well liked by all his teammates and really stepped up when Coaches were taken off the field. Strong in defence and great ball playing skills he has a big future in footy.

JAXON PINNEY

Gets faster every year, Jax scored many great tries and often relied up to come up with something freakish from our own line. Enjoyed not having his Dad on the field and with more confidence will continue to grow in attack and defense.

BLAIR AITCHESON

Determined little fella who turned up every week and gave his best. Great defensively he was always fast out of the line and put on many good hits.

TEAM REPORT

What a fantastic year our U7 green had this year! We started the year with a mixture of players joining the core group from the previous years before and fitting straight in. It was clear from the first training session that this groups of kids were little charges ready for a fun filled year of learning and growing with the game of rugby league. Throughout the year all the kids showed enormous commitment, improvement, skill, passion dedication and willingness to learn which made it an absolute pleasure to coach such an amazing group of boys. To watch them also create and further build on the strong friendships that they have both on and off the field should be a full credit to them all and the type of young boys they are.

A special thanks to Dane Jones (Trainer) Elesha Stone & Tammy Marshall (Managers) and Toddy Marshall for all your help throughout the season. Also a big thanks to the parents of the boys for all your efforts around ground set up, canteen and BBQ and support for the boys and the coaching staff every Saturday.

Cant wait until next year!

Mick Stone.

“ Throughout the year all the kids showed enormous commitment, improvement, skill, passion dedication and willingness to learn which made it an absolute pleasure to coach such an amazing group of boys.

PLAYER PROFILES

TAJ GORDON

Taj is a pleasure to coach. Taj is a strong player who, when he realises and commits to how good he is will be unstoppable. He has huge talent and can score a try from almost anywhere on the field. I'm so proud of how Taj is coming along with his footy.

NOAH HIGLEY

Noah has improved out of sight this year. Noah is fantastic kid who is always a pleasure to coach. He is tough, loves his footy and being around the boys. Well done on a fantastic year Noah.

SAMUEL JONES

Another huge improver this year. Sammy come right out of his shell the last 4 games of the season and showed his talent and toughness. It was a pleasure to see how far he has come in his game and is ready for a big start next year. Cant Wait!

FLYNN KEARNEY

What a great year Flynn had this year. Flynn showed his toughness, determination and was always keen to grow his game which enabled him to step up a level against the better sides throughout the back end of the season. Well done Flynn.

OSCAR HEWITT

Our teams most improved - Oscar showed great improvement week on week and tried his hardest all the time. Crossed the line a couple of times and always played with a smile on his face.

LOGAN MARSHALL

Super Logan, the true footy lover. Logan is a highly talented player with the love for the game second to none. Whether in defence or attack logan consistently puts 100% effort into what he does and it a huge asset to the team. A great player and even better kid.

CREW MCCARTHY

Crew man is a great kid who loves his footy. His improvement through out the year has been fantastic and his speed cause havoc on the field the whole season. Crew is a passionate kid and a pleasure to coach.

JORDY STONE

The hardest position on the field.... the son of a coach. Jordy is a tough, hard working and talented player. His defence is fantastic on the field, tackle after tackle and the way he leads the team is a big reason on why the boys went so well this year. I am so proud of how your game is coming along Jords Keep working hard mate, well done.

ARCHER TURNBRIDGE

Archer is a great kid who loves his footy and has improved out is sight this year as his confidence grew. Each game Archer went from strength to strength and his strong defence was a huge asset to the tram this year. Keep up the good work Archer, looking forward to seeing you on the field next year.

TEAM REPORT

Another great season! We improved so much from last year, we had a nice winning streak at the end of the season. Our confidence and skill levels continue to grow with every game and training session. Don't think we'll ever forget this season with that home game played in the pouring rain and mud.

Looking forward to next year!

PLAYER PROFILES

MAX GELLIE

A quiet player who is proud to be part of the team, Max was always keen for training. He found a good spot in dummy half. With consistent practice Max will become the player he wants to be. Good effort Max.

MASON FRY-DANIELS

Mason really found his position this year, confidently and competently taking up the role of first receiver. He is a nice kid, with a polite and good attitude for training and the games. Well done Mason on another season of growth and development.

CHASE LAKER

Chase is a new player to the club, he fitted in well with the team. Chase was always keen to play, have a run and be on the field as part of the team. He established a good set of skills and I can't wait to see how much further he can develop next season. Good effort Chase.

DEACON ANNESLEY

Deacon is a good player, who always runs as hard as he can. He was happy to be part of the team, take his run and put his body on the line to tackle. Deacon was a happy team member who turned up keen and always listened well at training. Great effort Deacon.

Our confidence and skill levels continue to grow with every game and training session. Don't think we'll ever forget this season with that home game played in the pouring rain and mud.

BYRON RICHMOND

Byron is a fantastic player, who has continued to be a force. He runs well, tackles well and showed leadership this season. He is a strong, keen, polite player who understands the game and learnt how to organise his team around him. Another great season, well done Byron.

CORBIN EARNSHAW

Corbin is a great player who has realised his potential this season in running hard and fast to get the ball over the line. He was a valuable member of the team. Good work Corby.

STORM SIMONSEN

Storm started the season really strong and keen. We had a few tough games in there which slightly dampened his spirits but he was a great little runner and tackler. I can only imagine how much further he would have developed if it was a full season. Good luck next year.

NATE WOOD

Nate is a zippy little player, hard to catch in attack and also for his size he really puts his body on the line in defence. Great tackler. Good effort this season Nate, looking forward to see what you can do next year.

HAYDEN WHITNEY

Haydo is a keen player who really stepped up in the back half of the season in both tackling and running. He realised his strength and potential as a player. He developed so much this season it was a pleasure to watch. Hope the next season starts off as strong as this one finished. Good effort Haydo.

HUGH MCBRIDE

Hugh was always the first off the line in defence, he ran as hard as he could every time, keen and ready. Hugh had some great moments this season, he is a friendly player who loved being part of the team. Great work Hugh.

KAIDEN STEVENS

Kaiden is a keen player who was small but mighty, keen to get involved and tackle in defence. Kaiden ran hard, quite elusive and had a good season overall. Kaiden was always ready to train and play. Well done Kaiden.

MONTY JONES

Monty loved to tackle, get involved and get dirty. He found his strength at the end of the season in running as well and used his skills to power through the opposition. Good development this year Monty, can't wait to see what happens next year.

TEAM REPORT

Our season this year started off with a few minor hiccups, however the boys hung in there and pulled their season together as weeks continued. As the weeks went on, the boys started to gel together and that really showed on the footy field. I am very proud of how the boys overcame some adversity and really looked after each other on the footy field. I would like to thank Lauren, Mat and Matt for helping with the management and training this year, without them there is no organisation for the year. To the parents, thank you turning up for the team throughout the season, there were a few close games there which definitely kept us all on the edge of our seat. Thank you again for putting your hand up and volunteering week in week out with canteen and ground duties.

PLAYER PROFILES

HAYDEN GIBBS

Hayden "Stix" Gibbs, what an awesome season you had mate. Watching you develop into the footy player you have become this season has been so good to watch! You encouraged everyone on the team, always tried hard and put in the effort when making tackles. Good job this season Stix, hope to see you back next year and lose the mullet!

GUS GURNEY

Gussy! First year coaching you this season and what an absolute pleasure that has been. Your tackling this season has been an inspiration to watch to the other players on the team. Whenever there was a bigger kid on the opposite team, you put your hand up to the task and took it on head on! And who could forget that dart out of dummy half to put us in front! Great work this season Gussy, keep up the hard work!

I am very proud of how the boys overcame some adversity and really looked after each other on the footy field.

ZOLTAN KERTES

Zoli...one half of our bash brothers in our team! It has been an absolute pleasure coaching you and watching you develop this season. Your barnstorming runs and blistering tackles this season helped the boys get through some tough times on the park, keep up the work and see you next year!

JOSHUA LONG

Josh! What an energiser bunny you are mate! You are nonstop and the way you compete is second to none! You have good vision for the game and the way you back and play for your team is outstanding! Cant wait to see you tear it up again next season!

HAYDEN MAGUIRE

Hay Hay, the other half to our bash brothers. Your running, tackling and aggression this season was something to watch which kept us on the edge of our seats! Who could forget that match winning tr against De La! It has been a pleasure having you this season, see you next year!

CHASE MASTERS

Chasey! What a season you had mate, wasn't the best start with the finger injury and the boys most certainly missed you! When you came back though, on fire! I am sure the boys were glad to see you back! But what a player you have become, zero fear and willing to take on the challenge! Good job this year! Hope to see you back next year!

OWEN PROBERT

O, what a little fire brand! To watch you progress through the season and pick up your tackling game was pleasing and good to watch. You were given the assignment of making those hits and you did them. You took the challenge head on, and it was good to watch! Keep your head up and keep up the good work on and off the field! See you rip and tear next year!

KOBE ROCK

Kobes, fastest kid in the 9's! Watching you dart out of dummy half and have those runs really lifted the team and it was such a proud moment to watch! Always a smile on your face and always willing to put the team first! Good season son! Next year, put the pedal to the metal and burn the opposition!

TOBY STAPLES

Tobes, our captain for the season. I only just found out it was your second season in league but let me tell you that no one would have guessed. The nagle you have in your game and the protect your team attitude goes a long way in this sport and you will no doubt become a great footy player! Thanks for leading the team this season Captain! Good job and hope to see you next year.

AUSTEN TOWNSEND

Little Austen! Little in size, big in heart! What an amazing season you had this year. You never gave up and you put in the effort 10 times out of 10. You were the littlest bloke on the field taking on the monsters and you dropped em! What an effort! Good job this season and cant wait to see you next season!

TEAM REPORT

The 2022 season for this team had it all.

From our very first game against Como I knew that we had the potential to be one of the top teams in our division.

The stops & starts through the middle of the season with the wet weather cost us a bit of momentum but we sure came home with a wet sail at the back end of season.

The games the boys put together against Bosco in game 1, Aquinas & Gynea at Shark Park under lights are absolute highlights in my coaching career and testament to how good of a team these boys are.

Massive thanks to Travis & Sarah for all the work you put in and how much you helped me out.

PLAYER PROFILES

SAMUEL BARTLETT

“Weapon” is the best description of Sammy on the footy field, a true crowd favourite. The way Sammy lifts & inspires his teammates with his ferocious defence is beautiful to watch.

Pleasure to coach you Sammy.

NASH DRURY

Try scoring machine. Nash showed his ability to find the try line instantly. Once we honed Nash’s defensive technique it was very rewarding to watch such a well rounded footy player contribute to this team week in week out.

True sportsman Nashy.

HUDSON TAYLOR

Mr consistent. There was no doubt Hudson would make his presence on the field felt in both attack & defence. That thick frame & tough head had the opposition weary when attacking & defending.

Built for footy Hudson.

The games the boys put together against Bosco in game 1, Aquinas & Gymea at Shark Park under lights are absolute highlights in my coaching career and testament to how good of a team these boys are.

ALEX VAN ULDEN

The most dominant defensive player in the team. Mad Man Alex's domination from marker set a bench mark for all to follow. To single handedly rattle teams from this position was beyond impressive to watch.

First receivers have nightmares about Alex.

NATHANIEL (NATE) CALDWELL

A new addition to the club and what an asset. Not only playing at a new club but directing our team around from first receiver. Nate is a natural leader & footy player. Nate's kicking skills are well beyond his years and set a platform for our team to follow.

Thanks for your contribution Nate.

TAYDEN ROSS

Awesome to see Tayden find his place in this team and absolutely excel in every aspect out on the field, whether it was beautiful leg chopping cover defence on opposition twice his size or his carefully timed dashes to the try line Tayden was always there when his team needed him most.

You're a crowd favourite Tayden.

ARCHIE PARKER

Wrecking Ball should be Archie's middle name, not only the hardest & straightest running "bopper" in our team but the whole comp. Our most valuable asset in the team.

Best season yet Archie.

(MAD) MAX DAY

One of my all time favourites, our most reliable & consistent player on the field. Max plays every game with the grit and determination of a professional.

Love your work Mad Max.

KAIUS SAUVAN

Kaius was one of our new players to join us this season & he took no time at all to find his place. Kaius was 100% effort, 100% of the time. The improvement in all aspects of Kaius's game this year was very rewarding to watch.

You're a savage Kaius.

ZACHARY DUVENHAGE

Very first season of footy for Zac & a season to be very impressed with. Zac was very eager to improve and took on board all directions from the coaching staff to become a very dominant "Bopper". To see Zac's self belief increase as much as it did made me super proud as a coach.

Keep playing footy Zac.

NATE PHILLIPS

An absolute excitement machine to watch out on the footy field. Nate gives away plenty in size but this doesn't stop him bagging plenty of tries & displaying phenomenal defensive efforts.

A true footy player through & through Nate.

TEAM REPORT

What a year! In the beginning we weren't sure how we would go but the team never gave up and that showed from the first training session. We had clashing personalities and big hearts which saw many fights ending up on the floor at training between teammates but always ending in a hug. The team left everything they had out there on the field every game and I couldn't be prouder!

Thank you to all the kids for participating and trying their hardest at everything we did this year. You guys made it further than we all could have imagined only narrowly missing out on a grand final by one game and only beaten by a team who played amazing all year. You all are terrific footy players in your own way and played terrifically as a team and I commend you on all of our achievements this year and hope it only makes you hungrier for next season!

Thank you to the parents for being a great cheer squad at every game and sitting through the horrendous rain and cold throughout the year. Thank you to then Engadine Dragons for a Tremendous year as well.

Onwards and upwards for next season and I hope you all enjoyed this season as much as I did!

Cheers, Coach

PLAYER PROFILES

ARCHIE RICHARDS

The big fella poured his heart and soul into every game and training session. Although being quiet he was not silent on the field with lots of storming runs sees him impossible to tackle one on one and his determination to make every tackle he could. True to the name gentle giant Archie is a great kid with plenty more to prove in the coming years of his football journey.

BRODIE ANNAKIN

Brodie bounced from soccer to football this year but made the main sport a priority and it showed in his ability on the field. A quick kid seeing him score many tries from great lengths and by far the strongest of the team. Thank you "Hamish" for your hilarious personality and a great year!

BRODY AMOS

Brody is a tough kid. He looks small and frail but never quits and is not afraid to get amongst it. Brody had a fantastic year with his charming personality and quick wit! I encourage Brody to keep pushing in his football career as with a heart like his Brody's future will be full of success!

FINN BURKE

Little Finny! Never quit on the field although chose not to train most of the time. He put all he could into every game and developed more and more as the year progressed. He shows great potential when an award for a good run is in place but don't let that fool you because I haven't seen a tougher kid!

FLYNN BULTS

The silent assassin! Perfect tackling technique proven to be unteachable. His natural ability to bend down and chop all opposition players in half made him a terrific asset to the team. I could watch him tackle all day! Brilliant year and big future ahead!

IMOGEN PALMER

The gun! Talent is written all over her. The only girl in our team and proved to be tougher than all the boys. Her feisty personality proved to be her strength with her tackling ability and running ability seeing her score almost every time! Fantastic year from Immy!

JAYSE KIELLOR

My youngest cousin with the flaming red hair. He shows heart, determination and grit in everything he did! Possibly the biggest personality of the team and the best dance moves. His positive attitude towards everything allowed the team to smile through every game and training session!

KURT PEDERSEN

The step to stop all steps! Kurt showed enough passion for all the kids in the team and stepped up at the big times to make multiple runs and score lengthy tries! His natural act to kick a ball whether it be in general play or for a goal was second to none! Strongly encourage Kurt to stay committed to the sport.

KAI WOOD

Kai has the best footy brain of them all, scoring multiple tries this year by jumping out of dummy half at the perfect times! He never missed a pass and always had his target set out in defence. Terrific young player who had an outstanding year!

JETT SCHONBUCHER

You wouldn't believe this was Jett's first year of rugby league. He tackled anything that moved including his own teammates sometimes! He ended the year in fashion scoring multiple tries and making multiple tackles a game. Looking forward to seeing his growth and development!

WILLIAM HIGLEY

The fastest player in the team. He could outrun anyone and proved so game after game, he earned himself too many tries to count this year nearly always coming in three's! Will is a future star and definitely a pleasure to coach with bright and bubbly personality!

Thankyou to the parents for being a great cheer squad at every game and sitting through the horrendous rain and cold throughout the year. Thankyou to then Engadine Dragons for a Tremendous year.

TEAM REPORT

2022 U10A Grand Finalist, This team had a great year of footy and to make the Grand Final was an awesome achievement.

Their first experience on the bigger field brought the opportunity to bring new players into the team. It took a few weeks to work out where everyone fit but once they did this team went to another level.

Each week this team trained hard and learnt to play as a team. The second half of the season the boys were on a mission. Their defence was incredible, working together there was no way through for the opposition. In attack our big boys would start the sets with our one, two punch and our Ferraris would break teams open scoring some memorable tries.

Come the finals our boys were at their best. From sideline to sideline they relied on each other and delivered for each other. The physicality of the games were intense. When the games got tough our boys got bigger, not giving an inch to any team.

I could not be prouder of the boys and to be apart of this team. We'll be back next year. Well done Legends.

Thank you Kempy for coaching the team with me this year. Having you out there with the boys was awesome. Thank you

On behalf of the team, Thank you Shannon our manager for looking after us all. There's so much that goes into the role and we all appreciate the time you give us.

To all the parents thank you for the opportunity to coach your sons its been a privilege and a lot of fun. Our sidelines are always full of support and some big voices to keep the refs on point. Thank you.

PLAYER PROFILES

JAKE ANDERSON

Jake was a new addition to the team this year and slotted straight in. Jakes the perfect winger, when players would try and go around us, Jake would shut them down. He didn't shy away from the contact coming in for runs throughout the game, with great footwork he would break tackles and gain extra meters.

Love your work Jake.

TATE BLACKWELL

Tate is a tough footy player who breaks tackles for fun. His speed and strength allows him to dominate teams with and without the ball. Tate bumps off tacklers leaving them behind with every run. His energy in defence is second to none, Tate shoots off the line leading our line speed and cuts players in half all game. Tate can also kick a goal from anywhere.

You're a champion Tate.

HUNTER COOK

Another new comer to the team. Hunter loves footy. I don't think I have ever seen Hunter without a footy and tee in his hand. When Hunter is on the field he does it all. With the ball he steps and breaks tackles and in defence he gets through a tonne of work. Due to injury Hunter had a shortened season. Can't wait for next year.

You're a Legend Hunter.

BANJO CHAPMAN

Another new team member, Banjo was an awesome addition. Playing in the middle it never mattered how physical a game got Banjo would put his hand up to take a tough run. His defence was solid, moving up and making his tackles. We love having you out there.

Well done Banjo.

BEAU ELIAS

Beau is such a great footy player. With each week Beaus footy got stronger, becoming rock solid in the middle. Beaus a strong ball runner often dragging defenders as he takes the tough carries. His defence was excellent this year standing shoulder to shoulder with the forwards crunching anyone that came near him.

Awesome year Beau.

KNOX GORDON

Any good footy team needs a Ferrari and we have one. Knox is a dangerous footy player who can break a game open from anywhere on the field. At Dummy half he gets us rolling with his strong passing and when he decides to run its brilliant to watch. Knox steps, weaves and when he finds a gap he is through it with lightning pace scoring try's from anywhere on the park. His defence was great this year not just making his tackles in the line but using his speed when cover tackles were needed.

You're a Legend Knox.

FINN GRINHAM

Finns first year in the A's and he slotted straight in. Finns a real talent who can play anywhere on the field. He has great natural ability and silky skills. Finns an excellent ball player and when he wore the vest he played brilliantly. He also developed his defensive game this year and was huge for the team making big tackles and lots of them.

Love your work Finn.

KADE INGLIS

Kade is big, strong and fast. Kids in the comp have nightmares about Kade charging at them. His attack went to another level this year. His running, passing and pinpoint kicking game is elite. His ability to bump off defenders breaking multiple tackles to score is awesome. In defence Kades rock solid, getting through a tonne of work. When we needed he would make some bone rattling tackles that would change the momentum of the game.

You're a champion Kade.

JACK KEMP

Kempy is Mr reliable and does anything for the team. He's one of the best one on one tacklers in the comp, he'll chop anyone down. Kempy's a smart footballer and leads the team around the park. His fitness and ability to be everywhere in both attack and defence is brilliant. He scored crucial try's in tight games this year.

You're awesome Kempy.

2022 U10A Grand Finalist, this team had a great year of footy and to make the Grand Final was an awesome achievement.

GRAND FINALISTS

WAKELEY LANHAM

Wakeley is one tough kid. It never mattered how physical a game got, Wakeley was in the middle of it. His defence is solid, Wakeley's "hit and stick" is up there with the best and really secured our edge defence as the season went on. Wakeley loves coming in and having a run stepping defenders and breaking tackles.

Great year Wakeley.

JAMIE NISBET

Jamie possesses so much natural talent but also works hard to get better all season. Jamie played multiple roles this year and played the second half of the season at fullback. Once he learnt the position he was unstoppable. He reads opposition attack brilliantly and gets himself into position to shut down attacking raids. His kick returns are fast and physical always beating the first defenders and throughout the year running the length to score. Jamie loves getting in the line on the early tackles and putting some big shots on. We love having you back there Jamie.

Well done Champ.

HARRISON NISBET

"The People's Champ". Every footy team needs a character like Harry. Harry played his best footy this year which was scary for the opposition. With his size and strength backed by a healthy aggression Harry was hard to stop. He used his palming well this year pushing off tackles making meters every run. Defensively Harry made some game changing tackles, imposing his strength on the game. What a season.

Well done Harry.

SAMUEL POWELL

The Powell family have produced club legends in recent years and Sammy is another great Powell. Sammy played in the halves this year and was brilliant. His show and go is the best and lead to multiple game winning try's. His kicking game is elite achieving dropouts and try's every game. Sammy's got a big motor getting through a heap of defensive work for the team. A breakout season for Sammy.

Well done Champion.

CAYLEN RANDALL

Another new addition to the team, Caylen had an awesome year. Caylen might be small but he plays like a giant. Defending on the edge, when teams tried to go round us Caylen would jam in and crunch teams all year. Our team had a strong kicking game and Caylen would always lead the kick chase pinning the opposition in their half. In attack his ability to bump off tacklers and get into space is brilliant.

Keep it up Caylen your awesome.

KNOX STARR

Knox had his best year of footy this season and his physicality was huge. He would get our sets started with a tough run. Knox runs the ball hard with great line speed and footwork it would take 3 and 4 defenders to bring him down. In defence Knox gets up off the line and tackles hard stopping the opposition in their tracks. His extra efforts were a new addition to his game this year, often scrambling to make cover tackles when the team needed. Huge season Knoxy.

You're a legend.

TEAM REPORT

Premiers 2022! What a sensational season by these little legends!

There were many challenges in 2022, moving to the bigger field, a massive squad, a mixture of two teams that hadn't played together, a new coaching combination and all the disruptions due to the weather. But these boys took everything in their stride, they showed a great attitude to learning and great comradery. The progression from game one, to winning the Minor Premiership and Grand Final is something they should all be very proud of!

The final series was something to behold. The boys understood the magnitude of the situation and watching them lift to new levels of effort and application is something I won't forget. They were dominant in the semi but had to do it the hard way in the GF. In atrocious conditions and down 6-0, 12-6, and 18-12 they showed great courage to keep fighting to win a thriller 28-22 in extra time.

A massive thank you to Mitch Osborne for all your help this year. Your knowledge, commitment at training and on game day and co-operation throughout the year was invaluable.

Thank you Janna once again for keeping the team and I organised. You are worth your weight in gold!

Congratulations Boys on an outstanding year! Up the Dragons!

PLAYER PROFILES

KOBY CHAPMAN

Koby is big, strong and a popular member of the team. Koby is great passing technique, silky smooth hands and is our go-to man for goal-kicking. Koby had a great game when given the opportunity at First Receiver showing good organisational skills. Koby is an intimidating figure for opposition teams and with continued work on speed, fitness and belief in his strength I have no doubt Koby will start to realise his potential. Koby finished off a good season kicking a crucial goal in the Grand Final. Good Job Koby!

ARCHIE DUCKETT

Big, strong and deceptively fast, Big A is built for Rugby League and has great potential. The mission this year was to make him believe it. The turning point was halfway through the season, last man standing in bullrush, he crashed through and carried the whole team over the line. Big A's ability to get over the ad line to start our sets was crucial to our success and his defence improved greatly through the year. Archie was our Most Improved player this year capping it off with a crucial try in the GF! Well Done Big A!

ARCHER DUNN

With good footwork and hands Archie just loves his footy. Little A impressed me with his passing and his tricks and flicks at training and thrived when given opportunities at dummy half and first receiver including scoring a cracking try. Archie showed me his defensive capabilities at training and lifted with team in the GF with some good defensive efforts. Little A was a pleasure to coach and with continued work on speed and strength will develop into a great asset to the Dragons for years to come! Well done Little A!

BLAKE EISENHUTH

This was Blake's first year of Rugby League and what a year it was. Blake is Athletic, strong and elusive. Blake undoubtedly had some of our defensive highlights of the year, flying out of the line like a heat seeking missile and crunching opposition. In doing so he lifted the players around him to do the same. Blake played Wing during the finals to help stop teams running around us and he did an outstanding job as well as chasing hard to score a great try from a kick. I look forward to seeing Blake progress next year. Awesome Job Blake!

LIAM FOURIE

I have been Liam's coach now for 6 years and just waiting for the time to give him a specific role in the team. Liam was tasked with playing in the middle and taking the first hit up of every set and boy did he deliver. Liam is big, strong and with a powerful fend consistently got us on the front foot in 2022. Liam's commitment to defence improved out of sight this year and even managed a few big hits! Liam proved himself as a big game player as Man of the Match in the grand final with some strong runs and a memorable cover tackle on Como's fastest player. Well done Liam!

RAFFERTY GALLAGHER

Raff is fast and strong and consistently plays above his weight. Raff's defence improved markedly in 2022 and he was not afraid to mix it with the big boys. He showcased his speed with some great cover defence including a sensational 70 metre try saver. Raff was outstanding in the finals, consistently getting us on the front foot with strong straight runs, fast play the balls and no mistakes. The final play of the Grand Final, up 28-22 in extra time Como kicked long and Raff won the race to the ball in one last wet, splashing effort capping off a fantastic season. Great work Raff!

THOMAS HALL

Turbo Tom was an absolute standout this season. Tom's size, speed and strength made him an absolute nightmare for the opposition. Despite his ability, Tom remained humble and was always willing to step back and do whatever was asked of him for the team. Tom could play several positions but found a home at First Receiver showing great organisation and leadership. I can't remember Tom missing a tackle and often made 2 or 3 in a row. Tom had many highlights but none better than his cracking try in the GF. Outstanding Season Tom!

WILLIAM HEWITT

Will had a terrific 2022 season. He is fast and elusive and really started to enjoy his footy this year. Will is a great character, he is the guy that every team needs. Will was our post-try celebration co-ordinator bringing many laughs along the way! Will was willing to play any position and had an awesome game when given an opportunity at First Receiver. I was really pleased to see Will's attitude in the finals, he showed determination, a real commitment to contact and should be very proud of his contribution to the team. Great work Will!

LACHLAN INNES KANE

Lachlan loves his footy and was our Mr Consistency this year. Lachlan led from the front applying himself to every aspect of the game. Lachlan is a keen defender and strong ball runner but I was most impressed with his leadership and talk on the field. Lachlan played his best games at Dummy Half and First Receiver but was willing and able to play any position and play them well. Lachlan is a keen learner and a team full of Lachlans' would be a coach's dream. I look forward to seeing Lachlan's progression and believe he will be an asset to any team he plays in. Fantastic Season!

LUCAS LIGHT

You don't win competitions in any division without a few star players. Lucas was exactly that! Big, strong and fast, Lucas was our enforcer in every part of the game. Lucas made breaks and scored tries at will, but I was most impressed by his defence, he hits hard with great technique and saved as many tries as he scored with outstanding cover defence. Lucas loves his Rugby League and I'm looking forward to seeing his progression in the next few years. Outstanding season Lucas!

MITCHELL MEREDITH

Mitch is quick, deceptively strong and can sniff out a try from anywhere. Mitch made Dummy Half his own in 2022 with good service and some electrifying runs. Mitch was given some goals defensively throughout the year and he improved out of sight, culminating in the finals where he did not take a backward step. Mitch's highlights were definitely with the ball in hand though and certainly got the coach's heart racing with a memorable long range double tiptoeing down the side line. Terrific season Mitch!

WILL MUNRO

Will started the season well at training showing natural athleticism and took that in to game one with some strong carries. Will has good speed, footwork and strength and had a very good defensive game against De La mid-season. With more consistent focus and commitment to training I believe Will could develop into a good player over the next few years. Unfortunately, Will missed the back half of the year but sat on the bench in the GF where his enthusiasm for the team and joy in the team's victory was great to see. Well done Will.

MAX OSBORNE

Max is fast, elusive and started to show some great vision as the year went on. Max loves his Rugby League and proved his worth being able to play several positions. Max built an impressive highlight reel and was one of our top try scorers, breaking a few ankles along the way. As one of our smaller players I was impressed by Max's commitment to defence and improvement through the year. Max capped off a brilliant season by alternating between First Receiver and Fullback in the finals guiding the team around and setting up a great try from a kick in the Grand Final. Fantastic Season Max!

JETT SULLIVAN

Jett came back this year bigger, stronger and faster than last year. Jett impressed me at the start of the season often proving to be a handful for his teammates at training. Jett carried that form into the season with strong running and improving defence. Jett played very well when given an opportunity at Dummy Half and after learning some new techniques at training pulled off one of tackles of year with a perfectly placed rib tickler! Jett was given the responsibility of defending our edges in the finals and did a great job. Well done Jett!

JAXTON STEVENS

Jaxton was a revelation in his first year of Rugby League. Jaxton is fast, strong and fearless. Jaxton had plenty to learn when he first joined the team, but he has something you can't teach, a commitment to the physical side of the game. Jaxton was one of our strongest runners and was handful for the opposition. Jaxton's tackling improved throughout the year, performing very well in training drills and started to transfer that to game day. His season was cut short with a broken hand but as a true team man was as excited as anyone when we won the GF. Terrific season Jaxton!

MAX TAUEKI

Max really came of age this year and was close to our most improved player in 2022. Max loves his footy and really improved his understanding and reading of the game this year. Max played just about every position this year and played a great game at dummy half. Max showed his coachability when showed a 'palming' drill at training. He took it into game day in the semi-final and incorporated it into two cracking tries and his best game of the year! With continued work on speed and strength Max will be a great player for the dragons for years to come. Great season Max!

“ The progression from game one, to winning the Minor Premiership and Grand Final is something they should all be very proud of!

TEAM REPORT

After a few years of headaches we finally got to welcome the 2022 footy season albeit a tad late. With 3 teams last year down to 2 teams this year we had quite a few new faces across our team and the 17 boys immediately gelled well together for the season to get underway.

Our season this year was a bit of a tough one managing new positions, faces, skill levels and oppositions but overall, we had some good solid games that left us plenty to take away and grow from.

The thing I am incredibly proud of though, is the effort that all the boys put in throughout the season. Nothing short of 100% and that's all that we can ever ask for. Win, lose or draw I hope the boys had an enjoyable year and are all keen to do it all again in 2023 bigger and better.

On behalf of April, Joel, Brett we would like to thank all the parents for the help, patience and time over the year and we look forward to doing it all again next season.

Congratulations again to the boys on their hard work throughout the year.

Scott

PLAYER PROFILES

OTIS HARRIS

This year Otis has really stepped up his game with some fantastic runs and strong, gritty defence. Otis has rekindled his love for the game this year and this has definitely showed in several performances. Otis has continued to grow his game throughout year and has taken a massive step forward this season. 7yrs in and looking forward to many more seasons to come. Keep up the great work!

MAX BAYLISS

Another 7yr veteran of the Dragons Max continues to be the centre of defence for our team. Max continues to put his body on the line time and time again producing some fantastic try saving defence and is certainly the enforcer in our team. Max is always trying to rally the team in victory or defeat and is a valued and dedicated member of his footy team. Another solid effort this year mate, well done!

LEWIS ARNOLD

Lewis continues to lead from the front and is another player that continually gives his all every time he takes the field. Lewis has fantastic natural talent and has been learning this year how to create try's as well as score them. As one of our full time half backs, Lewis has been an asset in all facets of the game this year. Another fantastic season, looking forward to next year, well done on another great year.

ISAAC STEWART

Isaac has also had another wonderful season. His intuition from the hooker position is getting stronger each game with Isaac scoring some fantastic try's this year as well as gaining valuable meters throughout the year. Backed up with some excellent defensive efforts, Isaac has proven himself again to be a key member of our team. With increase focus at training, Isaac will have a very bright future in the game. Great year mate, well done!

LEVI JONES

This kid just never ceases to amaze me! He has the ability to fill multiple roles on the field in the dummy half and first receiver jersey combined with some great attack and some of the best pound for pound defence on the field. Levi never shys away from a challenge and with ball in hand his foot work, team mentality and vision for the game make Levi a key contributor and valuable asset to our team. Can't wait to see what you bring to the field next year, great efforts.

JACK BELL

Jack has taken some great steps forward and really got behind himself in his footy this year. Through his hard work, dedication to training and ability to keep bouncing back up, Jack has really stood up in his defensive efforts this year. Jack is always giving 100% and has cemented himself as a valuable team member. Always a pleasure to have Jack around and cant wait to see what he can bring next year. Solid effort mate!

KOBE RARE

Kobe is another long serving member of our club and has been a valued member of the team for many years. Kobe has had some brilliant games this year and when he backs himself he can produce some awesome results. Kobe has had some great involvement in attack also with great hands and the ability to keep the ball alive. With increased confidence and time with the ball in his hands Kobe will continue to grow as an all-round player. Great efforts again mate!

JOSHUA WILSON

This was Josh's first season of footy and what a welcome addition he was! After joining the team to play with his mates, Josh quickly adapted to the game and showed what he was capable of early on. Josh unfortunately didn't get as many games in this year as we all would have liked, but with what we saw in both solid defence and his speed in attack we cant wait to see what he brings next year. A fantastic first season and introduction to Rugby League!

FLYNN LETTON

Flynn has been a welcome addition to the team this year bringing some much needed assistance to the middle of the field. Flynn also did not get as much game time this year as hoped but in terms of effort, he certainly made up for his missed games. Every time something was asked of him, he delivered! Flynn has bucket loads of potential and with plenty of dedication next year I think he may even surprise himself! Keep up the great work!

TALAN JOHNSON

This kid has speed to burn! When Talan turns up to play, boy does he play! Talan can be so devastating with the ball and can pull out some brilliant defence also. For Talan to be at his devastating best he needs to want the ball and back his abilities. Confidence for Talan is key and with good consistent results I reckon its only just around the corner. Great efforts this year, keep up the good work.

MAX WOOLDRIDGE

Max knows how to play to his strengths and use his speed and centre of gravity to his advantage. With deceptive speed and footwork, Little Maxy as he is affectionately known is another member of our team that always puts in 100% with his best foot forward both on game day and at training. Staying keen to get his hands on the ball with keep growing Max's skills to become a really great little footy player. Great year mate, well done.

CURTIS JOHNSON

This year Curtis also filled the role of first receiver and supported his team very well. Curtis has some fantastic speed and footwork when he doesn't try to attack the ruck area and get bogged down. Curtis is always keen to be involved and willing to give anything a go. A solid effort this season and look forward to seeing Curtis improve over the coming years. Keep it up mate!

LACHLAN LEWIS

Lachlan's analytics of the game and training sessions are priceless! Every training session and each game day, Lachlan would listen and do his best to apply everything that we asked of the team. Many a time he would be holding with wing as asked, calling for support, and providing his team with good feedback. With fantastic resilience and a true team player, Lachlan shows us what the game is all about. Keep up the great efforts!

LACHLAN SCHOFIELD

This kid has bucket loads of potential! Quite on the field and at training, when Lachlan decides to really get into the game he really gives us some glimpses of the great little footy player he is. Quick with the ball in hand and some good solid defence efforts makes Lachlan an asset to the team. Confidence is key for Lachlan's game to grow into the future. Back yourself mate, looking forward to seeing your back on the field next year, well done!

BEAU PERRY

Beau is our junior coach in the making! Beau's attention at training, on game day and the effort he makes to put everything he has learned into practice is second to none! Talking on the field and in the huddles, providing his team with feedback and suggestions was very impressive to see and shows a true team player. Beau has some fantastic underlying abilities that are starting to show and with traits like these, he has many, many years of successful footy to come. Awesome job mate, keep up the hard work and can't wait till next season.

SEAN SMITH

Sean's efforts this year have seen some really good improvement over the course of the season. Sean always made an effort at training putting in 100% and when he remembered his boots he made every effort to show us what he had learned. A bit more time working on his passing and catching will really assist his natural speed and allow his game to flow. Great effort this year mate, keep it up!

RYAN WALKER

Ryan joined our team a little later in the season and was warmly welcomed by all the boys. Ryan has some real natural speed and foot work at his disposal and watching him learn when and how to use these traits in the future will be exciting times. A little more attention at training will certainly help develop his natural abilities and allow him to show us what he is capable of. Big year next year mate, looking forward to showing us what you can really do.

The thing I am incredibly proud of though, is the effort that all the boys put in throughout the season. Nothing short of 100% and that's all that we can ever ask for.

TEAM REPORT

2022 was a year of progression for this team. With only half of the team having played together previously, and barely a game won the last few years, they had a lot to learn.

At the start of the season the boys all committed to each other and to improving their skills as a team. They did this by attending training in the rain and the cold, often fighting for field time with the senior grades. We could not have had a better group of boys to train this year. It was a pleasure to coach them and we hope to see each one return.

With a few ups and downs along the way, this team continued to improve all season culminating in a great win against the only undefeated team going into the final round. Without a doubt this was the highlight of the year.

Unfortunately, the boys season fell short losing in the last 3 minutes of the semis. As coaches we could not have been any prouder of this group of players. They forged a tight bond throughout the year with their hard work, commitment and respect towards each other.

Hopefully the boys enjoyed the season as much as we did and return together next season better and stronger to bring home the trophy.

The boys forged a tight bond throughout the year with their hard work, commitment and respect towards each other.

PLAYER PROFILES

LOGAN AMOS

He was one of the most committed trainers this year and that showed in games. He was an excellent defender and always competed in everything that he did on the field.

AUSTIN DABIN

After missing two seasons of football, he showed dedication to improving both defence and attack. He only missed one training session all year. The difference between his first game and last game was reflected by his commitment and passion for the game.

JAKOB DUVENHAGE

Jakob was our Mr versatility. He played in the 2nd row, centre and fullback with ease. He was as tough as they come playing with injury through the season. He was attentive at training and has plenty of potential.

DASH EARNSHAW

Dash has great speed and size which makes him a devastating runner of the ball. The most impressive improvement in Dash was his defence which improved dramatically toward the end of the season. His 10 minute effort to close out the game against Gymea highlighted what he can do.

JAX HAMER

From the very first training session we knew Jax had great skill and ability with the ball. He showed a good footy brain during the season which culminated in him being an integral part of our attack. He easily transitioned between full back and 5/8 which should hold well for 13 a side next year.

BILLY HARRISON

During games Billy is fearless, tenacious and uncompromising in both defence and attack. He has great natural ability to read where the ball will be and attack that area. He has the skill to play anywhere from wing, centre, 2nd row and dummy half.

JACK HIGLEY

Jack learnt a lot this year playing predominantly as a first receiver. His commitment to training really helped him grow in the role throughout the year to become a dependable distributor of the ball. There is plenty of potential in Jack in coming years.

LIAM MIDDENDORF

Liam was chosen as our captain at the start of the year due to his high level of training and maturity. He was initially reluctant to be the captain, however, he grew into the role throughout the season becoming highly respected by his teammates. The belief of his mates elevated his level of play substantially throughout the year. He became an unstoppable force when running the ball.

KOBI PHILLIPS

Kobi quickly found his feet in the team and as his confidence and belief in himself grew his footy continued to improve. Kobi had a good season and with increase game consistency and ball work, next year will be an exciting one.

SETH PHILLIPS

This kid is one of the nicest young kids we have met. Seth has no idea how good he is or how good he can be. He has one of the best tackling techniques we have seen. His commitment to defence saved countless tries this year. He was ever consistent. Seth's highlight reel consists of all the 1%ers.

GABRIEL PINJO SOTO

Gabriel is an enthusiastic kid who really improved dramatically as the season went on thanks to his consistency at training. Gabriel practised his goal kicking which became a valuable asset to the teams result.

NATE SINCLAIR

Nate started the season demolishing opponent's defenders. He was full of charging runs and big hits. Nate was a pleasure to coach and was keen to learn. He was missed later in the season through injury. He was integral to the team and the boys were all so pleased when he came to watch the semi final match. Everyone is wishing Nate a strong recovery and would love to play with him next year.

CARTER STEIN

Carter was the most consistent player all year. He was always dependable as a dummy half and his defence in the middle was second to none. He was probably the most attentive player in all facets of football. Despite his size he played dummy half, front row, 2nd row, centre and wing. He performed in each like it was his natural position. An absolute pleasure to have in the team.

CORBIN TAYLOR

During the year Corbin demonstrated hard relentless tackling and the ability to break the line. He was never afraid to take the tough carries and always made the defenders know they had tackled him. He has enormous potential to be a wrecking ball and dominate games in the 2nd row.

ARCHER WACKWITZ

Archer relished his opportunity at playing first receiver this year. He attentively listened at training and his enthusiasm to improving his craft was demonstrated during games in both organising our attack and his defence.

ARCHIE WHITE

Archie had the unlikely pairing of switching between the wing and front row. His exceptional speed and running style made him a handful in attack both out wide and in the middle. His defence improved through the year with every game he played in the middle.

Back Row: Chace Nisbet, Ryder Lupton
 Middle Row: Shane Struthers (Coach), Austin Highett, Maul Havea, Deakin Struthers, Gareth Lupton (Coach)
 Front Row: Zeplin Saivuan, Dane McKeon, Jack Gurney, Cash Peek, Archie Rosamond-Davis, Corey Hayward, Mitch Bowling
 Absent: Jett Nisbet, Fletcher Ablett, Adam Bachir, Carly Nisbet (Manager)

TEAM REPORT

After a tough year for the boys in 2021 due to COVID the boys were keen and really looking forward to the start of the 2022 season. They committed early to their preseason training and looked ready for a big year. Unfortunately, Mother Nature stepped in and pushed the start of the season back. However, it didn't deter the side as their commitment saw their training continue in the gym, on road runs and ball work in car parks or anywhere we could find a dry patch of grass.

With 3 new additions to the side Dane McKeon, Adam Bachir and the return of Ryder Lupton we were looking strong.

We challenged the boys at the start of the season to make defence a priority and they delivered in bucketloads. With some bruising defence only conceding 42 points in the season. Not only was their defence outstanding but their attack was too. Scoring some fantastic tries throughout the year on their way to achieving 304 points for the season. With these achievements the boys worked their way to their 3rd consecutive Grand Final. I was extremely proud of the boys and their commitment to our team both on Grand Final Day and throughout the entire season. Their "Never Give Up" attitude found our opposition put under pressure at all times.

I would like to Thank Gareth Lupton for coaching the boys with me, Carly Nisbet for her tireless work in keeping us organized and managing the team, Adam Peek and Chris Hayward for their help on game day and Sharleen McKeon for her amazing videos of each game.

Last but not least Thankyou to the parents for their support in getting the boys to training and game day throughout the season.

Thanks boys for such a fantastic year, so proud of every one of you....

Shane

“

We challenged the boys at the start of the season to make defence a priority and they delivered in bucketloads. With some bruising defence only conceding 42 points in the season.

Boys I am so proud of how far you have come this year and all that you have achieved. Shane and I asked a lot of you and each week you delivered, you are the most talented bunch of 12-13 year old's I have seen on the footy field, and I am grateful for this past year being your co coach with Shane, I am looking forward to going 1 step further next year.

Shane, Thanks for welcoming me into the team, I have had a ball this year coaching alongside you, your passion and dedication to the boys is outstanding and cannot be matched. Over the past few years, you have made this team what it is today, and I know the boys have loved having you be their coach.

Carly we would not have a team if it wasn't for you, you organise us all behind the scenes you're the real MVP. Thank you for all your efforts this year.

Gareth

PLAYER PROFILES

FLETCHER ABLETT

Fletcher is a naturally gifted football player. Playing between lock and centre, Fletch always worked hard in defence, often doing the tough stuff in the middle. Fletcher has great tackle technique chopping the opposition off at the legs every time. When Fletcher has the ball in his hand, he will step 1,2,3 defenders, it's fantastic to watch him weave through the opposition in broken play, then turning on his speed scoring some great tries! Congratulations Fletcher, another fantastic season!

ADAM BACHIR

It was Adam's first season with the Engadine Dragons and what an asset he was to our team. With explosive speed and brilliant footwork, Adam was the teams leading try scorer for 2022. Adam played several positions throughout the season- full back, first receiver, 5/8 and centre, naturally adapting to each position on the field. Adam always gave 100% every game and at training. Adam you are an absolute pleasure to coach, a talented football player, and we look forward to seeing you develop into the future!

MITCH BOWLING

Huge improvement from Mitch this season! With a move from the centres into second row, Mitch had some big strong runs resulting in some great tries! In defence, Mitch's one on one tackles stopping the opposition in their tracks was great to see. Mitch's confidence and ability grew every week. We look forward to seeing you continue to improve next season, great work Mitch!

JACK GURNEY

Jacko is a versatile player, mixing it up between the wing and in the forwards. When on the wing, Jacko's hands were safe and made plenty of metres in kick returns and saved many tries with his tough sideline defence. Then when the forwards needed a breather, Jacko moved in putting his hand up for the tough runs. Great season Jacko, well done!

MAUI HAVEA

Playing in a tough position in the front row, when Maui's had the ball in his hands, he was often unstoppable. Big strong runs and post contact metres, Maui always needed multiple defenders to bring him down. He worked hard in defence, and each week his confidence and fitness grew, which in turn had a noticeable improvement in his game. Maui is a great kid, always listened to everything the coaches said, and a pleasure to coach. Maui you have so much potential inside of you, we look forward to you one day unleashing the beast! Well done Maui!

COREY HAYWARD

Corey had a brilliant season. Between playing wing and dummy half, Corey's confidence and ability improved every single week. Corey had safe hands on the wing catching balls on the full and plenty of metres off the kick returns. Then to switch it up in dummy half, it was great to see you learn to read the game and when to put on that lightning speed and scoot, making much needed metres. Often showing disregard for self-preservation in defence, Corey took on kids twice his size! Congratulations on an awesome season Corey!

AUSTIN HIGHTT

Week in and week out its always 100% effort with Aus! Undoubtedly the best dummy half in the competition, his ball service from both left and right is exceptional. Austin's ability to read the play with perfectly timed dummy half scoots targeting lazy defenders and scoring long range tries is brilliant to watch. Aussie is brutal in defence, with dominating one-on-one tackles, often leaving the opposition slow to get to their feet. A worthy recipient of this year's Best and Fairest Award, Congratulations Austin!

RYDER LUPTON

After 5 seasons playing up an age division, it was a welcome return for Ryder. Playing between the halves and centre, Ryder is a fast and skilful football player with a brilliant step for a big-bodied kid. If he wasn't scoring tries himself, he was often setting them up with a beautiful cut out pass or kick through the line. Ryder's hard-hitting defence often rattled the opposition and stopped them in their tracks. Well done Ryder on a fantastic season!

DANE MCKEON

It was Dane's first season with the A's and what an asset he was to the team. Playing both centre and on the wing, Dane has outstanding ball skills and was a handful in attack scoring some brilliant tries. Defensively he was strong, with some memorable one-n-one tackles down his sideline. Dane's work ethic though at both training and during the game was exceptional, a true professional always giving his all and taking on advice from the coaches. It has been an absolute pleasure to coach you this season Dane and looking forward to what next year brings!

CHACE NISBET

Consistency is one of the biggest strengths to rely on as a player, and Chace offers just that! Every week Chace leaves nothing in the tank, with a big workload in both defence and attack. His strong defence though is undoubtedly his biggest asset. Huge hard-hitting tackles and then dominating the play the balls. Chace is feared by the opposition. Such a talented football player. We can't wait to see what next year brings! Brilliant season Chace!

JETT NISBET

When he steps on that field, Jett has more intent and attracts more attention than any other kid on it. Leading from the front, Jett is an absolute powerhouse with big runs and big post contact metres, it's the speed of his play the balls though that does the most damage to the defending line. In defence, no one hits harder than Jett, and is a crowd favourite with his big shots. Jett is a true professional when it comes to training, always giving 100% and encouraging his team mates to do the same. Well done on another superb season Jett!

CASH PEEK

Cash is a great kid to coach! His season unfortunately started slow with a broken finger, but once healed, he quickly found his feet in the fullback position. Always reliable with safe hands and great metres on his kick returns, Cash always beat the first defender setting up perfect field position. When Cash has the ball in his hands, he is just brilliant to watch- super fast and has an unbelievable step! Some of Cash's one-on-one try saving tackles though are most memorable! Fantastic season Cash!

ARCHIE ROSAMOND-DAVIS

Archie, what a great kid! Unfortunately suffering greatly from severs this season, however even through the pain, Archie still gave 100% every training session and game. Always working hard in the forwards with strong carries and hard-earned metres, as well as the tough tackles. Archie your workload did not go unnoticed. Such a pleasure to coach, always taking on advice and implementing it in your game. With a bit of luck your body holds up a little better next year for you. Well done Archie!

ZEPLIN SAUVAN

What a massive improvement in attitude and confidence this season from Zep, and it showed on the field! Always putting in 100% at training and this reflected when it came to game day. Zeplin played several positions this season without complaint. Zep had safe hands and fantastic runs with the ball with a sneaky step and plenty of speed. Solid in defence with great tackling ability. Fantastic effort this season Zeplin, looking forward to seeing you continue to grow as a player next year!

DEAKIN STRUTHERS

Our starting half back, Deakin has the safest hands in the team. The ball would go through his hands the most during a game and his consistency is top notch! Between his fantastic service to the outside backs, to perfect 'pop balls' to the forwards, Deakin had a huge task in leading the team around the field each week with calling and setting up plays and he did this brilliantly. Notability a big improvement in defence this season too! Deakin trained hard all season and it showed on the field. Awesome effort this year Deakin, well done!

I was extremely proud of the boys and their commitment to our team both on Grand Final Day and throughout the entire season.

TEAM REPORT

What a fantastic season 2022 was from our boys! Finishing the regular season in 3rd position and then fighting hard in the finals to make the Grand Final is a very successful season. Unfortunately, we were beaten on the day BUT it is only going to make the boys even more hungry to go all the way next year.

Such a WET season we had. From pre-season to the end of season, I counted 10 different training locations we used, thank you to all the families and boys for being so flexible with our training this year, as at the start of most weeks we were unsure where training would be but nevertheless, wherever training was, we always had 10+ boys turn up ready to rip in.

I do have to apologise for all the extra washing some of the muddier locations created!

We had 5 new boys join our team this year and all were great additions, they fitted in perfectly and were all a big part of our success.

I am so proud of the 'team culture' our boys have, they all work hard for each other and enjoy each other's achievements. There were 2 moments throughout the year that highlighted our team culture best. The first was when Taj, who was new to football this year, scored his first ever try. The boys made sure he felt like a rockstar! The boys who were on the bench even went out there to celebrate with him. The next highlight moment that comes to mind is when Reid, this being his second season in football, he hadn't scored a try yet, so we put together a game plan to do whatever possible to make sure Reid scored. For this to work, the boys had to be selfless, which they were, Reid ran the ball that game more than he had all year and sure enough, he got his try, and the celebration was like we had won the Grand Final.

In fact, in 2022 all 17 players in our team crossed the line to score a try, which is a huge achievement. Even when boys could have scored themselves, they would make sure the whole team felt included and pass the ball to someone else. These are the qualities I have always tried to instil in the boys, not just for football but for life and I hope it will help the boys have great success in the years to come.

I love the way our boys play the game. Always a huge effort in defence and happy to pass the ball around in attack. They work hard at training, and it really showed on game day! It is a pleasure to Coach all of them, especially when you can see how much growth they have all had from the start of the season to the end.

Thanks to Nathan for always helping out with anything that was asked, you made my job all the more easy this year and I really appreciate it.

Thanks to John for being our game day trainer and all the energy you gave the boys before and during the game.

Thanks to Amy for being our Manager, you smashed it and I appreciate all you did to assist me and the team throughout the season.

And lastly, thank you to all the families. All your support throughout the year for the boys and myself was amazing. It was so nice to always hear all the encouragement from the sidelines and positive feedback. Also, for all being so supportive of our team get together, as these are such great nights that hopefully our boys will remember for ever.

Brad Routh

PLAYER PROFILES

COOPER WISDOM

Cooper moved from the wing to fullback for us this year and was outstanding! He ran the ball back from kicks with great purpose, helping the team start our sets in great field position. Cooper was always an option in attack, supporting our halves and always ready for an offload from our forwards. Cooper also made many 1 on 1 tackles and saved countless tries. Great season Cooper and I can't wait to see you keep building on your skills next year.

COBY ANTILLA

Coby is our starting dummy half and had a great season. Over the past 2 seasons Coby has really made this role his own. He supplies great service to our halves, never shy's away from a tackle and really developed his running game this season. Coby has endless energy, playing 40 mins most games in the middle and rarely missing a tackle. Great work Coby and looking forward to seeing even more of that running game next year.

NATE CARR

Nate mainly played backrow for us this season, also helped out in the centres and at dummy half. Nate is another boy in our team who is not huge in structure but does not back away from anything. Nate has a big heart which allows him to play above his size. Nate is another one who works super hard at training, always trying to develop his game. Once revved up Nate is a tackling machine. Keep working hard Nate.

REID COUSINS

Reid joined our team this year up from team 3 and what a great asset he has been for our team. Reid played in the centres for us and is amazing in defence, he was constantly bringing down opposition players who were much bigger than him. Reid also helped out in fullback a few times this year and proved to be a great option for us. Reid scored his first ever try this season and I can only see many more for him next year.

RHYS MATHIESON

Rhys played right wing for us this year, a position he plays very well. Rhys has started running with much more purpose this season. He constantly bumped off the first defender and was a great help to the team with getting us out of our end. Rhys became more confident under the high ball this year and his goal kicking was awesome, he put plenty over cross bar.

With even more confidence next year, I can see Rhys scoring plenty.

WILLIAM LAMBERT

Will is one of our forwards, he is our shortest forward but runs the ball as hard as any forward on the comp! Will was given the nickname BIG RED and by the end of the season he had a cult following. He plays the game with so much passion. He is outstanding in both attack and defence. The way Will plays his footy is infectious. I am forever being asked by spectators 'who is that red head kid?' 'He goes good'. So many fans for BIG RED. The boys all love playing with Will and as a Coach I always felt more confident when Will was on the field. Congrats on another huge season Will!

BAILEN OATES

This was Bay's first season in our team and what a gift he is! A true try scoring machine. He is easily the fastest boy in the comp. I think everyone grew very fond of sitting back and watching Bay do 'his thing' in open space. Bay was constantly getting us out of trouble and is a very popular member of our team. As the season went on, Bay developed even more and become an even more dangerous attacking weapon by taking runs in the middle of the field. I can't wait to watch you again and develop even further next year Bay, who knows how many tries you will score...

TAJ LIDDY

This was Taj's first season of footy. Taj was very raw at the start of the season but worked hard and by the end of the season Taj was training harder than any other boy, he has a great attitude. Taj is a great kid and I really enjoyed helping him develop throughout the season. It was so great to see him so happy when he scored his first try, a moment I am sure he will remember forever. Taj has a real want for contact, always running hard in attack and tackling just as hard. I am really looking forward to seeing Taj continue to develop his skills next year, and I do see a future for him in the front row.

LACHLAN BIRSS

Lochy had many roles for us this season and did a great job at all of them! He played everywhere from backrow to centre to lock to forward to halfback. Whenever I needed Lochy to cover a position he was always happy to do so, showing just how versatile his footy skills are. Great to see Lochy score a hat trick in one of our games this year. Lochy always seems to know where to be in defence, he is a huge part of our defensive line and oppositions feared him. Well done on another solid season Lochy.

PHOENIX SMITH

Phoenix plays lock in the first half of each game, and then dummy half in the second half. He is just as dominant in either role. Phoenix has a great ability to find space in attack, he seems to just swerve through opposition defence, always taking us up the field with his runs. In defence, he hits as hard as anybody in our comp, opposition players rarely run at Phoenix twice. I love watching the way Phoenix plays the game and he always gives 110%. Congratulations on another outstanding season Phoenix.

What a fantastic season 2022 was from our boys! Finishing the regular season in 3rd position and then fighting hard in the finals to make the Grand Final is a very successful season.

RORY FLEMMING

Rory plays in our front row and is fearless. Rory plays with a simple game plan; run hard & tackle hard and it works perfectly for him. Rory is a great kid who works hard at training, and you could see on gameday just how much that hard work paid off, he had an awesome season. Rory is as tough as they come, we all feared that he suffered a season ending arm fracture in week 1 of the finals, but he ended up playing the next week and was very dominate. He then followed that up in the Grand final, being the only boy in the game to take down Ahmu 1 on 1, well done Rory!

WILLIAM GILROY

Will (Gilly) was another new addition to our team this season, and he brought with him great skills and a great attitude. Will played numerous roles this season and gave his all every week. I think his highlight would have to be when he scored 2 runaway tries against Kurnell. Will is a very popular teammate, as the boys all enjoy his humour and positivity. Will is super competitive which drives him on gameday. Will has great tackling technique which allows him to bring down much larger opposition players, in addition to technique, he is fearless, which definitely helps.

Well done Gilly, it was a pleasure to have you in our team.

BLAKE BOWDEN

Blake plays in our front row. This is Blake's 2nd year with the Dragons and he continues to push himself at training to develop his game. Not an easy season for Blake due to constant pain in his feet but to his credit he always toughed it out on gameday to go on the field and help out his teammates. It was great to see Blake cross this line for a try this year. Blake played his best game of the year vs De La in the finals, it was so great to see Blake be the 'boss' that day, he really made an impact. Fingers crossed for an injury free season next year which I am sure will be your best season yet.

TANNER NEEVES

Tanner was another new addition to our team this season having played many years for the Sutho Pirates. Tanner partnered Brodie in the halves, never easy starting with a new team and especially playing in a role which involved organising all the boys, but Tanner did an amazing job! Tanner has great take-off speed and vision. Tanner is also very reliable in defence. Well done Tanner on a great season and being a huge part of our success this year, can't wait to see you go even further next year.

BRODIE ROUTH

Brodie is our halfback and does a fantastic job in leading the boys around the field each Saturday. Brodie has a real passion for the game and can read a game perfectly, I rarely have to give him instructions. Brodie is selfless on a footy field, he would much rather set up a try than score himself. He set up plenty of tries this year both with his hands and his boot. Brodie is a great leader of our team, well done on an unreal season Brodie.

TEAM REPORT

The 12C's started off the year with quite a few new faces to the club and the boys after a wet start to the year started strong and bonded well.

We had our first victory in Round 1 and this pumped the boys for the remainder of the season with us playing 11 games and winning 6.

The greatest joy for the 12C's this year was helping coach them and for the majority of the boys their first Finals appearance since playing with the club.

It was a nail-biting game and after 12 all draw and then 10 minutes of extra time and still 12 All we went down on a ladder position, but the boys even though disappointed with this were pumped to have made it this far.

I would like to thank all the boys for digging deep throughout the year and they all committed over 100% to their success and it was a great pleasure in coaching them.

I would like to also thank the other boys from the U11's and U10's that helped during the season filling in during COVID and hope to also see them again next year.

Thank you to Chantal for managing the team, Josh Randall and Mick Turner for assisting me as trainers this year and to all the parents for having a great bunch of boys and letting me coach them.

Thank you U12C's and hopefully see you all back next year.

PLAYER PROFILES

WILL PALMER AKA BIG DOG

Will played hard and ran the ball straight up the middle and really split the opposition open on multiple occasions. He had a great season and looking forward in helping him develop his skills further and be a really great power player.

JACOB ADAMSON

Jacob led from the front this year and there wasn't to many opposition players that hadn't me with him or been on the end of one of his tackles.

Jacob plays with passion and will only improve further as he keeps playing.

LAWSON DENYER AKA LAWSY

Lawson rocked up with a Ryan Papenhuyzen haircut at the beginning of the year and with the same style he played a great year as our fullback. Lawsy found opportunities and read the play from the back to the field with ease. He has found his calling as fullback and relished in the roll in every way.

JERROD DARON

Jed this year proved to be a player that has talent and playing more football he will let this shine. In both his defence and attack this year Jed excelled and when positioned properly next year he will keep on improving.

THOMAS MILLIKEN AKA TOMMY 2 TRIES

Thomas has been improving over the years since playing football and this year it really started to show. Thomas this year didn't live up to his nickname but certainly did score tries and really got into the rhythm of converting them with plenty of practice in the off season and covid.

BRYSON TOWNSEND

Bryson was our Starting Dummy Half and really enjoyed playing in this position and running off the back of the plays. He was fearless and paired with the other players around him helped lift the team and was a major contributor in a lot of the plays that led to a try by himself or a fellow team mate.

NOAH TURNER

Noah made a big impact this year playing both in close to the centre and also floating out wide. He's fearless defence and determined in his attack and was always there to help support his fellow teammates in all aspects of the game.

PHOENIX ROYAL-HICKMAN

Phoenix returned this year with a positive attitude and was determined to make his mark. His attack was strong and was close to putting his try on but just fell short, but next year will be his year to prove his hard work from this year.

JAYDEE BIBER AKA THE BULLET

Jaydee joined us for the first time this year. He was determined to make an impact and that he did. Small in size didn't stop Jaydee earning the name The Bullet tackled players and run like a Bullet shot from a gun and made his presence known. Jaydee will only improve over time and will certainly live up to his ne nickname.

CHRISTOPHER MARKIDIS

Christopher was also another first-time player this year that came to league. Christopher threw himself into the game and was an asset to have in the forward line and in the coming years will only improve if he continues to play.

HARVEY RANDALL

Harvey was paired with Bryson in the halves and also out wide in the backline and proved that he is more than capable of playing in multiple positions. He was relentless in his defence and equally in his attack. Harvey's determination will keep driving him to be a key player in any team.

BRAEDEN PIPER AKA BRAEDO

Braeden returned this year with a positive outlook and played a key role in the attacking line of our team. He threw himself into his attack and defence and looking forward to seeing him again next year hopefully.

I think I might change his nickname to Goose as he does like to Goose Step.

HARRY COLLIS

Harry joined us from Sutherland this year and fitted in really well with the other players. His strong attack and defence were pivotal out wide and wasn't shy in getting involved and proving he loves to play football. Harry scored both in tries and was well on the mark with the boot as well.

HUGO PREUSS

Hugo also joined us from Sutherland this year and just like Harry proved to be well suited out wide in both defence and attacking. Hugo plays with commitment and hopefully he returns as he will only keep improving on his skills.

OLIVER HIGLEY

Ollie joined us from soccer this year and also continued playing soccer as well. He fitted in well with the team and played in both the First Receiver and also in the backline. He wasn't shy in attacking and made many busts and was also equally furious in his defence.

CHARLIE PEACOCK

Charlie re-joined the team after having sometime away from football and like all the boys fitted in well. He was up front this year and was definitely made his presence know in his defence and enjoyed running the ball as well. Look forward to seeing him again next year.

ADDISON NEAL

Addison came across from soccer this year to join us and is a first-time footy player. He adapted well and had a run in the backs and on the wing. Addison worked hard and made great progress transitioning from soccer to league and will only keep getting better.

CAYLEN RANDALL

Caylen came into the side as a sub from the U10's and just like his big brother Harvey proved to be a valuable player. Though only small in size Caylen was not scared in taking on the larger boys and tackled many well over his size and attacked just as hard. Though Caylen was on loan to us from the 10's as well as playing for them he was and is a great asset for the 12's this year.

Caylen, thanks mate for stepping up and welcome to play with us again anytime

I would like to thank all the boys for digging deep throughout the year and they all committed over 100% to their success and it was a great pleasure in coaching them.

Back Row: Fletcher Hick, Jacob Watson (c)
 Middle Row: Drew Cousenacker (Coach), Lucas White, Cooper Wynn, Ryan Lillis, Lucas Sheehy, Cameron Watson (Trainer), Spencer White (Manager)

TEAM REPORT

After a disrupted 2021 We went into the 2022 season with limited numbers in the A grade squad which was never going to be easy. With all this in mind my mindset was to concentrate more on improving the boys but also making sure we all had enjoyable season. Moving to international rules the boys had a lot of new things to learn. Wilson came on board to train the boys and help transition them from mod rules to international which was great for the boys. The boys really responded to Wilson and took it all on board. With little expectation the boys played their guts out and finished in 3rd place which I believe is a huge achievement considering our forwards were playing full games against teams that had a forward pack rotating to keep them fresh. This is a great bunch of kids that have become great friends and I couldn't be prouder of their achievements. I can't wait to see what these boys can achieve with a few extra players in 2023. Thank you to Wilson & Cameron Watson for training the boys they are very lucky to have you both & thank you to

Spencer for managing again, what you do for the team is irreplaceable. Also thank you to Austin, Ryder & Jet from the 12As, & Mitch, Kale & Harry from the 13B's for helping us out all year, you guys were great for us.

PLAYER PROFILES

FLETCHER HICK

Fletch turned up this year bigger, stronger & faster than he has ever been due to a growth spurt and a lot of hard work in the off season. Because of this I decided to move him into the fullback role where he thrived. Fletch was one of our best attacking & defensive players. Outstanding season Fletch, congratulations mate.

MATT RYAN-SWEENEY

Matty plays on the wing & as we now play international rules our wingers had to contend with high kicks and were given the responsibility of getting our sets rolling coming out of our own end on top of their usual responsibilities. Matty took it all on without question and did a great job. Matty is a pleasure to coach. Another solid season Matty well done.

BEAU CARTWRIGHT

Beau played most of the season in the centres. Beau is very unassuming and plays well above his weight. Beau often surprises us with some cracking tackles & silky passing. Beau is one of the most relaxed kids you will ever meet, and nothing really fazes him. I really think Beau could be anything in footy if he really wants it. Excellent work, keep it up mate.

COBY KIELLOR

Coby is another kid who has had one of his best seasons, you will not meet a more determined kid, so when you add being stronger and faster than previously the results were always going to be good. Coby was a threat out wide in attack, solid in defence & fearless bringing the ball out of our own end. Great to see your hard work paying off mate, awesome stuff.

TOM FAULKNER

This was only Tommy's 3rd year of footy & second with the Dragons but what a natural he is. Tom killed them with his speed & skill playing at fullback last year. This year he played in the centers where he displayed great strength in defence & in attack breaking tackles to go with his blistering speed. Turbo was even kicking off & kicking goals at times for us too, there isn't much he can't do. He really enjoys being around the boys & is a pleasure to coach. Tom has a big future in the game.

CHARLIE ROSEMON-DAVIS

Charlie was reluctant to play this year but with a of persuasion he agreed to help us out as we were low on numbers. Although he had played hooker in the past, we asked him to play on the wing a position he has never played & he did it without question. His team first attitude showed what great character he has. Charlie has an awesome attitude at training & on game day. Charlie really is a pleasure to have around. Charlie isn't the biggest kid but has plenty of skill & played with great courage. Charlie was fearless in defence & attack. Keep up the good work mate.

LUCAS COUSEMACKER

Lucas plays in the halves and has great skill in distributing the ball and running backline movement to set up our strike players out wide. Lucas was solid in defence, ball skills and kicking. The two main things Lucas needs to improve on is being the dominant voice on the field & needs to get his confidence back to run the ball more. Another solid season Lucas well done mate.

DAX HELMRICH

This was Dax's first year with the Dragons but we knew what skills he possessed & put him in the halves. He is a very quiet kid but became more comfortable as the season went on which was great to see. Dax distributed well & ran all the plays with his halves partner to get the ball to our strike players out wide. Dax has really benefited from his first full season in the gold division and will only get better. Keep it up mate.

JACOB WATSON

Jacob is the among the best forwards in the comp if not the best. Not only is he first class in attack, defence & ball skills, his work rate is through the roof. Due to limited numbers, he usually plays each game without coming off which is not easy playing front row. Great kid, great trainer, with a team first attitude. Sky is the limit for our Jacob.

KOBE MEADOWS

Kobe Plays hooker and is another one we just couldn't do without, huge work rate, tackles like a front rower, & really stiffens up our defence in the middle with his intimidating defence. As we now play international rules his skill out of dummy half went to another level allowing him to work the ruck and get us on the front foot. None of this made easy having to play full minutes. Truly outstanding again Meadows.

COOPER WYNN

I have said this about a few boys, but this year was definitely his best year yet. Coops improved out of sight. Playing above his weight in the front row he found a new level of confidence & courage. His skill level improved, and he started to work out some of the small things in rugby league that make life easier. Coops would often surprise us with a high energy hit up angling back in behind the ruck gaining big meters to get us out of trouble. So very pleasing to see such an improvement. Well done Coops

RYAN LILLIS

Ryno, when I think of Ryno I think of a fearless workhorse. Like some of the other forwards he plays full minutes but does not stop, tackles all day & always there to hit it up. I love how Ryno stands up to all opposition & does not take any garbage off anyone. Every team needs a Ryno. Ryno is a real character who gets along with everyone. He is great for the team, driving the boys at training & on game day. Keep it up mate.

LUCAS SHEEHY

Lucas is another character of the team who all the boys love having around. Lucas has excellent ball skills & played a ball distributing forward role working with the forwards steering them around the park and working in with our halves. Lucas could achieve anything in rugby league if he puts his head down and trains hard. Congratulations on adapting to a new type of role this year Lucas.

LUCAS WHITE

Whitey has predominantly played hooker but was asked to play in the lock position this year which he was very nervous about. Lucas is a confidence player and needs to believe in himself as much as I believe in him. I think he surprised himself sometimes this year with some great defence. I hope he has proved to himself he can be among the top players in the team and keeps growing in confidence. Very proud of what you have achieved this year Lucas and I'm looking forward to you going to another level next year.

U13 BRONZE²

TEAM REPORT

What a bunch of boys! From not winning a game in the first five played, to only losing by two point against the minor premiers for a spot in the Grand final.

We played the year short most weeks, supported by the 12 Silver and later by the 12 Bronze Team; the support from Brad and Marcus enabled us to field a side.

The transition to under 13's this year was enormous, and so were some of the opposition players; as the season grew, so did commitment, run harder, tackle harder, and train more challenging as the boys developed into young men.

A big shout out to Heidi, who would want to be a Manager.

...

Well done, boys; very proud of you all. I may not Coach next year, I will definitely be there supporting the boys in some way.

PLAYER PROFILES

MITCH BAILEY

Mitch was our weapon, capable of splitting defence of teams; Mitch has yet to develop to his full potential and will be awesome in the coming years.

A gentleman, team player, and a pleasure to coach.

JAMES GAPPS

New to the team this year and slotted into centres well. With room to move, he was great to watch, and it was his defence in the later part of the year that was outstanding.

BLAKE MOFFITT

Also, new to the team this year with loads of passion. One of the quickest boys in the competition. He worked hard in developing his other skills during the season, particularly in defence.

EAMON ROWE RAYNER

Eamon should be the best forward in the division; his attack and defence can decimate the opposition.

Like most of our boys, he loves playing park footy and is a cornerstone player of the team that you can rely on in the big games.

SAM GREENFIELD

Sammy, cheeky and talkative, is exactly what is needed to lead the team around the halves.

A passionate player and never and a foundation player in the team, loves playing.

KADE TOWNSEND

Being one of six he has learnt not to back down from anything on and off the field. One of the best tacklers in the team, fearless and a pleasure to coach.

He always wears his heart on his sleeve.

DEAN WYBRON

What he lacks in size, he makes up in determination, reads the game and always finds himself in the right place. A growth spurt over the summer will make him a formidable player.

He is always in the middle of it, reliable and loves his league.

HUNTER NEWTON

Hunter came to play this year and play he did. Fearless in attack and defence, he had an outstanding year.

He left nothing on the field every game, played the second row and was happy to mix it up with the big boys we met this year, an outstanding season.

CHRISTIAN PEDERSON

His first season on the team was explosive with colossal potential. I would drive past Anzac and often see him training and practising goal kicks. I think that sums him up.

I look forward to his development next year; he had a great season.

CRUZ EMANUEL

Cruz came up from the C grade this year, and his game benefited from the exposure.

His attack and defence both grew as the year progressed; that nose bleed was one of the best all year.

ARCHIE STOCKWELL

Archie joined us this year and had a great year; his ability and confidence grew each game.

Keen to train, eager to play. Indeed, found his spot in the team; well done on a great first season with us.

HUGO CURTIS

It is hard to get much out of Hugo off the field, certainly not the case on the field, and he gives it all.

His defence and attack this year were excellent and exciting to watch. Solid and dependable in the middle.

ZAC BROWNSCOMBE

Zac re-joined us after a season in the A's and resumed in his resident fullback position. A broken elbow kept him off the field for several weeks.

He became my co-coach at training, loves the game, exiting to watch his return running from kick returns.

KOBI BLACKWELL

Unfortunately, Kobe injured himself after 1 game with us riding a bike. Look forward to him returning next year.

What a bunch of boys! From not winning a game in the first five played, to only losing by two points against the minor premiers for a spot in the Grand Final.

TEAM REPORT

This year the team grew in numbers beyond our expectations. While the score board may not be evident of our success, I'm proud to say that this year all the players improved their skills and grew in confidence. We had several players join us from other sports bringing with them, new energy, enthusiasm, and skills.

While we may have been behind the other teams in terms of our size, we often led through our passion on the field. We had some close games that got away from us in the end due to our fitness levels. In games we were expected to be beaten substantially by, saw the team pull together and bring out their best performances.

Between player injuries and illness, rain, lack of training opportunities and limited home games, the boys should all be proud that nothing was left on the field. The team pulled together as a group of mates and it will be great to see them go around again in 2023.

Special thanks to Jason our trainer, as well as Shona, Kate and Bob in the manager roles as well.

PLAYER PROFILES

CAMERON HARDIMAN

Cam knows the game well and used his knowledge on the field pulling off some great performances. Increased confidence in his own ability next year will see him succeed again on the field. Well done Cam.

ALEX CLEARY

Alex plays with his heart on his sleeve and always puts in a big effort. Well done Alex.

JERSEY JONES

Jersey improved each game and displayed a lot of passion for his team. A player that can play anywhere on the field. Well done Jersey.

KAI FOGARTY

Tries hard and plays well in the forwards. A few more training sessions will bring out the most of this potential. Well done Kai.

LUCAS FOGARTY

Another Forward putting in a hard effort on the field. A few great runs and tackles this year. A player with a lot of potential to cement a position in a higher grade. Well done Lucas.

HARRY SHAVE

In only his second year of the game, Harry has become a great all round player. His tacking skills now much his ball running skills. It was great watching his runs up the wing. Well done Harry.

KADE SCHOFIELD

With increased confidence in his skills, Kade's game has improved this year. Playing this year in a few positions has seen his skills improve across all areas. Well done Kade.

JESSE ARMSTRONG

Jesse is a consistent player with his ability and tackle to run. A few more games next year will see his skills continue to develop. Well done Jesse.

BROOKLYN LOMBARDI

In his first year, Brooklyn hit the ground running up against the biggest opponents. With each game he played his skills and confidence grew. Unfortunately, injury shortened his season. Looking forward to seeing him in an injury free 2023. Well done Brooklyn.

KALE GATES

One of our most consistent players. His strong determination to get in and tackle and follow the ball has seen him become one of our strongest players as well. Well done Kale.

NATE GATES

Playing up a year, Nate was not out of place mixing it with much bigger opponents. A great kid with so much potential for bigger and better things. Well done Nate.

KOBY GANNON

Koby played well this year in the Centres. Given his hard-hitting runs, a move to the second row may see his skills improve further. Well done Koby.

LINCOLN ANDERSON

Lincoln played well each game. He has a great knowledge of the game and uses his knowledge to run the ball up. Well done Lincoln.

LEVI ZIPEVSKI

Levi plays well in both attack and defence positions. He has a great understanding of the game and I look forward to seeing him hitting the field again in 2023. Well done Levi

BRODY LITCHFIELD

A leader and passionate player. Brody leaves everything on the field. He is a great supporter of all other his team mates, encouraging them to perform at their best. Well done Brody.

LIAM WENDT

A short first season for Liam. He picked up the key skills quickly resulting in both some great defensive and attacking moves. Im sure he will be back for the 2023 season. Well done Liam.

RYAN BATES

Another new player to the team. Ryan's run down the wing were his strength and I look forward to seeing more of these next year. Well done Ryan.

ETHAN HADDEN

Once he found his feet in his first year and built his confidence his tacking ability was a real highlight of his season. Well done Ethan.

The team pulled together as a group of mates and it will be great to see them go around again in 2023.

Back Row: Xander Dalton, Kyan Morrissey, Oliver Te Hira, Terry Smith (Trainer)

TEAM REPORT

2022 U14A Premiers. Fourth straight Grand Final and back-to-back premiers. These boys always get the job done!

From the first session this team was committed. With all the rain we had we didn't miss a training session, covered in mud, training in parks the boys ripped in and trained harder than ever in the conditions. (Sorry Parents)

This team has been the benchmark of the comp for years now. The competition went to another level this year and the top four sides were extremely competitive. It took the resilience of our team to another level.

Every week the boys went to war and nothing was ever a problem. This team is Tough, they're Fast, they're Competitive and whatever teams throw at them, they have the ability to absorb it and dominate the opposition both in attack and defence.

Nothing came easy this year; we had a lot of injuries and in our last two games of the season (Final & GF) the boys found a way to win. 8-10 Vs De-la and 14-16 Vs Aquinas in the GF. From sideline to sideline they never give up. Standing shoulder to shoulder they turn up for each other in every way.

This team has been together for a long time, they are great mates on and off the field and you can see that in the way they play for each other and the way they celebrate everything. I couldn't be prouder of what they achieved this year. It's been a privilege to be a part of it. Well done CHAMPS..

Terry Smith, thank you for coaching the team with me again this year. Your influence on the team is great. The boys love you; you keep the season fun and you're a huge part of the bond & culture within the team. Thanks Tez.

Thank you Megs, for managing our team again this year. We have won 2 comps since you joined, so I think that shows how important you are to this team. So much work goes on behind the scenes and we appreciate the time you give the team.

To all the parents. Thank you for letting us coach your sons and all the support you give. It's a great journey the boys are taking us on and to be surrounded by friends along the way makes it a lot of fun. Thankyou.

Finally, to Fletcher Hick, Jacob Watson, Lucas Cousemacker & Jann Liszka. These boys stepped up and joined our team when we needed them most playing in our Finals & GF.

Thank you from all of us.

PLAYER PROFILES

NOAH ANDERSON-BARDEN, FRONT ROW FORWARD

Noah was the gift that kept giving in our team this year. In his first full season of rugby league Noah was incredible. He has a big motor, great footwork and the ability to just keep going. His name will always be famous within our circle scoring the match winning try in the GF plucking an intercept from nowhere and running 60m to score. You're a champion Noah.

COOPER BOWDEN, 2ND ROW FORWARD

Coops is an extremely talented footballer. His effort on the field is huge always leading the kick chase giving FB's & wingers hell. His physicality went to another level this year. His defence knocked the wind out of people all season and his ball running is elite. Congratulations on making the Sharks academy. You're a legend Coops.

HARLEY BROWN, HOOKER

What a signing. One of the most dangerous attacking players in the comp. Harleys skill, ability and speed around the ruck grew throughout the year scoring try's and setting up others when we needed them most. Harleys extremely strong and breaks tackles with every run. You're awesome Harley.

OSCAR BURKE, CENTRE

Oscar was injured early in the season but that didn't stop him from having a huge impact on us winning the comp. Although Oscar couldn't take the field on the weekends he didn't miss a training session. His presence and leadership was felt throughout the team and is inspiring to all of us. We are a better team with you in it Oscar. Can't wait to have you back.

KAYLAM BURGE, CENTRE

Kaylam was a mid-season recruit and slotted straight into the team. Kaylam possesses so much natural ability, he is a big centre and a strong ball runner. When given early ball and a bit of space you get to see how good this kid is. Thanks for coming on board. Love your work Kaylam.

LAUCLAN CINNI, LOCK FORWARD / HALF BACK

Locky had a great physical presence on the field this year. His contact was damaging in defence. Locky is a really skilful footy player with great footwork and ball skills. He also played half back when we needed giving great service and setting up our attack. We missed him at the back end of the season but hope to see you back next year. Well done legend.

XANDER DALTON, FRONT ROW FORWARD.

Xander played his best footy this year. Taking the toughest carries in the middle of the field. Xander hit the ball up making meters every time he ran the ball. Xander has a great frame stopping people in their tracks with his defence. You can give Xander a mission and he will follow it to the point. Keep going Xander.

ETHAN DRISCOLL, WING

Ethan physically developed this year and had the frame to match his courage. This kid could write a book on tackle tech and edge defence. His ability to read opposition attack and shut it down is legendary. Ethan also stepped up and took a lot of tough carries coming out of our own end this season. You're the man JP.

HUNTER HADFIELD-FILO, FRONT ROW FORWARD

Hunter shoots to kill. Hunt won't waste his time with miscellaneous tackles but when he hits he folds people. Hunter is the perfect impact forward. When he runs the ball he skittles the defence taking 3 and 4 players to bring him down. He also looked the best in the Man of the match Bling. Your one of us Hunter and you're coming back next year. We love you Hunter.

DYLAN KING, WING

Mr reliable, Dylan had a great season. Dylan was safe under the high ball all season and his kick returns are strong. He still loves lifting and the occasional high tackle but that's because he's so big. Dylans involvement was huge this year, he never takes a backwards step and is a great ball runner breaking tackles with every run. Great year Dyl.

RIVER MCMAHON. CENTRE 5/8

This was a breakout season for Riv and his best games were the big ones. Riv has elite speed and watching him in space on the back of an offload gets everyone on their feet. For an attacking player Rivers respect for defence and courage to chop players twice his size in half shows how committed this kid is to the team. In our final & GF Riv made a couple of huge plays at crucial moments and also played in a new position for the team. Killed it Riv.

KYAN MORRISEY. FRONT ROW FORWARD

Our starting front row pairing was the best in the comp this year and Kyan was one half of that. Kyan's Hulk like frame is backed with speed, power and aggression. He hits hard all game and his goal line defence is punishing. Kyan stepped up in the GF setting the tone physically early in the game and scoring an opening try that only he could score. I forgive you for breaking my shoulder & I'll never tell you "You're not hitting hard enough at training again". Well done on making the Sharks academy. You're the Champ Kyan.

CRUZ PEEK. HALF BACK.

Cruzy is a smart footy player who plays above his weight. He directs the boys around the field and gets us into our attacking positions. His service as a half is excellent and plays a role in a lot of our try scoring. In defence Cruzy will bring down anyone, he not only makes his tackles but scrambles hard in cover defence as well. We missed you at the back end of the season Cruz. Bring on next year.

Every week the boys went to war and nothing was ever a problem. This team is Tough, they're Fast, they're Competitive and whatever teams throw at them, they have the ability to absorb it and dominate the opposition both in attack and defence.

TOM POWELL. 5/8TH

Tommy is a Rugby League handful. Every time he touches the ball opposition coaches hold their breath. Tom can run, pass & kick better than most 1st graders. He has so much natural talent but its backed with an incredible work ethic. On a windy day at Cronulla this season Tom kicked 10 from 10 goals and half were from the sideline. Tom had to play a new position in our last 2 games of the season, he stayed back at training to learn the position and killed it. Congratulations on making the Sharks academy. You're awesome TP.

RILEY SMITH. FRONT ROW. VICE CAPTAIN

Riley is the other half of our starting front row pair and you can't win a comp without a player like Riley in your team. Riley got a 6pack this year and his footy went to another level. Riley works harder than anyone on the field, he makes a crazy amount of tackles and does all the clean up work around the ruck. In attack Rilz is hard to handle he breaks tackles and fights for every inch when he runs the ball. He's also an elite ball player, setting up our forward plays that lead to try's all season. Well done on making the Sharks academy. You're the man Riley.

COOPER STARR. FULLBACK

Coops plays the FB position better than anyone in the comp. His positional play, organisation and kick returns are incredible. Coops is always backing up the forwards in the middle and his passing in our backline is on-point leading to a lot of line breaks and try's. When the games get tough Coops always steps up taking tough carries when we needed it. In defence you couldn't count the amount of try's he saves taking players out or holding them up over the line. Congrats on making the Sharks academy. You're a Champion Coops.

OLLIE TE HIRA. 2ND ROW FORWARD. CAPTAIN

When Ollie was named Captain this year I think he grew another foot. You could see the pride he had in the role and he lead the team in every way this season. Ollies aggressive in all the right ways, his contact in defence is intense and game changing. In attack he has skills like a half, he runs great lines and constantly gets into space. Once Ollie gets going his top speed is incredible and we all feel sorry for whoever has to attempt the cover tackle as Ollie steam rolls them. Come the finals when our team was depleted Ollies leadership got the boys home. Well done on making the Sharks academy. Thanks for the season Cap.

JACK WALKER. FRONT ROW FORWARD

Jacks another impact forward that plays a crucial role in our team. Coming off the bench Jack gets straight into his work taking hit ups every set and never taking a backwards step. Jacks got great hands for a forward and gets involved in a lot of our set plays. In defence he doesn't miss a beat, getting off the line and hitting hard making multiple tackles every set. Nothing's a problem for Jack, he's a great forward and I think his best is still to come. You're a legend Jack.

Back Row: Talan Taylor, Logan Hill
 Middle Row: Steve Bishop (Trainer), Jai Clapp, Aayan Kafle, Jett Crawley, April Jones (Manager), Ben Jones (Coach)

TEAM REPORT

What a fantastic year for the boy's, Undefeated Minor Premiers. I would like to thank April Jones, Steve Bishop and Glenn Robson for all their time and effort. Thanks to all the parents turning up to cheer on and I hope the year was enjoyable for you as it was for me.

We lost the final game "The Grandfinal", our only loss all year. I still don't know how that happened. After leading 14-0 at halftime, I hope we can learn from this and come back stronger next season.

Anyway, onto the next season for bigger and better things!! Can't wait to see you all in the pre-season.

Ben Jones

PLAYER PROFILES

TALAN TAYLOR

Talan was back this year after a few years off. Started the year with some nerves but finished off strong. His defence in the middle helped keep our opposing teams off the score board. Can't wait to see him play next season.

GERARD KEATS

Gerard was the starting five-eight steering the team around the park and setting many of our tries up. His passing game and defence was second to none. Excellent year Gerard.

AAYAN KAFLE

Aayan played in the A grade team at the start of the season, then headed back to our team after a few games. Aayan always ran hard and tackled hard. A very reliable player to do his job on the field. Another great season.

JACK ROBSON

Jack was our Captain this year and directed the boys around the park with great success. His kicking game improved every week, the same can be said about his tackling. He is a consistent improver. We also celebrated Jack's 100th game with Engadine Dragons. Congratulations Jack.

MAX AMESBURY

Max is a kid who can play anywhere on the field and this year. From the wing to hooker and five-eight. His training ethics are the best I have seen, always giving 100%. Lacks a bit of confidence, but I don't know why as he is a superstar.

JAI CLAPP

Very strong tackler and aggressive runner of the ball. Jai had a great year and will only get better when he realises his full potential. Can't wait to see him rip in next year.

ARCHIE DOWLING

Archie is a great kid who always has a story to tell. He missed a few games this year with a broken thumb but finished the season off strong. Always tackled hard and loved to take the tough runs.

HUNTER SMITH

Hunter was a brand new player to the club this year. He was a quick learner and got better and better as the year went on. I can see great things for Hunter in the future.

JANN LISZKA

Jann is not the biggest of kids but played second row/front row all year. His football this year was outstanding, Jann's hit ups and tackling were some of the best in the team. This is what lead Jann to receiving one of the team awards. Well done!!

DANNY BISHOP

Danny is the typical team player. Always comes to training and gives 100% in the game. His passing from dummy half was great this year which really helped out his half and five-eight. Loves a sneaky try from dummy half and crossed a few times this year. Also, congratulation to Danny for playing his 100th game this year.

LOGAN HILL

A fantastic return this year for Logan. Had some devastating run's and would have scored but unlucky to have dropped the ball over the line. His defence only improved and the hits got harder as the season went on. Great year Logan.

DENAN TOWNSEND

D-MAN played great this year and scored some good tries. Had his first run at fullback and didn't look out of place. Great returner of the football and stopped many tries with his one-on-one tackling. Fantastic season and celebrating 100 games played for the Dragons. Congratulations.

JETT JONES

Jett played fullback all year and excelled. Always in the right position to get the job done. Worked really well with the halves to help setup outside men and to score a few himself. A leader of the team and a well deserved award winner.

JETT CRAWLEY

Big Jett's first year of football for Engadine and what a great year it was. He started off a little nervous but finished on fire. Scored a great try as well!

Can't wait to see this awesome young man play in the future.

LINCOLN PARKIN

Lincoln played in the centre's and five-eight roll this year. He played excellent in every game. He keeps on improving every week. Second year of footy but plays like he has been playing since under 6's. Great season.

COOPER PRATT

Cooper returned to footy this year and we were so glad that he did. He always did his job taking strong hit ups through the middle to help get us to the other end. Cooper works hard on the field and hope he enjoyed his season return.

What a fantastic year for the boy's, Undefeated Minor Premiers.

Thanks to all the parents turning up to cheer on and I hope the year was enjoyable for you as it was for me.

TEAM REPORT

What a year for our u15a's side, the goal this was to play finals footy and that's exactly what we achieved!

These young men made many improvements in their game but also came together as a team creating strong friendships for years to come. This team has a new culture that involves winning and singing that team song, enjoying each week, and playing their hearts out for each other.

We truly believe this team has a lot more improvement to come and as of next year the new goal is to win that premiership, they have everything it takes to challenge for it.

The coaching staff is eager to see what the coming years has to offer, and we really hope everyone comes back because it was such an amazing team this year!

Thanks to all involved!

These young men made many improvements in their game but also came together as a team creating strong friendships for years to come.

TAJ CLAVERIE

Taj played his first season of rugby league this year and left a great impression. He has natural skill and a good feel for the game. Taj possesses speed and strength; I feel with more experience taj will improve so much more! Great year brother come back Next season we can't wait to see the improvement.

ISAAC DAWSON

Absolute quality from this kid every week! Isaac has all the skills and is a very classy player, unfortunately for him he missed quite a few games this season but toward the end of the season you could see why a few clubs are interested in him. He has everything you need to make it, Great kid and a great asset cheers mate.

BRODIE EWINGS

Brodes is a freak, no one plays harder than this kid week in week out. Although he isn't the biggest kid brodie is extremely strong often finding his front in attack. Brodie is the best defender in the team and rarely misses a tackle, next year we need to focus on his ball skills and take his game to the next level! Thanks bud!

NED GEMMEL

Ned made incredible progress again this year as a rookie last year he dazzled his opponents with sizzling speed! Ned has learnt this year that sometimes those tough carries are more important. He really impressed me this year putting his body on the line numerous times to save tries! Thanks Flanders.

LACHLAN HARVEY

Where to begin, Lachie has always been very talented but this year his game reached new levels. With a bit of confidence and a new love for the game I believe he was the best winger in the comp this year. He has major impacts on every game and is always heavily involved plus he is someone who brightens up training for everyone! We love you, Lachie.

ARCHIE HILES-FRASER

This guy is special; he is a leader of our team. Archie is a very positive player and when things get tough everyone looks to Archie, he is always putting his hand up to get in there and do whatever is required. Archie always finds his front due to his great footwork and power. He's an incredible player who would do anything for his teammates, an absolute pleasure Archie.

JAXON HOPKINS

Jax was new to A grade this year, but he trained hard and listened, absorbing everything we said. Jaxon has potential and I feel the more experience he gets the better he will become. With his great attitude and skills developing I have no doubt as he grows and learns Jax will be a great player for the dragons. Cheers mate!

LACHIE HOWE

Howie is the biggest hitter in our team pulling of absolute crackers weekly! Lachie is a very valuable member of the team; he goes about his business every week without saying much but the coaching staff always notice how important his input is. This year he improved his attack a lot gaining some balls skills and footwork making him a complete player, thanks legend!

LUKE JONES

The Cheese, worrying defences with his speed, power and footwork. Cheese is a versatile player for us and although he played majority of the season at lock, he also had a couple of stints in hooker and is a capable half too! He impressed me this year with his defence and that's what I really wanted him to work on! Congrats on a good year mate!

DANNY KEARNEY

Danny was new to the dragons this year, but he left a great impression. Danny is always listening and taking in what were saying! Danny is a great athlete with incredible speed and strength. Danny would've taken great benefit of having his first year with the boys and forming some combinations as its never easy joining a new team! Thanks for the year mate we hope to have you back!

LENY LEGROS

The colonel, king Leny. This guy is an absolute freak of nature he is incredibly strong and fast. Leny has a great tackle technique and a huge motor constantly playing big minutes for us when required. Leny is a great kid he often has others smiling which just adds to the incredible input he already has for this team!

HAYDEN LEVIN

H improved his game so much this year! H started to really muscle up in defence while taking the line on in attack giving our outside men more time. H makes good decisions with the ball and has turned into a great young half with a nice short kicking game. He is one of the leaders of the team and is always vocal before games. Cheers H man keep up the good work.

JAKE MONKTON

Jakey is a quality bloke to have in the team, he is very funny! Jake has improved his game this year running better lines and using his footwork to break tackles and find his front. Jake really impressed me this year with his defence making some crucial tackles for us especially against Como! We hope to have you back mate as you are a very good player!

BLAKE O'KEEFE

BOK, at his best Blake is a devastating ball runner often running over people. Blake has learnt a lot this year about preparation and how it impacts performance. Blake has grown up a lot and I feel it has positively affected his rugby league. Blake is a key part of this team, and we love having him around cheers bud.

COBY OSBOURNE

Coby was new to us this year but he quickly made an impression pushing his way into the starting side. Coby runs quality lines and is quite a smart player, I believe he will improve greatly next season with the new combinations he has formed. Coby is a solid defender and always puts in 100%, we hope to get him back! P.S. no you cannot goal kick.

JAKE REA

Jakey is one of the most improved players in our team. Jake has really grown a belief that he can break through the line and that has made all the difference to his game. He is fast and has great footwork, with more confidence Jake will only improve more. Jakes defence was incredible this year and it was great to see! Cheers buddy!

FYNN SAMMUT

Fynn is a quality utility for us, he has the skills to play halves, hooker and lock! Fynn is a versatile player which makes him an incredibly valuable asset to the team. Fynn always puts his body on the line and often pulls off good hits even if they are around the head! Fynn is a loveable character and a pleasure to coach I really hope you come back next year!

COOPER SMITH

Smitty has been a quality player for us for years now! He has a damaging left footstep and is also very strong and quick. This year we have been working on the finer things like decision making and footwork while in the ruck. Smitty has all the tools now we must fine-tune it all that little bit for him to take things to a new level. Cheers mate!

LACHIE STEELE

Steeley is a player that has enormous potential! He is a big boy that has pace and skill. Lachie is a very selfless player and is always working on improving his own game! Its up to all of us to continue to nurture his talent as I truly believe he has the makings of someone who could dominate certain parts of the game! Come back next year mate!

COREY TURNER

Corza! The safest hands in the competition Corey doesn't put the down, safer than a bank they say. Corey begun to understand the role of a winger more this year. Wingers are now required to take a lot of tough carries which he did! Corza never steps away from the contact and made some quality try saving tackles this year. Thanks brother!

KOBY WALLACE

Kobz is a leader of the team and is often looked up to by his teammates. Koby never waits for the game he chases it, charging past three of his teammates trying to put a game changing hit On. That's the sign of a quality player, a selfless player who always puts the team first, with all of that he is also highly skilled and has a great mind for the game.

CHAD WALTERS

Chad is a good player and he will continue to improve as he learns more about the game. Chad is quick and can run a nice line, we just need to focus on teaching Chad the correct practices as he can be a high-quality player. Chad never misses his task in defence and puts his body on the line for his teammates! Come back next year mate!

TEAM REPORT

Well, what a year for these young men - which started with another preseason after 2021 being cancelled due to covid.

Our intentions as coaches are to improve their core skills, execution of plays and game structure to ensure we develop each and every player.

As coaches we couldn't be prouder of our entire team who turned up to every session and game with a great attitude contributing to a high standard each time they took the field, our only narrow loss during the regular season was to the eventual winners Aquineas.

Finishing off our season with the Minor Premiership & heading into finals with the first week off was a great result.

The boys dug deep and trained well as they had all season preparing to play Kogarah whom we had beaten twice by 30 points, on the day playing at Points Bet Stadium in the Preliminary Final we were unfortunately beaten 16-12 by a side who beat us in the ruck and suffocated us in defence. The boys will learn plenty and take away a lot out of the loss.

From both of us coaches a massive thank you to Darren Wotton for his constant support and assisting all year running the water and messages, plus an even bigger thank you to Gen Wotton who is our amazing Manager.

Cheers Russ & JD

PLAYER PROFILES

RYAN WOTTON

Ryan is our elusive fullback who has great speed and footwork to beat the first player running back from kick reception, Ryan also has great vision to be a ball player when required.

ASHTON LUMSDEN

Ashton is one of our courageous wingers who takes the hard carries out of yardage, but if given space will always make the defence look silly with his blistering pace.

LEVI DOWLING

Levi has settled into centre this year like a duck to water, he is a devastating runner of the ball who holds his width in attack running great unders line & holes ensuring the defence must check his run, plus a strong defender who tackles everything running his way.

LEWIS HOOD

Lewis can play second row or centre but filled in greatly once Harvey was injured at centre, Lewis has blinding pace and scored a plethora of tries out wide plus his aggression in defence is up there with the best in the team.

ZAC BOYLE

Zac like Ashton isn't scared of the hard stuff coming out of his own end and is willing to roll up the sleeves when needed, Zac also has great footwork where he can beat his opposite number plus the speed on top to leave them in his rear-view mirror.

COOPER WOOLLEY

Cooper had a great season as one of our generals, he is a big body with great vision, skill, agility and the game management to destroy any defensive line in front of him.

ROCCO HAGAN

Rocco is our general who controls this team like having another coach out on the field, like Cooper has developed into a busy half who can play eyes up footy to create opportunities out of nothing with his short or long passing game and his unbelievable kicking game ensuring the outside players score plenty of tries.

CAMERON BOYD-LARNACH

Cam is one of our enforcers in the engine room, everything this team does is off the back of what Cam does ensuring we win the ruck defensively and get good go forward by using good late feet at the line or an offload in traffic.

ZANE BELL

Zane in our opinion is the best dummy half in his age group, who controls the middle in both attack and defence. If there is a marker down Zane will take every opportunity and cut the defensive line open plus his vision to take short side opportunities is 2nd to none.

RYAN DAVIDSON

Ryan is our other enforcer who for a big man has great late footwork at the line plus an offload that annoys the defence. If you run into Davo you will know about it as he rarely misses and is known to put on a great shot making the attack look for him when running the ball.

ETHAN FOURIE

looks can be deceiving as Ethan is lean but powerful, Ethan runs a great line for our ball players to hit him as a genuine option every time, plus destroys any runner trying to run at our halves out wide.

RYAN SNUDDEN

Ryan can play anywhere as his skill level is the same as a half, but his defence is the same as a big man, we played Ryan out wide to cause havoc with his powerful running and great ball playing on the edge.

Finishing off our season with the Minor Premiership & heading into finals with the first week off was a great result.

KOBY LILLIS

Koby is our middle who plays like an extra half and allows our halfbacks to play out the back of shape either side of the ruck, Koby has the skills to hit a runner short or long, footwork to beat a defender one on one and the defence to damage anyone who decides to run at him.

COOPER SHOBROOK

Cooper was our utility this year filling in at half, hooker, lock, centre and wing. Every team needs a Cooper who is selfless for the team, the only reason some of the best players can do that is because their skill level and game awareness is so great that enables them to be a valuable team player.

HARVEY GLAZIER

Harvey was outstanding prior to getting injured as one of our lethal centres, you would think Harvey has always played league when watching him play with his pace and footwork out wide destroying any edge defence that was in front of him.

LOGON DICK

Big Logon has improved out of sight in the last two years and his skill level has come on leaps and bounds, Logon came on and did an amazing job when asked of him in both attack and defence, absolutely skittling players around the field with that frame of his.

REX PROSSER

Rex came to us late in the season via Rugby Union but we are glad he did, like Cooper Shobrook can cover any position with his skill and aggressive defense. Rex has unbelievable vision, footwork, pace and game awareness and was a big reason why we lost our preliminary final due to not being available to play.

Overall, we are a team full of great players who gelled together to become a 'CHAMPION TEAM'.

To top 2022 off with some great news we have had numerous boys make the Harold Mathews squads (U17's) for different NRL Clubs which is an amazing achievement with some boys waiting to hear back from other clubs.

SHARKS – Ryan Wotton, Rocco Hagan, Koby Lillis, Ryan Snudden

SOUTHS – Zane Bell, Levi Dowling

DRAGONS – Ryan Davidson

TIGERS – Cooper Woolley

Thank you so much for the year boys and thank you to ALL the families for your continued support allowing us to coach and mentor the boys not only to become better footballers but better young men.

TEAM REPORT

After an unfortunate season last year due to COVID, we were all hoping to have a long uninterrupted season this year. With a couple of new players joining the team only increased the enthusiasm the boys were showing preseason just to get back on the park.

The Boys really trained well preseason and throughout the year. With help from Adam Lynch allowed us to build from past years and fine tune our attack and defensive structures.

After a disappointing first game loss, the boys quickly turned it around and thumped Taren Point the following week with what I thought was one of the strongest performances I had seen from this team for a long while.

Throughout the season, washout games and injuries took their toll which didn't allow us to get the consistency we needed and put those plays together we had trained so hard for. But, as always, the boys showed the resilience and determination to overcome those things and put

on another outstanding 'down to the wire' performance against Cronulla Caringbah to finish the season off 4th on the ladder.

Unfortunately, that game would also be the one that would ultimately seal our fate with losing a further 3 more players, losing a tough finals match against the same team but with a very depleted bench.

Keep your heads-up boys! Your time will come.

I would like to thank all the boys for all your hard work you put in each year, and it has been an absolute pleasure to coach each and every one of you and watch you all grow into great and respectful young men.

I wish only the best for your futures and hope you all continue playing this great game.

Also, a huge thankyou to Adam Lynch, Kim Wallace, Mick Wymer, Spencer White, Steve Bishop and Jason Rush for all your hard work and helping myself and the boys this year, I couldn't have done it without you all.

FINN MCMAHON

Finn Started the year with what I thought was one of his best performances against Taren Point. Unfortunately, it also saw him go down with a serious MCL injury and concussion in the season. His lengthy stints on the sideline only seemed to make him more determined and created further great performances when returning to help us finish the season off strong and cement our place in the finals.

ISAAC QUINE

Another great year from Isaac. Shows great attacking ability when he gets his hands on the ball and is also a solid edge defender. Adapted well with all the new plays and instructions set out for him. Can't wait to see what Isaac brings next year.

ALEXANDER TRENBERTH

One of our new additions to the team and boy were we glad he joined. Played multiple roles throughout the year and excelled with all of them. His defence was a true standout with some huge hits put on the opposition. Always put in 100% right from the start and made huge improvements from the back of it earning him a lot of respect from the team.

RYDER STEWART

Another solid year from Ryder, never have I seen a player break as many fingers playing football and never told until after the game. that's the type of kid Ryder is, never lets his teammates down and always puts in 100%. Great defender and shows great attacking ability on our left edge.

JONAH SMITHSON

After having a few years off playing, Jonah exceeded expectations right from the start. Starting out on the wing and eventually moving into the halves where Jonah really looks comfortable. His outstanding season back also came with one of the worst concussions I have witnessed for along time. But Jonah is a player with a lot of guts and determination that just keeps turning up and gives it his all.

LOGAN BURKE

Logan really impressed in the halves this year controlling our right edge and doing a remarkable job at it. Within just 2 seasons, Logan is really starting to stamp his mark and find his place within the team and was really missed in the finals after an unfortunate injury forced him a few weeks off.

COOPER SHERWOOD

Cooper really stepped up this year steering the boys around the park. His leadership on the field when he is at his best is the difference between winning and losing a game. Hope to see Cooper continue next year because I think there is a lot more ability and potential Cooper can unlock.

JACOB CHAPMAN

Hardly recognised Jacob at the start of the year. Kicked off the season looking fitter and leaner than ever before and had to adapt accordingly by relying on his skills and ability rather than size. With his strong work ethic and new skills and plays that were taught, it wasn't too long before Jacob was back to his best and finished the season off strong.

BLAKE HAYWARD

After a season ending injury last year, we weren't sure what to expect from Blake coming into this year. But Blake showed he was more passionate and determined than ever and it showed from the first whistle. He is a workhorse in the middle with his defence and it didn't take him too long to get his confidence back and start busting through the lines again in attack.

JAMES MCELVENNY

Another addition to the team this year and it didn't take him long to fit right in. James is always one of the first at training and last to leave and it showed with the improvements he made each week and was clearly one of our best by the end of the season.

JAKE WALLACE

Undeniably our most passionate players in the team. Jake's skills don't just stop on the field but off it also, by getting the best out of the boys with training and keeping them focused. Really taking it upon himself to be a leader within the team and the boys benefited from it. Great work Jake!

BEN BISHOP

Ben is a player that you can just send out onto the field and have complete confidence that he will get the job done. Great defence and attacking skills with great football knowledge. You could put Ben in a range of positions, and he would excel at all of them.

JORDAN WYMER

Never have I seen Jordan work so hard on his skills than this year. We have always needed a reliable goal kicker in the team and Jordan took it upon himself to be that person. Countless hours up at the oval kicking goal after goal had paid off with Jordan's kicking game being one of the reasons for winning the tight games throughout the year.

BRYCE JEFFRIES

One of Bryce's best years this year. Played on the wing and had a few games at dummy half which benefited from Bryce's passing game. Having to defend in the middle against some kids with twice his own body weight saw Bryce's confidence in defence increase towards end of the season and started to put a few good hits on the opposition.

SAM KADDOUR

Sam started the season off strong this year and was starting to build in confidence again until an illness saw him spending a few games off and undoing all the hard work he had put in. Sammy was gutted but always put in 100% when he was feeling good.

KAI WALKER

The quiet achiever, Kai had a huge year. He just goes about his business and gets the job done. Can be relied upon to play multiple positions and do what needs to be done. Expect to see big things from Kai next year.

TOM RUSH

When Tom is on LOOK OUT. He's playing a year up and you wouldn't even know it. He has the ability to lift the players around him and turn the tides in games. Just need to somehow find a way to bring that out in every game.

WILL MILLIKIN

Welcome back Will! A great season after a few years off Will has returned playing out on the wing and even bagged himself a try in his second game.

With a few more games under his belt could see Will back playing in the middle.

ZANE CRAWLEY

Zane started the year off fantastic like every year being one of the most standout players against the premiership winning team St Josephs early on in the season by leading the team to a great second half of football to leave Joeys scoreless in the second half and only going down by 6. Unfortunately, a school snow trip injury saw Zane end his year early which was a huge blow to our season.

WILL BURTON

Will got his chance this year to play in the forwards and he grabbed it with both hands. His speed in the middle at times wreaked havoc to their defence, his ability to find space after breaking the line however will come with more experience and I think he will be a powerhouse when that happens.

the boys showed the resilience and determination to overcome those things and put on another outstanding 'down to the wire' performance against Cronulla Caringbah to finish the season off 4th on the ladder.

TEAM REPORT

After a lifetime of trials and tribulations the planets would finally align for the boys of the U17 Silver who would not only become premiers but undefeated premiers in 2022, after many seasons of defeat and playing short on numbers. After a difficult 2021 season where we ran 2 uncompetitive teams in this age group due to lack of players, this year we were faced with having too many players for one team but not enough for two. What had become clear however was that this group of young men had formed strong friendships and were determined to come together and build a competitive team.

While it might have appeared that we did it easy given the fact we were undefeated this year, the reality could not have been further from the truth. We wrestled with team selection every week, trying to give all the boys a fair run while at the same time wanting to realise our goal of winning that elusive premiership. Not one game in the season did we start with the same starting 13 to the GF.

That is incredible in itself! Some wins were convincing, but there were also quite a few games where we just scraped through. We found it difficult at times to find consistency as we were constantly shuffling the line-up to accommodate the large playing group. Every week, every single player gave 100% and as we got closer to the end of the season, the excitement escalated as the realisation that we might go all the way started to become a reality. Much of our success week in and week out was attributed to our outstanding defence. We loved that boys!

Our biggest game of the season came just 2 weeks out from the final series when we played 2nd place C'bah, the team we would ultimately play in the Grand Final. It was very late on a dark and gloomy Sunday afternoon when this game finally kicked off and the game played out unfortunately much like the weather. In a game which ultimately ended 0-0.

It was clear from that game against C'bah, that no one was simply going to let us cruise through to win a premiership. If there is one thing we know- it's never easy to win a grand final regardless of age or division.

After we prevailed over De La Salle- 26/6 and Cronulla Caringbah defeated Renown United in the Qualifying Finals, it was only fitting that the 2 best teams should meet to decide the 2022 premiership. If the day could not get any better the Grand Final was scheduled to be played at Shark Park which only further elevated the excitement and anticipation for all, but especially the boys. It would be the opportunity and game of a lifetime.

In what was arguably one of the best games of football across this year's Grand Final weekend, the undefeated Engadine Dragons took on C'bah for the U17 Silver 2022 championship title at Pointsbet Stadium. The match did not disappoint with both teams bringing out the very best in each other and putting on a showcase worthy of the venue and the occasion. At half time it was 6-6 despite our boys arguably having the better of the first half. The second half was a different story with Cronulla Caringbah growing in confidence and having the bulk of possession and field position before putting on a try to take the lead 10-6. It all appeared to be going the oppositions way. With our boys starting to tire the dream of winning what for some of the boys would be their very first premiership was starting to slip away.

That was until a bustling run by Harry Franks resulted in a pass to a flying Will Wrightson who with only the full back to beat showed great composure to draw the fullback before passing inside to Bailey who went in under the posts to make it 12-10. With minutes remaining C'bah got a penalty in front post to tie it up 12 all.

The epic conclusion to this saga was ready to unfold and you could cut the tension in the air with a knife as our boys headed back out for extra time and to fulfil a destiny. After withstanding some attacking raids by the opposition, we remained patient and finally got an opportunity in reasonable field position to have a crack at a field goal. JP took the snap but was knocked down, but we got a lucky bounce and Cooper.S regathered and came agonisingly close to scoring under the posts. A quick play the ball and good vision by Will K had us spreading the ball right to Bryce then to Charlie who dived over to make everything, we had worked so hard to achieve a reality.

It was the ultimate season, and I would personally like to thank my coaching staff

- » Michelle Isemonger – Manager
- » Glenn Johnson, David Gunn & Adam Wrightson – Trainers
- » Steve “Eddy” Hardman – aka Gus Gould player whisperer and some more.

This season would never have been possible without the support and trust that we all committed to each other.

As i said in the dressing room... We won 2022!

We are so proud of all the boys and truly hope they all remember this epic year and what we all achieved together.

Thanks

Mick and coaching team

PLAYER PROFILES

SHAUN ALCHI

Had another enjoyable and great year. A typical middle forward and just gets in there and does what is asked of him. When on the field keeps himself busy and looking for action. Unfortunately, did not play a lot of footy this year but was certainly missed. The absolute crowd and team favourite. Never a dull moment with this young lad.

Ripper Shaunno.

JACKSON CHALK

Jacko is Engadine Dragons through and through. Jacko covered a few positions for the team this year, but when he was in the middle playing at dummy half, his service was always quick and kept the team going forward. His ability to tackle larger players down low has always been quality and this year was no different. Great team man!

Well done, Jacko!

BRYCE DINSDALE

Had a tremendous season & played on our edge as backrower. His kick return carries came from the back fence and showed plenty of heart. His general play in defence was fearless while his agility in attack lead to many tries and try assist in the season. His presence on the field inspired the team.

Great year Bryce.

JAYKE FIBBINS

What can we say about this fella. Scored some amazing tries playing on the wing. Formed a great combination with the inside players which led to a lot of tries scored. Defence again was outstanding, and his kick returns were brave and strong. His leadership and motivation were also inspirational. Never takes a backward step. Always gives his all.

Terrific job Jayke.

JACK FRANKS

Jack has a great season! Paired up with Max and Will in the halves and they formed great combinations, strengthening throughout the year. A strong defender and carrier of the ball, his ability to take the line on or catch and pass, kept opposition teams guessing. Another one who tackled himself to a standstill each week!

Great season Jack!

HARRY FRANKS

Outstanding year for Harry who played hooker and was the leading try scorer within the whole competition.

His decisions to take on the line with his decisive runs from dummy half was awesome which led to some great tries and always took us way over the advantage line and out of our back middle.

Passing game was always spot on with passes consistently out in front. Defence never wavered and is a well-deserved winner of Coaches Award.

Congrats H.

HENRI HILES-FRASER

Henri had a terrific season this year, he was our Mr Fix it and utility player and never disappointed. Henri was co-captain for the season and his leadership and motivation to his teammates was rewarding to the team. He inspired the coaching staff as well as the boys on game day and training. Has great ethics both on and off the paddock.

Awesome year Henri.

MAX HOWARD

Max accompanied Jack and Will in the halves this year which was a great trio. Also got into dummy half some games which we enjoyed his crisp passes making us go forward. Max used his voice to encourage and direct the forwards in attack and was solid in defence. His draw and pass saw some great tries laid on for the middle and outside men.

Great season Max!

BLAKE ISEMONGER

Blake is Engadine Dragons through and through. Blake played in our backrow and was terrific all year. He knew his role in the team which was by running straight hard lines in attack, bending the line and in defence had aggression and put himself in front of the opposition all the time. Blake plays the game well above his weight and has a massive ticker which you cannot coach.

Awesome year Blake!

DANIEL JOHNSON

Daniel started the year at fullback and was safe as houses under the high ball and was solid in defence. Daniel had a game in the backrow and did a great job and even pulled off one of the tackles of the year right in front of the bench. Daniel struggled with Injury at the back end of the year but did well to get back for the Grand Final.

Courageous Daniel.

WILL KELSO

Will played in the halves and did a fantastic job steering the team around the paddock and laid on plenty of crisp clean balls that led to tries and got a couple himself. His defence was solid and his kick pressure was needed.

Wills general kicks in play put our team in dominant field positions and was also handy as a goalkicker.

Terrific effort Will!

COOPER LYNCH

Cooper was asked to play out of his normal position in the halves and play lock. He exceeded in his first game and remained there for the rest of the season forward and took the challenge on with both hands and had a fantastic year. Coops never overplayed his hand and was a great link to his forwards and halves. Courageous in defence always and never left anything in the tank.

Terrific year Coops.

LUKE MAGUIRE

Due to several injuries prior to the season Luke showed plenty of commitment when he finally hit the paddock. This young bloke is just what ever team needs as he shows so much support to his teammates & just enjoys being with the boys. Great to have you on board Lukey!

RILEY MOSS

What a great season Riley had. Mostly played in the outside backs and forwards, with such speed to burn Riley left the opposition in the dust when he got the ball hence scoring some terrific tries. His defence was just as good.

His goal kicking feats were something to watch. Very competitive young player and definitely knows how to play the game.

Awesome year Riley.

SAM PATTON

Was outstanding this year both in attack and defence. His experience and enthusiasm lifted the rest of his teammates both on and off the field rewarding him with Captaincy. His decisions to hit the line and do the hard yards or get into holes just showed his class. Probably one of the best front on defenders in the comp. Also has soft hands for some classy offloads.

Terrific slamming Sam.

BAILEY PHILLIPS

Bailey was our teams Best and Fairest for season 2022. A very strong work ethic in the middle saw him tackle himself to a standstill in some games, taking away the will away from teams to carry the ball in his direction. When he took his head gear off, he meant business! Featured in the points in almost every game each week and is the receiver of the clubs prestigious Peter Green award for 2022.

Outstanding season Bailey! Congratulations on your awards, very well deserved.

JACK POWELL

Due to an ankle injury prior to the first round this kept JP out of action until the final 5 rounds of the competition. However, that didn't hinder the quality he brought to this team. Played fullback on return.

His precision bullet passing, towering and general kicks in play was outstanding. Jack grew confidence with each run he had, and his defence didn't miss a beat. Made some crucial game saving tackles in GF.

Awesome comeback JP.

ZACK REA

He is the old style no nonsense middle front row forward every team needs, and we had him thankfully! Knows his job and just gets on with it. Is tough as teak and never shy's away from the tough stuff.

Unfortunately received early season injury then an end of season broken leg. But this still didn't stop him from coming to every training session and games.

Ripper Zacko.

LACHIE SINFIELD

The team man you want in every team. Came off the bench for most of the season and when he got on the field was a handful for every team. Season was cut short with a dislocated knee cap and a knee injury but being the team man he is, attended every training session and game; leading the team warm ups and contributing to the team performance every week.

Great work Lachie!

COOPER SULLIVAN

Cooper played in our front row and didn't take a backward step all year. His go forward attitude played a big role in our halves having time with the ball. Coopers defence was hard and at times brutal which had his opponents thinking twice about running in his direction. Deserved winner of runner up Best & Fairest.

Awesome congrats Coop.

PAT ST BAKER

Great team man! Played on the wing and always came into the middle to assist our forwards bringing the ball back off our own line. With speed to burn and a willing ability to learn, made him a very important asset each week. Unfortunately missed the last couple of games due to a head knock, but enthusiastically contributed to the team each week, assisting with warm ups.

Awesome season Pat!

CHARLIE TE HIRA

Charlie had a fantastic season, forming a great combination with Pat out in the centres. His ability to stand up and beat defenders lead to him scoring some great long range tries. Always solid in defence and his versatility saw him playing some games in the back row. Scored the Grand Final winning try which no one will ever forget!

Great season Charlie!

WILL WRIGHTSON

Will played as our left centre and was dangerous every time he got the ball in his hands, will scored some great tries this year and was solid in defence, Will formed a great combination with Fibbo this year which was getting stronger and stronger each game they played together. His line and hole running resulted in some awesome tries.

Ripper year Will!

BRANDON WOLKIEWICZ

Played in the front row and didn't leave nothing in the tank when he was out there. Carried the ball strongly and only knew one way to run which bent the defensive line. Was very aggressive in defence and tried to be in play as much of the time when he was on the field.

Good year Brandon.

“ We are so proud of all the boys and truly hope they all remember this epic year and what we all achieved together.

TEAM REPORT

This year we started training and had a big squad. Through trying to create an 18's mixed team and from 3 guys pulling out a few weeks before the season started, we only started the season with 17 players. We trained hard and had high expectations for the season.

As the year progressed, we managed to pick up a few more players. We soon realised we were playing in a very hard competition and no games were going to be easy. We lost games this year we should have won from our silly mistakes and penalties. We managed to make the Building on last year where I think we should have gone better than we did but still had a good season.

In all I continually tell the guys they have something special that not many teams these days have, and that is a team of mates that have played at the same club their whole life and have a good social life and friendship together. I keep telling them stick together and your turn is just around the corner and when it happens with your mates it will be something you will always remember.

When I look back at playing and what I got out of it, yes winning premierships is a great feeling, but the best part was everything I had or still have that revolves around the game, lifelong friendship.

I would like to thank Simone for once again being a fantastic manager. To my number 1 trainer Steve, you are a legend and do so much for the club.

Thanks to Mick Robbo for helping as well. Thanks, Fats.

PLAYER PROFILES

TOM STROVER

Fullback was his position. He had an injury affected year but was a safe player and dislocated his shoulder just to get off the nudie run. Loves fitness training.

ZANE RYAN

Zane is one of the toughest and best centres in the game. He never missed a tackle and ran hard all the time.

MAX PETIT

Max is a great winger, safe under a high ball and a strong runner. Max is still standing on the sideline waiting for a high kick.

RYAN BARDEN

Ryan is a great halfback and has a great all-round game. He needs to back himself more as I think he has so much to give.

JUSTIN BROWN

Justin is a versatile player who can play plenty of positions well. He helped the team in different positions all year and was a safe fullback.

LOGAN MCKINLAY

Logan discovered alcohol this season and partied like a trooper. Maybe could cut back a bit before he plays though. In saying that he is still a great front rower and had a great season. I would have him in my front row all the time.

KYE ROBSON

Kye played up an age group at hooker and had an exceptionable season. I feel he was playing great footy towards the end of the season and was greatly missed after his ankle injury. A great clubman as well.

BRODI BALLARD

Brodi was our best player and one of the fittest this year. He has improved so much as a front rower over the years and is now one of the best in the comp. Great season mate.

LUKE BISHOP

Luke is starting second row and once again a great player. I would always have him in my pack as well. He played injured this year, but we needed him to be on the field as much as possible.

JAKE BONSER

Jake had a great year. He plays well above his weight and didn't fall off tackles and carried the ball strong. Great season mate.

TROY WILLIAMS

Troy is one of our best players. Troy plays a lot of minutes and never misses tackles and is a strong ball carrier. Troy was also injured at the end of the year and played injured. I would always have Troy in my pack.

JOSH GOLLER

Josh had a great season and did well filling in a hooker and lock when we needed him. You are still a great asset to the team. I'm sorry the season ended the way it did.

CONOR ROBSON

Conor surprised everyone this year. We were short of a front rower, and he put his hand up and didn't let us down. He ran like a 110kg beast but only weighed 80kg. Strong in defence as well.

COOPER NOAKES

Cooper stopped playing but I managed to talk him in to coming back to help us out when we were short. You still have more to give and should keep playing. Thanks for the season.

RYAN BOURKE

Ryan was a safe winger and a great goal kicker. Good season mate.

BLAKE BARDEN

Blake was injured early in the season playing centre. He came back only with a few weeks to go and played second row and did a great job. He surprised and played unreal. I think second row really suits his game and size. Great end to the season

BEN METCALFE

Ben is one of our younger players. I found last year he needed to show more maturity as a player. I had a talk to him at the start of the year explaining what I thought, and he played an excellent season. I feel he has come so far this season and will be a great senior centre and player.

JUSTIN LETTON

Justin is one of our younger players as well. It was hard to fit Troy and Jezza on the field at the same time. I had Jezza coming off the bench and he absolutely killed it. One of our best forwards this season.

ELI FERGUSON

Eli is a great player who can play so many key positions. He was consistent all year and the side really needed him. A great player all round.

DANE COURTNEY

Dane came to early to mid in the season and what a pickup it was. As soon as he stepped onto the field our attack picked up and he caused chaos for other teams to contain him. A great player all round, also a leader and role model for our club in the future I hope.

JORDYN BROWN

We picked Jordyn up early to mid-season as well. Straight away I could see his potential and I had him starting second row after a few games. Great ability all round. I hope you stay at our club.

LIAM CLARKE

I got Liam back to help when we were short. Thanks, Liam, for your effort and helping us out. Maybe get there for pre-season and I think you will be a great asset to the team.

TEAM REPORT

At the start of the year, it looked like the over 35 league tag were not going to get a side. After making a few phone calls and rallying up 26 Engadine legends to register, our season began.

We were off to a good start, getting a victory in our first game. Unfortunately, from then on things didn't go so well due to multiple games being cancelled due to the weather and many injuries throughout the side. The games we did manage to pull a side together, we were more than competitive and most of all enjoyed playing in each other's company.

Finishing sixth on the ladder, we somehow managed to sneak our way in to the finals which saw us go down and end our season there.

Great bunch of blokes and had a fun year together. Big thanks to our manager Birdy for helping out. Looking forward to bigger and better 2023 season.

TEAM REPORT

It was such a pleasure to coach this team for the 2022 season.

Our phenomenal start to the season saw this team putting together games that had everyone on the sideline so proud to be a part of.

Due to this we were regraded into the gold competition going up against the best of the best and well and truly holding our own although fighting well above our weight class.

Watching this team improve game in game out was so rewarding to be involved in and such a good way to start a Sunday morning.

Massive thanks to Scotty & Sarah for all your help throughout the season.

Can't wait to do it again next season team.

Ryan Phillips

PLAYER PROFILES

ADDISON SCHAFER

Proper pocket rocket. Size didn't let Addy second guess her ability to find the try line. A dead set natural on the footy field & the determination that will see her as a future Jillaroo.

Go get 'em Addy.

RILEY MIDDENDORF

Rags to riches. Riley found her love for this game and most importantly for this team midway through this season and was absolutely devastating with her straight running & phenomenal tag counts.

I knew you could do it Riley.

ISABELLA RELF

Absolutely fearless. Being the smallest out on the field didn't deter this little weapon from taking the footy straight up into the defensive line time & time again.

Your brave beyond your years Issy.

SIERRA MILLAR

With skills to match the sass. Sierra is at home on the footy field, and it couldn't be a more perfect place to harness her "I don't give a hoot" attitude. One of my top players every week.

Give 'em hell Sierra.

CAPRI MILLAR

Little champion. No one try's harder than this kid. Giving 100% effort in every area is the only way Capri knows how to do it ensuring her place as a very valuable member of this team.

Love your work Capri.

MADDISON WOOLLEY

Always a big smile on her face, Maddie was one of my top students and one of my top trainers. First season of footy for Maddie and I couldn't be prouder of her achievements.

Pleasure to coach you Maddie.

JADA FIESS

Very impressive first season of footy. Jada ran with the ball like a pro straight into the defensive line bagging quite a few tries along the way and often bagging tag counts like she'd done it all before.

Footy for life Jada.

GEORGIE LOWES

One of my favourites. Georgie is a pleasure to coach and the type of player that everyone wants on their team. Always giving everything. 100% effort at training & on the field.

See you next season Georgie.

AURORA JOHNSTON

Wow, what a player. Rory is a game changer & without question a future athlete. From the very first game it was clear Rory is built different.

Just impressive Rory.

ALIRAH MEADOWS

Never gives up, Alirah is a coach's dream. With a skill set well beyond her years and a love for the game that has Alirah giving 100% every second of the game.

Once again it's been a pleasure, Alirah.

ELLIE PHILLIPS

What a gun, Ellie's explosive speed with the ball in hand and determination to bag as many tags as she can makes Ellie a very valuable player in this team.

Keep loving what you're doing Ellie.

REMI STEIN

Curly haired weapon, Remi's drive and consistency in all areas of this game place her as our most valuable asset.

Born to excel on the sporting field Remi.

PIPPA WACKWITZ

Wacky Pip by name. Wacky Pip by nature. An absolute firecracker on the field who know only one way to play this game. Head first and at hundred miles an hour. Pippa is as tough as they come, putting her body on the line every game and training session.

Happy as a pig in mud. Literally.. Love your work Pip.

Watching this team improve game in game out was so rewarding to be involved in and such a good way to start a Sunday morning.

TEAM REPORT

What a great season! All the girls were amazing and have significantly improved both on and off the field this year.

At the start of the year, I was really excited to coach these girls knowing how much talent and enthusiasm they all have. I was amazed by the quality of football these girls produced and it really paid off, making it to the semi-finals this year. Our first year together with myself as their new coach was fun to say the least! Getting the girls to focus at training was a challenge at times as they see me as a big kid but without a doubt, we always had fun. When it came to game day, they never disappointed. I am so impressed by how much they have all grown as a team and individually and I am grateful to have been a part of the journey.

I would like to thank Dani and Drew for helping me this year, first time coaching wouldn't have been easy without you two. The time and effort you put into the team doesn't go unnoticed, myself and the parents are grateful for your contributions. I would also like to thank the parents, for getting the girls to training and the game each week. We are so lucky to have such a friendly and supportive group of parents in the team. Hopefully we will see you all next year!

PLAYER PROFILES

IMOGEN PALMER

Immi is an absolute natural at the game, she always grits her teeth and runs the mile. Her determination and knowledge that she carries really shows her passion for the sport. Immi's defence is so strong, not many players could get past her and if they did, she always chases them down with her speed. So impressed by what this little girl can do at such a young age. Great season Immi.

DYLAN HAMMER

Dylan is another very naturally talented player, she can read the play very well and with her athleticism she can run around all day. Dylan also has great ball and tagging skills and helped me to teach the other girls these abilities. Dylan also discovered she could kick goals this year, with a big boot on her she was kicking goals from the 20m line. Another great season Dylan.

EVIE COUSEMACKER

Evie always amazes me, whatever I asked of her she delivered. Evie always finds ways to improve, and I am so impressed with her sportsmanship and contribution to the team. Evie plays first receiver exceptionally well, not only sharing the ball around to her teammates but her awesome passing technique. Love your passion Evie, another amazing season.

MILLA OSMAND

Milla was timid at the start of the year with only having a little experience of the game, but she really came out of her shell and found her confidence after a few games. Milla's speed and determination at training really showed on the field scoring tries and running the length of the field every game. So impressed by your improvements Milla, awesome stuff.

HARPER REA

Harper is a quiet one but, on the field, she really shows her personality. Harper picked up dummy half really well this season, passing and scooting with every run. From previous seasons, Harper has improved in the quality of her footy. Harper had a really great year this year. Keep up the great work!

ADDISON DAVIES

Addison has a lot of passion for the game which really resonated on the field. Scoring many tries and tagging really well showed her enthusiasm and efforts throughout the season. I encourage her to continue playing Tag League in the future as I see some real skill in this girl. Well done!

AVA MCBRIDE

As this was Ava's first year of tag league, she had a lot to learn about the game but being such an enthusiastic girl Ava picked up the basics of the game really well. By the end of the season Ava found her confidence on the field, running the ball and even kicking some goals. You should be very proud of your efforts Ava, keep up the good work.

JESS ROBSON

With Jess' little experience, she really brought a lot of enthusiasm to the team. She was always happy and smiling no matter the outcome and always brought a smile to the other girls faces. Keep up the great work Jess!

ELLA FLEMMING

Ella is an all-rounder. Wherever I asked her to play she always exceeded my expectations. With her rising experience of the game, I see some real potential in this girl as she always has a great attitude no matter the outcome. Keep up the great work Ella.

MATILDA ALLEN

As this was Matilda's first year of Tag League, she had a lot to learn about the game but being such a tenacious girl, Matilda adapted and picked up the basics of the game really well. By seasons end, Matilda was making some great runs and tagging really well. Well done Matilda!

I am so impressed by how much they have all grown as a team and individually and I am grateful to have been a part of the journey.

What a year of growth for the under 11 girls.

After covid cutting last season short and many wet weekends this season, the growth I have seen from these girls is outstanding.

It was a tough comp with only 4 teams in our comp, but the girls showed up each week with a smile on their faces and gave it their all. The team spirit was high every week. The companionship and support the girls showed each other was special. All the girls should be proud of themselves, and I look forward to watching them develop and grow next year.

What a fantastic season girls! Most of you were returning for your second season of League Tag, whilst Ruby & Sophie were new to our team and the game. You all did so well! We had a tough draw both before and after the split and played against some much more experienced teams. You girls stayed positive and tried your best every week, always keeping things fun. I love this about coaching you! You were definitely our most improved team in the comp and you're doing all the right things out there, now we just need to do it all faster! You've been a pleasure to coach, thank you.

Thank you also to Alex for being a wonderful Trainer, and to Emma for being all over the Manager role. You ladies make it so much more enjoyable, as do our friendly and supportive faces on the sidelines. See you all next season!

You girls stayed positive and tried your best every week, always keeping things fun. I love this about coaching you!

PLAYER PROFILES

CHARLEIGH

You are so fast down that sideline and you were our highest point scorer! You position yourself well and are a solid defender. Congrats on your season!

EVA

You are always full of enthusiasm and it shows on the field. Your ball control and tagging game has improved so much and you're doing a great job out there. Well done!

GEMMA

You read the game well and your on-field communication is great. Your defence is solid and your kicking game has improved this season. Great work!

GRACE

You mix it between dummy half and the wing and you do it all so well. You are great at reading the play and you position yourself well. Great season!

IVY

You came into the dummy half position this year and did so well at it. Your game has improved a lot and it's so good to see you make great runs regularly. Well done!

JEMMA

Your game has improved a lot and it was great to see some solid tagging and great runs this season. Great work!

KIARA

You are so fast and it was so exciting when you put in a great run. I can't wait to see more of that! Your game has improved a lot, and I look forward to an injury free season for you next year!

LILLY

You are so full of energy and this shows in your game. You never stop running and you played well in every position this year. Congrats on your season!

MILLIE

You are super fast and made some great runs this year. You also have a great kick on you. Your game improved a lot this year and I'm excited for next season. Great work!

RUBY

You settled into league tag so quickly and you have excellent focus. You run, pass and tag very well and I'm excited for your second season. Well done!

SIENNA

You have great all-round skills and showed much improvement this year. You are a solid defender and you make some great runs. Great work!

SOPHIE

You made many exciting runs and I love how you're always ready to receive a ball! Congrats on a great first season!

TEAM REPORT

Firstly, what a super effort this year, Minor Premier and Premiers. Congratulations.

Placed in the Silver competition after regrading, following three or four narrow losses by just a try, you girls went about your business. Taking the skills you learnt at training, onto the field and improving week to week. What soon became evident is that we became the team to beat. Unbeaten post regrading.

Quietly confident going into the finals, things were going to plan, making it to the Grand Final. After a great training session before the big day, you girls were ready. What I didn't expect was Gynea came to play, scored early and converted. We soon hit back, scoring shortly after. With things not all going to plan or falling our way my confidence was slipping. Behind most of the game 6-4, you girls to your credit hung in there, fighting hard to score the winning try with minutes to go. What followed was the most nerve racking final minutes watching you fight to the end. The defensive effort and the never give up attitude that you showed was absolutely amazing. Well done!

Thankyou girls for the effort you all put in this year, it makes it a pleasure to coach you. I seriously believe you have all improved so much. Building the basic skills, moving forward, that will make you all play as a team. Thank you to all the parents for the support to Brooke, Renae, Daniel and I. I hope you all come back next year.

PLAYER PROFILES

LACEY FRANKS

A very well deserved award for Lace this year. Playing in the Dummy Half roll, Lace was always around the ball delivering great service to the first receiver and knowing the right moments to run the ball. And running the ball is what she does best, with speed to burn, scoring at least once a game.

ZARA COOK

Zara returned to tag league after a year or two off and what a return it was. Starting the year as a runner, an opportunity at first receiver showed us how well she was at it. Zara is a natural and has one of the best passes in the team as well as possessing speed and was often able to pull us out of trouble with length of the field tries. Great effort.

CHARLEE CHAPMAN

I have to say Charlee's all round game has improved so much, very consistent and reliable in every area of tag league. Regularly playing Dummy Half, a roll she does so well, showed by scoring the winning try in the grand final with a scoot from dummy half.

ADDISON OWEN

Addi received the encouragement award this year and was so well deserved. A pleasure to coach, always giving 100% effort. This showed in improving so much in all areas of her game. Her enthusiasm to move up in defence to make the first tag, noticeably showing this improvement. Always near the ruck and filling in at dummy half when needed. Keep it up Addi.

Taking the skills you learnt at training, onto the field and improving week to week. What soon became evident is that we became the team to beat. Unbeaten post regrading.

ZOLA JENKINS

Zola was unable to make all games due to her budding soccer career but was always a welcomed asset to our team. Super reliable tagging while running at speed, was and will always be difficult for the opposition team trying to stop or get past her. I hope you can still juggle your sporting endeavours and continue playing Tag League.

HALLE KIDD

Being the coach's daughter, I may be a little harder on her, Halle doesn't always get the credit or accolades she deserves. Playing first receiver Halle organises play superbly. Reliable in this position with a great kicking game. Also a very solid defender. Stay positive and you will get as far as you want to go.

TAYLOR MANN

Tay, I must say has the biggest motor in the team, she is everywhere, and doesn't stop. Tagging and cover defence is her biggest asset. If she lets me put her in a ball playing roll, you could excel, you have all the skills and a massive kick as well. Believe in your ability, you'll do awesome.

GRACE MORANDO

I'll dare say Grace is the fastest in our team. With a team full of speed demons, this is a massive asset. There is no stopping her at full speed and she scores tonnes of tries off the back of this. Focus on your running game and you can score a bunch more. None of this takes away from the number of tags she makes per game.

JASMINE ROBSON

Jasmine would be the happiest in the team, her smile and enthusiasm rubs off on everyone, well on me it does. The effort she puts in has really shown in her continual improvement. It's pleasing to watch from a coaching aspect. One of the first up in defence, this has also highlighted a massive improvement in tagging. See you next year Jas.

RUBY SINCLAIR

Ruby, the Grand Final Captain, the honour I gave to her for the maturity I have seen in her this year, she has the respect from all. Another fantastic year, playing the first receiver roll, when called upon, well. Not always wearing the FR vest, Ruby knew the roll I gave to her and was always in position to direct the team around. As the game expands to a bigger field Ruby has the skills that will see her playing around the action in a ball playing position.

BELLE SINFIELD

Whether Belle runs around a team or through a team, the speed and elegance at which she does it is so good to watch. Her place in this team cannot be underestimated. The amount of field position Belle gains, especially when the team is in trouble, was a massive advantage when trying to get the upper hand. Usually defending out wider, there wasn't many that could get past her. Great year Belle.

TEAM REPORT

Well girls what a year it was in more ways than one!

With a stop start season due to horrific amounts of rain which did its best to derail our preparation for the year ahead.

We just concentrated on skill based sessions which saw you girls improve out of sight, which reflected on the field out gunning the top teams and being crowned 2022 PREMIERS!!

Great season to all of you, very proud of what you achieved and for showing how resilient and determined you all are.

A big thanks for all involved for helping out through the year.

Thankyou to Anthea and Jackie for managing, Woody for training and Greg & Nic for stepping in when needed.

Cheers, Corey

PLAYER PROFILES

AVA WOOD

Ava is our most dominate defender, who on several occasions was seen to defend a whole set of six herself and put constant pressure on the opposition.

Great year Ava!

TAMERAN EARNSHAW

Tameran was a new recruit to the Dragons, started the season playing outside until her confidence grew & then we moved her in the middle. With a well balanced running style and plenty of speed we saw her create mayhem around the ruck.

Top year Tameran!

RYLEE HELM

Rylee was a shy and courteous player until she opened up and we found the best in her. With safe hands and agility Rylee was moved to fullback and killed it with some quality kick returns.

Well done Rylee!

RYLEE WOOLLEY

Rylee was a late inclusion to the team but soon found herself at home with plenty of involvement in the middle, keen in both attack and defence.

Good work Rylee!

KALEI HALL

Kalei is a long strided, free running player with plenty of enthusiasm, which paid off for her with plenty of long range runs, gaining metres & who can forget scoring the winning try in the grand final!

Great work Kalei!

AURORA DE SILVA-PECK

Rory is one of our less vocal girls on the field but that did not reflect her inclusion in the game, when she wanted to Rory proved difficult to stop on several occasions.

Great effort Rory!

HAYLEY WOTTON

Hayley had another consistent season, which resulted in her ending up in the halves utilising her great ball playing skills, which made it easy for our team around her to dominate the opposition.

Well done Hayley!

CHLOE BELL

Chloe started off the season a little quiet but once we found her position on the edge, she cut the opposition to pieces with her speed and shut down plays with her faultless tagging.

Great effort Chloe!

BRONTE VISOR

Bronte had speed to burn this season which soon paid off for her and the team. Bronte got us out of trouble numerous times with determined runs and also saving tries by running down the opposition on several occasions.

Great work Bronte!

KALARNI MARKHAM

Kalarni with plenty of time and practice saw her end up our dummy half for the year, using her accuracy and direction this helped the team gain plenty of momentum to create space for our attacking plays.

Good effort Kalarni!

ALANA BANSAN

Alana was a new member of the team which did not reflect in her willingness to get involved in most sets and always supporting her teammates. Plus who can not highlight that goal kicking!

Well done Alana!

NEVE GRINHAM

Neve is the energiser bunny of the team, we could always rely on Neve for her speed and determination, which resulted in her scoring tries and saving plenty more.

Well done Neve!

AMELIA MCCARTHUR

Amelia was a quieter member of the team but once she had the ball she would show her hidden speed to gain plenty of metres down the sideline.

Good effort Amelia!

CHARLI BOURKE

Charli was our little pocket rocket, with her elusive running style and speed she proved difficult to tag. Charli scored plenty of tries outrunning the opposition from one side of the field to the other.

Great work Charli!

TAHLIA KENCH

Tahlia is a quiet and courteous team member who could always be relied on when needed, she proved that tagging and running of the ball out wide wasn't a problem for her.

Good work Tahlia!

ZAHLI SHOBROOK

Zahli is a natural ball player who landed herself in the halves, with a good set of skills and a killer kicking game saw Zahli turn games around and let her team play off the back of it.

Great year Zahli!

Great season to all of you, very proud of what you achieved and for showing how resilient and determined you all are.

TEAM REPORT

We did it!

Within this champion team is a group of young ladies who, roughly 3 years ago, thought why the hell not! The thought was, yeah sure we're either netball or soccer players, but how about we give this League Tag (Tag League?) thing a go.

Those little (at the time) legends (even more so now) proved how eagerness, willingness and teamwork can get you places. Season 1 (2020) – win first game, lose every other game thereafter despite improving every game and more often than not being the better team (pace, which we didn't possess, was more often than not the match winner), smiles all around and new skills learned at every training session were the main outcomes. Season 2 (2021) – somewhat more curtailed due to Covid-19 implications, but the groundwork laid during 2020 started to pay dividends with a few wins, competitive matches versus those more experienced, but still the smiles that make it all the worthwhile.

To season 2022, a largely settled side, albeit with a few newbies who complemented our style of play (some having joined the year prior, others in understanding the vibe being generated ...). Game 1 – wow, against a team we couldn't get close to previously (and ended up playing in the GF), we looked like world beaters (off-season OzTag the catalyst?). Thereafter our draw proved to be a blessing (?), as come Round 6 when the competition was split, we'd already played the two standout teams in U14 GLT and found ourselves below the 'ruled line' to end up in the Silver competition (3-win, 2-loss record). I've no doubt we would have been competitive in the Gold competition, but "What do you want to do ladies?," challenge yourselves in Gold but likely be also-rans, or step up to the plate and prove yourselves as the best team in Silver? The young ladies that we proudly call 'our team' decided the latter and didn't we have fun and learn a lot along the way.

After the competition was split, we remained undefeated. Yes, we had our challenges, often when playing at home due to the distraction of our local supporters (thanks U14 Gold and Bronze), but we always found enough to get the job done. Our game plan was simple enough, players fell into roles of middle, left edge or right edge. Against particular teams we knew we could drive through the middle, for others we needed to spin it out wide. Similarly in defence, some teams would attack our middle, whilst others had pace out wide. Each player knew their role and together proved what a great team they are in adapting to whatever was thrown at them by drawing on their learnings from training and previous seasons.

Finals was a new experience, and whilst the two games played had flattering score lines, they were starkly different games. Our 54-4 Qualifying Final win was a drubbing, we absolutely dominated and took much confidence into the GF. However at nil all in the GF after 20min having made 5 errors with no obvious avenue to score due to most of the game being played in our half, we weren't sure what was happening. Plenty of pressure had been applied to us and we were struggling, but we'd managed to keep our opposition to nil through a never-say-die attitude, testament to our team first mantra (defence wins finals matches!), then three moments of brilliance. First Bel with a 50m+ break down the sideline (her last play of the day unfortunately due to injury), then a through the middle 70m+ opportunity by Mia (converted try) and an opposition coach heartbreaker by Rhianna right on half time (another 70m+ under the post converted try). Without providing a full match review, we ended up winning our GF by 30-0, in what was a game of two evenly matched teams, the difference being we made our opportunities count and shut down all of theirs.

Ladies, we're super proud of your efforts this year and love what we're seeing on and off the field. Not only are you a great team that all of your week in week out supporters love to watch, but your friendships outside of the team environment showcase other aspects of sport that are so important.

To the award winners, congratulations. To all others, you each performed your team role exactly as asked, be proud of how you've contributed to our collective successes and wear your premiership jackets with pride. Well done on a great year, we're looking forward to taking on Gold division in 2023, bring it on!

Matt, Sam and Laurie

PLAYER PROFILES

GEORGIE ABSALOM

Another of our players close to receiving the Most Improved Award, Georgie's season got better and better, particularly as her offloading developed, so too her decision making in "when to go and when to throw". Some great length of the field efforts in playing middle or edge and always keen to ask questions to better learn her craft. Well done Georgie on another great season.

TELINA ADAMS

What a debut season! For our first game Telina started on an edge and scored three amazing tries. Fast forward to even halfway through the season and Telina had quickly developed into one of our main attacking threats, possessing great balance, speed and positional awareness. Eventually moving into the fullback role, her attacking prowess combined with defensive nous proved how crucial her efforts were to the success of the team. Amazing season Telina, your 110% effort in everything you do will see great success in future years.

CLAIRE BAXTER

One of our edge players, Claire epitomised our team mantra of 'play your role'. Defence is a speciality of Claire's game, doing everything asked to keep the opposition at bay and shut down many attacking raids (e.g. umbrellaing, double tagging, maybe even the odd tackle ...). When our middles saw opportunity out wide, Claire was on the end of some amazing ball movement, not a prouder coaching moment to see a sideline-to-sideline play with Claire scoring a try. Well done Claire for your efforts this year.

ERIN COOPER

Another of our edge players, Erin has always possessed great balance and speed. A finger injury momentarily halted Erin's great combination with other right edge players but after a month-long overseas rehabilitation stint, Erin roared back into the team in readiness for finals and performed her role with aplomb with some great runs, excellent support play and defensive smarts. Well done Erin.

NEVE DENYER

Our Captain, first choice dummy half and all-round worker in the middle. Neve developed her game exceptionally well this year in better understanding the nuances of dummy half play and capably lead her teammates throughout the season. Neve's play in both attack and defence was often without flair but always delivering exactly what was asked for in keeping the middle nice and tight. Great effort again this year Neve.

LACEY DUNCAN

If there was an award for consistency it would go to Lacey. Always a picture of focus at training and during games, Lacey plays her team role without fuss and always with a smile. A dependable edge player and one of our main goal kickers, many opposition coaches would ask why we've been blessed with such good goal kickers, and I happily explain that a few of our players prefer to use their feet rather than their hands, with Lacey being the head of that pack. Thanks for a great year Lacey, well done.

BEL HARRISON

Bel is one of our more versatile players, loves playing in the middle, but when playing out wide and given space, can absolutely motor along and leave opposition players clutching at thin air. Bel proved the catalyst in our GF win, and if not for an injury sustained during the game, would have no doubt continued to terrorise our GF opponents. Well done Bel on a great season.

MIKAYLA HENSON

Another of our no fuss players, Mikmok is one of our dependable midfield generals. As an avid defender and middle metre eater, Miki does the unflattering stuff that all teams need (e.g. straight runs off our line, quick play the balls, pressuring defence by getting all tags in a set etc). Always happy to do extra sets at training, Miki is a keen student of the game and always willing to learn the finer details to further improve her game. Well done Mikmok on another solid year.

MIA INGLIS

Mia is everything you want in a player, great listener, exemplary leader, attacking mindset, never say die attitude, all of it. Whilst Mia wasn't able to make training due to rep soccer commitments, her efforts on game day were always an inspiration to the rest of the team. And to think that most games Mia played this year were immediately after a game of rep soccer, amazing effort. Congrats Mia, you're a great player and true leader.

RHIANNA KARIKA

Rhianna is our most dynamic player, evidenced by averaging more than a try per game with exceptional timing and pace when attacking (and usually going through) the oppositions defensive line. Equally adept in our defensive line, a mid-season positional switch from fullback to middle brought Rhianna closer to the action resulting in a more cohesive team effort attributed to her clear communication and constant encouragement of teammates. A gifted athlete, Rhianna saved her best until last and was B&F in both finals games, congratulations Rhianna on a fantastic season.

ZARA LOVEDAY

New into the team for 2022 but not without a wealth of experience. Zara has phenomenal timing and formed some great combinations with our middle and inner edge players. A great back-up dummy half, the more often the ball was in Zara's hands, the more often we knew something positive was going to happen. A tenacious defender (not uncommon to get all tags in a single set), Zara continued to find her groove within the team as the season progressed, particularly in the finals when Zara's competitiveness shone through. Great effort this year Zara, so glad that you've chosen Dragons as your preferred home!

EMMA LYONS

Emma continues to amaze with her penchant for breaking a line despite three, four and five defenders hovering around unable to get her tag/s. A keen defender who always seems to pop up at the right time, Emma is another of our no fuss players who gets a job done as a key contributor to our teams' successes. One of our inner edge players, Emma has all the skills to be able to play anywhere and at any level. Congrats on another great season Emma.

HAYLEY MOORCROFT

Another of our players close to receiving the Most Improved Award, Hayley is naturally a great defender (another who regularly gets most if not all tags in a defensive set) but it was her attacking skills that developed exceptionally well throughout the year. Always a keen learner, Hayley will become one of our key players in years to come. Great effort this year Hayley, a truly dependable player.

NAT WOOLBANK

One of the kindest souls off the field, on the field with ball in hand Nat terrorised opposing edge defenders when given the opportunity. A slightly hampered season due to injury, when fit Nat is an important part of our team owing to her versatility in playing middle or edge. A delight to coach and willing listener, Nat has it all in front of her. Thanks for the season Nat, great effort all round.

Not only are you a great team that all of your week in week out supporters love to watch, but your friendships outside of the team environment showcase other aspects of sport that are so important.

TEAM REPORT

The girls returned this year after a couple of Covid effected years which was great to see.

The girls at this age have other commitments so we never really got to train as a team plus the weekly Wednesday rain didn't help either.

Considering this, we still managed to put together a couple of good games at crucial times to get us into the GF.

I believe we could have won if we played to our plan but were perhaps a little surprised and nervous to be in the game and definitely did not play our best football.

A couple of cheap tries for the opposition and a couple of decisions didn't go our way and the game was lost 14-12.

Still a good result considering our season.

Thankyou to all the girls and the parents for their time and effort.

All the best,
 Paul, Nath and Scott

PLAYER PROFILES

BROOKE CAMPBELL

Brooke in my opinion is the most talented player in our comp. She has a running, kicking, defence and goal kicking game.

She is an allrounder that you can build a team around. We are lucky to have you in our team Brooke.

SAHARA INGRAM

Sahara has good skills and speed to be able to score tries and chase down the opposition.

Sahara is vocal in the team and encourages the game and spirit. This is a great attribute for the team game.

BROOKE COLLINS

Brooke's first year in the team and she brought great speed, dynamic tries and awesome enthusiasm. Some of Brooke's tries had to be seen to be believed! Brooke is a pleasure to coach.

ELLA BILSBOROUGH

Ella's first year in the team and her enjoyment and enthusiasm for the game was awesome. We gave Ella jobs to do and she did them well. She fits in well with all the girls and a pleasure to coach.

CASSY WALKER

Cassy contributed to the team when she was asked and tried hard. Hopefully she enjoyed the year.

TAHLIA ROBERTSON

Tahlia is a big player in the team. It was unfortunate we missed her a lot due to her netball commitments.

INDI ROBERTSON

Indi came through with some great plays through the year which were awesome for team moral at critical times. In the best game we played through the year I knew we would win when I saw Indi sprinting back to a kick off after the opposition had scored a try.

ELLA ROBERTS

Ella has good game experience and skills to match. Two tries in the GF nearly got us the win we deserved.

ELLIE DARLO

Ellie loves to play footy and is awesome at lifting the team spirit with her upbeat attitude.

FREYA SCULLY

Freya was missed by the team with an injury playing another sport.

Hopefully she gets back to 100 percent and keeps scoring tries for us.

JAMISON BALLARD

Jam is a fierce competitor and doesn't like losing. She is great for the team. Thanks for your effort Jam.

LAUREN ATKINS

Loz played 9 for the year and scored and set up some awesome tries. Loz has really good skills and plays very relaxed and with ease.

GEORGIA VISSER

Georgia missed a fair few trainings and games so I believe we didn't get the best out of her. With a solid commitment she could be a good finisher.

LARISSA KING

Larissa is key to our team, hard working and committed. She put her body on the line plenty of times and saved us. Has great hands and a pleasure to be around.

MATILDA HARVEY

Matilda is also a successful netballer and can catch and pass the ball. Once she has a couple of years experience of playing league she will be even better for it.

Thankyou to
all the girls and
the parents for their
time and effort.

TEAM REPORT

2022 has been another enjoyable year with these young ladies!

It has also been a challenging season – both COVID and the weather playing another huge part. We were only able to training a few times before the season even started and nearly every week we had to try and come up with different training sessions to accommodate the weather.

Our team welcomed 5 new players, and some of them had never played Tag League before. They all slotted in really well and I was so impressed with their natural ability to play footy. We had to learn and gel with the new players on the run, and that we did.

Being undefeated premiers in 2020 and then 2021 season being abandoned, there was a lot of pressure on the girls to be successful again this year. This pressure definitely didn't come from me or from the parents, but I know the girls themselves want to succeed every year and they put a lot of pressure on themselves to be the best they can be.

We started the season strong and dominated the competition as expected. As the season progressed, we faced injuries to some girls in key positions so we had to shuffle the team around and at some stages we had to call upon other Dragon's teams to help us out. Thank you to the 14s GLT and the 16s red GLT for helping us out throughout the year.

The girls finished the normal season undefeated which is another huge achievement and a testament to all the hard work and dedication they put in throughout the year.

“

The heartbreak that felt when that full-time siren went will only make them stronger and they will be better players for it in the long run.

The Prelim final saw us come up against the other Engadine team. This game was definitely a mental test for us. We went set for set and threw everything we had at them but unfortunately it didn't end in our favour. I am so proud of the girls because they didn't give up right to the very end.

Unfortunately, that's the way footy goes. Sometimes it just isn't your day. I do think that the girls will learn a lot from this season. They will take away so much from that prelim loss. The heartbreak that felt when that full-time siren went will only make them stronger and they will be better players for it in the long run. I also tell them that footy is as much a mental game as it is a physical game.

I would personally like to thank Drew for his help and support with the coaching this year. Tash, our manager, who keeps us informed and organised each week, you did an awesome job again this year THANK YOU!

I also would like to thank the parents for all their support throughout the season.

To all the girls.... THANK YOU! Thank you for allowing me to coach you again this season, it has been an absolute pleasure. I hope you had as much fun as I did and have learnt a few things along the way. You are a great bunch of young ladies and I am excited to see what 2023 brings.

Cheers,
Mat

TEAM REPORT

We started the season with approx 18 players, however at this age many of the team balance other higher priority commitments like work & study thus making it not easy to get solid numbers week in week out. That said in the games we had good numbers were highly competitive, either winning or losing by a small margin. Some washout games also robbed us of some chances to win games against weaker teams.

The crazy weather meant training was near impossible, so we pretty much went through the season with no training.

Considering all this, the girls performed and combined really well, and played some great entertaining footy. Most importantly the girls turned up each week and enjoyed themselves, even the 9am winter morning games at Anzac including getting sleepy heads out of bed for ground set-up.

One of the most pleasing things about this group is that they are a highly respectful group, and represented the club in really well positive way.

One of the most pleasing things about this group is that they are a highly respectful group, and represented the club in really well positive way.
