PRESIDENT'S REPORT

2024 was a rain affected season where five games were washed out, but the junior league was able to catch up a few games at the end of the season to give the kids more game time.

We fielded 54 teams and a huge mini dragon's squad of 81 kids. I would like to congratulate all the teams on a great season and our premiership winning teams the U11 silver, U14 silver and the GLT U16 silver. It was fantastic to see so many teams playing this season.

We fielded 54 teams and a huge mini dragon's squad of 81 kids. I would like to congratulate all the teams on a great season and our premiership winning teams the U11 silver, U14 silver and the GLT U16 silver. It was fantastic to see so many teams playing this season.

This season we had our girls tackle teams once again, a combined under 16's and a standalone under 18's team. Our under 18's girls tackle team went from not winning a game last season to just missing out on winning the competition. Great year girls, you should be proud of what you have achieved. We had our three most senior sides again, A-Grade, A-Reserve and Emerging Cup. We held our combined boys and girls Mental Fitness pre-season camp. Our Engadine Dragons Old Boys Group ran again where we held two Old Boys Days. We ran our *Mental Fitness for Life* program again helping over 300 players and members of our club and community.

To all our sponsors, without your generous support the club couldn't function and we wouldn't get the players on the field each week, or be able to supply vital training gear and equipment. Thank you for your support once again this season.

I would like to start by thanking my executive for all their work this season. Without your help I would be lost. To all my Vice Presidents, management committee and general committee, I would like to thank you all for all the work you have done for the club throughout the year to help the club function successfully. A special thanks to Vanessa and Chris for coordinating the Mini Dragons. I would also like to thank Donna and Corey for running the canteen once again this season. Thanks to Toni for the great yearbook once again.

To all the coaches, managers and trainers, thank you for your time and effort to get the players on the field each week. I would also like to thank the parents who helped with ground duties, canteen and bbq each week.

We are looking forward to next season. We have some great new ideas going on for next season. The new irrigation should have the oval looking fantastic for the new season and new lighting is also planned which will benefit everyone in the club.

AARON PALMER • PRESIDENT

SECRETARY'S REPORT

This year saw a very frustrating and challenging season with all the wet weather we endured.

Overall, we saw five rounds washed out, Junior League were able to implement two extra rounds to make up for some games that were not played, which enabled some more game time for the players.

This season the club increase our team participation to 54 teams, with 739 players participating from under 6s to open age competition. Including our mini dragons there was 820 participants. This is a massive achievement and we hope you all enjoyed your season.

We were very fortunate enough to have 81 Mini Dragons participants participate within our Mini Dragons program. This is the largest number of participants in any club.

These sessions were run by our professional coaching staff, Vanessa Hayward, Chris Hayward, Lauren Sherwood and Tom Ryan. A massive thank you to you all, these Mini Dragons are the future of our club.

This season we had 20 teams that made the finals. We had seven teams compete in the grand finals, they were Tag U12 Gold, Tag U16 silver, U11 silver (1), U12 Gold, U14 silver, U15 Gold, U18 Female tackle team, with three bringing home the Premiers 2024 trophy; U11 silver (1), U14 silver and Tag U16 Silver teams, a massive congratulations to you all.

Many thanks to all our dedicated coaches, managers and trainers; with a special mention to grand final winning coaches, David Gunn, Chris Hayward and Mykel Hema.

All our teams, from the U6 to Opens played the game in the proper spirit and showed considerable improvement throughout the year. Many thanks must go to all the coaches and the support staff for their unwavering enthusiasm.

To our Executive Committee: Aaron, April, Drew, Ben, Sarah and Derek. Thank you so much for all your hard work behind-the-scenes. For everything you do on game day and everything you do during the week it is much appreciated. Also, I'd like to thank and acknowledge our Junior Vice Presidents: Matt C, Ben W, Ben J, Matt O and David, thank you so much for your help and dedication to our club, you certainly make my role a lot easier with all your support and hard work.

A special thank you must go out to our hard-working committee members; I thank you for your dedication to the club and ensuring that everything ran smoothly that enabled the players to do what they love and that's just to play footy. I appreciate all your hard work with ground duties, canteen duties, BBQ duties and the Pub Raffles.

To all our valuable life members, parents and supporters, thank you so much for your commitment to the Engadine Dragons and for coming out each week to encourage the players to continue to play with the Engadine Dragons spirit. Thank you to parents for all your time and effort you have put into the club whether it be helping at Pub raffles, BBQ duties, canteen duties and bringing your kids to training and game days.

To our Sponsors I thank you on behalf of the entire club because without your commitment and support our club would not survive.

This year we continued with our Mental Fitness 4 Life program that continues the discussion around mental health, that included:

- » Preseason camps for the boys & girls – team bonding, skills, and mental fitness.
- » Tomorrow Man & Tomorrow Woman workshops for boys and girls from U15s up to A Grade.
- » Cyber safety and respectful behaviour educations sessions run by Youth Liaison Officers, NSW Police.
- » We have a Club Psychologist available to our community.
- » We have trained Mental Health First Aid officers within our club.

The Dragons are a force to be reckoned with both on and off the field. We have great players, hardworking volunteers, loyal supporters and a constantly growing family. It is a great club with a proud history

This year we were very fortunate to host the annual Val Kearns Shield between the Engadine Dragons and Bosco Bulldogs U8 Red teams. It's always a fantastic day where two local clubs come together to acknowledge and remember the massive impact that Val Kearns and the Kearns family had in the game of rugby league. The game is always played in good spirit and fun! This season saw Engadine Dragons take home the shield with a 26-22 victory.

Also, a massive congratulations to all the players who played a milestone game this season. I would like to acknowledge Ryan Levin, Cooper Smith, Ryan Davidson and Logan McKinlay who all played their 200th game for the club this season, what an incredible achievement.

Also, congratulations to all the clubs major award winners, you all should be very proud of your efforts this season.

On behalf of all the members of the Engadine Dragons we would like to thank the Executive and Committee of the Junior League, the referees that dedicate their time to this great sport and the effort they have put in throughout the year.

I personally look forward to next season where the U10s 2025 Fiji tour will take place, we look forward to watching this journey.

The Dragons are a force to be reckoned with both on and off the field. We have great players, hardworking volunteers, loyal supporters and a constantly growing family. It is a great club with a proud history and I thank you all for being a part of it. I'm looking forward to a successful and enjoyable 2025.

CLUB SERVICE AWARDS

COLIN COLE MEMORIAL AWARD

This award is given in recognition of the time and effort that person contributes to the Club regarding its successful operation.

BELINDA GREEN

Belinda, as a volunteer and Engadine Dragons Club Secretary is a well-deserved receiver of this award for her endless support and time given to the club.

Belinda is the backbone of the dragons; she is the go-to person and there to support everyone and every team. She volunteers endless hours to get the teams up and running before, during and after every season, informing all Dragons members, coaches, players and parents of the day-to-day running's and requirements of the club. She devotes endless hours above and beyond what is asked for, spending time away from her family and supporting everyone else. Her passion for the sport has and will always be there, from her humble beginnings down at Como to her endless days and weekends at Anzac. Bel provides the club with the information and fuel to keep the comp running, being apart not only of the Dragons senior executive but also an integral member of Cronulla Junior Rugby League.

Belinda does endless roles and work for our club and the community, and its mainly to get the kids and players all on the field to play the sport that she loves.

Belinda, you provide the support on and off the field, knowledge, friendship, and passion that we all should share. You are an inspiration to the club and its values.

Thanks Bel, a well-deserved recipient of the 2024 Colin Cole Memorial Award.

BILL KEMP AWARD

This award is given to a person in recognition of their commitment to the Dragons and for the work they have done throughout the year.

SARAH GURNEY

This year's recipient of the Bill Kemp award is Sarah Gurney.

Throughout 2024 Sarah's commitment to the clubs operations has been second to none.

During the course of the season Sarah has been instrumental in arranging with our mental health sponsors the delivery of the Tomorrow woman and Tomorrow man workshops.

Sarah has also been heavily involved with the tackle women's program which saw our most senior team the 18 girls finish 2024 as runners up.

Throughout the season Sarah has been responsible for getting all our teams on the park with issuing the draw each week and keeping teams informed of late draw changes.

On top of all this Sarah has also found time to stand as ground manager.

Congratulations Sarah on being a worthy recipient of the Bill Kemp award.

Thank you

SPONSORS

**ENGADINE DRAGONS WISH TO TAKE THIS OPPORTUNITY TO
ACKNOWLEDGE AND SINCERELY THANK ALL OF OUR SPONSORS**

Your ongoing support is a vital contribution to every success enjoyed by this family Club and, in our object to promote the game of Rugby League generally, to support and develop our players and to field competitive Junior Rugby League and League Tag teams in representation of the greater Engadine community.

We trust that you have all seen the value and the potential of the support you lend to the Dragons and we all hope to see you lining up alongside us again.

RECORDER'S REPORT

MAJOR AWARD WINNERS

BARRY MCMANUS SENIOR CLUB CHAMPION

Awarded to a player from any of the three (3) most Senior sides and held on one occasion only.

*To be eligible the player must have been registered for 5yrs out of 6yrs for the club in a senior team.

KIERAN AND RYAN LEVIN

This year is a first for our club. While voting was taking place, we raised the issue of how hard it is going to be to pick between these two club legends when they have both achieved so much, and most of it together. The constitution was checked. A vote was put forward and it was unanimous. The first twins and joint Senior Club Champions.

Both starting at the club at the age of 4 in 2003.
Both achieving so many awards in the club and playing A Grade football all the way through to A Grade.
Both playing over 200 games for the club. Between them they have also scored over 560 points for the club.

A senior club champion isn't just about playing the game. These two took the next step at the age of 19 and started coaching the under 11As in 2018. In 2020 they were awarded Coach of the year. They have now coached for 7 seasons. They have spent so much time putting back into the club and helping younger kids develop their game. They have been fantastic role models and very successful in coaching and I know all the players respect them.

You both thoroughly deserve this most prestigious award for the club. We hope you are both part of the club for many years to come.

Congratulations Kieran & Ryan.

NELLIE WARNER GIRLS SENIOR CLUB CHAMPION

Awarded to any player from the most senior team held on one occasion only.

***To be eligible the player must have played 3 senior years for the club. (15 yrs and over)**

CHYNNA HARDY

I am honoured to write this report for Chynna as I have had the pleasure to know and coach Chynna on numerous occasions.

Chynna was a member of the Engadine Dragons very first female league tag team in 2018 and has never looked back. In her time with the club, she has received multiple awards including the Peter Green award, Best & fairest, Best & fairest runner up, and has experience the success of a premiership win. In 2023 the club fielded our first all-female tackle teams. Chynna converted from tag to U18 tackle and while it was a year of learning Chynna was still a standout which led to her selection into the St George Dragons Tarsha Gale U19 team.

In 2024, Chynna played in the U18 girls tackle team and was instrumental in their rise to the grand final. In a competition that was a combination of St George, Cronulla, Illawarra, Group 9 & McCarthur areas, she was not only an integral part of the team on and off the field but one of the best players in the comp with a highlight reel that anyone would be proud of. As a result, Chynna has now been selected into the Cronulla U19 representative team.

Chynna is an unassuming, humble, well-mannered, hard working, team first, club first, wonderful young lady and a terrific role model for all our young players to look up to.

Congratulations Chynna, this award is thoroughly deserved.

LEN COUSEMAKER JUNIOR CLUB CHAMPION

Awarded to any player from teams from U10 to U14 and held on one occasion only.
This is to be awarded to the most senior junior side.

*To be eligible the player must have been registered for 4yrs out of Syrs for the club.

JETT NISBET

Jett has been a Dragon since the U6's, 10 seasons, 162 games and has amassed 764 points. Over that period he has received:

- » 5 x Best and Fairest and 2 x Best and Fairest Runner Up
- » Graham Kidd Memorial Trophy 2019
- » Peter Green Trophy 2019
- » Mitch Healey Sportsman Trophy 2022
- » 2024 U14 Gold Team Captain
- » 2024 U14 Sharks Winter Academy and 2023 U13 Sharks Winter Academy
- » 2024/2025 Sharks Harold Matthews Development Program (U17's)
- » Captain of Endeavour Sports High School U14 Buckley Shield Grand Finalists

Jett displays all the on field and off field characteristics to receive this prestigious award. His attitude towards the game and the respect he shows to all his Coaches, team mates and supporters is beyond his years. He lives and breathes footy and is always at Anzac with a smile on his face ready to help out. Jett has also been a constant assistant with 1st Grade, helping out with any duties he can. In 2024, Jett started assisting Coaching our U12 Gold team at training and being a Trainer on game days, displaying maturity and being a role model for the younger age group.

Jett is a credit to his family and should be very proud to receive this award.

Our 'Len Cousemaker Junior Club Champion' 2024.

Well done Jett!

HAZEL COUSEMAKER GIRLS JUNIOR CLUB CHAMPION

Awarded to any player from the most senior junior team held on one occasion only.

**To be eligible the player must have played 3yrs as a junior player.*

LACEY FRANKS

Since joining the Dragons from a rival club in 2019, Lacey has become an integral part of every team she's been a part of.

Lacey began her journey with Dragons at just 8 years old, playing in the Under 11s. Despite being the youngest in the squad, she made an immediate impact, earning the Encouragement Award in her first season. As her coach at the time said, "She was our youngest member, but you wouldn't have known it".

In 2020, Lacey returned to her own age group and quickly proved herself to be one of the top players, not just in Dragon's colours but across the entire competition.

Lacey's talent continued to shine, earning her the Best and Fairest Awards in both 2022 and 2023. She also played a key role in her team's 2022 premiership victory.

Lacey may be quiet and shy off the field, but on the field, you definitely notice her. Her drive to succeed, combined with her fierce competitive spirit, makes her, her own toughest critic. I admire how she consistently leads by example, always giving her best effort.

Lacey started primarily in the dummy half role, where her game awareness and decision-making skills stood out. Her speed and agility made her a constant try scoring threat each week. Solid in defence, Lacey consistently makes crucial tags. Speaking with her coaches over the years, a common theme emerges; she's an exceptional ball runner, highly competitive, never lets her teams down.

This year, Lacey shifted her focus away from dummy half to concentrate on her running game, working to develop combinations with her outside backs. Her leadership and dedication to helping her teammates execute plays was evident as the season progressed, and it was rewarding to see everything come together.

The 'Hazel Cousemaker Girls Junior Club Champion' is the highest honour awarded to a junior girl in the club. Congratulations, Lacey, on this fantastic and well-deserved achievement!

We look forward to seeing you continue to shine for the mighty Dragons for many years to come.

GRAHAME KIDD MEMORIAL TROPHY

Awarded to any player from ages U6 to U9 in recognition of future talent. This is not an encouragement award. This is to a player who has shown outstanding ability in his age group and has the potential of being an up- and-coming player of the future.

**To be eligible the player must have played 6s-9s playing for at least 3 seasons for the club.*

KAI HARTIGAN

It is an honour to pen this report for Kai as his coach for the last four years. As a deserving recipient of this award, Kai is in his fourth season with the club and has been an outstanding achiever across all aspects of the game.

From his first year in the under 6's, Kai immediately stood out with speed and footwork that was well beyond his years. Over the last four seasons, he has developed his ball skills to an exceptional level whilst also displaying brilliant foresight for the game to play what he sees, which has lead him to a total of 398 points scored to date, and back-to-back best and fairest awards over such a short tenure.

Kai always leads from the front in his formidable first receiver vest and has a never say die attitude, even when he is completely gassed. He shows up time and time again to help lead his team in every way he can.

With continued passion, dedication and confidence on and off the field, Kai is certainly one to watch in the future and we can't wait to see what he brings next season!

Awesome effort all round Kai, keep that dream alive!

LARRY WARNER COACH OF THE YEAR AWARD

Awarded to any coach for team performance

DREW COUSEMAKER

It is with great pleasure for me to provide a report for the 2024 coach of the year, Drew Cousemaker!

Drew has been a coach for the club for over 10 years now with his coaching prowess extended across all disciplines encompassing male tackle, female league tag and recently, our under 18s female tackle team who was coached all the way to the grand final and securing the 2024 "Outstanding Team Award". Anyone who has had the privilege of being associated with any of these teams over the decade will know that this acknowledgement is thoroughly deserved and arguable well overdue. The coaches, trainers, managers, and players have worked solidly together over the past few years to reach some amazing results. Drew is a quieter achiever, who goes about his role with the players safety, wellbeing, health, and enjoyment at heart but most importantly, fostering new and lasting friendships and learning new skills that are paramount to the game.

In 2023, Engadine Dragons ventured into the competition of women's tackle and Drew put his hand up to coach our first under 18s team. This was a big role to take on and it certainly was a challenging season, but with Drew's professionalism and determination he came back this season to put himself through it all over again! Over the course of a broken 2024 season, Drew's knowledge and development of the players in the game enabled their skill sets to improve immensely, as will enhancing and promoting a positive attitude within the game. This hard work and dedication paid off and watching the girl's confidence grow over the season, many of us were very lucky to witness one of the best games of rugby league for the year at the mighty Anzac oval in the semi-finals were the U18s were victorious over Cronulla Caringbah with a nail-biting finish to make it to the Grand final.

And if you thought one team was enough to coach in a season, you would be wrong! Drew also coached our under 12 GTL team, achieving mirrored results reaching the Grand final as well. Many hours have been spent by Drew dedicating himself to these teams and developing each and every one of the girls. Anyone that knows Drew will understand the respect each of his players and volunteers have for him, mind you he doesn't mind making the odd TikTok's with the players too!

Drew, it is with the utmost pleasure to thank and congratulate you on behalf of EDJRLFC for all your time, dedication, and success. You have been a long-standing volunteer and committee member of our club over many, many years and we honestly appreciate all your hard work and look forward to you being a long-standing member of the club for many seasons to come.

MITCH HEALEY SPORTSMAN AWARD

Awarded to any player on sporting ability & achievement and held on one occasion only. This is an all-round sporting ability award.

BOSTON MARTIN

Boston has played over 100 games for the Dragons. An integral part of the U12 Gold team in 2024, Boston has a fantastic year on and off the field. A student at Marton Public School, Boston is a well mannered and polite young man and has achieved at a high level across a wide range of disciplines

- » Athletics NSW State Championships: 6th in 400m, 8th in 800m
- » PSSA Engadine Zone Cross Country and Athletics Champion
- » A member of PSSA Sydney East Rugby League team
- » A member of PSSA Sydney East Ruby Union team
- » Southern Districts Rugby Union – State Champion Team
- » Rugby Union State Champion 7's team – Player of the Tournament

- » State Oztag – Blackhawks Captain and player of the Tournament
- » Nationals Oztag Cronulla Stingrays representative
- » Zone athletics champion
- » Zone touch team
- » Zone AFL team
- » Athletics – Gold state medal 800 relay
- » Athletics – Silver state medal 400 relay

Boston is thoroughly deserving of this years 'Mitch Healey Sportsman Award'.

Well done Boston!

PETER GREEN MOST VALUABLE PLAYER TROPHY

Awarded to the most valuable Dragons Player and is based on the person who accumulates the most Best & Fairest points during the season – across all Grades.

Awarded based on club statistics.

IMOGEN PALMER

To say Imogen loves playing league tag would be an understatement!

Imogen has been playing league tag since the inception of girls league tag at Engadine Dragons, while also playing tackle from the age of five. She is a prolific try scorer and is always making plenty of great cover tags.

This season was a short season of only 11 games. Imogen was able to score 25 tries and 7 goals, a total 114 points for her GLT U11 Gold side in 2024. She was also able to tally up 25 best and fairest points which made her worthy recipient of this award.

Congratulations Imogen.

GARY CANNINGS MEMORIAL TROPHY

Awarded to a junior member or associate for their work for the club and to encourage them to continue with the club.

JETT NISBET

This award is given to a junior in recognition of their work around the club. What better recipient than Jett. Jett was part of the 14As side this season. While Jett wasn't playing, he was the trainer for the 12As side all season. Jett also went out of his way to help other teams train when he could.

We want to recognise our juniors who help within the club, and we feel Jett has been a great role model and a very worthy recipient of this award.

We hope you keep working within the club in the future.

Congratulations Jett

OUTSTANDING TEAM AWARD

Awarded to any team upon achievements.

U18 GIRLS TACKLE

What a mighty season our U18 Girls Tackle team has had!

With 2023 being the inaugural year for Engadine Dragons female tackle, our U18s Engadine Dragons merged with Kingsgrove Colts to form a team.

The wins were sparse, there were numerous injuries, and several games were called off due to safety. It wasn't a very encouraging season BUT true to their commitment and dedication, every week the girls showed up and gave it their all.

In 2024, our Kingsgrove Colt players were permitted over to Engadine. Our U18s girls tackle team played under Engadine Dragons JRLC and despite it being only the second season of playing tackle for many of them, they were dynamite!

With some brilliant games and outstanding wins, the girls excelled to the grand final, playing their hearts out, only to be defeated to a team that they had drawn with only a few weeks earlier.

The commitment from each and every player in this team has been outstanding, travelling up and down the Southern Corridor for games, and attending training sessions between Kingsgrove and ANZAC Oval.

We are so grateful for our partnership with Kingsgrove Colts, and for the loyal team mates and friends that the girls have become.

These fierce girls are paving the way for Engadine Dragons female tackle and we couldn't be more proud of them!

Congratulations U18 Girls Tackle on your very deserving 'Outstanding Team Award' for 2024.

TEAM REPORT

The season began slowly as the boys got to know each other and, for most, a new game. We quickly realised that any form of rigid structure wasn't going to work for these boys and that a footy themed "free play" approach with random/unplanned outbursts of tackling each other and stealing each others tags was going to be the most effective approach for this particular playing group.

As the year progressed the boys became more aware of the rules and the concept of being on the SAME team was embedded. After a rainy start to the season, they started to get into a rhythm and the games seemed to flow better and better as each week rolled around.

Special mention to Lorraine for all the logistical heavy lifting and to Brucey for keeping the boys from hurting one another every week, both at training and before the games. Thanks also to all the parents/grandparents/family/friends for showing up for these boys. It would be a very different experience for them if you weren't all so supportive all season.

In all, we had a great season and with a number of requests to go again next year we are very excited for the 2025 season.

In all, we had a great season and with a number of requests to go again next year, we are very excited for the 2025 season.

PLAYER PROFILES

OLIVER BRUCE

“The Flash” With his height advantage and athletic genetics, Olly was one of our faster players who was always looking dangerous when he touched the ball. His runs always resulted in significant meters gained or tries if the opposition were unable to stop him at the line.

Future Centre/Fullback/Back Row.

ZIGGY CROUCHER

“The Coaches Son” The pressure was on for Zig from the get go with the coach following him home and often analyzing all aspects of the game. He rose to the occasion though and handled himself well throughout the season delivering hard and straight runs with a “perfected” side step he had been working on all season.

Future Lock/Half/Fullback.

JACKSON MAY

“The Pocket Rocket” What he lacked in size he sure made up for in performance. The future middle man rarely missed a tag, always knowing where to position himself in defense and was quick to get himself into a dummy half position ready to deliver quick service to his team mates.

Future Hooker/Half.

LENNOX KANELEY

“The Pure Bread” Lenny seemed to have a natural love and ability for the game and it showed right from round 1. Rarely missing a tag, scoring on most runs, being able to catch and pass where all areas of Lenny’s game that had the opposition questioning how to stop him. His natural toughness, ability, and attitude have formed a combination that has lead to him being awarded this year’s best and fairest award.

Future Lock/Back Row/Front Row .

LUKE FITZGERALD

“Mr Passion” Lukey’s competitive side was evident early. Week in and week out Luke delivered 100% effort in all areas both at training and in games. You can see the passion in his face every single time he gets involved and he often was the instigator when his team mates needed some encouragement. He was also great at making sure the ref was aware if there was a discrepancy between some of the calls.

Future Half/Lock.

TAJ QUINN

“The Everything Man” Taj didn’t just accept being involved in everything, he requested it! There wasn’t a single play I can remember where Taj wasn’t in front of me asking to do the thing. This eagerness mixed with his speed and awareness meant you would often see him running through gaps and scoring tries.

Future Half/Wing/Fullback/Centre.

MAVERICK SAFFRETT

“Spiderman” In defense there were few players with a better strike rate than Mav. His natural instinct was to grab a tag and hold on no matter what. His ability to hold on with spiderman like strength often meant you would see him being dragged along the sideline by someone he was trying to tag eventually pulling them to the ground or ripping the tag off.

Future Fullback/Wing.

TEAM REPORT

What a huge year! For all of the players in this team, it was their first year of playing Tag League and the growth in their skills and confidence was awesome. By the end of the year, everyone had improved dramatically, particularly when running with the ball. It was their tagging however, which became a key focus for the team as the year progressed. It was great watching all of the players really start to help each other out and enjoy that aspect of the game. I hope all of the players enjoyed the season and are looking forward to playing again next year.

Thank you to all of the parents who assisted at training or during the games throughout the year. It makes a massive difference when you have supportive people around the team who are willing to help out, so thank you!

Thanks to Josh for managing the team this year.

And finally, thanks to Woody and Blake for being our trainers. I really appreciated your support – especially for stepping in and training the boys when I wasn't able to get there.

Thanks again for a great year. Cheers,

Shane

By the end of the year, everyone had improved dramatically, particularly when running with the ball.

PLAYER PROFILES

OLIVER

Your tagging improved massively over the course of the year! Always keen to run and have fun. Great asset to the team.

JOHNNY

An absolute natural! Your ability to learn skills quickly will see you become an unbelievable footballer – one I look forward to watching in the future. Great year!

ZACH

No one in the competition had a step like yours! I haven't seen such a young player move so quickly laterally in a very long time. Always keen to rip in!

CODY

One of the fastest players in the competition. Once you found some space on the outside, there was no stopping you running directly for the corner post which often included diving over the top of it! Great year!

LENNY

The youngest player in our team but one of the bravest. The growth in your running and confidence was awesome to watch. Your tagging improved dramatically over the year – congrats!

TOBY

You were the most improved player throughout the year. By the end of the season, you were making almost every tag if they broke the line and would often score length of the field tries. Well done!

LENNOX

Once you warmed up, you would often fly down the sideline to score a try. Building your confidence and believing in yourself is going to be very important for you. Good year!

TEAM REPORT

The U6 Greens is an energetic bunch to say the least. Although they don't like to stand still and listen, they get the job done. The boys advanced in their ball handling and tagging skills over the season. These boys have become great mates and always have a smile on their faces when playing footy together.

The parents were a great help also. Always on time and enthusiastic to help.

One last shout out to the two dads who were the manager (Jimmy) & Trainer (Andrew). The team appreciates your help over the season.

These boys have become great mates and always have a smile on their faces when playing footy together.

TEAM REPORT

What a fantastic year ! It was awesome to see the majority of last years team back and a few rookies joining the team. This season of footy had a fair few rounds washed out, but it was great to see the growth in their skills and confidence.

It was really great to see the team encouraging each other and playing as a team. By the end of the season it was fantastic to see them passing the ball around more and understanding the fundamentals of the game a little more.

Thank you to all the parents that helped out during the year especially Teena and Lani.

Also, I'd like to thank the Engadine Dragons committee and volunteers who dedicate their time into the running of the club. Hope to see you all back next year.

PLAYER PROFILES

ALYRA SKUSE

Congratulations on the Best and fairest this year, you have improved so much and have grown in confidence. Great to see you enjoying your footy. I'm confident you will be playing some rep footy in the future.

JAXX MCALISTER

Jaxx showed huge improvement from last year especially in defence and dominated with his lightning speed. Well done Jaxx.

JAY TILEY

Jay is a pleasure to coach and always puts his team mates first. Improved throughout the season with his tackling and scored a few good tries towards the end of the season.

KYLE NONENMACHER

Kyle received our Encouragement award this year, he has improved so much with his tackling and is a power house with the ball in hand. Great work mate.

LENNOX FLESS

The Ox had another consistent year with his footy and needs to listen to his coach a little more in the future.

MAXIMUS MARTIN

Max had an awesome season with the Dragons this year and plays the game fair and tough. A great footy player in the making.

THOMAS HIGLEY

Tommy had a great first season of footy scoring a few tries and improved throughout the season.

TEAM REPORT

The boys faced a uniquely challenging and rewarding season. The first half of the season starting off with tackle ready which some were happy about and others not so much. It turned out to be quite a valuable program in teaching them critical skills in there technique when tackling and minimising injury.

The second half of the season when the boys finally got to start tackling was a little bit disappointing due to significant wet weather. Despite these setbacks, the season has been a testament to the resilience and development of the boys.

Throughout the season, the boys demonstrated impressive growth in their skills and understanding of the game. There has been a marked improvement in on-field communication with the boys constantly looking at their defensive line and screaming "Spread out" even when sometimes there was nowhere to spread to. The boys learnt to be supportive of each other even when someone had made a mistake.

Their enthusiasm and dedication to bettering themselves was evident in every training session and game played. As coaching staff, it has been an absolute pleasure to witness their progress and commitment.

The limited game time did not hinder their development; rather, it highlighted their adaptability and eagerness to improve. The kids showed remarkable teamwork, a deeper understanding of game strategies, and an increased confidence in their abilities.

Despite the challenges posed by the weather, the season has been a success. The skills and sportsmanship of our boys have grown significantly, making this an incredibly rewarding experience for both players and coaching staff.

Thanks for the season team and I cant wait to see what next year brings.

PLAYER PROFILES

CRUZ MCGRATH

Cruz, what a season! Your passion, and hard work on the field have been inspiring all year. Whether it was a tough tackle or a great run, you always gave it your all and put your body on the line for your teammates. Your offloads on multiple occasions throughout the year leading to tries shows you are a true team player.

ETHAN BUIJS

Ethan, you've been a powerhouse this season! Your dedication and commitment to the game are second to none, and it shows in every match. Your natural speed and strength saw you cross the line multiple times every game and it was a pleasure to watch.

HUNTER TUMBRIDGE

Hunter, your determination and effort this season have been incredible. Even when the going got tough, you stood up and did your best on and off the field.

JETT MENTIPLAY

Jetty, you've been a standout this season! You've shown incredible growth, and your passion for the sport is clear. Your communication with your team mates was the outstanding all season with you calling for the boys to "spread out!!" at every opportunity. Also your attack improved dramatically with those dead straight runs taking on whoever was in your path.

JIMMY EVES

Jimmy, you've been an absolute force this season! Your attitude and willingness to learn has been key to the team's success. You've pushed yourself and everyone around you to new heights. Your confidence has skyrocketed and it showed on the field with your solid attack and defence.

KOBY MAY

Koby, you've had an incredible season! Your hard work, resilience, and skill have really shone through on the field. Every game, you've stepped up and delivered. Your speed and agility on the field saw you zig-zagging through the whole opposition week in week out.

TOMMY WILLIAMS

Tommy, another standout season! You were one of the most consistent players all year. With the ball your natural strength, timing and speed was eyebrow raising, not to mention your textbook defence technique leaving the opposition in fear in every game. It was a joy coaching Tommy but we take no credit for his questionable post try celebrations.

HUNTER GOW

Hunter, you've shown so much dedication this season, and it's been inspiring to see. Your self belief shone through on the field with some unbelievable length of the field runs showcasing your strength and speed. When not jumping into a tackle you were very hard to stop.

TEAM REPORT

We have a great bunch of young blokes in our team. They are good fun to be around, well-mannered and watching them play Saturday mornings is super enjoyable. Unfortunately, the weather gods were not doing us any favour this year with plenty of washouts which made it hard to get training and game time in but we had a good year.

All of the boys improved through the year and are really starting to understand the game.

A huge thanks to all of the families and friends that came to support our team throughout the year and did so in such a positive way, we really appreciate that.

Thanks again Crofty for not only being trainer but also stand in coach on a couple of occasions.

A massive thanks also to Jade Wood for being our Manager/organiser throughout the year. We are going to

miss you next year given you are moving up North and we hope that the move and settling in goes well. You were great for us this year and I really appreciate your help.

Thanks to the club for allowing me to coach again this year, it is enjoyable to be part of such a well organised club and around such a supportive unit of people.

Take care and see you next year.

PLAYER PROFILES

GEORGE CHAPMAN

George had another great season. George loves the game and his tackling was super strong with some really perfect technique tackles. He ran the ball well and scored some impressive tries, as well as enjoying playing a dummy half roll and also some turns playing fullback. Good work George.

All of the boys improved through the year and are really starting to understand the game.

JAKE CROFT

Jake somehow got even faster this year and scored plenty of long range break away tries. He also got himself in some great positions of support play and encouraged the boys to give him offload passes which of course led to tries once the ball was in his hands. A natural athlete and great guy to have in the team. Nice work Jake.

HAMISH HILL

Hamish was having some really strong runs this year and super keen to get involved which was great to watch. Doesn't realise how strong he actually is and was man handling a few opponents at times. Great season Hamish.

CUBA GORDON

The Cube is the human version of Speedy Gonzales. He scored some ripper tries with his speed and also got stuck into plenty of tackling in defence. A year younger than the rest of the competition but holds his own. Really top season Cube.

NIXON NISBET

Nixon didn't get to be "Nixon" until the second half of the season when we started playing tackle footy instead of Tag. It was then that he continued his form from last year and started demolishing the opposition, both with the ball and without. Nixon got our encouragement award this year but we have renamed it "Beast Award" for 2024. Well done mate.

JOSHUA SELVAGE

Josh improved again this year and was really keen to have more runs and get involved in defence. He scored some good solid tries and it was great to see him getting amongst the heavy stuff in defence. Nice year Josh.

TEDDY SHARMAN

Teddy was our Best and Fairest this season. Teddy is a year young for the competition but was a standout in every game. Loves the tough stuff in defence and is so elusive with the ball. A super competitive young fella and a great bloke to coach. Massive year Teddy.

FLETCHER SPOONER

I feel like I write the same thing every year for Fletcher. Fletch is a quiet achiever and a work horse. He is always up for a tough carry off our own line, which often result in tries but his defence and tackling is where he stands up for the boys. An all-round solid played, great season Fletch.

RHYLAN WOOD

Rhy had huge year. Another one of the kids that lives and breathes the game. Had a few games with multiple tries and was getting into the mood in defence at times too. Rhy is a hard trainer and a fantastic kid in the team. Unfortunately, he is moving up North so will not be with us next year and will be missed. All the best Rhy and thanks for a huge effort again this year.

TEAM REPORT

2024 another outstanding season! All the boys were eager again to get back out onto the footy field and come together for a 4th Year. We welcomed two new players into the team Aidan and Zach, they slotted in great!

Well done to all the boys this season – each week they learnt new skills and implemented these on game day. Some training sessions were tough but, in the end, we got there!

All the boys showed their commitment, enthusiasm, and passion week after week and welcomed Aidan and Zach into the team with open arms which was great to see.

A proud moment for the season was having the boys play at Shark Park, a memory I am sure they will never forget.

Joel and Prue, as always going above and beyond for the team. Joel thanks for filling in at times when I couldn't make training or game days much appreciated and Nat for helping out Prue when also needed.

Thanks parents who make the commitment week after week, to bring your child to training and on game days and helping when it's our turn for ground control, many hands make light work!

Engadine Dragon's Club – Another awesome season. Thanks to all those who put their hands up each and every week and for dedicating hours of their time. A massive thank you. Cheers — Scott

PLAYER PROFILES

REID PERRY

Reid's 4th season playing for the mighty dragons! He actually got to start the season this year with no broken bones! Another awesome season from Reid. A true team player and committed to his team. Each week he showed true determination, passion and showed encouragement towards his teammates with one of the best fends around. Reid certainly loves the game and look forward to 2025!

KAI HARTIGAN

Another cracker of a season buddy! Watching your progress each year has been outstanding. With the combination of Kai's ball skills and speed he scored some awesome tries. Once he gets the ball there is pretty much no stopping him. Keep working on those tackles and you will defiantly be unstoppable in a few years' time. Kai displays great leadership, passion and confidence both on and off the footy field. A pleasure to coach, see you next season! Up the Doggies!

HARRISON MARTINI

Probably our quietest player on the team! He is defiantly always giving his best and willing to get in there and have a run and tackle at every chance. He continues to develop after each game and has been a great team player. Bring those awesome tackling skills you display at training to game day and the opposition will be running away from you! Great season mate!

JAXON GOOD

2024 saw the return of Jaxon to the mighty Dragons! His return was like he never left fitting right back in. Some impressive tries scored off the back of his footwork and speed. Jax displays he is a great team-player, always willing to put his body on the line. Jaxon also displaying outstanding development this season. Great to have you back buddy see you in 2025!

ZACK JEKKI

Zach's first year playing footy and what a great start. From his first game it was evident that he was willing to show up and learn. He attended weekly training sessions and from that he then bought it to game day. Each game his confidence grew and made some awesome runs and kicked an awesome goal. Can't wait to see you back on the footy field next year mate – well done buddy great effort.

JAEGAR MOSS

Another solid season for Jae. He kicked of where he left last season, his speed is hard and fast and look out once he sees a gap! We lost count at the number of tackles and runs he made throughout the season. His defence is outstanding, continually makes tackle after tackle and if hurt in any way he is quick to brush it off and get back into it. Jaegar's 3rd season playing with us and another season of learning and development, see you in 2025 buddy!

ELLIOTT MILLER

Our little firecracker and we wouldn't have it any other way! 4th Year playing and I would have to say this year has possibly been his best. Another season for great development, Egg is not only committed to his team, but he is also more than happy to put his hand up and help out other teams when needed. He runs hard, tackles even harder and puts in 110% every game and training session. He backs up tackle after tackle and runs full steam. A pleasure coaching you again Elliot and look forward to 2025!

RILEY GIBBS

Our trooper Riley, he thinks he has us fooled as being one of the quieter boys in the team, but we know that's not the case! Joel loves his one-on-one time spent Riely, carrying him to the bench! This is short lived as Riley is happy to get back out there to earn his Roblox time! 2024 has been another solid season for his growth and development, he runs hard not afraid to tackle and loves being on the field with his teammates. A pleasure coaching you Riely, see you next season. Go the Sharks!

AIDAN GREAVES

A great addition to our team. Aidan slotted right in. His confidence and growth week after week was noticeable. He trained his hardest and excelled on game days. He wasn't afraid to get in and have a go whether he was running the ball, tackling or supporting his teammates. I am pretty confident that the highlight for Aidan would have been his first try of the season – the huge smile on his face said it all. Look forward to seeing you in Dragon's gear again in 2025.

All the boys showed their commitment, enthusiasm, and passion week after week

TEAM REPORT

Another great year for our under 8 green boys, obviously the season was heavily impacted by weather but that didn't stop the boys showing up to training and games ready to go each week. We started the season strong with a few good wins and after being re-graded mid year we found ourselves against some tough competition. The boys continued to improve and work to get better, which was highlighted by several great wins at the back end of the year where the boys really came together and played as a team.

A special mention for all their hard work and giving up their time to help through the year goes to Steve and Andrew, and also a huge thanks to Elliott Miller and Lachlan Stone who filled in for us throughout the year when numbers were short.

PLAYER PROFILES

LEWIS BAILEY

A strong ball runner with a huge kick on him, Lewis' improvement in the second half of the season was remarkable, making a big effort to get involved on both sides of the ball. After several big games late in the year, Lewis is thoroughly deserving of our best and fairest award.

BODHI GREEN

Very consistent in attack and defence, strong ball runner and never afraid to get involved in the tough stuff. Bodhi came to training every week with the right attitude and willingness to improve, another great year for Bodhi.

KOBEN ISEMONGER

Always a handful in attack, Koben came into this season determined to improve his defence from last year and it showed immediately. A natural leader who understands the game and makes sure his teammates are all involved.

MAX JOHNSON

Our little energizer bunny continued to come to every game and training session ready to compete. A tenacious defender who never stops, Maxy led from the front all year, with his big efforts resulting in a memorable try on the bell against De La Salle.

HARRY LENTHOLM

Harry absolutely loves footy, and it shows in the way he trains and plays, very coachable and happy to listen, Harry always plays hard. Harry improved throughout the year, with an impressive showing against Engadine Orange where he was almost unstoppable.

TOBY MUNRO

A great teammate with a no nonsense attitude towards his footy, Toby continued on from last year where he demonstrated to the boys the benefits of straight-hard running. In defence Toby pulled off some memorable big hits with great technique.

RILEY PADT

One of our new players who showed up with a great attitude. Riley refused to use his size as an excuse, and quickly learned a great low-tackling technique that served him well. Riley's attitude and effort to improve earned him our teams encouragement award.

NOAH WHILEY

Noah showed a lot of potential in his first year of footy, fast with quick feet and loved running the ball. Noah improved as the year went on, and made sure to lead the defensive line with big efforts through the middle. Well done Noah.

“

The boys continued to improve and work to get better, which was highlighted by several great wins at the back end of the year

TEAM REPORT

Slow start to the season for the boys with the rainy weather causing delays and lengthy cancellations between training and games that affected the team's cohesion, especially with 2 new recruits making their debut years playing rugby league.

The 2nd half of the season saw the team knuckle down at training with a concentrated effort on defense and ball work that saw rewards on the field with the year highlight winning the Val Kearns Shield.

I am sure anyone who saw this team of boys play would have been as entertained as the coaching staff. We are very proud of all the boys efforts this year and look forward to seeing how they further develop next season!

We are very proud of all the boys efforts this year and look forward to seeing how they further develop next season!

PLAYER PROFILES

LEO DAY

Lot of improvement in Leo's game this year. Just lacked a little confidence early in the season until kicking his 1st goal of a string of many to follow. From there Leo came on in leaps and bounds mostly with his allusive running in attack. As Leo's confidence will grow from this season, we are sure we will see him at his best next year.

LACHLAN STONE

New to Rugby League, Lachlan took to the game with a lot of enthusiasm. A bit hesitant in the 1st couple of games but we saw his confidence grow in spades with some dominating hit ups and tackles. In the later stages of the season, Lachlan progressed to stepping up into dummy half and first receiver roles that helped expand on a brilliant first year.

TASMAN SMITH

Another solid year from Tas that saw him win the best on ground from the Kearns family at the annual Val Kearns Shield match. Outstanding in attack and tough as nails in defense with a real rugby league brain at such a young age. A pleasure to watch him play each week providing some of this year's major highlights in defense and no doubt we'll see Tas back next season.

MORRIS DABIN

Morris, our smallest in stature, biggest in heart. Morris' running game went to a new level this year and he is always willing to put himself in front of a bigger body to make the hard tackles in defense. Outstanding dummy half & first receiver work. Always on at training and you can see the progression in Morris' game week to week and we can't wait to see how far Morris can take his game next season.

NATHAN RATTENBURY

Breakout year for Nathan. Fierce in defense, making up most of this year's big hit highlight reel and always there to take the tough hit ups as always, straight up the middle. Confidence growing out of sight and willing to take on any task, Nathan showed what he was made of every time he stepped out on the field, and we feel very deserving of this year's Best & Fairest award.

NIXON BAYLISS

Another of our new recruits to Rugby League and a bit hesitant at first. Nixon took his 1st hit up, dusted himself off and from then ran the ball out of sight with each carry. Nixon showed a lot of courage to play through the Val Kearns Shield match with a sore ankle and remain on the field to help his teammates already playing a man down. We know there is untapped potential there that we saw at the back end of the season that should see Nixon progress further next year.

JACOB THORNBERRY

A mixed bag of a year for Jacob falling into some old habits on the field early in the season. A fresh concentration at training soon reaped rewards seeing Jacob take a leadership role within the team and get back on track with his trademark elusive running and solid defense. Jacob's backing up in attack bagged more than a few memorable team tries this season and we can see a real improvement in his game all round that will hold him in good stead for next year.

ZANE SANFORD

Great year for Zane, our captain. The coaching team put some extra responsibility on Zane's shoulders this year to take control of the team both at training and on the field that he took to like a true leader. We feel this helped bring out the best in Zane's game, seeing him running onto the ball harder and his organization of the team was spot on and well deserving of our encouragement award for this year.

TEAM REPORT

What an epic season, boys! Even though the rain had us off to a slow start, you all came together like champions by the end. The bond you've built this year is something special, and I know these friendships will stick with you for a long time. A massive shout-out to Justin for flying around the field and helping train the team, and to all the dads who stepped up when needed. Tara, thanks for keeping this wild bunch in check and keeping us all organised! And of course, a huge thanks to the parents—couldn't have done it without your support!

Well done, boys! You've made this season unforgettable. Keep that fire burning, and let's take it up a notch next year!

The bond you've built this year is something special, and I know these friendships will stick with you for a long time.

PLAYER PROFILES

SAM

This guy can do it all! Attack, defence, you name it, Sam's there with a grin on his face. Super versatile and always smiling. Keep it up, Sammy!

FLYNN

Grit and speed! Flynn plays like he's in the fast lane, giving 100% in every game. Awesome in the halves and a top-notch teammate. Great season, Flynn!

ARCHIE

The heart and soul of the team! Archie's communication and leadership make everyone around him better. Always organizing and lifting the team. Pleasure to coach, Archie!

DUKE

What a season! Duke came alive in the back half of the year with powerful runs and crunching tackles. He's always got his mates' backs and never backs down. Brilliant effort, Duke!

PAXTON

First season, but you wouldn't know it! Paxton went beyond everyone's expectations, always learning and giving his best. A real standout for the team—well done, Paxton!

ED

Finished the season like a pro! Ed held down the halves and was solid in both attack and defence. You never let the team down. Awesome work, Ed!

OSCAR

After a few early knocks, Oscar came back stronger than ever. By season's end, he was on fire! Keep up the great work, Oscar—you're a star!

BLAIR

Slow start, but once Blair got rolling, he was a tackling machine! Always ready for a tough run and eager to dive into hooker. Fantastic effort, Blair!

RYDER

Late-season hero! Ryder was everywhere, making tackles like a beast. Without those rain delays, he might've broken records! Great work, Ryder!

JUDD

Mr. Reliable! Judd can do it all, and always at a top level. No complaints, just gets stuck in. And that footy brain? Next level. Well done, Judd!

MAX

Don't let the calm exterior fool you—when Max switches on, it's game over! Unstoppable once unleashed. We didn't see it all season, but when we did... wow! Keep it going, Maxy!

NOAH

We didn't start the season off on the best foot, but as it went on, Noah absolutely dominated! Both in attack and defence, Noah was a standout. He earned that Best and Fairest title—fantastic year, Noah!

TEAM REPORT

I feel very lucky to coach such a talented group of young footballers. This year, our team has achieved amazing things! My main goal was to create a strong bond among the boys, building a sense of friendship that goes beyond just playing together. I believe this foundation was crucial for our success, even before we focus on football.

I also aimed to set up a structured training routine. By combining these early goals, we've formed a fantastic team, and the boys have had an incredible season. In their first year as a graded team, they've shown their strength by winning almost every game, with only one loss in the whole season! This is a huge achievement, especially considering the tough competition in the Under 9 Gold league. Every game, the boys played with determination and heart, giving their all on the field.

I'm so proud of the growth each boy has shown, both on and off the field. Thank you to all the parents for trusting

me to coach your kids. I also want to give a big shoutout to my trainers, Mikel and Paul, who have been fantastic in supporting the boys. Their energy and dedication during the year have kept the team motivated and engaged, helping to create a positive and fun atmosphere.

Special thanks to our phenomenal manager, Tam Marshall, a.k.a my wing woman. Her hard work and organisation behind the scenes have been invaluable to the team. Tam's commitment ensures everything runs smoothly, and we are incredibly grateful for her support.

I truly believe this team has the potential to become a powerhouse in the club in the future. With the talent and drive they've shown this season, I'm excited to see what the future holds for this group of boys. I see many championship titles coming their way. Get ready for the exciting things ahead with this incredible team!

PLAYER PROFILES

CALEB DAWSON

Do yourself a favour and come watch this kid play next year! Caleb took his game to the next level this season, making everything he did look easy. His speed and skill is top notch, finding gaps and leaving defenders in his dust. I'm really excited to see how this kid matures. We have a future star on our hands. Thanks for an enormous season, Caleb. You were on fire!

LOGAN MARSHALL

Our captain, Logan, steered the ship for us this year and what a season he had! He wore his heart on his sleeve and truly owned his role as captain. Logan was one of our most consistent players, showing impressive skill in both defense and attack. He has a special talent for putting magic into the game and inspiring the boys to give it their all. Thanks for a cracking year, Captain Logie!

CREW MCCARTHY

Crew is the kind of player you need in your team! He has the ability to get into the heads of the opposition, and his work rate is next level. The kid doesn't stop! Crew's vision from dummy half created huge opportunities this year and produced game changing moments. Keep doing what you're doing, Crew. You are a weapon!

HARRY PAYN

I really enjoyed coaching Harry this season. He's another kid who plays with so much passion. His running game was enormous, making huge meters in every game and getting us out of trouble when we needed it. You definitely don't want Harry running hard at you, he leaves his defenders in his wake. Harry's commitment to improving and willingness to do the hard work doesn't go unnoticed! Great season, Harry!

JACK SHARMAN

Don't poke the bear! Jacko Sharmo had an outstanding season, continuing his hard runs through the middle with that fierce determination. You know Jack means business when his game face is on. His slick offloads and awesome cover defense made a huge impact. It is never easy being the coaches son but Jack handled it with maturity and grit. Proud of you, Jack!

MANNIX LANHAM

The handful! Get the popcorn ready when Mannix is playing! He was the new crowd favourite from Round 1, you could sit back for hours watching this kid play. Mannix has a fearless approach and his determination made him a joy to coach. His tackling style is by far the best I've seen for any kid his age, chopping down anyone in his path. Mannix, you're a beast! Thanks for a great season!

RYDER HICK

One of the big improvers this season! Ryder's aggressive style of play was a key attribute to the team's success. He never hides away from hard work and is always willing to put his body on the line for his team! In tight games, Ryder always led by example, stepping up when needed and showing no mercy. Well done, Ryder!

CHARLIE GRANT

Charlie is Mr. Rugby League. He loves the game with a passion, and he can play any position! He's the player you want on your team to build morale and bond with the boys. Charlie was another huge improver this season, really maturing in both attack and defense, while playing with lots of confidence. It was a pleasure to coach you this year, Charlie. You had an awesome season!

TAJ GORDON

Beast mode! What a player. Taj was my most improved this season. I had a goal to change his running style, get him to use his size and muscle, and become a leader in defense. He certainly ticked all those boxes. With the right coaching and guidance, Taj could go all the way. He's matured into a leader, and I'm excited to see more of this kid's development. Well done, Taj!

ZACH NAIKA

Zachy boy's first season playing rugby league, and he was a real asset to our team! The "Flying Fijian" got better every game, and by the end of the season, he was full of confidence and a handful for opponents. Never a complaint from this kid and did everything with a huge smile. Zach has huge potential, and this is just the beginning for him. Well done, Zach!

MAX OLDROYD

Maxy's first season with the Dragons, and I can say I'm super proud of how far Max has come this year. He really loves his rugby league and does a lot of work behind the scenes to master his craft and by the end of the season, he had mastered it. His tackling, with a slick technique, and his attacking play were crucial in leading the boys around the paddock. You should be very proud of yourself, Max. Keep doing what you're doing!

TEAM REPORT

Awesome season this year boys, we improved so much and played well as a team. This year was a tough year as we didn't have a full team and had to borrow from U10 Green and U9 gold team, big shout out to them.

The boys really started working well as a team and played some really exciting football. They were passing the ball great along the line and putting their team mates into gaps.

This year we started playing in positions and the boys took their positions very seriously.

I'm so proud of the maturity level of these boys and the effort they put into training and playing, it has really played off this season.

Can't wait for next year!

PLAYER PROFILES

BAYDEN KOWLAD

Bayden was one of our forwards. He was a tough, reliable player who took some big hits to gain lots of ground. He is a respectful, well liked member of the team. Well done Bayden.

BRYON RICHMAN

Byron was one of our first receivers, a role he adapted to well. It allowed him to work to his strengths of speed and understanding of the game, which kept him engaged. Great season Byron.

CORBIN EARNSHAW

This year, Corbin developed immensely as a player. He focused on his tackling and defence and became a much more aggressive and strong player as a result. Great effort Corbin.

I'm so proud of the maturity level of these boys and the effort they put into training and playing, it has really played off this season.

HAYDEN WHITNEY

Hayden stepped up to be dummy half this season, he really started to understand the game and how that role is played. Off drop kicks, he always chased the ball down, being first to tackle the opposition. Hayden's own kicking game also really developed this year. Awesome season Hayden.

MONTY JONES

Monty is a strong front rower. He was very reliable in defence and took on some of the biggest tackles of the season. Monti is a powerful runner breaking through the defence with his signature backward palm. Great effort Monty.

NATE WOOD

Nate is a quiet and polite kid and really found his spot on the wing, utilising his speed and slippery step. With commitment to training and games, he will continue to realise his potential.

OLLIE TANNER

Ollie was our captain this year, a role in which he took very seriously by supporting and encouraging his team mates. He was good at reading the game and positing himself in order to get the ball spread out amongst the team. Impressive season Ollie.

OSCAR NICHOLLS

Oscar is the newest member of our team, he took on the role of one of our dummy Halves. He's able to listen to instructions and put them into action on the field. Good effort Oscar.

TYLER KOWLAD

Tyler is a keen and enthusiastic player. He was one of our first receivers and through this position, he was able to develop and progress his game. He is a reliable, polite and respectful player. Keep it up Tyler.

TEAM REPORT

It was fantastic to see so many familiar faces back from last year, and I truly enjoyed meeting new players and their families. This football season presented its fair share of challenges, especially with numerous game cancellations which made it tough to establish a consistent rhythm as a team. With some boys experiencing their very first games and others in just their second year of playing, this season became a valuable opportunity for everyone to bond and develop their skills together. Although we faced some tough matches, I am incredibly proud of how each boy remained true to their character, demonstrating respect and sportsmanship while keeping their heads held high. They are an amazing group, and I feel grateful to have had the opportunity to coach them again. A big thank you to the families for their support in getting the boys to practice and games, as well as helping out with ground duties. I also want to extend my appreciation to Jason and Andrew for stepping up as trainers this season; your assistance and input was invaluable and made a significant difference. Hope to see you all again next year!

TEAM REPORT

On behalf of the entire team and Parents, we would like to thank the Club Executive and General Committee for another great year. We began the year in Gold, playing well but not playing with the confidence I know we have. There are some sides in the Gold who have been together for years and have the teamwork that we were working towards. After regrading we were regraded into Silver and we played like we trained which was a big bonus for our confidence and skill. Our defence improved immensely and we started to win games through our teamwork and defence. After 7 rounds in Silver we found ourselves playing in the Semis and we stepped up another gear and pushed on through to the Grand Final. Seeing the team come together and play not only well as individuals but as a team, we were rewarded with a Grand Final win and crowned Premiers 2024!

Thank you to all the parents who have encouraged and welcomed us throughout the year. Huge thanks to Jack Franks for helping out with coaching, I know the boys enjoyed it! Big thanks to Matt Gibbs for always keeping us organised, and Travis Parker and Shane Gurney for being our Trainers. We cannot wait to get stuck into training next year and build on the confidence and teamwork we developed this year. Bring on 2025!

We cannot wait to get stuck into training next year and build on the confidence and teamwork we developed this year.

PLAYER PROFILES

JACKSON AZZI

Jackson had another great year. He held the middle strongly every game. Jackson has one of the best tackling techniques in the entire age group. A very strong runner of the ball, he kept us moving forward in every game, pushing his legs often with 3 players trying to bring him to the ground. A fantastic trainer with a willingness to always learn, he will continue to improve his game and we can't wait to see Jackson develop further in 2025. This year's 'Best and Fairest Runner-up'. Well done Jackson!

SAMUEL BARTLETT

Sammy played dummy half and developed a great partnership with Jordan. Tackled strongly and his passing game was top notch. Put his head into tackles and made some great one on one tackles against bigger opposition. A tough player that will continue to improve and no doubt will have a great 2025! Well done Sammy!

ZACHARY DUVENHAGE

Zac had a great year this year. He is an outstanding trainer which reflects his game on the field. Zac has a great step and carries the ball strongly and was a headache for opposition players, having a great ability to break the first tackle and make a break. Zac defence shows great technique, tackling hard with controlled aggression. Well done Zac!

JORDAN FORBES

Started off the year at dummy half and switched into the halves when his confidence grew. He has all the ballplaying skills and his first game at first receiver blew the opposition away. A quick set of hands and speed to burn saw his game develop quickly. Jordans kicking in general play gave us more options and he was a big contributor to the teams success this year. This years 'Most Improved Award'! Well done Jordan. Can't wait to see you play in 2025!

HAYDEN GIBBS

Hayden played in the halves in the first half of the season, striving to continually improve his game. In the second half of the year, he shifted to dummy half and his passing and running game improved which developed his confidence in defence. Played his best game of the year in the Grand Final. A great year and will build on the back of a great finish to the year. Top year Sticks!

GUS GURNEY

Gus is a pleasure to coach. Played in the middle and has a great work rate, making great metres through the middle and scoring some great tries. Gus also loved to put the odd shot on in defence. Continued his leadership of the team in attack and defence on the back of his positive team attitude. A great team player and will be counting the days until season 2025 kicks off! Top year Gus!

ZOLTON KERTES

Zol missed a few weeks at the start of the season but when he got on the field he started with a bang! Ran the ball strongly and tackled everything that moved. Made up for lost time through his willingness to listen and learn at training saw his game improve throughout the year. Well done Zolzie, can't wait to see you carve up in 2025!

JOSH LONG

Played a few different positions for the team throughout the year; fullback, wing and a bit of centre, due to his great versatility. Josh possesses a great catch under the high ball and a great passing game. Scored a great individual try in the Grand Final that swung the game in our favour. I know Josh will be another one that will be counting the days until season 2025 kicks off. Well done Josh, a great year!

CHASE MASTERS

Chase has an outstanding year. Developed a great running line on an edge and scored some great tries through pure strength and determination. A strong tackler that saw him shut down teams when they came his way. Looking forward to seeing his game go to another level on the back of a strong year. This years 'Encouragement Award'. Top stuff Chase!

BEAU PADT

Played fullback for us most of the year. A difficult position to play at a young age. Scored a great try against Kurnell from our end of the field. Made some great individual try saving tackles at the back and had some strong runs through the middle. Has a great passing game, safe as houses under the high ball, with speed to burn and fantastic vision in broken play, it will be exciting to see him be a bigger threat in 2025. Nice one Beau!

IMOGEN PALMER

Imogen played a bit of half and centre this year. A hard carrier of the ball she surprised teams with her speed through the defensive line. Immi has a great catch and pass and knew when to take on the line with the ball. A natural defender that owned some big moments at crucial times in games. Played injured in the back half of the year but never complained and just got on with it. A great year Imogen!

ARCHIE PARKER

Archie is an old school front rower. Straight and hard on every carry. Possesses the hands and passing game of a halfback with the strength of a front rower. A very strong defender, other teams diverted their attack away from him in some games. Another great trainer who listened and his game grew throughout the year. Well done Archie, a great year!

COOPER SKUSE

Cooper leaves nothing in the tank every game. A great trainer and became our leader by example on the field and at training. Cooper developed a great partnership with Jordan in the halves, feeding off each other in attack. Cooper knew when to take on the defensive line in attack and when a great individual tackle needed to be made. A great year and cannot wait to see Cooper develop further in 2025. Congratulations on being awarded 'Best and Fairest 2024'. A great year Cooper!

ALEX VAN-ULDEN

Alex developed his game through the simple things, running hard and tackling hard. A consistent player and is always keen to listen and learn which made him a pleasure to coach. Alex knew when to come in for a run in the middle to take the pressure off the forwards and was very strong in defence. Well done Alex! A great year!

Our defence improved immensely and we started to win games through our teamwork.

TEAM REPORT

The 2024 season for the Engadine Dragons Under-11's (2) Silver boys tackle was one to remember. The boys kicked off the season in fine form, playing some fantastic football right from the start. Their hard work at training and strong teamwork allowed them to dominate the early rounds, showing that they were a team to be reckoned with. Week after week, they displayed impressive skills and determination on the field, with a number of standout performances.

As the season progressed, the competition heated up, and although we faced a few tough matches, the boys never backed down. Despite just missing out on the finals, deliberately finishing 5th to let the other Dragons Silver team have a go, the improvement in each player was clear. The way the team came together, adapted to different challenges, and continued to push through difficult games speaks volumes about their growth this year.

One of the most rewarding aspects of this season was seeing the boys develop not just as players, but as teammates. They played with heart, fairness, and a spirit that reflected the values and lessons taught by the coaching staff. Their sportsmanship on the field was outstanding, and it was obvious that the support they received from their families played a big part in this.

The parents deserve a special mention for their unwavering encouragement throughout the season. From transporting the boys to training sessions and games to cheering from the sidelines, the energy and positivity they brought had a huge impact. It fostered an environment where the kids felt supported, which no doubt contributed to the fairness and effort they displayed week in, week out.

While we may not have reached the finals this year, this team can be incredibly proud of their season. They have grown as players, learned valuable lessons, and demonstrated what it means to play with heart. The future looks bright for this team, and I have no doubt that they will continue to thrive both on and off the field.

PLAYER PROFILES

JETT

Jett has been a powerhouse on the field this season. His determination and never-give-up attitude have inspired the team, and his skills have improved tremendously. He's a true leader in the making.

BRODIE

Brodie's commitment and hard work have really paid off. He's been rock-solid in defence and always puts the team first. His ability to read the game is outstanding for his age.

BAN BAM

Bam Bam brings a lot of energy to the team. His passion and courage have made him a standout, and his willingness to go the extra mile for his teammates shows his true character.

MAX

Max has shown exceptional growth this year. His ball-handling skills and quick thinking on the field have been impressive. He's always ready to give his best effort.

ZAC

Zac's dedication and focus have been key to his success this season. He's a reliable player who always steps up when the team needs him most, and his positive attitude is contagious.

AUSTEN

Austen has been a solid achiever this year with a lot of heart. His defensive skills have been rock solid, and he's consistently put in the hard work to support his teammates.

KAI

Kai's enthusiasm for the game is infectious. He's always giving 100%, whether in training or during matches, and his passion for footy is clear for all to see.

KIAUS

Kiaus has been a dynamic player this season, showing great versatility across different positions. His adaptability and drive make him an invaluable team member.

TOBY

Toby's commitment to improving his game has been remarkable. He's grown into a confident player who isn't afraid to take on a challenge and has become a crucial part of our team's success.

DASH

Dash lives up to his name with his incredible speed and agility. He's a constant threat on the field and has developed into a key player with a bright future ahead.

SUGAR

Sugar's creativity on the field is unmatched. He has a knack for making things happen and has provided some memorable moments this season with his sharp thinking.

NOODLES

Noodles has brought a lot of fun and energy to the team. His positive attitude and love for the game have helped lift everyone's spirits, and his skills have really shone through. He is living proof that size doesn't matter!

SNOWY

Snowy has shown great resilience and determination this year. His ability to run the ball and never give up has made him into a player that pushes through for his team when the going gets tough.

TAYDEN

Tayden has been a consistent performer with a lot of heart. His work rate and commitment to the team have been exceptional, and he's always willing to go the extra mile for his mates.

They have grown as players, learned valuable lessons, and demonstrated what it means to play with heart.

TEAM REPORT

Well, what a crazy disrupted season 2024 was. We had a core of 10 kids from u/10s sprinkled with 5 kids joining as new to rugby league or returning to league after a year off. Our season performances seemed to match the weather. Very on again and off again which was so difficult for the team to build any momentum on learnings and putting the training ground into game day performances.

We ended up playing 10 games, with a 3w, 1d, 6L season – that was equally as unbalanced as our consistency of games. We played Yarrowarra (eventual grand finalists) 5 times of the 10!

A credit to the boys though – they were all willing to learn and put in some performances where they realised their true potential and made the coaching staff delighted. Hunter scoring on the buzzer to level the scores and Jax converting for a win v Como, Jax darting from dummy half then converting to salvage a draw vs Gynea, an all round

team performance in beating Yarrowarra 42-26 (to set up a final round chance to make finals), and of course our try of the season, a cross field grubber from Jarvis to winger (Jax) for the unbelievable control and grounding of a moving footy for the “meatie”!

All in all we had a really successful season of enjoyment and learning the game. I need to thank my co-coach Adam, who helped me juggle two coaching jobs throughout the season (don't let anyone tell him, his match day record was better than mine) and Steve who stepped up to train when Adam was coaching.

To the parents – you make the job so easy and we had a great bunch that just let us coach the boys with no hiccups, ferrying them to training and around the shire on game days – thanks all.

Most of all, thanks to the team, it was an enjoyable year when you think it wasn't until the last few games where we got to play week after week – thanks again and we hope to see you all next year!

PLAYER PROFILES

BRODY AMOS

Thanks for giving it a shot Brody, really pushed through the season to his maximum point and was always a friendly and helpful player to have around.

OLLIE BAFSKY

One of the quite achievers who has some real footy ability deep down, just needs to trust himself and build the confidence. A worthy winner of the encouragement award, if he sticks with it, will really develop into a great footy player.

BEN BRENNAN

Benny! Had a season of improvement, came back running strong through the middle and getting involved in tackling. Was one of the many impacted by the inconsistency in the week in week out of games. Built on last year and has set himself up for a big 2025.

FLYNN BULTS

Another quiet achiever. Listens at training and speaks with his actions. One of our regular DH and did a very solid job in getting the ball out to our FRs. Flynn's tackling improved out of sight in the year too and has a trophy from the last game to show for it.

HUNTER CONLON

Our top try scorer, but more importantly our best defender. Saved many a try in the games he played. A real stand out and even tallied very well in the 3,2,1 with missing a few games in the season. Great season mate, integral to the team.

JACK GREAVES

Had his season cut short from I think, the new skate park. Jack to that point, had a year of significant improvement from '23, strong runs up the middle and really giving it a go in the defensive line.

COOPER HARB

Our super Prop, "big bopper" that's a gentle giant. We had him a few times really wind up and get the bit between his teeth and do what he can, so easily, in bending that defensive line. A great season from "Coops".

JAYSE KIELLOR

A well deserved best and fairest of the year. On both sides of attack and defence, Jayse was an all round stand out. Forever making tackles, remembering marker plays and making big runs right up the middle over and over again. Brilliant season from Jayse – well done.

JACK MAKINS

Jack could have easily got Most Improved, was neck and neck such was his ending to the season. Really sprung to life, running straight and hard in attack and then having an absolute crack in defence. A real break out year from him – great stuff Jacko!

KURT PEDERSEN

Kurt was one of the team that returned from a year off and he too was impacted by the stop start of the season but that didn't stop him trying and really wanting to get involved at every stage. A great effort in the season and good to have him back with footy.

CARTER POGSON

Really great season at FR, no more evident than when we lost him for 3 weeks with his broken arm and then his return game where he was able to be a significant contributor to freeing up our fast backs, Hunter and Luke for a great win vs Tigers. A natural organiser and ball distributor, top season bud.

JAX POGSON

What a season. Back from a year at Soccer and got straight back into the DH role. Was invariably involved in our seasons' big plays, scored our try of the year and is a real tenacious runner out of DH with a wicked step. Well played Jaxy!

LUKE POOL

A rugby league debutant. Took to the game like a duck to water and that showed in his 3,2,1 polling and winning the R/Up. Brilliant season in both attack, defence and of course, coming from soccer, goal kicking. Was impossible to stop when he pinned the ears back and ran for the gaps. So good to coach and willing to learn. Well done Luke – you should be very proud of your first season.

ARCHIE RICHARDS

Finally succumbed to a knee injury but not before showing brilliant improvement throughout the year but most notably those massive runs through the middle were great to see. Wish you well with that knee mate and hope to see you back in 2025, fingers crossed for you!

JARVIS RICHMOND

One of those kids that just lives for footy and you can see it in his enthusiasm to do well and learn. Just great to have kids like Jarvis on the team, who genuinely love rugby league. Set up our try of the year and is super involved on both sides of the game. A really superb season from Jarvis, again!

“

They were all willing to learn and put in some performances where they realised their true potential

Back Row: Cooper Martin, Henry Forejt, Harrison Nisbet.

TEAM REPORT

2024 U12Gold Grand Finalists, this team had an unreal year of footy and making the Grand Final was a great achievement.

As coaches, Zane and I are so proud of these kids who turned up to every session and game with a great attitude contributing to a high standard each time they took the field. Our intentions as coaches are to improve their core skills, execution of plays and game structure to make sure we develop each and every player.

The kids dug deep all year but unfortunately went down to Cronulla Carlingbah in the Grand Final after putting up a big fight. The result in the GF did not reflect the rest of our season and the kids should be happy and proud of how they played each week.

We could not be more proud as coaches and trainers being part of this gun team. We'll be back.

Big thanks to Kempy for keeping the kids in line and to Jett for getting them conditioned and ready to play. Thank you for your contribution to the team and buying into what Zane and I were teaching the kids.

Thanks to Carly for helping us organise our lives. There's a lot that goes into being a manager and we all appreciate the time you put into it. Thanks again.

Finally, thank you to all the parents for the opportunity to coach your kids. It's been an unreal and enjoyable experience teaching them what we know about the game. We love the support and it fires the kids up massively.

PLAYER PROFILES

ASHLEY AZZI

Ash, One of our best and most technical middles. Always at training on time and engaged in every single session, which proved to be beneficial throughout the season. Ash was always ready to take the tough carries and ever reliable with her ability to put a shot on the opposition. Will be missed next year but we are excited to watch her dominate in the girls comp.

TATE BLACKWELL

Tatey, One of our most reliable edge defenders. Tate always brought a competitive attitude to training and game day. He's a tough footy player that lifts the team with his energy in defence. Tate can shoot out of the line and tackle any traffic coming his way.

HUNTER COOK

Sticks, loves his footy and is always at Anzac oval. He might be one of our smallest, but is certainly one of our safest and most reliable players. A natural outside back with his timing and kick return ability, Sticks always finds his front which is hard as a little fella but he never gets put on his back.

BEAU ELIAS

Beauza, our impactful tackling machine. He was always there to chop whoever ran at him. Beauza could always be relied on to get us to where we needed to be on the pitch. His defence was excellent this year, applying the technique learnt at training and implementing it into his game.

HENRY FOREJT

Henry, our most improved. Henry learnt a lot this year and it showed in his game. His damaging runs and ability to slow the ruck down really helped the team in making an impact of the bench. A great asset to have in any team, it was awesome to see his growth as a player.

KNOX GORDON

Gordo, loves leading from the front and that's the reason we named him our captain for the Grand Final. He is always bringing the energy for training and game day, always our loudest and most consistent. Gordo has crisp dummy half service and doesn't stop tackling. He also has the ability to step and weave through defence when ball running which proved to put points on the board for our team.

KADE INGLIS

Kado, our big hitter. We could always rely on him to fly out of the line and put a shot on. He is a natural ball runner who has centre like footwork but can hit like a back rower. Kado had an unreal year and did whatever he had to for the team. An absolute weapon.

JACK KEMP

Kempy, he's one of our best defenders and will tackle anything coming his way. He's a smart and tough footy player always ready to take a carry or assist a try. He's awesome in both attack and defence and it showed in every game.

BOSTON MARTIN

Boss, has a natural footy brain and he showed that consistently throughout the year. His move from Half to Fullback during the season only benefited his game. Boss' ability to always beat one or two players in each kick return was brilliant, and when a player broke the line we could always trust him to make the tackle. Boss was always one to find the chalk and put points on the board for us week in week out.

COOPER MARTIN

Big Coop, a try scoring machine. Coop was always able to put points on the board when we needed it most. He is a damaging ball runner and his size created the spaces for him. Great year for Coop and can't wait for next year.

HARRISON NISBET

H, always ready to take a carry and bump off the opposition. One of our strongest ball runners, H fires up for every match and is always ready to take on whatever comes his way. Unreal season for H.

JAMIE NISBET

Jimmy, elusive and safe with the ball. He always seems to break a tackle when he's running the ball. Jim's move to Halfback during the season benefited his game as he could work to the best of his ability guiding the team around the park. Can't wait for next year Jimmy.

SAMUEL POWELL

Sammy, our tackling, running, ball playing and kicking machine who we can put in any position. Sam is an all rounder, no matter where we are on the field he is involved in the play, whether it's taking a tough carry, tipping on, or getting us out of trouble with his kicking game. Great season Sammy.

CAYLEN RANDALL

Cay, our quiet achiever. A little attacking weapon, chasing every kick with an ability to find the try line, Cay would always shut down traffic that came his way on the edge. His kick returns always amazed me as he would step and beat multiple players with his footwork.

FLYNN TANNER

Flynn improved out of site this year. His confidence grew each week as he took what he learned at training and applied it in our games. An outside back that has naturally perfect timing and loved shooting out to shut down defenders. Flynny always came to training ready to learn and improve. Great year Flynny.

Zane and I are so proud of these kids who turned up to every session and game with a great attitude contributing to a high standard each time they took the field.

Back Row: Banjo Chapman, Archie Duckett, Beau Harley.
 Middle Row: Adam Duckett (Manager), Lachlan Innes-Kane, Ryder Loveday, Curtis Johnson, Cai Jenkins, Finn Grinham, Mitch Osborne (Coach)

Banjo Chapman

TEAM REPORT

Overall, an enjoyable year for the boys, although we can probably say it was a missed opportunity. Unfortunately, we had a slow start to the season and once we pulled it all together with some good performances, we failed to win back-to-back games and ultimately that inconsistency cost us a spot in the semis. At our best we could match it with anyone in the competition and we had some amazing wins and scored some brilliant tries. I hope all the boys return to the Dragons in 2025 and rip in once again.

Thanks to Dave, Dan and Ducko once again. It's a team effort training and getting 16 x 12 year old boys on the park each week. Thanks also to Bruey for not only being a constant volunteer on the bbq, but he also stepped in as a trainer when needed. Thank you.

PLAYER PROFILES

KINGSTON BRUBAKER

Kingo stepped up from the bronze team and instantly established himself as our starting #13. Kingo is a pure footballer. Not the best trainer or most skillful, but once he steps onto that field it's just pure effort and heart. Kingo just doesn't stop working. Kingo scored some cracking tries, including a couple of long-range efforts. He consistently polled 3, 2, 1 points and won our Best and Fairest award. Well done mate.

BANJO CHAPMAN

Banjo had a slow start to the year, which was only due to Banjo not getting involved. Banjo turned that corner and had a cracking year, and he literally grew in confidence every game. Banjo is one of our best defenders and he did an unreal job of locking down our right edge in defence. Banjo's attack also clicked and made some damaging runs and some long-range tries. Banjo won our Most Improved award for his continued growth through the season. Good year Banj.

ARCHIE DUCKETT

Big 'A' had a solid year and was the leader of our pack. Big 'A' had some big games, punching holes in the defence when he got some steam up and as always, he holds our middle well in defence. Big 'A' is a pleasure to coach and a great team mate to all. Big 'A' does not realise how damaging he could be, but that will come with continued effort. Well done mate.

BLAKE EISENHUTH

Blake stepped up from the bronze this year but unfortunately a scooter stack resulted in Blake snapping his wrist a few days before round 1. Blake missed half the season with the injury, but continued to train and be the fittest in the team. Blake came back at the end of the year and showed what we had missed. Blake is tough enough to play anywhere but also quick. Look forward to seeing Blake back next year, ditch the scooter in the preseason please mate!

FINN GRINHAM

Finn had a good year, wearing our FR vest from start to finish. Finn is a footy fanatic who loves the game. Finn is a natural leader and manages the game well for a half. Finn gives his teammates confidence with his control and enthusiasm. Finn underestimates his running game and needs to take the defence on more. His ball playing and vision is above his years. Good year again mate.

BEAU HARLEY

Beau had a brilliant season, really stamping his authority as one of the best players in this comp. Beau is big, strong and athletic. Beau is at his best attacking the short side on the left and he scored loads of tries doing this. Beau was a close second in the 3, 2, 1 points and could have easily won that award. A pleasure to coach, the potential of Beau is massive. Thanks mate.

LACHLAN INNES-KANE

Lachlan stepped up as a middle forward this year as we lost some size in our pack. Lachlan was brilliant in that role, despite being outsized, he matched it with much bigger opposition and was one of our more consistent performers. Lachlan has a great attitude and is a great teammate. Well done Lach.

CAI JENKINS

Cai was our fullback from start to finish and was a consistent good performer. Cai enjoyed his defence this year, asking to be put in the front line to get some more contact. Cai had a couple of standout performances and overall, a consistent year. Well done Cai.

CURTIS JOHNSON

Curtis was new to this group, having come back to footy after a break. Curtis was a joy to coach and really grew in confidence as the year went on. Curtis did a great job as a centre, edge or wing. Curtis was solid in defence and showed his brilliance in attack with some great tries. Nice mate.

LEVI JONES

Levi had a great year. Levi looked more comfortable in the FR vest and he did that role consistently well all year. Levi came a close third in our 3, 2, 1 votes and won our Encouragement award. Levi really stepped up this year. His control of the game and attack was a joy to watch. He also stepped up in defence and showed he is a great well-rounded footballer. Well done Levi.

WAKELEY LANHAM

Wakeley had a consistent year, performing the DH role well and as always being solid in defence whether it was in the middle or if he was defending wider. Wakeley is a talented sportsman, I hope we continue to see Wakeley playing for the Dragons for many seasons to come. Thanks again mate.

RYDER LOVEDAY

Ryder had his first year at footy and has loads of natural ability. Ryder has great skills and an awesome kicking game. With consistent training, the sky is literally the limit for this kid.

LOGAN MAK

Logan had another good year. Logan is playing up an age and continues to grow as a footballer. Logan had some standout games, including a first half hat trick against Joeys. Loads of potential for Logan if he keeps working hard and developing like he is. Well done mate.

ARCHIE NUNN

Archie was new to the Dragons and had a good year. Archie was solid in the DH role and was flexible enough to use as an edge, centre or wing. Archie consistently improved week to week and was really hitting his straps at the end of the season. Great season Archie.

MAX OSBORNE

Max had a solid year, being a consistent performer in the DH role. He gave good service from DH and punches above his weight all round. Max also stepped in the FR role against Bosco and showed he can also do that role well. Well done Max.

ZAC SANDERSON

Zac had his first year at footy and debuted in the tough silvers grade. Zac is strong, quick and has great movement. Zac nailed down our left centre spot early and had a great year. Zac also has a cracking boot and nailed some wide conversions. Zac has loads of talent and will grow even more next year. Exciting times ahead for Zac.

TEAM REPORT

As the saying goes 'you either win or you learn' and after a couple of successful seasons, the 12 Bronze had an enjoyable yet character building season in 2024.

Despite just the 1 win and 1 draw the boys played with real grit and unity, defending their line stoutly and fighting to the final whistle. The boys were in position to win plenty of games but just lacked the final strike to put teams away.

Big thanks to our Trainer Brett, our Manager Janna and to Jamie for stepping in when required.

We all learnt some lessons this year and hopefully we will see all the boys back in 2025.

The boys played with real grit and unity, defending their line stoutly and fighting to the final whistle.

PLAYER PROFILES

LUKE BAXTER

Luke had a great season in 2024. Luke was our Mr Fixit this year with an ability to play in multiple positions seamlessly. With good skills, strong running and one of our best defenders Luke was a great asset to the team. With some more focus at training and a willingness to take on responsibility Luke will develop into a very good player.

LUKAS BUNYAN

Lukas had another strong season this year. Lukas is a real competitor, runs hard and tackles well and consistently plays above his weight. Lukas was juggling League and Soccer this year limiting his availability. Lukas is a good player and with full commitment to training and playing I could see him excelling in whatever he chooses.

HUDSON CALLAGHAN

In his first year of Rugby League Hudson fitted in well and showed great enthusiasm for the game. Hudson showed some good ability as a strong runner of the ball and gave his all in defence. This was a learning year for Hudson and with some work on fitness over the off season I look forward to what he can do in 2025.

TY CHATER

In his first year of Rugby League Ty showed good skills and a strong running game. Ty has all the tools to be a very good player. Ty became more selective with his options and was a great asset to the team. Once Ty trusts his size and power and shows more commitment to defence he will progress through the grades.

BILLY COUSINS

This was Billy's first year of League, and he had a terrific season. Playing above his weight and putting his body on the line week in, week out. Billy has a good step and is very elusive. I think with some work on his speed and more confidence to try different positions Billy will be a handful for opposing teams in the years ahead.

ARCHER DUNNE

Archie showed some real signs of improvement this year, he has a great short kicking game and clever passing. Archie plays his best footy at FR, organising the team well. Being willing to put his body on the line saw Archie improve his defence this season. Work on speed and strength will see Arch also be threat running the ball and will take him to the next level.

LIAM FOURIE

Once again Liam was our forward leader this year, although often outsized Liam was there week in week out taking our first hit up and giving his all in defence. Liam started to really learn to run through the line toward the end of the year and continues to progress in an upward trajectory.

RAFFERTY GALLAGHER

Raff started the season as he left off last year, earning good metres and quick play the balls early in the tackle count and defending well with good low tackles. He lost a little confidence toward the back end of the year but still gave his all every week. One of our best 1 on 1 tacklers at training. Just needs to bring his best to game day.

LORCAN HART

In his first season of Rugby League, Lorcan took to it like a duck to water. Big, strong and fast Lorcan was an absolute handful for the opposition. One of our best defenders, and consistently making metres Lorcan was a great asset to the team. Weather, holidays and an injury saw him miss most of the backend of the year, but I look forward to seeing what he does in 2025.

WILL HEWITT

Will is another one of my Mr Fixit's with an ability to fill in wherever I need him but plays his best footy at fullback. Will has good speed an elusiveness and this year he added some grit and toughness to his game. Will promised to go full sicko mode in our final game and he delivered with his best performance.

RAIFE LIPRINI

Raife had a great season this year. Raife is a tough competitor who just loves his footy and wears his heart on his sleeve. Raife has good foot work and a willingness to mix it up with the big boys and consistently made good metres through the middle. With some focus on skills and the same commitment to defence as attack Raife will go through the grades.

MITCH MEREDITH

Mitch played his best season of footy this year. Fast and elusive out of dummy half, Mitch added some good passing, kicking and vision to his game. Mitch was our top try scorer, and his defence and line speed improved greatly. Mitch is a smart footballer and should be proud of his season.

NOAH MCTACKETT

I was putting a lot of faith in Noah this year as a first receiver and leader for the team. He started the season well until a horrible injury mountain biking saw him miss most of the season. Noah showed great strength of character and resilience to make it back for the last few games and played very well in the final game.

HEATH ROBERTS

This was Heath's first year of footy and it took him a while to understand the game and get himself involved. But once he did it was worth the wait. Heath has size, strength and speed. He listens and is keen to learn. Heath was one of our best towards the back end of the season and I can see him going to the next level in 2025.

JAXTON STEVENS

Jaxton had a solid season this year and has improved all areas of his game. A strong ball carrier with good speed Jaxton has the ability to terrorise the defence when he gets involved. Jaxton was rock solid in defence and often the last man cowering down the opposition. More commitment and focus at training will see Jaxton go to the next level.

MAX TAUKEI

Max had his best season yet in 2025. Max found a great home on the left edge and with a strong right hand fend he broke plenty of tackles and was one of our best metre gainers this year. Max improved his defence with more tenacity and good technique. Max was one of our best week in week out and I look forward to what he can bring in 2025.

RYAN WALKER

I've had Ryan for a couple of years now and I believe he has turned the corner with his game. Ryan is fast and stronger than he thinks and grew in confidence throughout the year. Ryan has become a player I know I can rely on to do his job and I truly believe he can go to the next level next year.

We all learnt some lessons this year and hopefully we will see all the boys back in 2025

TEAM REPORT

The 2024 rugby league season for our 13 gold team began with great enthusiasm and promise. As the players gathered for preseason training, we were filled with excitement and determination. The team was ready to face the challenges ahead and aimed to improve their skills and teamwork.

The season kicked off positively in the silver competition, where the boys showed their hard work and dedication. With several impressive wins under their belts, the team displayed excellent sportsmanship and a strong understanding of the game. Early season injuries stifled our momentum, but their determination paid off when they were regraded into the gold competition, a testament to their progress and growing abilities.

As they transitioned to this more challenging level, the boys faced some difficulties. The heightened competition caused some players to feel pressure, and at times, it affected their confidence on the field. Despite this, the team demonstrated remarkable resilience; they stuck together and supported each other through the tough moments, and we couldn't have

been prouder of them. The young men in this team continued to push themselves throughout the whole yet both mentally and physically. The early nerves and pressure eased as their confidence grew with an attitude that must be admired.

The season was not without its hardships. Injuries plagued the team, and the number of available players dwindled as the season progressed. This made it challenging to field a complete team during some matches, with some players moving positions weekly. Nevertheless, the bond the boys formed as a group remained strong, and they showed tremendous spirit and camaraderie. This group continues to grow together which will bring them benefits in the future both on and off the field.

It was a pleasure to coach such a dedicated group of young men. Their willingness to learn, work hard, and support one another made the coaching experience rewarding. Whether it was torrential rain or freezing cold there was always plenty of numbers at training. This team showcased moments throughout their Gold campaign which demonstrated their potential. With ongoing growth as individuals and teammates success is on the horizon.

PLAYER PROFILES

MAX BAYLISS

Max has shown growth and development over the past year. He is a vocal leader among his teammates, offering advice and direction during games and at training. This year, Max's dedication to fitness has paid off, enabling him to make more significant contributions in both attack and defence. Max particularly enjoys playing the role of an enforcer, using his determination to protect his teammates and challenge opponents, which has further solidified his reputation as a key player on the team.

HAYDEN BOSTON

Hayden's first year in rugby league, showed great potential. He has a quiet presence during training sessions, but surprises everyone with his transformation on the field. His ability to break through the defensive line with ease is a testament to his natural talent and determination. Although he is still learning the intricacies of the game, his enthusiasm and commitment to improving his skills promise a bright future in rugby league. As he continues to develop, Hayden's passion for the sport will undoubtedly propel him to greater heights.

AUSTIN DABIN

Austin demonstrated effort and commitment while playing as halfback. He worked tirelessly to guide his team around the field. Throughout the year, Austin consistently stepped up to ensure the team's strategies were executed effectively. His dedication to improving his skills and understanding of the game was evident, and with continued focus and maturity, he will make significant advancements in the coming seasons. This year has laid a solid foundation for Austin's future in rugby league, and his perseverance will undoubtedly lead to further growth and success.

JACOB DUVENHAGE

Jacob has consistently demonstrated the qualities of a true team player throughout the season. His commitment to doing what is best for the team sets a positive example for his teammates. We as coaches find it a pleasure to work with him, as his flexibility and adaptability allow him to excel in nearly every position on the field. This versatility not only showcases his skill and ability as a footballer but also highlights his dedication to the team and his football. In both attack and defence, Jacob's reliability is invaluable, making him a key player that coaches depend on to ensure strong performances in every game.

DASH EARNSHAW

Dash played in the outside backs this season. His agility and speed allowed him to excel on the edges, where he effectively utilised his ability to break tackles. Throughout the season, Dash also played a role in supporting the forwards which helped maintain momentum for his team. His dedication to improving his defensive skills was evident, further solidifying his position as a valuable asset to the team.

JAX HAMER

Jax has expressed his passion to improve and learn throughout the season. This has been highlighted by his silky ball skills that allow him to move effortlessly on the field. His kicking game has also been a standout feature, demonstrating precision and strategic thinking that benefit his team's performance during matches. There is room for growth in Jax's self-belief; developing confidence in his abilities will be crucial as he learns to take on a more commanding role in leading his teammates. With continued support and encouragement, Jax has the potential to become a key player and a confident leader in the sport.

OTIS HARRIS

Otis had a challenging season due to ongoing injuries that limited his playtime. Despite these setbacks, he demonstrated determination on the field. His commitment in every game made him a true workhorse, earning the respect of both teammates and coaches alike. Through perseverance, Otis not only learned to overcome obstacles but also set a positive example for his peers, illustrating the importance of dedication and hard work in sports.

BILLY HARRISON

Billy's football performances can be described as unpredictable, sometimes showcasing brilliance and sometimes giving his coaches heart attacks. Billy is a high-energy style of player. He approaches every game with the intensity of running through a brick wall, demonstrating remarkable courage but often at the expense of his own safety. This year, he has put in a tremendous effort, consistently pushing himself to improve and contributing significantly to the team's dynamics. His determination and tenacity make him a standout player, and we look forward to seeing how he continues to develop his skills in the upcoming seasons.

The team demonstrated remarkable resilience; they stuck together and supported each other through the tough moments, and we couldn't have been prouder of them.

JACK HIGLEY

Jack is proof that size does not determine strength or impact on the field. Although small in stature, he possesses immense courage which sets him apart from his peers. Jack is an extremely skilful player, known for his precise passing and strategic mindset, which contribute significantly to his team's performance. His outstanding goal-kicking ability is a highlight of his skills. Demonstrating his commitment and passion for the sport, Jack consistently stays back after training to practice, showing his dedication to improving not only for himself but also for the success of his team.

FLYNN LETTON

Flynn showed resilience throughout the season. He began the year in the bronze team but quickly proved his skills and determination, transferring to our squad. By the season's end, Flynn had advanced to the gold grade, a testament to his hard work and talent. Despite facing the challenge of playing without reserves for most of the season, as a front rower, he demonstrated impressive mental and physical toughness, often playing without rest. His commitment and sportsmanship earned him great respect from coaches and teammates.

LIAM MIDDENDORF

Liam showed his exceptional skills as a devastating ball runner early in the season. Despite participating in a limited number of games, he managed to score numerous tries, highlighting his talent and determination on the field. Unfortunately, this season was not without its challenges; he faced injuries that hindered his ability to play consistently and struggled to balance the demands of excelling in two sports. This year has been a testament to Liam's resilience and frustration dealing with life's challenges and injuries. Regularly attending training, even when injured highlights his level of maturity.

The opportunity to wear the Anzac Guernseys was an honour and highlight.

SETH PHILLIPS

Seth always demonstrates his passion towards his footy showcasing his remarkable tackling abilities, which can be likened to the impact of a car crash! Although he tends to be quiet off the field, his presence during games speaks volumes, as he consistently puts his body on the line for his team. As Seth continues to grow and mature, he will gain more confidence in his attacking plays, allowing him to become a more aggressive and effective player. With ongoing support and encouragement, Seth is destined to elevate his game even further in the upcoming seasons.

CARTER STEIN

Carter has shown exceptional potential on the field. Known for his reliability in defence, he consistently demonstrates a strong commitment to his team and plays with great focus during each match. He always effectively stops opponents and protects his team's territory. Carter is actively working on improving his attacking skills to become a more well-rounded player. With continued effort and practice, he will improve his performance and make significant contributions to his team's success.

ARCHIE WHITE

Archie has showcased his extraordinary speed and agility on the field, making him "as quick as lightning" during offensive plays. This season, he has demonstrated significant growth not only in his attacking skills but also in his defensive abilities, gaining more confidence as he tackles challenges head-on. Archie's dedication to improving his game has inspired his teammates during games. His journey reflects the hard work and perseverance required in rugby league, making him a player to watch as he continues to develop his talents.

JOSHUA WILSON

Josh has proven to be an exceptional player during this rugby league season. His positive and supportive attitude has set the standard for sportsmanship within the team. Leading by example, Josh displays remarkable skills as a strong runner of the ball, consistently breaking through defence and making plenty of metres. His solid defence has been a crucial asset, and he is able to hold up the team during our challenging periods. As a result of his dedication and talent, Josh has rightfully earned recognition as our best player this season.

TEAM REPORT

After a slow start to the season with washouts and general byes, the boys finished really strongly and secured themselves a semi final play off against undefeated minor premiers Aquanis Colts. Unfortunately they went down by 28-12 but the score wasn't a reflection of the closeness of the game and only got away from them late in the second half. For the first 20 mins they were probably the stronger team. Considering Aquanis had beaten them by 40 plus points earlier in the season it was a great indication of just how much the team improved with some regular and consistent footy.

There were some standout performers during the season, with big front rowers Nash Warren and Brent St Baker leading the way up front, Hamish Roberts was outstanding in the centres, Logan Pandeleon again having a fantastic season and the improvement of Kobi Phillips this season was fantastic.

All boys improved there games and individual skills and the improvement by seasons end in defence was clearly showing.

Whilst it was a crazy season with weather and byes we finished the season strongly. It was a pleasure to coach the boys again and I look forward to coaching them again.

A big thanks to my Manager Nicole Turner, assistant Mark Schofield and trainers Kylan Perry and Mitch Curtis. Congratulations boys you all improved again and played well.

PLAYER PROFILES

KOBI PHILLIPS

Kobi had his best season ever and has shown great improvement. Strong one on one defender who gives away size but not heart.

GABRIEL PINTO SOJO

Gabe had a great season and scored some great tries, has a great sidestep when clear and defence is improving.

HAMISH ROBERTS

Hamish has the talent to go a long way in the game. High work rate and brilliant hardworking defender. Best trainer in the team.

BEAU HARLEY

Beau joined the team from the 12 Silvers but showed he great potential and easily handled the higher age division.

BLADE NIGRO

Blade had his first year in league and improved every game. Has loads of speed and talent.

LOGAN PANDELEON

Logan is a very gifted player, with brilliant ball skills, very fast and elusive and a great defender. Has amazing talent and a very big future in rugby league.

BEAU PERRY (C)

Beau is another with great skills and pinpoint passing game and can organise the play well. His kicking game is his greatest asset.

NASH WARREN

Nash had a fantastic season and deserved our best and fairest. Big aggressive front rower who scored plenty of tries with hard running. Is developing his ball skills and has a bright future in the game.

LACHLAN SCHOFIELD

Lachlan is a crafty hooker who can pick a short side and run from dummy half. Solid defender.

BRENT ST BAKER

Brent had his best ever season. Hard running prop who causes problems for the opposition and tackles himself to a standstill. Another with a bright future in the game.

LYLE CURTIS

Lyle is terrific defender. Had to play out of position at centre for a few games but when moved back to the backrow played some great footy.

NATE SINCLAIR

Nate is a tall and strong forward, known for his barstoring runs. Very hard to tackle and improving all the time.

LUCAS LIGHT

Hardworking lock who tackles himself to a standstill. Has a great tackle technique. Played an age group and easily handled the bigger boys.

ZAC BONSER

Zac returned to footy this year and improved greatly towards the end of the season. His tackling has improved greatly and with more footy he will only keep improving.

TYE WEATHERILL

Tye had his first year at league. Big strong backrower who runs hard and works in defence. Another who will improve with more games.

MAX WOOLRIDGE

Max always gives 100% and for a little guy his one on one tackling is great. Scored his first try this year and his celebration was a highlight!

SEAN SMITH

Sean improves each year and his defence this year improved greatly. Very Tall winger who when he grows into his frame will continue to improve.

KINGSTON BRUBAKER

Came to play in the semi final from the U/12s and showed no fear tackling and handling the bigger boys. Bright future in the game.

CAI JENKINS

Another who filled in from the U12s and shows great potential as a fullback with good ball skills and great speed.

The boys finished really strongly and secured themselves a semi final play off against undefeated minor premiers.

Back Row: Zac Field (Trainer) Chace Nisbet, Jett Nisbet, Thomas Fraser, Harper Tanner, Tyler Field (Coach).
Middle Row: Hayden Levin (Trainer) Jack Gurney, Brodie Routh, Maui Havea, Fletcher Ablett, Deakin Struthers, Carly Nisbet (Manager), Michael Hughes (Assistant Coach).
Front Row: William Lambert, Zeplin Sauvan, Dean Wybron, Phoenix Smith, Cash Peek, Nate Gates, Bailen Oates.

TEAM REPORT

I'd like to begin by thanking the club for the season and giving me an opportunity to coach this group. When I was contacted about this role I saw it as an opportunity to work with a group of boys that are beginning their development as footballers and continue to grow that for years to come.

Unfortunately, we lost a handful of players from last year but thankfully we had boys step up from our silvers to cover the losses. It was never going to be an easy year for this group and I don't think outside this group that people would have given us a chance to be near the top of the table, so for what we achieved this year the boys should be very proud of their achievements. One thing I can't fault with this playing group is their ability to play tough football, we were never the biggest team on the field but we always played with the most heart and determination. To come within a game of playing a grand final in my first year with you boys I couldn't be any happier.

I'd like to thank Mick Hughes for all the help and direction he has given me this year your support is much appreciated. To Zac Field and Hayden Levin thank you for being trainers for us this year, and Carly Nisbet for all her help and support she has given this year organising the team ensuring they are good to run out on the field. Also, to the parents and families for getting the boys to training and game days your support doesn't go unnoticed.

It was an absolute pleasure coming on board this year and coaching you boys, I enjoy every moment of it and I hope we can keep this playing group together for many years to come as I see lots of potential within the group. Bring on 2025 and let's go a couple more steps better!

I'd also like to thank Chris Hayward and the U14 Silver boys for continuing to help us throughout the year, congratulations on your season and hopefully we see a few more of you boys make the leap up a grade next year.

PLAYER PROFILES

FLETCHER ABLETT

A talented footballer, has an excellent running game and will always take the ball to the line. His first year at 6 and continued to prove he deserved his position there.

THOMAS FRASER

A strong carrier of the football out of our own end, always gave us a good start to our set. Defensively he improved as the season went on and was a big threat for us out wide.

NATE GATES

He is a quiet achiever, may not be one of the biggest middles but definitely one of the toughest. Never complains and always does what's asked. A very good listener and has an excellent football brain.

JACK GURNEY

Strong carries and great line running, and when he hits you, you will know about it. Also has great versatility and always does what's asked. One of our strikes on the edge.

MAUI HAVEA

A bit more training under his belt and who knows what he can achieve. One of the hardest runners of the football in the comp and takes a few to handle him.

WILLIAM LAMBERT

One of the smallest but one of the hardest hitters in the competition. Had him playing out of position and he never complained. Continued to do his job on the field.

CHACE NISBET

Arguably has the strongest carry in the competition, and up there as the hardest hitter. Excellent line running, and with every carry he threatened the opposition. Another one of our strikes on the edge.

JETT NISBET

Our skipper, leads by example. Plays big minutes for a middle. Strong carries and gets the quick play the ball. Hits hard and has a great ability to read numbers on the field. Does his job week in week out.

BAILEN OATES

Unfortunately lost him half way through the season, but from what we saw we could see his strong carries and calmness under a high ball.

CASH PEEK

Great ball skills and ability to swing from side to side on the field. Pushes up hard through the middle in support, and always puts his body in front when someone breaks through.

BRODIE ROUTH

Played him out of position but he never complained. Defensively was strong through the middle and always put his body in front. A nice crisp pass out of 9, and always pushes in support.

ZEPLIN SAUVAN

Improved as the season progressed, became more and more comfortable under a high ball. His carries got better and better and was doing excellent with his hit and spin.

PHOENIX SMITH

Has a good ability to read when to dart out of 9 and always pushes up in support. Has a great pass out of 9 and always hits the target.

DEAKIN STRUTHERS

Can read a defensive line really well and knows where to get the ball too. As the season progressed his defence improved, his attacking kicks always landed on the mark.

HARPER TANNER

An excellent carrier of the football and gives us strike of the bench. Always threatens to break through or get an offload away. Strong hitter and always does what is asked.

DEAN WYBRON

The quietest of the team, but one of the most skilful. A great improver over the season, has excellent speed and agility. Defensively would be one of the best centres in the competition.

Back Row: Nathan Birss (Trainer), Archie Rosamond-Davis, Taj Liddy, Christopher Markidis, Corey Hayward, Amy Cousins (Manager)
Middle Row: John Neeves (Trainer), Coby Antilla, Lawson Denyer, Will Palmer, Lachlan Birss, Rory Fleming, Cooper Wisdom, Chris Hayward (Coach)
Front Row: Jed Dacron, Reid Cousins, Tanner Evans-Neeves, Bryson Townsend, Mitch Bowling, Zac Browncombe, Keegan Cotton

TEAM REPORT

What a year...

Firstly, what a privilege it was to coach this great bunch of young men. After such a rollercoaster season, the boys were able to dig deep, refocus, and go on to win the comp.

With some new faces added this year, the boys were enthusiastic and eager to kick off the season.

After winning their first four games we felt unstoppable until.... the rain came. A month off the grass was too much as all our momentum stopped losing our next three games. A special thanks to Greg, Aaron and Steve for coming down to help the boys out with some great attacking and defensive drills. It proved to be a success with a narrow win over Gymea.

Just scraping into the finals in fourth place, we had a fantastic performance against the minor premiers Cronulla

to secure a GF game. I couldn't have been prouder of what the boys had achieved. But it didn't end there

Grand Final Day, a nervous start but everything they trained, every play they learnt seemed to have just clicked into gear with their best performance of the season. Their second half defensive effort was a highlight, and I couldn't have been happier for them.

Big congratulations to all the boys on such a fantastic year, you all deserve it.

Thank you Nathan and John for all your support and advice throughout the season, and to our wonderful manager Amy for all your efforts this year, I really appreciate it. Thank you to all the parents for getting the boys to and from training and games each week and for all of your support and trust this year.

Also, a special thanks to Max Bayliss, Max Arena, Jaeger Martin, Bailey Mason for helping us out this season and their coaches for lending us their players.

PLAYER PROFILES

REID COUSINS

Reid's performance on our edge this year was outstanding, his ability to read the other teams attack and defend it proved crucial with minimal try's scored on his side of the park. Switching to centre throughout games also allowed us to utilise his fast hands to put our wingers over the line. Tough as nails, a player that never lets his team mates down.

ZACK BROWNSKIM

Always love to see a kid returning to football, his determination and grit was impressive, one of the smallest kids on the park, but always gave it his all. After trialling a few different positions, Zack finally found his spot in the second row. With having some key players around him, his confidence in defence grew each week and by the end of the season, he was taking down some big solid players.

MITCH BOWLING

Mitch was a great addition to the side this year, his confidence, skills and leadership on the field lifted everyone else around him. Excellent defence on the edge and great attacking ability with reading their defence and often putting players through gaps.

LAWSON DENYER

Our Ferrari on the field, top try scorer, Lawson's speed and acceleration is just entertaining to watch. His defence and return metres at Fullback were crucial for our team, worked a lot on his attacking lines and angles this year and he improved every week which showed in the GF with one of his best try's of the season.

TANNER EVANS-NEEVES

Tanner filled the role at dummy half halfway through the season and excelled at the opportunity, a small body but his defence in the middle was excellent, he kept the ruck tidy and his improvement in his attack and passing game improved every week.

LACHLAN BIRSS

A defensive workhorse, his defence in the middle helped lift all the boys around him. Switching from half to Lock halfway through the season helped our attack in the middle with his strength and agility. Was the backbone of our team this year with his incredible kicking game. Anytime the boys were struggling getting out of our half, he would always get us out of trouble with his long-range kicks or spiralling torpedoes. Plays his best football when he backs himself and his ability, so happy to award him with Coaches award.

To the Boys, thank you for all your effort this year, I couldn't be prouder of what you boys have achieved, and you all deserve every bit of it, Well Done Premiers!!!

COOPER WISDOM

Cooper had an awesome year this year, his attacking vision and ball movement improved incredibly not to mention his kicking game. His ability and his attitude not only turned the tide of the game in the GF, but he also played with a broken collarbone in the second half and still made a try saving tackle in the final minute of the game.

WILL PALMER

One of the new boys from last year's bronze side. Will showed some great glimpses of what he is capable of. His strength and skills are equal with even the best of teams when he brings it and I'm sure next year with a rise in confidence will bring a rise in consistency.

COBY ANTILLA

Starting at DH this year saw a continuation from previous years, great defence in the middle with some great run metres. Coby's defence is one of the best in the team and with that allowed us to utilize his great defence and bolster our edge where teams improved on spreading the ball out wide towards the back half of the season.

CHRISTOPHER MARKIDIS

Chris started the year off with a bang, his strength and speed were the perfect mixture for some great long-range try's throughout the year. Chris has a great respectful attitude at training, and he is pleasure to coach, I hope he enjoyed the year with learning new skills and can't wait to see what he brings next year.

ARCHIE ROUSMANDDAVIS

Everyone needs and Archie in their team, Starting the season in second row and lock to then front row, Archie showed he can be put in any position and excel at it. Strong ball carrier and wall like defence, he was pivotal in the teams success.

RORY FLEMMING

The silent assassin of the team, Rory is often overlooked at times due to his unselfish style of play. Put him in any position and he will get the job done, rarely makes mistakes, runs great lines in key plays creating holes in the opposition's defence. Try's out wide are scored by every player doing their job correctly and Rory was one of those players.

KEEGAN COTTON

One of our most improved, Keegan came into the team a little nervous being one of the smallest kids on the field but became one of our defensive strengths by the end at times putting his body on the line taking down some big solid kids. Has a great attitude at training and always eager to learn. A pleasure to coach.

JERROD DACRON

Jed was another most improved. Again, a little nervous and struggled to find his feet at first but it was a home game against Brighton where Jed had a light bulb like moment. From that game on, Jed's defence went from strength to strength and with his newfound confidence saw his attacking ability also improve and had a great edge partnership with Reid to have a couple of great try's in the corner throughout the year.

COREY HAYWARD

Corey really stood up and took a leadership role this year, always talking on the field steering the ship, motivating the boys, and keeping them focused. Started Corey at lock at the start of the season to help our new forwards find their role. Eventually moving him out to 5/8 allowed Corey to do what he does best, create space. His attacking ability and speed always keeps the opposition defence on their heels allowing the players outside him space and time.

BRYSON TOWNSEND

Unfortunately, Bryson's season didn't go as planned with a severe Injury in the trial game saw him sit out the whole 2024 season. Bryson was still an integral part of the team and helped with kicking tee and water throughout the season. Hope you have a speedy recovery and look forward to seeing you out there in the near future. Thanks for your help this season Bryson.

Big congratulations to all the boys on such a fantastic year, you all deserve it.

TEAM REPORT

The 14c's started off the year with quite a few new faces to the club and the boys after a wet start to the year started strong and bonded well.

We had our first victory in Round 2 and this pumped the boys for the remainder of the season with us playing 15 games and winning 5 and playing in the semi's.

I like to thank all the boys for digging deep throughout the year and they all committed over 100% to their success and it was a great pleasure in coaching them.

I would like to also thank the other boys from the U13's that helped during the season filling in when we had injuries and hope to also see them again next year.

Thank you to Chantal for managing the team, Josh Higley, Adam Bell and Josh Martin for assisting me as trainers this year and to all the parents for having a great bunch of boys and letting me coach them.

Thank you U14c's and Parents.

PLAYER PROFILES

JAEGER MARTIN

Jaegar made his position known this year as our Dummy Half. He made numerous breaks and 1 on 1 steals which resulted in multiple tries and has certainly found his vocation for the future. Hope to see him return again next year.

LIAM GOODS

Liam returned to The Dragons after having some time away from the club and having played at Yarra last season. He fitted straight back into the club and team without any issues. He played in several positions this year, but really shined as a 2nd rower where he could attack the line with strength. He made quite a bit of ground this year and played with passion, that sometimes got him in hot water with the ref's but it was worth to see as this showed he was committed to the team and game.

I like to thank all the boys for digging deep throughout the year and they all committed over 100% to their success and it was a great pleasure in coaching them.

MAX COOPER

Max came to us this year from Yarrawarra to play as 5/8. In both his defence and attack this year Max excelled but unfortunately, he fractured his leg and had to sit out the last 4 games of the season. Max is a great utility player and can slot in with ease anywhere on the field and will be a great player for any team next year.

THOMAS MILLIKEN

Thomas led the team this year due to his level head and directed traffic as our Halfback. He also had his boot in this year and shared the kicking duties with Hunter, Max C and Ollie. As always, Thomas was vocal in getting the boys motivated on field and as the rest of the boys always put in the full 100%. Thomas is a committed player and enjoys the game.

MAX ARENA

Max came back this year fired up and ready for a big season. Max played as Lock this year with a huge impact and many of the opposition felt it. He had great defence and attaching speed and proved his worth on many occasions. Max will keep improving the more he plays and will be even better again next year. See you again next season for even greater things.

NOAH TURNER

Noah made a big impact again year playing both in close to the centre and also floating out wide. He's fearless defence and determined in his attack and was always there to help support his fellow teammates in all aspects of the game. Noah always encouraged his team mates and his commitment and never die attitude shows his love for the game, pity he got injured late in the season.

BRAEDEN PIPER

Braeden returned this year with a positive outlook and played a key role in the attacking line of our team. He threw himself into his attack and defence and looking forward to seeing him again next year hopefully. I think I might change his nickname to Goose as he does like to Goose Step.

LACHLAN GIBBS

Lachlan came to us mid-season and fitted in well with the boys. Coming from soccer Lachlan has plenty of speed and as the season progressed the more confidence he gained. By season end Lachlan came close to his first try. Lachlan will develop to be a handy player and hopefully he returns next season.

PHOENIX ROYAL HICKMAN

Phoenix returned this year with a positive attitude and was determined to make his mark. His attack and defence were strong and much to his delight ended up putting a couple of tries over this year. With his commitment and determination next year will be his year to prove his hard work from this year. Phoenix, mate practice your kicking. (HAHAH)

BAILEY MASON

Bailey was another Yarra boy that came across this year. Bailey mainly played in the Centres where he has a huge impact in attacking the line and making ground. He also had a couple of goes at Fullback in absence of Hunter and proved that he can slot in anywhere across the backline. Bailey played with plenty of passion and was a committed player this season.

JACK BELL

Jack started the year in the Centres and ended up pairing up with Thomas as his 5/8 after Max's injury. He handled this well and made great breaks and ground when needed for the team. I think Jack has found his position and can and will only keep improving in the years to come. Great job Jack.

HUGO PREUSS

Hugo returned and slotted in as a utility player filling in in the forwards and backline out wide. Hugo attacked the line in both defence and attack with great force and made the opposition think twice running at him. Hugo plays with commitment and hopefully he returns as he did this year to keep terrorising the opposition. Great season Hugo.

PLAYER PROFILES

HARVEY RANDALL

Harvey returned this year and fitted in really well as a centre running the balls and attacking the line with great confidence. His strong attack and defence were pivotal out wide and wasn't shy in getting involved and proving he loves to play football. Harvey scored both in tries and was well on the mark with the boot as well. Great to have had you back and seeing you playing great footy.

OLIVER HIGLEY

Ollie returned and started the season and started out in the first game with an injury that put him out for 4 weeks. Ollie himself was not without injury later in the season as he suffered another HIA and also fractured him collar bone, ending his season. Prior to the knocks Ollie maneuvered around the field to put a few tries in and a couple conversions and paired with Thomas directed traffic in the backline.

HUNTER LOVEDAY

Hunter came across from Yarra this year with a few of the other boys and fitted in well. Hunter slotted in as our Fullback and made plenty of ground in attack and headed over the line on several occasions. He also teamed up with Thomas in the kicking duties to help add the extras. Hunter is a confident and talented player and hopefully keeps showing his talent again next year.

CODY HYME

Cody came back this year with plenty of confidence and returned to run in the backs and on the wing. Cody worked hard and made great progress for his size and didn't mind taking on the bigger players as a few found out when trying to pass him. Keep up the good work and keep playing a great game.

WILLIAM KERTES

Will returned this year and after a few shaky starts really found his feet and proved to be a great Winger. Running the ball down the sideline and making good ground on numerous occasions and really letting the opposition know not to underestimate him. Look forward in seeing Will again next year and seeing him carry on from where he left off.

JAYDEN ASTLE

Jayden joined us for the first time this year and didn't waste anytime in getting into the thick of things. He through himself into the attack and made plenty of ground and wasn't shy in defending his ground either. For a first-time player Jayden has made a huge impact and really seemed to enjoy his first season and scoring his first try. Jayden, well done and hope you continue playing and enjoying footy as you have this year.

COOPER MORRIS

Cooper was another first-time player this year and wasn't really sure at first but was quick to adapt and change this. Cooper started on the wing and after a couple of games really started to get into the game. He made quite a few breaks down the sideline nearly scoring a couple of times and backing up in defence. Unfortunately, Cooper fractured his collar bone late in the season that sidelined him which he wasn't happy about. Cooper will keep improving and hopefully he comes back and keeps enjoying the game.

We had our first victory in Round 2 and this pumped the boys for the remainder of the season with us playing 15 games and winning 5 and playing in the semi's.

Back Row: Fletcher Hick, Jacob Watson, Fletcher Brown

TEAM REPORT

Our boys had an amazing 2024 season winning the minor premierships and making the Grand Final. They came together and trained the house down in the off-season and the results showed on the field. We introduced a new attacking style and the boys all bought into it and by mid year they were on top of the table. Something this group has not been able to do before.

Their commitment to each other, understanding their role in the team and truly playing together as a unit saw them take out the minor premiership with a week to spare. Another first for this group. Unfortunately it wasn't to be for us in the last game but that's footy.

I want to take the opportunity to thank Tina Meadows our Manager for all of her hard work I know its not an easy job keeping us all under control. Cameron Watson, the best blue shirt in the business. Your tireless commitment to not just this group but to the club is outstanding.

Scott Brown (Coach) for keeping the ship on the right course and Lil (Coach) for all the hard work you have put in since December 2023 to get this group going you have done an amazing job.

I was so proud to be apart of this group. What you achieved this year and how you handled adversity was amazing. I hope to see all of you boys going around together again next season. We were so close this year and I know each of you will be better for the experience.

They came together and trained the house down in the off-season and the results showed on the field.

PLAYER PROFILES

RYAN LILLIS – SECOND ROW – AKA THE X FACTOR, AKA RHINO

Rhino had a stellar season, taking home the 2024 Best & Fairest award. 2023, 2024 Sharks Academy Rhino went from strength to strength this year. Speed, footwork and a powerful fend, Rhino boasts a powerful running game and an ability to bust tackles at will which is unrivalled throughout the division.

This season Rhino worked hard on his line running game and added a deft pass to his attacking arsenal making him one of the most devastating back rowers in the league.

Rhino is an extremely talented footballer with a bright future ahead of him but for me though, it was his leadership, competitiveness and drive on the field that impressed me the most this season. Rhino refuses to quit and embodies what this team was all about.

Rhino formed an integral part of our leadership group this year, his effort areas, drive and knowledge of the game brought not just the best out of himself this season, but it brought out the best in his teammates, which is something to be truly proud of. Congratulations on your season mate.

FLETCHER BROWN – SECOND ROW – AKA THE SURGEON, AKA BROWNIE.

A footballer, in every sense of the word. Tough, uncompromising, competitive, talented. Fletchers most known attribute is his line running game, which saw him score some of the best football tries I have seen.

2023, 2024 sharks academy player and a part of the leadership group Fletcher is a straight up beast on the edge. Fletcher posses a football IQ far beyond his years which I believe is his best attribute. His ability to read attacking shapes and shut them down makes him the best defensive edge in our league.

Fletcher plays at such a high level consistently, with each performance being close to 10/10 sometimes his feats on the field just go unnoticed simply because they are expected. To be honest I expected him to excellent every week and he never let me down.

Making up the second part of our back row Fletcher is a threat with and without the ball. His combination with Jnr boots will only get stronger next year and is going to make for a special highlight reel which I can not wait to see.

KOBI KEILLOR – WING – AKA THE FLASH

Kobi faced a lot of adversity this year, But to his credit he chose to take that adversity and use it as motivation.

Holding down our wing position Kobis job was to take that first yardage carry for the team and for what Kobi lacks in size he more then makes up for with fierce determination and electrifying pace. Brilliant footwork and courage saw him cutting middle forwards to pieces and constantly getting us out of red zone. Kobi embodies what Engadine Dragons football is about. He does not give an inch and competes to the death.

When we played De La early in the season. We had 13 players and two of them were playing busted. This was a game we had no right to win. We were up by 6 at half time

and the boys looked exhausted I left the sheds thinking we were probably going to get ran over in the second half. Then I heard Keilor scream dragons on three with so much enthusiasm the hairs stood up on the back of my neck. The boys responded equally and they went out and won that game. That's what Kobi is about. He is the heartbeat of this football team.

Kobi's hard work did not go unnoticed in the end being invited to the Harold Mathew's Cup trials, this something that you earned and deserved.

Keep working mate keep pushing hard. Fantastic season.

COOPER WYNN – PROP – AKA THE IRON MAN

2024 was the year Cooper really announced himself. Playing every minute of every game he played in. His last run just a fast as his first with footwork that would split a defence in two. Cooper really bought into what we were doing this year working really hard on his ditch line, which constantly had the defence on the back foot.

Cooper plays so constantly each week and gets through so much work; I honestly don't think he made a single error at all this season, for a guy that was constantly at the top of the tackle count and runs each week that is a truly amazing stat.

Cooper never backed down from a challenge or a confrontation on the field backing himself and teammates, a tireless worker and a pillar of our pack Iron Man just seemed to go from strength to strength all year.

This kid has a massive motor and just rips in for the full 50 minutes, Cooper understood and executed his role week in week out. A truly great front rower in the making with rep selection just around the corner.

Congratulations on massive year, I'm looking forward to what the future brings.

KOBI MEADOWS VC – DUMMY HALF – AKA THE VC

Kobi has always been a great young footballer and someone I have always had a very high opinion of. A great passer of the football and a ferocious defender. This year we challenged Kobi to take his game to new level and really work on his craft and we were not let down.

As the season progressed we started to see what this kid could really do, getting out from the ruck and isolating defenders with his short and long passing game. Stabbing kicks in behind the defence. Attacking short sides and playing to numbers, Kobi developed into a true attacking threat from Dummy Half this year.

As our Vice Captain Kobi commands respect within our group and consistently leads the way with his actions. The dedication he shows to his game and desire to constantly improve will only see him get better and better.

Kobi was finally rewarded with selection to the 2024 Sharks Winter Academy capping of another amazing season. Tough, fearless and highly skilled Kobi is only scratching the surface of his ability. I look forward to seeing what the future has in store for you.

JACOB WATSON (C) – LOCK, FIVE EIGHTH – AKA SKIP

Jake is our captain for a reason. He is a leader in every sense of the word whether on the training pitch or on the field Jake leads by example and does everything to an extremely high standard.

2023, 2024 Sharks Academy and CHS selection 2024 was another very good year for our fearless leader. However this season Jake was given a true challenge to undertake. Having played all of his football in the middle we needed him shift to 5/8 and in true style Jake stepped up and put the team ahead of himself.

It didn't take long for Jake to adapt to his new job, attacking the line with his speed and footwork, he become more then a handful for the opposition. Jake is a highly skilled footballer and when he started adding his passing game into the mix he became nearly unstoppable out there.

Jake is a guy you want to coach, he gives everything he has to his team and this year he stepped up again finding his voice amongst the coaches adding his thoughts and perspective on games. An outstanding footballer, leader and a young man who is going from strength to strength.

HARPER BOOTHROYD – HALF BACK – AKA JNR BOOTS

Winner of the 2024 Best and Fairest Runner Up, 2024 Sharks Academy. Harper is a true footballer. Lightning fast footwork and a kid who just competes, Harper bought real X factor to the team this year cutting and slicing his way to the try line. Another players who's commitment to his game will only see him go from strength to strength in the future.

Harper may be small in stature but he is fearless on the football field, throwing his shoulder into anyone who came at him. Harper bought into our attacking style from the get go playing straight and constantly taking on the defence and playing a huge role in making us the best attacking team in the competition.

Playing just his second year at the Dragons Harper has built great combinations with his back rower Brownly, and Hicky out the back, laying on some brilliant attacking shapes and at times putting on an absolute clinic.

The thing I admired the most about Harper this year was his willingness to just play football, no structure, nothing complicated, just get me the ball and come with me boys. Playing a style of football that saw him constantly creating opportunities for his teammates with every attacking set.

FLETCHER HICK – FULLBACK – AKA HICKSY

2023, 2024 Sharks Academy, 2024 Sharks High Performance Group. Fletcher Hick is a true weapon. Another kid who is expected to play at such a high level and delivers every time. A member of our leadership group Fletcher is hands down the best cover defender in the business.

A strong and powerful ball runner this year saw Fletch really refine his game putting on some outstanding performances. His passing game out the back of shape

is second to none, his running game through the middle or out wide is second to none. To be honest there's not a whole lot he isn't good at.

Where I think Fletch has gone to another level this year is with his leadership within the group, he has always been an outstanding athlete but he has learnt that he can inspire his teammates with his words and actions now. Fearless in defence and another player who can read attacking shape and anticipate what the opposition is doing Fletcher is playing well beyond his years.

Fletch competes on everything and plays with his heart on his sleeve a fantastic kid with a bright future ahead. Congratulations on another stand out season.

KALE GATES – LOCK FORWARD – AKA JNR G TRAIN

Kale joined our group in 2023 as a development player who played on average maybe 5 minutes each game. Even with those minutes he turned up to every training session and every game waiting for an opportunity. Fast forward to 2024 and he's running out on the starting team in the Grand Final. It just shows where hard work and never giving up can take you. I am really proud of Kale and what he has achieved this year, where others quit you persevered and earned your jersey. Congratulations.

As the season progressed and Kales confidence grew we started to see glimpses of what this kid is capable of. Returning the ball off the back fence and knocking over defenders, driving defence and most importantly not giving up on the play. Holding down the middle and doing your job you made all of proud this year.

The ball is in your court now. Keep training hard. How far you go is completely up to you.

CAMERON BEYNON – CENTRE – AKA THE GIFT

Cameron's nickname says it all he is a gift. Cam's family moved to the Shire this year and they were simply looking for a club for him to play some footy at. A lovely family, a lovely kid, polite and well manured we didn't know what to expect. What we got was kid who could fold opposition centres like pretzels in defence and run over anyone in his path with the ball.

Cam's defence at centre this year was brutal at times, he formed a critical part of our defensive structure and feared nobody.

Big, strong and fast Cam earned selection into the 2024 Sharks Academy team. Great leg speed and footwork Cam was a powerhouse in the centre position this season. Unfortunately injuries struck as he was beginning to build a combination with his half but he certainly showed how talented he is.

I really admired the way Cam put himself out there with the group this season and blended into the team, it wouldn't have been easy coming into a new side but I feel it only speaks to the admiration your teammates have for you.

I can't wait to see you going around next year building your combinations and hopefully staying injury free.

LUCAS COUSEMACKER – CENTRE – AKA THE SNIPER

Lucas was another player who was faced with a significant challenge this year but to his credit he rose to the occasion. A highly skilled footballer who really understands the game, the team needed him to take on a new role this year in the centre position.

Defending in the hardest position on the field Lucas stood up to every challenge thrown his way, never quitting on the play and throwing everything he had into his defence. His ball playing ability saw him putting his winger over for multiple tries this year, he even scored a few himself.

Lucas took over goal kicking duties for us mid way through the season and had us all wondering why he hadn't put his hand up sooner kicking at close to 90% and for a team that scores most of its points in the corners that no easy feat.

I think the most important thing for guys at this age is to just to be a footballer. For me that means just going out there and doing your best for the team. Lucas did that this year. For a kid who's played his whole life as a halfback you proved to yourself that you can have a major influence on our teams result from anywhere on the park.

TOMMY FAULKHNER – CENTRE, LOCK FORWARD – AKA THE FERRARI

Tommy is a very, very good footballer unfortunately for us it turns out he is also a very, very good cricketer. Tommy is just an exceptional athlete who earned selection into the NSW Cricket academy this year. A player who constantly has my blood pressure spiking I have really enjoyed our banter over the past two years and I know whatever sport you do finally decide to settle on you will be excellent at it. Big, strong and athletic Tommy is awesome to watch in full flight consistently finding the try line. Defensively Tommy hits like a front rower forming the second part of our centre combination.

Midway through the season we shifted Tommy into lock and with more ball we started to see him really utilise his running game. With his aggressive defensive style and competitiveness he may just have found a new position.

Tommy plays a critical role in our team and is a true excitement machine but unfortunately his season ended early breaking his leg. I truly hope you play again next season.

KOBI ROBINSON – FIVE EIGHTH, LOCK FORWARD – AKA MR CRICKET

Another truly gifted athlete who is apart of the 2024 NSW Cricket Academy Kobi Robo has it all. A powerful ball runner with a slick passing game and a massive boot Kobi shifted between lock forward and 5/8 proving his versatility.

A key member of our squad Kobi always leads from the front with and without the football. A big powerful guy with a great passing game Kobi proved more than a handful for the opposition this year.

A lovely kid to coach, a supreme athlete and a great teammate this may have been Kobi's last year of football as he continues his Cricket journey. If that is the case you should be really proud of what you have contributed to this team week in, week out over the past two seasons. All the best young man.

What you achieved this year and how you handled adversity was amazing. I hope to see all of you boys going around together again next season.

BEAU CARTWRIGHT – WING – AKA THE VAULT

Beau taught me a valuable lesson this year and that's to never judge a book by its cover and I think he taught a few teams that as well. Beau may seem like he is in cruise control but this kid can play.

Beau is extremely good under the high ball. He is also extremely good when the ball is coming at him across the ground too. Basically he has unbelievable hands. All season he was constantly peppered by the opposition with high balls and he never made an error once.

This season our wingers both had the job of taking the first yardage carry out of our red zone and Beau ripped and tared with the best of them constantly getting our sets rolling. He bought in and did his job perfectly each week.

Not only did Beau see a lot of high kicks come his way this year he also saw a lot of traffic come his way defensively too and again he never missed. Beau really understands his position. He knows when to jam in with his centre and when to hold his spot. He is a player that is as reliable as they come but never seemed to get the accolades some of his teammates received.

Congratulations on an outstanding season.

OSCAR BROWNE – FRONT ROW – AKA MR BROWNE

2023, 2024 Sharks Academy (starting Front Row) I added that last part because Oscar has only played 2 full seasons of football which truly is an amazing achievement when you think about it.

Oscar is this teams enforcer, a devastating defender who when dials himself in is terrifying to watch. Oscar has an unrivalled one on one tackle, stopping opponents dead in their tracks. There weren't to many opposition forwards brave enough to take him on twice.

This year saw Oscar starting to develop his running game and understanding different running lines. As the season progressed his running game started to take shape and with his strength and power he became one of the premier front rowers of the division.

Its scary to think how far this kid has come in 2 seasons and how far he could go in the future as he begins to understand his game. With skip moving to 5/8 Oscar took on the role as our dominant middle forward. A role which came naturally to him, an aggressive and fearless competitor Oscar never took a backward step this season. Keep training hard. Keep working hard.

TEAM REPORT

The Boys faced a challenging start to the season, with a few setbacks that tested their resilience and determination. Despite these early hurdles, the team demonstrated remarkable improvement and consistency throughout the season.

The team showed significant growth and adaptation. They improved their skills, contributing to the team's overall success.

The boys displayed a high level of performance in the latter part of the season, leading to a series of victories resulting in coming 2nd overall and reaching the finals. Achieving 2nd place in the finals was a testament to the team's hard work and improvement.

This season has been a testament to the team's resilience and potential. We look forward to seeing the continued growth and success in the future of all the boys.

FINALISTS

U15 BRONZE2

Back Row: Finlay Gerling, Archie Stockwell, Ben Webeck.

Middle Row: Chris Dent (Coach), Phoenix Phimuk, Jordan Macatangay, Jake Simpson, Lucas Ayoub, Marissa Ohlbach (Manager).

Front Row: Christian Pederson, Flynn Hill, Levi Zipevski, Ryan Bates, James Benhiam, Kade Schofield.

TEAM REPORT

2024 was a tough season for the U15 Bronze team. Amazingly, eight new players joined the club without football experience. We started the season with thirteen players, which meant we would be up against it, and Chris was kind enough to volunteer to be coach and Marissa to be manager.

After a few rounds and several heavy defeats, our team had dropped to ten players, and even with some U14 players helping at times, we were always playing short. Midway through the season, we gained another player, bringing us up to eleven. Around this time, we also lost Chris as our coach as he had to take a remote work contract.

Wayne, Tony, and I stepped in as co-coaches, and the team's resilience was immediately evident. The boys showed up for training twice a week, every week, and gave their all on Sundays. Even when we often played with only eleven players, the boys took to the field with determination and a competitive spirit. Their skills and knowledge of Rugby League continued to grow each week.

The boys never argued with each other and were always supportive. They tried to play the game as hard as possible but always in a fair, sportsmanlike manner. It was so rewarding to see the excitement and celebration from the whole team when Jake scored our first try of the season. This season, our eleven players learned life skills. They learned resilience, teamwork, and dedication, all values that will be needed in the future.

I want to thank Chris and Marcus (U14 coaches) for their support, especially in organising players for us. A big thank you to Chris, Phoenix, Jayden, Zach, and Joseph from the U14 teams for playing with us. Your contribution was invaluable and greatly appreciated.

Thank you to Marissa for keeping the team organised and doing a great job as manager. Thank you to Wayne and Tony for helping at training and on game day. Also, a thank you to Paul for his medical guidance on the sideline.

Congratulations to Ryan K, Flynn, Jordan, Ryan B, James, Jake, Jed, Finlay, Phoenix, Kade, and Ben on their seasons. You are a fine group of young men; we are all proud of you.

TEAM REPORT

The boys displayed incredible tenacity throughout the season, establishing themselves as one of the hardest-working teams in the league. Their resilience on the field, combined with a never-give-up attitude, made them a formidable opponent, every week living up to their reputation. While the season had its ups and downs, we consistently fought until the final whistle.

The team's defensive line was among the hardest-hitting in the competition. The cohesion was one of their defining traits this season. Every player worked for the collective, and this unity helped them pull off remarkable performances against the odds.

The boys faced a tough run of injuries this season, with several players missing throughout the year. Despite this setback, their depth was tested, and young players stepped up. One game this season we were close to full strength and we beat the team that went on to win the competition. Can't wait for next season.

Thank you Jaimee, for managing our team this year. So much work goes on behind the scenes and we appreciate the time you give the team.

Terry Smith, thank you for coaching the team with me. I couldn't do it without you. We appreciate everything you do for us.

To all the parents. Thank you for all your support. It has been another great season all together.

PLAYER PROFILES

NOAH ANDERSON-BARDEN. FRONT ROW FORWARD

One of the toughest players on the field. Noah plays in the middle taking on the opposition's biggest players, he thrives in the physical contest and is a key part of our forward pack. You're awesome Noah.

COOPER BOWDEN. LOCK FORWARD.

Coops is the backbone of the team's defence leading the team in tackles and cover tackles every week. His stamina is incredible and when he carries the ball Coops always breaks the first and second tackles. One of the toughest players I have coached. Love your work Coops.

HARLEY BROWN. 5/8.

Known for his physical presence on the field Harley impacts every game both in attack and defence. Capable of playing multiple positions Harley is a complete footy player who can break games open with incredible foot work and tackle busting strength. You're a champion Harley.

COOPER STARR

Coops was injured this season but that didn't stop him from being apart of the team. Coops took the field throughout the season with the hope of making it back at some point. From all of us, thanks for training the boys this year and we can't wait to have you back out there.

MARTIN LIM. CENTRE.

Martin was a new recruit and slotted straight into the team. Martin possesses so much natural ability, his footwork and strong ball running is deadly. When given early ball and a bit of space you get to see how good this kid is. Thanks for coming on board. Love your work Martin.

JAMES HODGE. CENTRE.

James had a great physical presence on the field this year. His contact was damaging in defence. James is an aggressive player with great footwork and ball skills. We missed him at the back end of the season, looking forward to a full season next year. Well done legend.

BRODIE JOHNSEN. FULL BACK.

Another new recruit this season, what a signing. Brodies one of the fastest players in the comp. A constant threat to the opposition he excels at breaking tackles and evading defenders, leaving the opposition scrambling. Brodies defensive efforts are huge, saving tries every game. Great season Brodie.

ETHAN DRISCOLL. WING.

Ethan put on some size this season and it was instantly noticeable. His ball carrying was damaging this year and scored some incredible tries. Ethan is flawless under the high ball and his defensive awareness is second to none. Another great season JP.

BAILEY MURRAY. 2ND ROW FORWARD.

Another key signing this year. Bailey is a defensive powerhouse, putting on big hits that can turn the momentum of the game. His tackle Tech is rock solid and the opposition feels it. When the games get tough Bailey gets into his work. Loved having you out there Bailz.

OSCAR BOURKE. 2ND ROW.

First season back for Oscar and he was bigger and stronger then ever. Once Oscar got back in a rhythm he was a nightmare for the opposition. Always a threat is attack Oscar runs lines well and with his size is so hard to handle. Proud of you Oscar.

RIVER MCMAHON. WING.

River physically developed this year and had the frame to match his courage. His ability to read opposition attack and shut it down was awesome to watch. Riv would shoot out of the line hitting hard and often knocking the ball loose. Huge season Riv.

KYAN MORRISEY. FRONT ROW FORWARD.

A powerhouse in the forward pack, Kyan dominated the physical contests, making crucial meters in every match. For such a big unit his work rate is incredible. Close to the line Kyan is impossible to stop. Keep it up big Fella.

OLLIE TE HIRA. FRONT ROW. CAPTAIN.

In a tough season Ollies leadership was instrumental. Ollie is the ultimate competitor staying in the game with his work. He's always a threat in attack and damaging with the ball. Ollie has great ball skills and a great ability to get an offload away. Another great season Ollie.

TOM POWELL. DUMMY HALF.

Known for his incredible work rate, Tom was instrumental in organizing the defence and breaking the opposition's attack. His leadership on the field set the tone for the team and he never stops competing. You're a Legend TP.

RILEY SMITH. HALF BACK VICE CAPTAIN.

As the primary playmaker, Riley led the team's attacking plays, constantly putting the opposition on the back foot with his kicking game. Moving into an attacking position didn't stop Rileys work rate, always doing the tough work in the middle of the field. Thanks Champ.

CRUZ PEAK. UTILITY.

Cruz is one of the most versatile players in the team, capable of slotting into multiple positions without missing a beat. Whether playing in the backs or the forwards Cruz adapts and impacts the game. Cruz was crucial to our season. Thanks Legend.

XANDER DALTON. FRONT ROW FORWARD.

Xander provides huge impact to the game. Coming off the bench Xander gets straight into his work taking hit ups every set and never taking a backwards step. In defence he doesn't miss a beat, getting off the line and hitting hard making multiple tackles every set. You're a legend Jack.

“

Their resilience on the field, combined with a never-give-up attitude, made them a formidable opponent, every week living up to their reputation.

TEAM REPORT

It was a pleasure to coach the boys again this year. We had a really good start to the season, getting up in our first 3 games of the year. But with all the rain we found it hard to get in a groove, performing very well in patches but not being able to piece together a full all round performance. To the boys credit throughout all the rain and no game weeks, they still turned up for boxing sessions, road runs and field con sessions, with only minor complaints. I have a lot of belief in these boys and when it clicks that they are a team full of good footballers, I have no doubt they will find success. A big thanks this year to Dave, Glenn and Mick for all their help, also to Deacon and Jett, the injured boys helping run the water, Maxy for running the tee, and to Levi who joined us halfway through the year as a trainer, making all our jobs a little bit easier. Also to Kieran and Ryan for help throughout the year when I was away or out of ideas, cheers boys. These boys have the skill and potential to win a comp so we will come back next year and give it another crack.

Kye

PLAYER PROFILES

ARCHIE

The loudest bloke in the team. Had some great performances throughout the year. One of the best on the field when he has his head switched on. Always good for a chat, sometimes too good.

BOWEN

Through and through our best player this year. Definitely not the biggest prop in the comp but man he runs hard and tackles harder than any of them. Always big in effort at training and on the paddock.

BISHO

Played some of his best footy I've seen from him this year. Always consistent and works his ass off. Great kid and is a pleasure to coach each week.

CRAWLS

Always very high energy and had a big presence at training. Played a few of his best games this season. Copped a nice knock to the head to finish his season but won't interfere with the modelling career.

DENAN

Another one that was consistently reliable. A top performer at training. Was itching to get a shot in the back row all year and played awesome when he got his chance there.

DEAC

Didn't play this year due to a knee injury but helped with the water when he could. Missed his Burto bombs this year.

FELGATE

Felgate was new to footy this year. Was always at training and gave 100% every game. He's a great kid and is always a good laugh as well.

GERARD

Our most dangerous player this year. Every time he got the ball he was threatening the other team. Should give up soccer so we can see how well he can play without having a 90 minute game beforehand.

GOGGS

Always a great addition to the side, whether it's on the wing or the centres. One of our top try scorers and wins the award for highest belly flop to score a try.

HUNTER

Hunter only played one game for us but man did he play well. Hopefully we can get him back and he can enjoy his footy again.

HUMPS

Missed a bit of footy due to holidays but he played some great footy when he was available. A couple great hits, a punch to the face and a few surprising line breaks for the highlight reel.

JONESY

We lost Jett about halfway through the season to a dislocated shoulder, but he was always a threat on the field. He may suffer from a bit of little man syndrome, but i enjoy watching it (mostly).

JAN

The move to the back row was the best thing for Jan's comp. He runs and hits as hard as any front rower in the comp and continued to do so on the edge. Another one of our best.

KYLAN

When Kylan puts his mind to it he can run over any bloke on the field. It's a sight to see the big gazelle in full stride. Always brings lots of energy to the change room.

LIGGY

This bloke is skin and bones but he never takes a backward step. Always putting his hand up to cart the ball out of our own end and had some great games this year.

LINC

Never let anyone down. His first full year at fullback and consistently doing his job for the team. Big on effort plays and one of our best trainers. A quick learner and a pleasure to coach.

LINC NEWTON

Only played a couple games for us this year due to family holidays and overlaps with his soccer games. He's a great kid and would be a pleasure to coach him again.

MANNING

Has been away from the game for a few years, but you'd never notice. A strong, aggressive ball runner, and filled a few slots for us this year.

MARCUS

His first year dawning the royal blue, and he fits right in. Like a miniature Lebanese Brian To'o, strong ball runner, good finisher and loves a good stint in the middle.

MAXY

Was away for a big chunk of the year on holiday, but when he came back he got right back to his consistent form. Always great defensively and did a great job slotting in at 9 when needed.

MICHAEL

It was Michael's first season of footy this year. He brought a strong running game and ruthless energy. With another few years of training he will continue to improve as he did each week this year.

ROBBO

Captain and field general. Consistently leading the team around the park and his kicking game improved through the roof this year. Even a runaway intercept try for the nut trucker.

WALKER

A big leader in our team after coming from the gold last season. A big body, with ballplaying skills in the middle, and did a great job filling in at 6 for the back end of the year.

WHITTO

Picked up where he left off last year. Always having a crack, even when he's the smallest prop on the field. He's always an avid listener and a great trainer, taking everything he's taught on board.

Back Row: Ryan Levin (Coach), Blake O'Keefe, Antonio Pintabona, Ned Gemmell, Terry Smith (Trainer)

TEAM REPORT

Firstly we would like to thank the boys for turning up week in week out with limited numbers and all giving 100%.

Whilst we didn't make the top 4, these boys effort couldn't be faulted.

Biggest thanks goes to the boys from the 16 gold, who stepped up almost every week, without them we wouldn't have been able to play most the season.

Thank you to Debbie and Emma who stepped up into the manager role when no one else was willing too. Your organisation and help was greatly appreciated throughout the entire season. Also a massive thank you to Terry, Buddy and Bardo for making our job a whole lot easier at training and the games. Our final thanks goes to our little mate Fynn who needs 2 shoulder reconstructions and was unable to play, your expertise was strongly valued on the sideline.

The boys not only built a strong connection on the field but also off. With a few new players this year the boys made new life long mates which also led to everyone working as hard as they could on the field. Although we didn't end up with as many wins as we wanted, we couldn't be prouder for how the boys conducted themselves throughout the entire year.

Cheers for the great season everyone.

PLAYER PROFILES

ANTONIO PINTABONA

Big Antonio really came out of his shell in the back half of the year. He is a great guy and often had the coaching staff cracking up at trainings and gamedays. With his size and speed Antonio always made an easy 10-12 metres a run which really helped the team get on the front foot. Antonio has a high ceiling and id love to see him keep playing.

ARCHIE HILES-FRASER

Archie is a very loved team member, he is often making the lads laugh at training while always bringing top effort every training/game. Archie has good leg speed and often uses late footwork in order to confuse opposition defence. We would love to see Archie back next year.

BLAKE O'KEEFE

Blakey is a real go to guy in our team when we need a tough carry. He is always putting his hand up taking multiple runs in a lot of our sets. Blake unluckily got injured which was a major loss, but he does have time now to bulk up which will help him come back stronger and work his way through the senior grades.

BRODIE EWINGS

Every time this guy steps out on the field, it's quality. His work rate and sheer will to do whatever it takes for his mates is unmatched. Brodie is the player everyone want to play with, consistently finding himself with 2/3 points almost every game. Can't wait to see him move into the senior system.

CAMERON WELLS

Cameron made the trip up from the burgh and did a very solid job for us on the wing every game he played. The more Cameron played with his teammates, his confidence was growing and he improved as the season went on. It was a great first year and it was a pleasure having Cameron being a part of the dragons.

COBY OSBOURNE

Ozzy only played half a game this year due to an ankle injury. Even with an injury he always came to training with a smile on his face. Ozzy has good size and is very athletic, I was super keen to see him have a big year this year which I know he was capable of. I'll have to get down to Rex Jackson next year and have a watch!

With a few new players this year, the boys made new life long mates which also led to everyone working as hard as they could on the field.

COOPER SMITH

Smitty is a super talented player within the team. Coops is often training the house down and it really shows on gameday with a high work rate never slowing him down. We asked Smitty to co-captain the side this year as he is a player the lads look up to and he loves the club. Keep it up Smit.

DANIEL WAINWRIGHT

Dan was another new comer this year and as the season went on, I also feel he was starting to find his way. Dan was a great guy to have around the squad, always making the people around him have a laugh. Dan is fast and has good skills, he definitely has a lot of potential.

HAYDEN LEVIN

H has had a really solid year. He was very good for us in good ball, often using his vision in order to set up tries. Hayden is one of our captains and always tried to lead from the front whether it was at training, a warm up and games. Hayden has good communication which is a key thing for most teams needing to get to certain points on the field.

ISAAC DAWSON

This guy is a superstar. We were lucky to have such a high quality player in the squad this year. Isaac has all the skills that a great rugby league player needs but the most impressive thing about this guy is his commitment to training and winning. Every week one of the best on field, the boys look up to him and we are eager to watch his gameplay unfold.

JAKE MONKTON

Jake also had a few injury issues throughout the year but often tried to play through it in order to help his teammates out. Monkton always puts his body on the line and is very effective in defence. Jake also has good footwork and should utilise this more often as he usually makes a linebreak when he does. Keep it up Monkton!

JAKE REA

Jakey is a gun little player. He has super fast feet and good top speed which makes him a real attacking threat. The most impressive factor of Jake's game this year was his kicking. Without his massive kicks getting us out of trouble, we would have been really struggling. I thought Jake's defence was also super this year so I hope he comes back.

LACHIE HARVEY

One of the funniest guys in the team, you always know when he's around, everyone is having a good time. Lachie is super fast and glides while he runs, his footwork and aggression make him a tough man for the opposition to handle. Lachie did a great job at fullback and wing this year and I really hope he continues to play.

We couldn't be prouder for how the boys conducted themselves throughout the entire year.

LACHIE HOWE

Howie had a tough year battling with a hamstring injury for a majority of the season. Lachie has always had great defence and never takes a backward step when the opposition is running at him. When he did play this year I thought his attack took to a new level holding the ball out in front allowed him to make a lot more metres. Cheers for being a valued member of the squad Howie!

NED GEMMELL

Probably the most potential out of any player in the team. Ned has extreme pace which is an absolute gift. Ned often made full field runs and watching him stride out is a sight in itself. The most impressive thing about Ned is his toughness, he comes in for really tough carries and makes metres when not many others can. I really hope he sticks with league.

RONALD JUNIOR CONNOR

RJ was a new member to the side and we really appreciated him helping out when he could. He lives a long way from Engadine but offered to travel and help his mates out when he could which says a lot about the type of person he is. RJ really had a crack on the field and was a pleasure to coach.

TAJ CLAVERIE

The pie machine became this guy's nickname around the squad. After he got his first taste he couldn't help himself and had to keep going back for more week in week out. Taj made major improvements again this year and really tied down a spot starting in the centres. Super excited to see some more improvements from this guy in the years to come.

WARRICK RAYNER

Wazza is an absolute tough nut. This guy will take as many carries as he physically can. He is the type of player that doesn't want to come off and that's what we love about him. He is the leader of our forward pack and loves to get himself into the game with a big hit or massive run. It's been special watching Wazza grow so much as a player the last 2 years.

TEAM REPORT

Pre-season commenced in February, and we were encouraged to see numbers growing each week and by the first trial we had a full squad of 25 players. The Emerging Cup competition varied or changed its age limits several times before the season commenced with JL then deciding on an age limit between 19-22 years old. The team was fortunate to have 7 players from the U/18's sign up and from their first training session to games to our final ending never looked out of place and each individual young man was outstanding! It was a huge effort for these players going up against several teams well advanced in years plus our team overall was a young E Cup team with the average age only being 19 so to everyone involved we couldn't have been any prouder of the entire squad. You all showed dedication, commitment, courage, team morale and a never say die attitude displayed weekly. The season commenced well for us winning 2 from 3 games then it was interrupted with 4 games being abandoned. This unfortunately made us miss playing the teams at the bottom of the table on several occasions. We stayed extremely competitive throughout the season in and around the top 4 then unfortunately season ending injuries

hit us. However, this wasn't an excuse for this team, and they never gave up or surrendered in any form with our bench completely decimated and was unfortunate to lose the final game of the season not to progress them into the semis.

There were several games in the back end of season they had no bench, or then limited reserves yet their resilience and commitment to play with their teammates was outstanding and it was one of my personal highlights of coaching this team.

Overall, extremely impressed with this squad. Stay together, support one another and success isn't too far away with premierships. Congrats & proud of you all! It was an absolute pleasure coaching you all.

To our coaching crew Glenn, Adam L, Adam W, Eddy, Lochie & Matt appreciate all the support throughout this year.

To our Managers Liarna & Tracy thanks for all your assistance and keeping us well informed on all matters.

Lastly, to the senior leader group appreciate you dedicated support, input, thoughts & recommendations was invaluable to our season. Massive thank you!

There were several games in the back end of season they had no bench, or then limited reserves yet their resilience and commitment to play with their teammates was outstanding.

PLAYER PROFILES

JACK POWELL

Jack was our co-captain and started at fullback. Was having a great start to the year. Has great ability to read a game well and knew when to inject himself into the attack and solid defender. Great kicking game. Injury unfortunately ruled him out mid-season. Proud and speedy recovery Jack.

WILLIAM WRIGHTSON

Will was in our centres then covered several spine positions which he done easily. Always dangerous with ball in hand with natural ability of knowing how to run great lines. Just loves to compete in every game and gives 100%. Great year Will.

LEWIS HOOD

Lewis played edge / centre this year and was terrific. Is a player that leaves nothing in the tank and a player the players want in their team. Is aggressive in attack and defence and never takes a backward step. The lines he runs always put us over the advantage line. Got injured late in the season which hampered our semi charge. Was clearly in our best players for the year. Awesome year Lewis.

DANIEL JOHNSON

Daniel played centre and fullback as was never out of place. Great defender in two both tough positions to defend and saved several tries throughout the season. His runs in attack are straight and direct causing havoc to the opposition. Well, done Daniel.

JACK FRANKS

Jack played in the halves and directed our team well around the oval. Always scheming and trying to get his team bending the defence and pushing into holes. Strong kicking game. Always put his body on the line in defence. Had a recurring injury that kept him out some crucial games for us. Great effort Jack.

LUKE ZOPPI

Luke played in the middle and had a great year coming from a centre. He grew in stature and worked hard at training and results paid dividends to our team on game day. He will develop / grow into a strong middle forward in years to come with the attitude he brings. Loves the Argy / bargy but who doesn't want that in your prop. Most improved player, great year Lukey.

ETHAN FOURIE

Ethan played on our edge and never shied away from any tough runs in the middle or defence. Extremely strong for his build and knows how to run great lines. Has a great attitude, positive training ethics which reflects on game day. Got an injury late in season which affected our team. Extremely dependable player to have in your side. Great effort Ethan.

CHARLIE TI HIRA

Charlie helped us in the middle this year and was great in this vital role. Could also play on our edge and has a smart passing game in him. Was strong in defence and carried the ball strongly. Always the character who you need in a football team on some of those cold training nights. Had a very solid year and appreciated him playing many games out of his preferred position. Thanks Charlie, well done.

COOPER LYNCH

Cooper was our hooker and was exceptional in this tough position for his size. He delivered great service to his forwards & backs and was always ensuring we were moving forward. Would have topped the tackle defence in nearly every game we played. Toughest position on the field in my opinion and did a terrific job. In the mix as one of best players. Top year Coops.

JORDAN WYMER

Jordan was our utility player this year, playing in at least 6 or more positions. He was rock solid in every game defensively and in attack. Jordan scored some great tries from running great lines. Terrific effort Jordan.

PATRICK ST BAKER

Pat was one of our wings again this year and gave his all every game. Defensively and in attack pat was solid and did his job as expected for a winger. Great effort pat.

JAKE WALLACE

Jake was one of the younger players that came into the side this year. Waldo was put on the wing and after a few weeks owned the position. His defence was brilliant and his attack was just as good. Terrific effort especially playing in an older age group.

ZACK REA

Another solid season for Zack. Always gives 100% game day and at training. He's a pleasure to coach and a valuable team mate. Zack unfortunately succumbed to injury which saw him spend quite some time on the sidelines. Top effort and great year Zack.

LUCA BENTO

This was Luca's first year with the club and with us and he didn't disappoint playing in the centre most of the year and full back the late part of the year. His finest asset is his speed when he got into open space there was no catching him. Well done, Luca.

LUKE CHRISTIE

Luke is a valuable player to have in the side. He gives 100% every game and defensively is rock solid. Another player to succumb to injury late in the season. Great effort Luke.

SHAUN ALCHI

Another great season from Shaun, playing on the edge again this season he showed his true grit. He is tuff and gives 100% every game. Well done Shaun.

LIAM WATSON

Liam had another solid season this year. Playing in numerous positions throughout the season he never looked out of place. His defence this year was outstanding and ran the ball terrifically well done Liam.

BLAKE ISEMONGER

Blake just gets better every year. His ability to attack and defend the edge is a credit to him. He throws his body on the line every time which unfortunately put him on the sidelines at the back end of the season well done Blake.

BRYCE DINSDALE

Bryce played centre/edge and co-captain. Sustained a broken hand in Round 1 but came back to the fold and went about trying to make up for lost time upon his return. Plays aggressively always and is always a player you require in a team with his motivational chats and inspirational efforts. His 3 to 4 games at the back end of the season were truly encouraging to see of how he lifted the players, and they followed. Bryce received the Coach's Award this year and it was a pleasure to award this to him. Thank you, Bryce.

RYAN SUDDEN

Ryan played in the halves this year and by the end of the season transformed into a quality 5/8. He made the commitment at the start of year and grew into a halve we knew he would be. Has great knowledge of the game and he showed that in every game giving his all at 100% with ball passing skills, strong runs, and terrific front on defence. Directed us around the field with several players having to go into half back position due to our injuries but he adjusted, owned that position to get us around and done us proud. Ryan was well deserved of our Runners Up Best and Fairest. Great year Ryan.

RYAN DAVIDSON

Ryan played lock and what a year he had! He was outstanding in every facet of the game you want from a running ball playing lock and had great soft hands to getting our players into edge spaces. Never took a backward step in attack and punched holes and bent the defence on numerous occasions within every game we played. Was aggressive in defence and lead the pack like the Alpha male (Dragon) he is.

Was a pleasure to coach and it is great pleasure of awarding this fine young man Best & Fairest this year for our E-Cup Team. Congrats Ryan, well deserved!

TEAM REPORT

What a season, boys finishing in third. Unfortunately, we couldn't get the chocolate this year. But we're getting closer every year. Next year is our year. Great bunch of blokes to coach on and off the field.

PLAYER PROFILES

RYAN MAYNE

Mayne is possibly the most glamorous player in the team. With his Beckham looks and his knack for finding the line, the silver fox has had yet another successful season out wide. It's never easy being the coach's older brother, especially a coach often on fire. With some of the outrageous comments he made this season, Mayne has sat back with a smile knowing he doesn't share the same last name. It was a controversial end to his season with a calf injury that hampered his finals run. Although this presented an opportunity for a less handsome, less gifted kiwi bloke, Mayne and his brother held out hope for a finals miracle. However, with a cruel injury, we both watched from the sidelines. Legend of a bloke.

MATT STEIN

The only thing growing faster than his age is his football IQ. His Ghandi approach this year saw increased game time through less suspensions. His mantra, "clear eyes – full heart", released his skillful bag of tricks. Meticulously working on his pass / kick game, Matt seamlessly slotted into a ball playing position, regularly keeping opposition teams in the contest. Passionately known as 'Sellys', his defence was key in the team finishing top 4. Easily the nicest bloke on the team and a real heartthrob off it.

STEVE DABIN

Dabs demonstrated a unique approach to his participation this season. Known for his unpredictable appearance at training sessions and games, Dabs managed to impress everyone with his punctuality and application to both training and games which was nothing short of world class. Dabs delivered big plays at crucial moments, helping lead other teams to important wins, leaving a lasting impression on his teammates. His ability to not cross the white line for the second year in a row is a testament to his try assisting. His presence on the team exemplifies how his non-traditional approach can still embody dedication and skill, proving that there are many ways to contribute to a team's success.

RYAN PHILLIPS – 'BULLDOG'

Statistically speaking, a pretty poor year from one of our senior players... Very little post contact metres and well below average on the tag count. Also needs to work on his wrestling in the off season. Did top the count in side line beers consumed this year so there's a positive... I probably should also mention that Bulldog suffered a season ending injury (only bloke I know to get injured while being pulled off by one of his team mates) after 3 games this year which left a rather large void that we couldn't quite cover! Looking forward to a fully fit Bulldog, back better than ever next year.

SCOTTY LOWES

After a horrific run of injuries last season, Scotty concocted the perfect longevity playing plan by piling on 20kgs in the off season wiping 60% of this speed and 90% off his skill set ensuring an injury free season. Although Scotty couldn't swivel those hips like previous seasons, he certainly kept everyone one of his teammates impressed with his wombat like dominance from his newfound dummy half position. Love ya work Lowesey.

MATT CHAPMAN

Was somewhat of a delicate flower this year and struggled to fill the void of MIA brothers. After a slow start to the year, Chappo called a press conference... He was ready to move on. This was the first time we were introduced to his trusty, crusty, blue foam roller "Foamy". It was no coincidence that some of his best footy came after a grind & roll all over the clubhouse floor pre-match. The variety of made up injuries he came up with were comical... There wasn't a body party that poor foamy wasn't exposed to in 2024. The unofficial mayor of Engadine, a great bloke who people gravitate to. If you are a 30-year veteran or a 1st year rookie, Chappo is a leader and the bloke who treats everyone the same.

CHRIS MCBRIDE – 'CHRIS MAC DADDY MCBRIDE'

Chris McBride is a super aggressive sportsman known for his intensity on the field. Off the pitch, he's a karaoke champion, bringing joy and laughter to the team. His charisma and ability to foster harmony make him a beloved teammate, balancing his competitive spirit with a caring, unifying presence.

MATT TOWELL – MATT 'TWO L'S' TOWELL

Playing footy with Towelly is like having a personal accountability coach, referee, and annoyingly loud commentator all rolled into one... 'What was that tag', 'You should've passed it earlier!', 'Get back in position, mate!'... All I heard was 'YOU'RE DOING IT WRONG!' from the other side of the field... Yet, somehow, I still want to play with them every week. Just found out Towelly's the equal 3rd highest try scorer in the comp! Yeah, I know, it's a real 'bronze medal in participation' kind of situation... But hey, being the champ of 'Almost Good Enough' has its perks! A real inspiration to play along side!

JOEL MILLER

As one of many rookies in the team this season, Joel came into the team as a center, but by the end of the season he found himself playing in the middle of the field.

One sunny afternoon at Anzac playing against Menai, Joel found himself in an old position, one on one with the opposite center, with a slight difference from the old days. The opposite center was an almost 50 year old man. But boy did he pull a few old tricks out. Burnt the opposite center and threw in a goose step on the winger. Showed a glimpse of the pace that he formally had. Great first season Joel, another big one next year.

MITCH RELF – ‘THE DOOR KING’

From humble beginnings a first season debutante, came into the team with a sparkle and a smile. He played with vigour in the centres and never gave up. As one of the happy go lucky players in our team, he always kept the morale high which speaks to the bloke he is. Let's kill it next year.

CHRIS PADT

Unfortunately, injury had our Texan cowboy out for the majority of the season. Unable to play, he still turned up to most games to run the water and counsel the send offs. Legend of a bloke. Looking forward to an injury free season next year.

PATRICK FRANKS

Pat's second season with the mighty dragons, there is still a question mark on his alliance, given he missed the Gynea game and the Gynea branded budgies he ran out with each game. Pat's attacking ability shone through this year, always solid in defence. Every time a high ball was put up, Pat was under it either scoring himself or setting up others. Great year Patty, only criticism is the vinyl dance moves. Let's do it again next year.

JAMES ANDREW

Jimmy, Jimmy, Jimmy... Week after week, he defied modern medicine by showing up to games held together by more tape than an arts and crafts project. Honestly, I don't know if we were playing footy or unwrapping a mummy. Still, he kept lacing up (or should I say, strapping up) and pushing through with the spirit of a man who clearly didn't know how health insurance worked. Here's hoping next year we see more of his skills and less of the physio!

ADAM MADIGAN – ‘SPIKE’

Meet “Spike” McSidestep, the most feared and fabulous player on the footy field. His hair was always styled in spikes, held together with what could only be described as an entire tub of hair gel. But don't let his glamorous locks fool you – Spike was a force to be reckoned with. His side step was so sharp, it could cut down opponents like a hot knife through butter. Spike's side step was so potent, it could leave defenders stumbling into next week. Spike's pre-game ritual involved hours of hair styling, a secret hip twist (known only as “The Spike Shuffle”), and a stern warning to his opponents: “You can't tag what you can't catch.” And more often than not, they couldn't. With Spike on the field, our team was unstoppable – mainly because no one dared get too close to those lethal spikes. Just don't tell anyone – he had a reputation to uphold as the meanest side-stepper in footy history!

JONNY HAIDAR

If there was a role for a specialist kicker in rugby league as there is for NFL, Johnny is your man... Unless the kick is from dead set in front. Johnny often turned up to the game late and in his suit, spruiking a decent deal for the team running out for the house that had just passed in that morning. A great fella, who makes sure he shakes everyone's hand when saying gday and goodbye.

JASON GRUBB – ‘JASE’

Ankle injury start of the year didn't hold him back. Came back bigger, stronger, faster, meaner, but still got put on his backside in a non tackle sport. Even still playing out wide was comfortable. Was great to have Jase around when he showed up.

TROY BOSTON

He may not have been the hero we deserved but he was the hero we needed. With yet another season plagued by hamstring and calf strains, Troy was forced to step up for his team on multiple occasions. A tireless workhorse and a natural with balls in his hands, he was a welcome addition to the team both on and off the field. Unfortunately his skills didn't convert into points but that lead to his greatest showing of the season with a cracking run across Alford's Point Bridge. A sight that the peak hour commuters of the shire will never forget.

GLEN DAVIDSON – ‘JOCK’ AKA ‘SLATER’

Jock had prior commitments with surfing on the pro tour this year, but still found some time to come back and play a few games with the boys. Jock came on in his first game and forgot it was tag and not tackle with a big hit, Great bloke to have around and see you next season.

ANDREW WARREN JOHNSTON

Andrew is recognised as a great team player and club immortal, contributing positively to group dynamics and a legend of a bloke. However, his troubling behavior raises concerns; he often makes inappropriate comments and can't be trusted around females or animals. Additionally, his over reliance on cliché remarks during games undermines his credibility and authenticity within the team.

SCOTTY (TIM BAILEY) SIMPSON

Scotty has been a fantastic addition to the team, embodying camaraderie and good vibes. However, his weather predicting skills are hilariously diabolical—he once called for sun on a stormy day! A true champion of a bloke, he perfectly represents our team's spirit. It's a shame he missed the footy trip, though; we could've used his questionable forecasts to keep us dry!

MATT

The Milkman* really brought a unique energy to the field this season – the kind of energy you'd expect from someone stuck in traffic for three hours or whose coffee machine broke. Week in and week out, he managed to take the intensity of footy to new heights, mostly by yelling at us like we owed him money. His game-day strategy was simple: play hard, complain harder. But hey, what's a team without one guy who treats every dropped ball like it personally insulted his entire family? We'll miss the motivational speeches that mostly involved being told we were all terrible!

TROY ADAMS

Cameron Smith, aka the accountant – With moves like jagger and hips that make shokira jealous, Troy was always a handful and not just in his y fronts. His ability to slide through defensive lines is only second to his spreadsheet ability. His past soccer experience come to fruition whenever a referee made some questionable decisions, Troy made sure he received a gobful. Since Troy already manages 24 other sporting teams, it's only fair he takes over the reins next year after coach Blake was sacked for bringing tag league into disrepute. Well done on a great year and goodluck next year at the helm.

ANDREW COUGHLAN

Andrew “Not The Kicker” Coughlan burst onto the footy scene in his debut year, dominating the tag league competition with electrifying speed on the wing. This dynamic newcomer left opponents grasping at air as he consistently broke through defenses, scoring crucial tries with ease. Standing at 5’10” with a lean, athletic build, Andrew's blistering acceleration and agility allow him to cover vast amounts of ground, making him nearly unstoppable in open space. His fearless attitude and razor-sharp instincts enable him to seize scoring opportunities, leaving spectators and teammates alike in awe. However, Andrew's impressive resume has one glaring weakness: kicking. His unpredictable boot work has become a running joke among teammates, with a 0/1 conversion rate. That's correct, 0%. Despite this, Andrew's infectious enthusiasm and game-changing speed have cemented his position as a fan favorite.

Stats:

- » Debut year in tag league competition
- » Multiple try-scorer in several games
- » Averaged 5 tackle breaks per game
- » Kicking accuracy: “still working on it”

TEAM REPORT

Firstly a big thankyou to the following .

President Aaron and the committee (Belinda, Derek, Gunny and Sarah) for again supporting the Seniors and going out of your way especially at home games. Set up, BBQ and running the beer tent and bar. There would be no seniors without the support of club volunteers.

To the club supporters and Old Boys for getting behind us through thick and thin.

Manager Gunny for doing the job you do without fuss and always on hand when needed hope to see you back next season.

Assistant Coach / Trainer Braydo. Laid up after your massive operation you did a sterling job for the seniors and the club and again get yourself better so you can be back on deck next season. The boys look up to you and love having you around

Trainer / conditioner Joel and Assistant Harry.

Really guided us through those many sessions where we couldn't be on the field and kept the boys engaged and fit. Great asset to the club and going forward has a big part to play in development of the Seniors.

Blue Shirt / strapper Mick Robbo. Massive contribution was often strapping both Senior open sides and by the end of the season I think his hands were cooked. Thanks Robbo for running blue shirt as well!

Part time trainer / Hayden Levin. Thx H for your help and your selfless attitude plus for debuting against Joeys on a real tough day.

Mick Newton / team captain and senior player for your guidance especially for our forwards and the training extras.

There is a real core group of young players that have been consistent all the way through the season and never once did I feel that their effort in con and field work dropped off.

Ryan Levin coach 2nd grade / U17s. Appreciate your support around getting 2 sides on the field but also for helping us out by playing 1st grade.

Mick Kelso / Emerging Cup Coach. Thanks for allowing your players to back up for 1st and 2nd grade.

2024 was a season of frustration for everyone in Winter Sport and we are no different. A lot of things to be disappointed about but also to balance that there were some real encouraging signs. On field we were not great in many games which led to our position on the table. The following are reasons not excuses . A terrible draw (no bye, played the top teams twice but missed out playing renown twice, season ending injuries 3 top liners, (Eli, buddy and Adam Mortlock,) overseas holiday trips, work commitments, rarely having our spine together at training, continual shuffling of the side due to injury and work. Unfortunately I don't think we played 1 game at full strength.

A lot if those issues are out of our control but our biggest issue was our defence. As a defence orientated coach this was hard to swallow. I can talk about being clunky in attack and disjointed but we gave up too many tries in situations where we had to grit our teeth and get the job done. That comes back to coaching and training so in pre-season 2025. It has be a huge focus in our preparation.

On the positives I thank the boys for continuing to train with a great attitude through the rough losses and poor weather. There is a real core group of young players that have been consistent all the way through the season and never once did I feel that their effort in con and field work dropped off.

With the injuries we had there were players in the 17-19 year old age groups that played in Emerging Cup and the U 17s that we're blooded in 1st and 2nd grade in 2024. What a great job they did not only backing up but also being part of the training group Tuesdays and Thursdays.

Congratulations to Hoody, Ryan and Blake Barden on their selection in the Luke Lewis Cup rep game against Penrith.

Also special mention to Kye Robbo for his promotion to Club Captain while Zac Topham was overseas.

Everybody enjoy your off season and can't wait to rip in to season 2025.

A very tough and interrupted season for the boys this year. Starting the year with solid numbers and a lot of promise unfortunately injuries and weather changed the course of our season.

The boys effort on the field cannot be faulted as they gave 100% everytime we played. I can't thank the emerging cup and 17's boys enough for their help throughout the season if it wasn't for them we wouldn't have had the opportunity to play.

A big thanks to Mick, Joel, Braydo, Robbo, Nels, Ty and Terry couldn't have done it without you.

Thanks again for another enjoyable year boys and I hope to see everyone back next year.

The boys effort on the field cannot be faulted as they gave 100% everytime we played.

TEAM REPORT

The u16 Girls 2024 Season was a memorable one for all involved, my first year at the club and felt at home from day one. Our season started later than most teams as we were waiting on numbers to field a side when the call came from the Engadine Dragons who where in the same boat as us and requested a merger which worked perfectly for both teams and ensured the girls got to play and both team colours represented over the competition rounds.

We had some good wins through the season and learnt some lessons along the way, we had several first timers and most in their second & third years of football, so our skill level was at different skill sets. We started to build momentum then the rains hit and felt like we were back at round one. The rain taught us a new way to train with sessions in the jujitsu gym, boxing on the beach & sessions in the surf club. Once the rains stopped and we got to train consistently the girls developed at a rapid rate and continue to learn things up till our final game.

Our girls finished third overall and saw us take on Como at Como for a spot in the Grand Final which we knew

would be a tough task as they had beaten us by 30+ on both occasions, we had a good prep and the girls knew what was needed to win the game. We started well but the bounce of the ball didn't go in our favour and we were down 16-0 at half time. The girls were still confident that we could win the game at half time but it wasn't to be, going down 22-10 in our best game of the season.

I would like thank my staff, Kaz our manager for her endless efforts behind the scenes, Scott & Greg, our trainers for the helping with our sessions and the efforts with this girls, the parents for their continued support and getting the girls to training & games and finally to my playing group, you all have amazing attitudes and a will to learn which made my job easy. I loved every minute of the season and its all because of you girls. You have reignited my love for coaching once again and I will forever be grateful for that. Good luck with Lisa Fiaola selections & hope to see you all back next year.

To all players, parents & staff have a safe and relaxing off season & see you all in the new year.

TEAM REPORT

Preparations for the 2024 season started early as did preseason training with around half of our squad. Numbers increased as the season got closer, and it really wasn't until the Friday before the first game that we got our full squad together, but the girls didn't let that faze them and just got on with the job. As the season went on the team just got better & better. The more games the girls won the more they started to believe they could actually give the comp a shake. Well not only did they give it a shake they finished the season in 3rd only losing 2 games, then made it all the way to the grand final after winning the semi final at Anzac in one of the most exciting games of footy you would see all year. Unfortunately, they didn't win the GF but as I've said many times, for this bunch of ladies to come second in a competition which consisted of 12 teams spanning the St George district, Cronulla district, Illawarra area, Group 9 down to Ulla Dulla & the Macarthur / Campbelltown area is an unbelievable achievement & something they can be proud of for the rest of their lives.

Special mention goes to our Kingsgrove girls who permitted over to join the team this year, you girls were awesome to have around & an integral part of the team. It was awesome to see all the girls get to know each other & become great friends.

Thank you to Tash for being a great Manager, Tanya for helping with strapping, massages & prepping the girls on game day, Damo who brings a level of professionalism as trainer second to none & for giving up his time to help train & be there for the girls.

Matty Karika & I coach these girls together, I may have the coach next to my name but we co coach & Matty does most of the training too so thanks for another awesome season together, the girls are lucky to have you.

Looking forward to seeing what the future holds for all you awesome girls.

TEAM REPORT

The girls had an incredible season, working hard to develop important skills and gain confidence as the year went on. They supported each other both on and off the field, showing great teamwork and spirit. It was amazing to see how much they improved and how they grew together as a team.

They were a determined group that never gave up, no matter the challenge. Their effort and enthusiasm were clear in every game, which led to a very successful year. The girls should be proud of all they accomplished and the strong team they became.

PLAYER PROFILES

RUBY

Ruby's confidence grew so much throughout the season. At first, she was a little unsure, but by the end, she was taking on every challenge with determination. Being able to score two tries in one game showed how much her belief in herself had grown. Ruby's effort to become more confident really helped her improve as a player.

REMI

Remi worked hard all season, and it really showed toward the end. She started making more tags and scoring run-away tries. One of her best moments was at Kurnell, where she sprinted down the sideline to score a try. Remi's effort to keep improving made her a big part of the team's success.

LOLA

Lola was always eager to jump into the action. Her enthusiasm and energy were noticeable from the start, and she never hesitated to get involved. Using her speed and agility, she was able to dodge defenders and make plays. Lola's constant effort and positive attitude were a big help to the team.

MACKENZIE

Mackenzie showed real leadership all season. She figured out that running straight was the best way to score, and she used that to her advantage. Mackenzie always set a strong example for her teammates, both in her play and in her attitude. Her hard work and willingness to lead were a huge part of the team's progress.

EVA

Eva's ability to read the game got better with every match. She worked hard on her footwork and used it to evade defenders. One of her standout improvements was being able to place herself perfectly in defense, showing how smart she had become on the field. Eva's effort to understand the game made her a dependable teammate.

MILA

Mila worked hard all season, especially on knowing where to be in defence and read the play. Her competitive spirit and determination helped her become the team's top try scorer and earn the Best & Fairest award. Mila's focus and strong desire to succeed were key contributors to the team's success this year.

EVIE

Evie's speed and enthusiasm for the game were clear from the beginning. She was always ready to help her teammates and get involved in every play. Her ability to find the tryline came from her hard work and focus. Evie's effort to stay engaged and her positive attitude made her a key player all season.

ALLIRA

Allira's confidence grew a lot this season. She made a strong start by scoring her first try in her first game, and from there, she kept improving. As her confidence grew, so did her skills. Allira's effort to keep learning and improving showed in every game she played.

Their effort and enthusiasm were clear in every game, which led to a very successful year. The girls should be proud of all they accomplished and the strong team they became.

TEAM REPORT

When I was asked to coach this year I was a little worried at how I would go but coaching a great bunch of girls became my favourite part of the week. We did have to incorporate cartwheels into our drills but that just made it more fun.

Half of the girls in our team had never played before so it was a first for a lot of us.

The girls that played the year before made me so proud how they accepted the new girls and took them under their wings.

They have all come along way from that first coaching day. Good work girls, it's been a pleasure coaching you. I know you will only get better as the years progress. A big thanks to Kylee our manager who always kept me and the girls updated and in check. I appreciated all the hard work you put in. Thanks to our Trainer Laura for keeping our subs sorted and the girls having fair play. All the parents

for getting the girls to training and the games. The girls nor I could do this without you and the support you give each week.

They have all come along way from that first coaching day. Good work girls, it's been a pleasure coaching you. I know you will only get better as the years progress.

PLAYER PROFILES

SUMMER ABLETT

Summer is my little front rower. She sometimes forgets that it's tag and not tackle but she definitely tries her best every week. She's always up for a laugh. Keep up the good work Sum.

LARA DA SILVA

Lara is one girl not to mess with on the field. She's like a silent assassin. You don't even notice she's there and next minute she scores a try. She's a determined little player. You're going to be a little star Lara.

HAZEL ALLEN

Hazel really played well this season. Her tagging and tries were on point. She has the ability to be a great little tag player and I know she will only get better as the years go on. Well done Hazel

LACEY MENTIPLAY

Coaching your daughter isn't always easy. The way Lacey improved this season almost brought tears to my eyes. I love watching her play. Her tagging and tries were one of the best. She has the right amount of sass and determination. She never gave up on a chase. Good work bubbles.

INDIGO BYERS

Indigo is a sweet girl who by the end of the season we saw great growth. As a first time player she listened and was always keen to be dummy half to get involved in the game. Keep it up Indigo.

PENELOPE SAUNDERS

Little pocket rocket Penny. From the quiet girl from day one to the girl who didn't want to come off the field. Her development was one of the best and watching her smile when she got a tag or scored a try made my job worth it. Go Penny.

PHOEBE HARLOW

Our little dancing queen Phoebe. Phoebe couldn't make training as she had dancing commitments. It was soon quite obvious that phoebe didn't need a lot of training. She picked up the game from the word go and even if she had to come with her hair and makeup done before a dance comp she did. She gave 100% every game. Proud of you Phoebe.

ISABELLE SIMPSON

Isabelle loves being on the field with the girls and never wanted to come off. She never missed a training session and would practice her skills at home with her dad. Wearing her uniform with pride and a big smile on her face was great to see. Go Belle.

TEAM REPORT

What a great season for our U9's GLT team. The girls achieved something not many teams get to experience, an undefeated season!

These kids were a great little team to coach. They loved to train and learn new skills. It was so good to see them grow and learn throughout the year, each player rotating through positions and FR and DH bibs at times. My favourite thing about the team was when we were down on the scoreboard against good opposition, the girls always dug deep and worked hard together to get the result with great determination!

Half of the team were returning Engadine Dragons from last year and half were new players to the club. The new players fit right in and were great additions to the team.

A big thanks to co-coach Ryan who helped coach all year and manager Michelle for her fantastic organisation on the table and recording all the info for the kids.

Hope to see all of these champions back next year for more of the same!

PLAYER PROFILES

CLEO

Competing on every play, Cleo always did her best. She was always up for the challenge whether it be chasing down to tag a break away runner or dodging the defense on the way to the tryline.

LIV

A great new addition to the team, Liv is a talented girl that ran the ball so well all year, scoring a lot of great tries. With her speed, once she is through, she is very hard to catch.

The girls achieved something not many teams get to experience, an undefeated season!

MILLA

Another girl new to the team, Milla always had a good attitude at training and such a natural running style and step that caused opposition defense problems every game.

SOPHIE

You wouldn't know it was Sophie's first year, she always turned up for training and games keen and ready to go. You could tell Sophie loved to compete in every minute of game time, always good for a chat too!

ZOE

Always showing determination in her running and stepping game and scoring tries when the team needed it. Her tagging efforts from marker were outstanding all year.

PIPER

Always keen to work hard in defense. Piper also did a great job of getting herself in the right position to receive the ball and get involved in the play. Loved seeing her confidence grow over the last 2 seasons.

LULU

A new girl with the best boot in the competition. Lulu booted some opposition balls onto roofs, onto roads, over fences and nearly kicked a goal off the kick off in the last game! Her running game was also excellent, when she hit top speed she was hard to catch.

JAY

Excellent running game, Jay scored some great tries this season. If the coaches asked the team to do something at training or in a game Jay would do it, such a coachable kid that was always willing to learn.

BLAIR

Her running game was great this season scoring some superb tries, blitzing the defense with her speed. Blair would often put her body on the line for her team throughout the year.

EVA

One of the new additions, Eva has a great running game and had some blunders when playing dummy half. Always seemed to be having fun on the field.

ISLA

In her second year, Isla really stood out with her running game this year. Some games when the team needed a try, Isla stepped up and scored some great tries!

SADIE

Another new girl in her first year at the club, Sadie started the year with a broken arm in a bullrush training accident. She was so keen, she still attended training to be with the team throughout her recovery. You wouldn't know she had 6-8 weeks off injured, Sadie returned and finished the season off strong, great team player.

TEAM REPORT

The 2024 Under 10 Girls League Tag team had an unforgettable season, filled with both challenges and triumphs. Although the weather wasn't always on our side, with several games and training sessions rained out, the girls showed incredible resilience and enthusiasm every time they hit the field.

Despite the interruptions, the team bonded, grew, and developed their skills through the season. Their hard work and dedication really paid off when they came together to win the Gala Day tournament!

Thank you to our trainer Mitch, manager Sarah, and lastly Thank you to all the parents and grandparents that helped out this season. See you next year!

PLAYER PROFILES

ADDISON SCHAFER

Pocket rocket- Addy is as consistent as they come. Always switched on and always playing eyes up footy. Addy is an asset to our team in attack and defence. Go Addy!

MATILDA SMITH

Tilly, is an absolute freak. She is fast as lightening and a natural athlete, seeing the gaps and jumping on them to score 99 percent of the time. You will go far Tilly.

IVY REES

Ivy is known for her exceptional tagging skills. Quick on her feet, she's a key player in defense. Ivy's ability to make crucial tags keeps the opposition on their toes and her sass on field rattles the opposition like no other. Keep going lves!

ISABELLA RELF

Issy has been with me for a few years now and her effort never waivers. She is always giving her best and taking in everything you teach her, and it shows. Her quick steps and swivel hips are impressive and her knowledge of the game is clear to see. Love coaching you Issy!

LOLA LOVELL

Lola has gone from strength to strength this season even moving into dummy half and proving her skills as a league tag player. She is a hard worker and a quiet achiever who consistently gets the job done, often letting her actions speak louder than words. Her determination and growth have made her an invaluable asset to the team.

ISABELLA LESTRANGE (BELLA)

My smiling assassin. Bella lets her actions do all the talking. Earning her the nickname "Shakira" with her ability to swivel her way through the defensive line with ease. Her agility and speed make her a constant threat on the field. Great season Bella.

PRIYA TIMMS

This was Priya's first season and she just burst with excitement every time she played which was absolutely contagious. The improvement Priya made throughout this season is a testament to how much she enjoyed being part of the team. See you next year Priya.

ALIRAH MEADOWS

Alirah is a superstar. She is born to play footy, with her kicks from first receiver and her leadership on the field, she has many successful years of footy ahead of her. Keep at it Alirah!

ELLIE PHILLIPS

Ellie is a footy head. She loves training day just as much as game day and is so eager to learn and improve. Her ability to tag relentlessly makes her a force to be reckoned with. Ellie pushes herself to the limit in every match. Love it Ellie!

HARPER MCLOUGHLIN

Harps is an athlete and it shows with her natural ability shining through as the season progressed. Her knowledge of the game became stronger and as it did, her confidence grew and so did her impact on the field becoming a dominant and crucial player. Keep going Harps!

ADELIN WARNER

Adelin had a great season learning the life of a footy player. Adelin's highlight was the shock on her face and little bit of pride after putting one of the biggest hits in girls league tag on the opposition while at Gymead's home ground. Might have a future in the WNRL Adelin.

ESSIE JUNGHANS

Essie is a hard-working team player. She trains hard and plays harder. Essie is always zoned in, reading the play and getting ahead of her opponents. Her ability to anticipate the next move keeps her one step ahead, making her a key asset both in defense and attack.

MADDISON CAMILLERI

Maddy is a solid league tag player who brings her best to every game. Maddy plays with a contagious energy, always happy and keeping her teammates laughing with her sense of humor. Her positive attitude, both on and off the field, makes her a joy to have around while her skills make her a key player in the team.

Their hard work and dedication really paid off when they came together to win the Gala Day tournament!

TEAM REPORT

What an impressive bunch of girls... Can't believe the difference 5 months makes! We began the year with a new team that had to learn each other's names and then learn how to play together. We started off in Silvers but quickly moved our way into the Golds due to a lot of great individual performances from all the girls. The move up to Gold was when the cogs really started to move together and was very evident in our on-field performances especially in defence at the back end of the year. The girls had come so far and had got to know each other well and really started to work together as a team. It was thoroughly enjoyable to watch the improvement in the girls each week!

A massive thank you to my trainer Macca, couldn't have done it without you! Plenty of footy knowledge that he handed down to the girls that really made a difference both individually and as a team. Macca's daughter suffered a broken arm halfway through the season, but he

continued to turn up week in week out which really shows the type of bloke he is. Thanks, mate.

David Middleton who! To Danni, our manager and the ultimate stats Guru. Thank you for all your help and organisation this year. I literally know how many tags, tries, steps, changes in direction, toilet breaks and goals each girls had this year. Very much appreciated Danni.

To Ava McBride, my little co-coach. Thank you for continuing to turn up and support the girls this year after you broke your arm. You're a little trooper and the glue in the team.

Last but not least, to all the parents, thank you for all your support and for trusting me to coach the girls this year. I appreciate the commitment from you all to get the girls to training and the games each week, they were such a great bunch of girls and the positive environment you all contributed to enable the girls to enjoy their footy.

I had a ball! Onwards and upwards next year...

PLAYER PROFILES

ABBY

Our deserving R/U Best and Fairest this year! Abby is as quick as lightening, can make something out of nothing and was an attacking threat every time she ran the ball. Also, her effort in defence and chasing down line breaks was a feature; Abby will be a real asset for the club for many years to come.

ASHLYN

She was our sharpshooter with conversions, was deceptively elusive with ball in hand and was very consistent this year.

AVA

One of our experienced players and for me the glue in the team. Ava was a positive influence on her team mates particularly through her efforts in getting off the line or chasing from marker and diving to make the tag. Unfortunately, Ava's season was cut short with a broken arm but was great to see her want to stay around the team and help me out as assistant coach.

BAYLEE

When Baylee is switched on, she can match it with the best. Very quick off the mark and played a pivotal role on the edge in defence for us this year.

CHARLOTTE

Quirky and always lifts the mood of the team with her sense of humour. Another consistent player in the team who improved as the year progressed.

EM

First year of league tag and was an absolute pleasure to watch her improve every week. A little ball of energy both in attack and defence. Looking forward to seeing what next year bring for Em.

EVIE

Always turns up to play and is extremely quick off the mark particularly when in at Dummy Half where she made many metres during the season and got her team rolling down the field. Another great year Evie.

GEORGIE

Very consistent! Had her best year of league tag. Played a pivotal role at Dummy Half with her excellent service and knew when to run the ball to get the team on the front foot. Reads the play very well.

IMOGEN

Absolute weapon! Loves her footy and it shows on the field. Imogen scored some terrific tries, but it was also her effort in chasing players down that was a highlight for the year. Fair chance she will become the youngest captain coach in the club's history! (Maybe even next year). A well-deserved B&F award for 2024.

JADA

She was our most improved player for 2024 and grasped the difficult position of First Receiver like she had been playing for years. Jada's improvement can be attributed to her willingness to learn and take feedback on board. Jada was a pleasure to coach.

KENDALL

Very good all rounded footballer! Needs to learn to run with two hands on the ball as she gave me a heart attack every time, she ran the ball (we will work on that next year). Deceptively quick and when she backs herself, she is extremely hard to stop.

LUCA

Improved her skills as the year went on with her passing game and kicked her first conversion of her career. Luca can step off both feet, runs with great balance and caused the opposition trouble during broken play.

MADDIE

The quiet achiever of the team, a player that everyone wants to play with and our designated general play kicker with her sweet timing. We can see Maddie building further in years to come.

REMI

Found her mojo in the second half of the year and played like the Remi I know! Always a pleasure to be around and her effort in leading our defensive line made her an integral part of the team, I love the little streak of mongrel in her which the team needed. (Wonder where she gets that from "parents" cough...)

Back Row: Andrew Bolling (Coach), Shae Denyer, Aaliyah Skuse, Adyson Bolling, Skyler Crook, Drew Cousemacker (Trainer)

TEAM REPORT

What a successful and enjoyable season for the U12GLT Gold team. Especially given over half the team were playing their first season of League Tag it was an exceptional effort to reach the grand final and only go down by 4 points to a team that was undefeated in the last 2 seasons.

The girls worked really hard on their skills and it became really evident towards the back end of the season. They took everything on board that was said at training and they should be very proud of their season.

Thanks to parents, grandparents, friends and family for supporting us at every game this year. Especially in the grand final.

PLAYER PROFILES

AALIYAH SKUSE

Unfortunately she didn't play every game due to an ankle/foot injury but when she was on the field she really made a difference with her speed. Was the first try scorer of the season, well done!

SHAE DENYER

One of the more experienced girls on the team and very competitive on every play. Was an asset with her speed, especially when running straight lines into holes. Great season Shae.

KELSIE BUSSELL

She was ever reliable out wide in both attack and defence. With more experience and confidence we'll see the best of Kelsie. Thanks for everything this season!

DYLAN HAMER

She is so important to our team with her experience, speed and tagging ability. Was solid at fullback when needed and scored a bunch of tries and an all important one in the grand final.

ADYSON BOLLING

Great season playing her first year of league tag. She was the main ball player in our attack and saved a stack of tries in cover. Knocked over some impressive goals from awkward spots on the field too. Well done!

EVIE COUSEMACKER

Held down our first receiver and dummy half for a lot of the year. Knows how to get the team around the field with her experience and ever so reliable in defence making many important tags all year. Great season Evie!

TILDA JUNGHANS

One of our most consistent players all year. Made many long distance runs and one of our best defensive taggers. Thanks for your dedication Tilda and great season.

CHARLOTTE GARDNER

Wow what a season. Improved out of sight and ended up one of best attackers and try scorers in the team. Knocked over some impressive conversion goals that totally shocked me. Great season!

JACINTA STRATTON

The quiet achiever. Always did what I asked of her whether it be playing dummy half or first receiver, she never said no. Was very solid in both attack and defence. Great season Jacinta.

GRACE HIGLEY

Small in stature but never takes a backward step and love her attitude on the field. Really linked up well in the back end of the season with our first receiver making great runs out wide. Especially that heart in the mouth catch with seconds to go in the semi-final against Gynea. Well done Gracie.

SKYLER CROOK

Was a big reason we had such a great finish to the season when she came back from injury. Surprises herself with her speed and ability, just keep believing. One of my favourite moments of the season was her not wanting to take a kick at goal after a try and I made her. She nailed it...Well done!

They took everything on board that was said at training and they should be very proud of their season.

TEAM REPORT

The Girls' Tag League had an outstanding season, marked by dedication, teamwork, and perseverance. Although we were a fairly new team, each player demonstrated growth in both skill and sportsmanship, contributing to the team's overall success. Training sessions were fun focused, fostering a spirit of teamwork and resilience. Key victories highlighted the team's ability to strategise under pressure, while tough losses served as valuable learning experiences. Leadership emerged from all players, creating a well-rounded team dynamic.

As the season concludes, the league celebrates not just its on-field accomplishments, but also the personal development and confidence gained by every player involved.

Quick thank you to all the parents and families getting the girls to training and to the games. All the girls and their families should be very proud of their efforts.

PLAYER PROFILES

SEREN HILES FRASER

Is a stand-out player in our team, she commits to anything she puts her mind to. Seren is a super speedy little lady who can run very well off plays and scoot straight down the middle of the field or even run right around a whole team! We can always count on Seren to lift the team's spirit and make sure they're ok. Seren's bright and bubbly attitude makes a great difference to our team and should be commended on her outstanding season.

SIENNA SCOWEN

Sienna had an amazing year and is an all round player in our team. Although she was a new face she fit right into the crazy enthusiastic bunch. Sienna's determination and motivation to be the best player she can be should be commended. Her knowledge of footy grew and was shown on the field and at training. We have thoroughly enjoyed coaching Sienna and hope that she comes back next season!

MAYA BOWERMAN

Maya was another new face to the team this year who brought great talent and a positive attitude. Maya is an eager learner who applied 120% effort at all times throughout the year. Her positive attitude was a great asset to the team and we could always count on her to put a smile on any of her teammates or coaches faces. Maya's confidence didn't take long to grow and we hope it continues into the next season. Well done Maya!

JESSICA WELSH

Jessica had an awesome season this year! Although she was new to the team she brought great talent and an even better attitude. Jess was a little shy at the start but it didn't take long for her to come out of her shell and show off her bright personality and speedy skills. Jessica is always willing to take on feedback and apply it to her footy, this showed deeply on the field over the season. Jessica we are so proud and hope to see you return for next season!

SOPHIE BLAKE

Our smiley ray of sunshine Sophie had another amazing year! Learning lots of new skills, drills and advancing her knowledge. Sophie found her love as a solid link player this year, running off plays made in the middle and bolting down the sideline to score tries. Her defensive skills never cease to amaze us, from her tagging skills to her line speed. Sophie's awesome attitude really makes the difference in our team on and off the field. Well done Sophie!

LETITIA DENG

Who would've thought that this year was the first year this little lady ever played tag league! Us as coaches couldn't believe it, once we started training and playing it was like she had been playing for years. We are so proud of Letitia's efforts and attitude in her first season of tag league. Her speed was a great contribution to the team and we hope that Letitia returns in the 2025 season.

MILA OSMAND

Mila had an amazing season this year. Always ready for anything, Mila is an extremely reliable player and is an all round superstar in our team. Her speed and agility is a great asset in attack and defence. Mila always puts her heart into whatever she does on and off the field. Mila found that she not only runs well off plays but she can control the middle and play dummy half very well. Mila should be congratulated on her 2024 season. Well done!

HARPER REA

Harper is a returning player and came out of her shell this season. Harper is a very eager learner, willing to take on feedback and apply this to her skills at training and on the field. Playing in the pink dummy half bib a lot this year, Harper's knowledge and confidence really showed in this position as she was able to read the play and feed the ball smoothly to her teammates. Harper should be congratulated on an awesome 2024 season.

JESSICA ROBSON

Jess – aka Robbo – had an amazing 2024 season. Robbo found her voice in the middle this season playing first receiver quite a bit being able to control the middle and set up plays. Her efforts at training were consistent and enthusiastic which was truly reflected on the field. Jess is a great role model in our team and should be commended for her efforts this season! We hope to see you next year superstar!

MAEVE BISHOP

Maeve was a great new addition to the team this year. She always turned up to training and game day ready to go with a positive attitude. Maeve's confidence has grown immensely, taking control in the middle and organising plays. Whatever we asked her to do, she would do it with passion and a big smile on her face. It has been great to be a part of Maeve's development and we hope that she returns in the 2025 season.

ELLA FLEMING

Is an all round player! Ella knows a lot about the game and shows it each and every time she steps out onto the field. Her knowledge and teamwork skills are great attributes to the team as she is always willing to help another team player strive to do their best, whether that be at training or on game day. Ella should be congratulated on her efforts in the 2024 season.

Although we were a fairly new team, each player demonstrated growth in both skill and sportsmanship, contributing to the team's overall success.

Rylee Arnold

TEAM REPORT

The 2024 season for the U13GTL has been truly exceptional. From the beginning of the season, the girls demonstrated a remarkable “never say die” attitude that became the foundation of their success. Their determination and resilience were on full display as they navigated the challenges of the season, ultimately making it to the semi-finals—a feat few would have anticipated at the beginning of the year. One of the key factors in their success was their ability to stay composed and not let the opposition get under their skin. This mental courage proved invaluable, leading to a series of victories as their strategic approach took shape. The girls’ growth was evident in their performances, particularly as their skills continued to improve each week. Once the season picked up momentum, their talents became increasingly apparent on the field, showcasing their hard work and dedication.

Respect and sportsmanship were hallmarks of the team’s conduct throughout the season. Compared to some of the other teams, our girls consistently displayed a commendable level of respect and fair play. Their positive attitude and sportsmanship were recognized and appreciated by opponents and the association alike, setting a high standard for how the game should be played. Off the field, the team’s spirit and camaraderie were a joy to witness. The girls enjoyed each other’s company and supported one another which translated into their on-field success. Their mutual encouragement and enthusiasm were key to their performance and made the season an enjoyable experience for everyone involved. We hope to see all the girls return, ready to face new challenges and continue the team’s growth and success in 2025!

PLAYER PROFILES

RUBY ABLETT

When Ruby is ON, she's truly exceptional. Despite playing up an age group, she fits in seamlessly with the team and stands out as one of our best taggers. Her versatility and willingness to excel in any position she is put in, combined with her positive attitude and impressive performance, have made her a standout player and a joy to coach this season.

RYLEE ARNOLD

Rylee, a new addition to our team this year, brings a constant smile and a willingness to tackle any challenge thrown her way. She eagerly absorbs new skills and never complains, making her a true pleasure to coach. Her positive attitude and eagerness to learn have been refreshing and inspiring all season.

HARPER CHAPMAN

As the youngest player on the team, Harper has excelled while playing up an age group, demonstrating remarkable skill and resilience. Her role as dummy half has been pivotal, with impressive scoops and significant meters gained through the middle, often crossing the line for crucial tries. It's been a great season showing her talent and determination shine through.

AVA CHIDESTER

This season, Ava growth as a player has been truly impressive. Her natural ability and speed are evident, and with continued confidence and development, she has the potential to make a significant impact. We look forward to watching her skills evolve and shine in the future.

WILLOW DOWLING

With an outstanding boot, Willow emerged as a stellar kicker, saving the team on multiple occasions with her precision. Her exceptional work ethic and dedication to training, including the countless extra hours she invested, were evident in her performance. Willow's commitment and skill truly made a difference this season.

AYRLEIGH GIBBONS

Ayrleigh's lightning speed is a force to be reckoned with, making a significant impact on the field with her swift moves. Her strong defensive skills and consistent performance make her a reliable asset in every game. Watch this space — Ayrleigh is a player to keep an eye on.

SAILOR GURNEY

Enthusiastic about training each week, Sailor brings a deep knowledge of the game and a keen ability to read play effectively. Her reliability and leadership as our captain have been invaluable, solidifying her role and demonstrating her exceptional skill. Her commitment and performance have been standout elements of the season.

TAYLOR LEWIS

Joining the team as a newcomer, Taylor made significant improvements throughout the year, with her skills rapidly evolving. She demonstrated remarkable ability in handling high-pressure situations, including taking challenging bombs and scoring a fantastic match-winning try. Her growth and contributions have been a highlight of the season.

CHLOE MACKEN

As our strike weapon at full back, Chloe's lightning speed and improved skills have been game-changers. Her ability to read the play and secure runaway tries with unwavering reliability has been impressive. Coaching her has been a pleasure, and her performance this season truly highlights her status as a top athlete.

ZOE METCALFE

New to the team, Zoe brings a wealth of character and enthusiasm, always eager to ask questions and learn. She has showcased impressive tagging skills and a talent for scoring spectacular tries. Her drive and energy have kept us on our toes throughout the season.

JAIME SCHONBUCHER

Despite facing some injuries early in the season, Jamie showed incredible potential, with a bursts of speed and impressive tagging abilities. As the season progressed, her resilience and talent became evident. With her skills and determination, she's ready for a standout performance next season.

SUMMER STEWART

Coaching Summer has been a true pleasure, as her eagerness to learn and dedication to improvement shine through. A fantastic tagger, she consistently saved crucial tries and excelled from the marker position, securing tags with impressive skill. Her contributions throughout the year have been invaluable.

ANNIE VINCENT

Annie's attacking style is powerful and dynamic, making her a standout performer on the field with her impressive runs up the middle. Her potential as a top notch tagger and future rugby league player is clear, and she's on the path for great success. We look forward to seeing her shine even brighter next year and look forward to watching her maybe take on tackle in the future.

ZARA WOOD

Once Zara found her groove, she transformed into an unstoppable force on the field, showcasing an impressive combination of skill and determination. Her resilience and tenacity make her a key player, never backing down from a challenge. With speed to burn, she's a game-changer who keeps opponents on their toes.

TEAM REPORT

After a season riddled with field closures, impacting games and training, our chances to establish a solid base with a new team were really hampered. Some girls in their first year of Tag League also had a lot to try and take on board in a season with limited training.

The growth the girls showed from their first few games up until there last was amazing to see.

The Defensive skills improved out of sight, and they really began to operate as a team. With a few heavy losses through the season the girls kept their heads up and put those games behind them. So when facing the same teams again the improvement was evident by the score line.

Well done girls you should all be proud of yourselves and I'm hoping you all enjoyed the season.

TEAM REPORT

What a year it's been, with all the rain and the number of games we missed. In my opinion, the best thing is to just let the kids play.

First, I'd like to extend a big thank you to Renae for being our manager this year. She was always on top of everything, which made my job so much easier. Thank you, Renae!

This year, I was fortunate to get Greg involved as the team trainer. He brought a fresh voice that the girls really responded to, and I believe they appreciated his knowledge of the game and the passion he shows, both at training and during games. Personally, I loved it, and I think the girls did too. Greg built a fantastic rapport with the team throughout the year—they enjoyed the music and his dance moves. He's even offered me some dance training in the off-season, so watch out next year!

I'd also like to thank all the parents. I've always felt your support throughout the season, and you should all be proud of your daughters—they're a great bunch of kids (most of the time, anyway).

Now, to the girls. As I mentioned, it was a challenging season with all the rain and the draw not exactly working in our favour. But none of that seemed to bother the team, and we were still able to finish in 3rd place.

At the beginning of the season, Greg and I discussed with the girls our expectations for their performance and how we wanted to conduct themselves as a team. I understand that not everyone will be close friends, and that smaller groups may naturally form within the team. However, my goal has been to foster a group that plays together and strives to be inclusive of everyone. When we put on the Dragons jersey, we become one team. This principle applies to all the sports the girls play, regardless of the sport or club. A team that plays together is stronger, smarter, and has more fun, which often leads to better results.

One Sunday at Anzac, Greg and I were amazed to see the girls warming themselves up and running through their drills without any direction from us. We joked about going for a beer since there didn't seem to be much for us to do, but it was only 8:30 am, so we figured that might be frowned upon! That day, the girls absolutely nailed it, and as a coach, I couldn't have been prouder. It felt like they were finally getting it. Now, the challenge is to maintain that effort consistently, week in and week out. You have so much potential as a group, but you need to keep pushing each other and playing as one team.

The girls made significant improvements in several areas this year. Their defence was much stronger, and their ball

skills noticeably developed. As I mentioned, the draw wasn't in our favour, but to their credit, we won all the crucial games and made it to the semifinals. Unfortunately, things didn't go our way in the semi, which was a frustrating way to end. I felt we were the stronger team in the first half and were just unlucky not to score a try. Sometimes, the bounce of the ball just isn't on your side. I firmly believe we can beat Como and Dela—we just need to stay positive and keep playing as a united team.

It has been a pleasure coaching you all this year. I've really enjoyed the banter with each of you. Enjoy your summer sports, and I hope to see everyone back in Dragons colours next season!

PLAYER PROFILES

ADDI

As the year progressed, Addi's attacking skills showed significant improvement. She made some impressive runs with the ball. With dedication and continued development, she has the potential to achieve greater success on the field. Thanks for the good season, Addi!

BELLE

Belle was our captain, and she consistently led from the front. I could always count on her to set the tone with her play. She has a great attitude and competes hard in every game. Her attacking skills are especially strong. Thanks for a fantastic year, Belle!

CATLIN

I believe Caitlin has really found her place on the wing. Towards the end of the year, her positional play was excellent, and she has a strong tagging game. She's always quick to get back and help the team move forward. Thanks for a great season, Caitlin!

CHARLEE

Congratulations on getting the mangers award you had a great year. This season, Charlee was our go-to dummy half, and she excelled in the role. Her running game out of dummy half was impressive, and I loved how much ground she gained with her sneaky runs. Her tagging also reached a whole new level this year. Great season, Charlee!

GRACE M

Like Caitlin, Grace is someone you can always rely on to hold her own on the wing. She delivered solid defence throughout the year and had several strong runs. As the team continues to improve and gets the ball to her earlier, her game will keep getting better. Thanks for the good year, Grace!

GRACE B

Congratulations on getting the coach's award, you had a great season. Grace demonstrated remarkable versatility this season, playing virtually every position on the field. Her ability to adapt and excel in various roles made her an invaluable asset to the team. Whether she was covering different positions or stepping in where needed, Grace never complained, and her resilience and adaptability ensured that she was one of our most reliable and consistent players throughout the season. Great year, Grace!

HALLE

When Halle backs herself and plays with confidence, she competes at a high level. Her defence is strong, and her running game is impressive. Halle is also one of the few girls on the team who excels at kicking in general play. Be proud of your year, Halle—I am!

LACEY

I love Lacey's attitude and the way she approaches her game. She never gives up, and even with some injuries this year—though you wouldn't know it—she always gave 100%. Lacey stepped up at dummy half when Charlee was off, and even though she might not have wanted to, she never complained and did a fantastic job. Her speed and attacking play are exciting to watch; she constantly tries to make things happen in attack. Top season, Lacey!

LEILANI

Congratulations on winning Best and Fairest—you truly deserve it! Leilani played fullback and was instrumental in our success. Without her at the back, we might have lost a few more games; her cover defence was solid. Leilani is a tough competitor with plenty of speed, and she scored several impressive long-range tries this year. It's fantastic to see her in full flight. Leilani is also starting to build strong attacking combinations with several of the girls, which will only improve in the years to come. Top season, Leilani!

MIA

Mia shows great determination in every game she plays. I know it can be frustrating for her when I take her off during the game, but it's a positive sign because it shows how much she wants to get back out there and compete. Mia has an excellent kicking game, whether it's her short kicks near the line or her powerful kicks to gain us yardage. She also made several crucial breaks in attack that helped us gain momentum. Good year, Mia!

MILLIE

Millie really found her spot at center this year, and she improved steadily as the season went on. Her positional play in defence got stronger, and her attacking skills developed significantly. Millie built some great combinations with the girls around her and took on most of our goal kicking—she's a natural. As she continues to get stronger, her skills will only get better and will be a huge asset to the team in the years to come. Thanks for a great season, Millie!

NOA

Congratulations on being Best and Fairest Runner-Up! You had a fantastic season. Noa, who has usually played wing in the past, stepped up to play a lot of games in the middle this year and performed at a top level. Like Grace B, there were times I needed to shuffle Noa into different positions, and she covered each role with ease. I love her commitment in defence, especially how she makes tags while diving mid-air. Great year, Noa!

SOPHIE

Like Millie, Sophie excelled in the centre position this year. She continued to improve throughout the season, and she and Catlin developed a strong partnership towards the end. As the team gets better at spreading the ball wider and giving Sophie more time with it, I believe she will keep improving and become one of the top centres in the competition. Thanks for a great season, Sophie!

TAYLOR

Taylor has been solid in defence, and her attacking game has shown steady improvement. It's great to see her trying to create plays throughout the game, which is very pleasing as a coach. Like Mia, Taylor also has a strong kicking game in general play and managed to score several goals this year. Good season, Taylor!

ZARA

Zara is another player I can always rely on to fill any position I ask her to, which makes managing substitutions much easier. She has strong awareness in both defence and attack and consistently listens to instructions and applies them effectively during the game. Thanks for a great season, Zara!

A team that plays together is stronger, smarter, and has more fun, which often leads to better results.

TEAM REPORT

From a team of individuals that turned up for game 1 with a number of girls having never played league tag before to the last game were like comparing chalk and cheese. It was an absolute honour being able to watch these girls put in the effort to improve their game each week. From some tough losses to some incredible wins it was great to see the girls put in all their effort week after week. This was made all the more impressive with such a disrupted season with weather only being able to play 10 of the 15 rounds and even less training! With all that said they were still able to come away with three wins against some pretty hard teams that have played together for many years.

Hopefully all the girls return next season and continue putting in the effort to improve their game where we will see even better results.

Well done ladies!

PLAYER PROFILES

ALANAH

Is a great player who played her first season of GLT. She was able to get past the opposition with ease, with simple running and picking the gaps in defence saw her slip past the line again and again. She has developed her kicking game which saw her become the team's kicker of choice during play to kick on the 5th tackle as well as most set kicks after tries. For the reasons above Alanah receives the coaches award this year, well done!

ANGELICA

Is as fast as they get! Once those legs got started there was no stopping her down the side line. She would also drop back into a kicking position to help out the team as needed and had a very reliable set of hands for making those tags. I think she enjoyed when the opposition made a break as she would love to chase them down and tag them just before our line.

APRIL

Always did well in the centre of the field and just kept going and going! Her consistency of straight running would provide valuable meters in the centre of the field again and again.

CHARLEIGH

Loved being out on the wing and once the ball got to her, the opposition had their work cut out for them to tag her. Her hands were as impressive as they come with no tag passing her by without it ripped off by her hand. Charleigh finishes the season as the team's leading try scorer. Well done!

CHLOE

Played a great season and will only continue to get better and better. The improvement seen this year from round 1 to the end saw her transform into a completely different player. She was able to start reading the play really well and would have some impressive runs.

ELEISHA

Was a foundational brick in our defence where she would often plug holes identified in the line and ensure she was in line with her other teammates to create that wall of defence. If anyone came near her she would often end up with a tag in her hand of the oppositions.

ELLA

Had a superb season this year taking out the best and fairest! From cutting holes through the defensive line when there were seemingly no holes, harassing the opposition with her repetitive tagging to getting the team mentally ready prior to the game as well as helping to support her team mates on the field. Great work Ella!

GRACE

Would have to be the most fierce player on the field in a good way! She will take any opposition on and put her body on the line (as seen multiple times) with more often than not the opposition player coming off second best. She would often help out dropping into full back as well and the return runs after a kick would gain us a lot of meters.

JASMINE

Enjoyed being out near the wing and would link up really well with the winger. Jas would often chase the ball down after kicks and run it back up which was also complimented with a safe pair of hands for ripping off those tags.

JEMMA

Similar to Jas would enjoy linking up with a winger and would make plenty of great runs herself. Her knowledge of the game is impressive and would often lend some pointers to her team mates and help with those around her to mark up. There is a great future in front of her in league tag.

KIRRA

Was impressive this season as she would be able to turn nothing to something at important times of the game to put the opposition on notice. Simple runs gaining many meters were an often event in her running game as well as tagging anything that came near her.

LILLY

If there was anyone you could rely on to be consistent it was Lilly, she would often turn up at pivotal moments to get the ball and make some meters right through the ruck. Her passing game improved greatly throughout the year constantly hitting her target on the chest making it much easier for her teammates. Lilly finishes up the year as the team's runner up best and fairest. Congratulations!

MIA

What can be said about Mia other than the enormous amount of respect she has gained from her friends and management team. Although suffering heart ache in the middle of the season, Mia kept showing up and showing true grit, resilience and determination. She was always happy to take instruction and was a fantastic team player.

OLIVIA

Liv started off pretty quiet, but soon started to really develop her skills. She took one of the hardest knocks of the season but brushed it off and kept going! Her determination to better herself each week was great to witness, and in doing so gained herself the manager's award for the year. Well Done!

RUBY

Another season where Ruby was able to concentrate on her game and she really started to learn more about tactical play. She would often see herself in the dummy half position and would pounce on the try line if she saw herself in close proximity at dummy.

From some tough losses to some incredible wins, it was great to see the girls put in all their effort week after week.

TEAM REPORT

The 2024 season was a wet one which saw limited time together but the U14GLT S2 girls came together as a team and although on-field training was sometimes limited, the girls, as individuals and as a team, showed real improvement in both their skills and understanding of how to play the game and by the end were playing some fantastic footy. Their passing game was probably some of the best in the grade and the ball movement across the field had teams chasing all over the park. Our attack improved enormously and developed to a stage that saw players linking passing combinations and strong running together to score some amazing tries. Our defense and tagging were always strong, and many tries were saved by a desperation chase and tag which demonstrated the never say die attitude which every player took onto the field every time they played. I can see the 2025 season being another huge step forward for all the girls and look forward to seeing every player develop further.

Although on-field training was sometimes limited, the girls, as individuals and as a team, showed real improvement in both their skills and understanding of how to play the game.

TEAM REPORT

The U15 Gold team had a good year, there were multiple challenges to overcome but the girls rose to every occasion with a smile on their faces and an attitude of being able to stick together through thick and thin. The season started on a positive note but then the girls were faced with multiple cancelled rounds and training sessions due to the weather. They did not let this stop them though and still found ways to bond and train utilising the club house and indoor training options such as the Yard at Heathcote.

Once the weather gods helped us out and we could get some playing time, the girls did a great job of working hard on combinations, defending like lions and facing any adversity with a great sense of maturity, they consoled each other in defeat and celebrated together in victory. It was not the end to the season that we would have liked but the team remained strong, supported each other and had a good time doing it, congratulations girls!

The girls did a great job of working hard on combinations, defending like lions and facing any adversity with a great sense of maturity

PLAYER PROFILES

CHARLI BURKE

A strong ball runner with an enviable step that often leaves opposing players grasping at thin air, Charli has formed an excellent combination with the girls around her this season and been a formidable attacking threat.

NEVE GRINHAM

Neve did really well playing through the middle this season, her ability to square up and gain metres was always able to put the team on the front foot and in an attacking position, one hundred percent effort all of the time.

SOFIA HUTCHENS

Exclusively playing out of dummy half, Sofia steered the team around the park in expert fashion. Always playing heads up footy, she knew where and when to send the ball but was also on the lookout for the dummy half run.

BRONTE VISSER

Bronte did well to come back from an injury setback at the start of the season and slotted into place well in the centres. She proved to be an elusive runner with the ball who was always willing to put her hand up to make the hard metres.

MAIA HARMAN

Shifting between playing out wide and filling in at fullback, Maia was consistent all season with her no-nonsense style of play. Always giving 100 percent effort, whether that be chasing down tags, dealing with high bombs or returning kicks for much needed metres.

PIPER HENDERSON

The number one kicking option, Piper proved a problem for opposition sides all season with her kicking game, providing much needed extra points from some different angles. Also very adept at running through the middle and taking intercepts for fun.

HAYLEY WOTTON

Hayley made a big impact this season with her speed out wide, linking well with the players inside her, Hayley was always there to provide finishing to moves on the wing. Hayley also did great putting her hand to work hard defensively, chasing down many opposing players who had broken through.

ELLA GARDNER

Popping up all over the place, Ella could be found on both wings and in the centres throughout the season, forming partnerships with those beside her. An expert finisher on the overlap, Ella also proved a devastating runner in broken play carving up defences.

ALIYAH EXTREM

Aliyah is a midfield maestro; she used her ball playing skills to make opposing defences dance to her tune before she sets up the players inside or outside her to make metres. Always thinking ahead, Aliyah steered the team around the park well this season.

CHLOE BELL

A good athlete, Chloe provided much needed speed and elusiveness out wide, forming a good combination with the wing. Chloe was also always willing to take on any job that was sent her way, frequently filling in in the middle and playing dummy half when needed.

AVA WOOD

Ava was sorely missed during the middle of the season, but she worked hard to come back from a serious injury and even at half speed was a valuable cog in the middle. Ava provided leadership, heads up footy and directed the team around well producing some fantastic results.

MACKENZIE GLOVER

Mackenzie was the player that never stopped, always willing to take the ball on any run, breaking through the line and providing opportunities for those around her. Always willing to take on any role that was given to her, Mackenzie gave 100 percent effort at all times and was an example to everyone.

TAMERAN EARNSHAW

A commanding presence at the back, Tameran willingly used her speed and athleticism to return kick after kick all season for hard fought metres. Never afraid of taking on a high ball, Tameran led from the back and provided advice and encouragement to those around her, bringing the team up.

The girls rose to every occasion with a smile on their faces and an attitude of being able to stick together through thick and thin.

TEAM REPORT

The 2024 season proved to be a challenging one for the U15 Silver GLT Engadine Dragons. Despite the difficulties, the team demonstrated resilience, commitment, and a willingness to learn from every experience. Throughout the season, the Dragons faced several obstacles, including injuries, tough competition, and fluctuating team dynamics.

Despite the setbacks, the players maintained a positive attitude and supported each other throughout the season.

Individual skills have improved, particularly in areas like ball handling and tactical awareness. Several players showed significant growth.

The commitment to training and improvement was evident, with players consistently giving their best effort during practice sessions and matches.

Overall, while 2024 was a tough year, the experience gained will be valuable for future growth.

The foundation for success is being built, and with continued hard work and dedication, the team is well-positioned to improve and achieve better results in the next season.

Despite the setbacks, the players maintained a positive attitude and supported each other throughout the season.

TEAM REPORT

Expectations were not high this year, as it was these girls first year of playing. First training session was very quiet as a lot of the girls were meeting for the first time. Round 1, the girls won against De La 22 – 8 which gave the girl's confidence and a great start to the season.

Round 2, we faced off against a strong Kingsgrove Colts team, where the girls went down 64-4. As coach & management we felt this could have a negative effect on our girls, with 10 minutes left of the match we asked the girls if they wanted to finish early, every single player said no they wanted to keep playing and didn't care about the score. This was one of the proudest moments for coaching staff, as it showed it wasn't all about winning but being out there playing with your team.

It was hard to get the team to gel at the beginning, with footy being on and off due to bad weather. But towards the

end of the season the girls had bonded together playing great footy and always supporting one another.

After a great win against Cronulla Caringbah 22-6 cemented the girls 3rd spot on the ladder and a spot in the semi finals, ending the season with 7 losses and 4 wins.

The girls went into the semi finals with a lot of confidence, they played Taren Point the first half they were down 12-0 but at the start of the second half they fought back to get the score back to 12-6 with some brilliant defence and great attack, sadly with 5 mins to go Taren point scored ending the game at 18-6.

Coaching staff are proud of how much the girls have grown together as a team throughout this season and are looking forward to next season. Thank you to all the parents and everyone involved for all your help and support.

Up the Dragons!

PLAYER PROFILES

ADDISON KELLY

Addi had a Tremendous season this year, playing the role of Hooker with pinpoint passes and darts from dummy half, she was a force to be reckoned with. A season under her belt, she should be pushing to be one of the best players in the team.

ANNABELLE PRACY

Anni is a quiet assassin with strong ball carrying skills and great line running. She got better and better as the year went on. By the end of season, she was dominant in attack and kept defenders guessing. Also, congratulations on winning the coach's award.

AURORA DA SILVA-PECK

Rory had a strong start to the season, scoring two tries in our first game. She's a great team player and has all the skills to make it to the top. Her running with ball in hand was outstanding, and she was defensively strong.

AVA BURN

Ava was untouchable this season, splitting defensive lines with hard straight running, scored her fair share of tries and well deserved of this years manager's award. Congratulations Ava!

LILI SHEPHERD

Lili was outstanding this season her agility and twisting, her strength and power worked in her favour making it almost impossible to tag her. Her ability to catch and pass was also a strength of hers.

SUMMER BOWLEY

Summer played out of her skin this season. Her defence was unreal, making some really important tags at crucial moments. Her ball running skills got better and better by the end of season she had gained a lot of confidence and made important moves in attack. She also never missed a training session or game. She's made her family proud.

VITTORIA BLOOMFIELD

Tori has been a great team member playing with great direction in attack and not afraid to make big plays in defence, the more she plays the better she will get she tried hard and never stopped. Very respectful and has a great foundation to build as a player.

ISABELLA DAVIDSON

Bella is the speed demon in our team. With quick feet and stepping skill, she tore defenders to shreds. Also, her defence was a big part of her game with try saving tags and chasing down attackers she was a nightmare for attacking teams.

WILLOW STUDLEY

Willow played fullback this season and wasn't she a headache for rival teams, with her quickstepping and strong ball running, she quickly become a dominant player for our team, she was the last line of defence making big plays in crucial moments, also our runner up for best and fairest.

LILLA SPENCER

Lilla has all the ability in the world. She plays with her heart on her sleeve and passion for the game with her speed and awareness, mixed with her kicking skills she dominated rival players even with injuries she still left it all out on the Field. Congratulations on being this year's best and fairest winner.

MAE STAPLES

Mae has become a pivotal player in our team. Finding herself on the wing, she was quick as lightning with sleek stepping and controlled ball running, finding her way to the try line in a tight win over Cronulla. Even with a injury to her hand, she never took a backwards step.

ZULAI MCTACKETT

Zu had a outstanding season. She was quiet at the start but it didn't take her long to find her voice. She is defensively sound and always puts her best foot forward. A great team player and always sticking up for her teammates.

KAITLYN KIESELBACH

Kaitlyn had a very strong season. Her confidence grew throughout the season, running good lines, making important tags and never giving up. She was the final captain of the season and the smile on her face as the girls ran out was infectious and she should be proud.

towards the end of the season the girls had bonded together playing great footy and always supporting one another.

TEAM REPORT

The GLT 16s Gold girls had a outstanding season throughout finishing third overall and falling just short in the Semi Final.

This team is a tight unit as they push each other to become a better team and improved individuals.

The drive the girls have each session and the will to learn new skillsets is shown through on the field each week by the way they performed. Running attacking plays, outstanding defence and composed sets, the girls challenged all teams in the competition this season.

All girls loved the challenge.

Credit to these girls as they play each week with hearts on their sleeves, big smiles and plenty of laughs. Congratulations to the girls on what was a tough but successful season.

This team is a tight unit as they push each other to become a better team and improved individuals.

PLAYER PROFILES

TELINA ADAMS

Telina is an extreme competitor and has a outstanding set of skills to play at a high standard everytime she takes the field. Leads by actions and commanding voice Telina attacks and defends constantly challenging all teams with a strong energy and attitude.

ANNESKA BARLING

Anneska had an outstanding season taking her game to another level. Challenging defenders at every opportunity, making incredible tags look easy was part of Anneska's game this season. Always looking to learn new plays, playing with a never back down attitude and an energy that lifts the team at all times.

ERIN COOPER

Erin had an impressive season , challenging defenders with her running, dummy and speed all at the same time while a solid defender pushing up at all times. Erin's versatility was the teams asset this season playing various positions with energy and with an opportunist attitude. Always willing to give a full hearted effort each time she took the field.

NEVE DENYER

Neve is always a reliable solid middle performer who always plays with all effort and heart. Outstanding defender and great passing game , Neve's rock solid performances were a weekly occurrence always having teams on the backfoot with cheeky scoots or running a play. Always open to learn and improve as a player.

EMILY GAVIN

Emily has great enthusiasm in every thing she sets out to do. Outstanding talker on the field and great positional player Emily took presented opportunities when the arose. Having great speed and solid defence Emily was one always to listen and want to improve as a player which she showed each week against opposition with great skills.

ISABELLA HARRISON

Isabella plays hard every week with a determination and will to win. Pushing hard in defence and burning teams with speed Isabella had a positive season always wanting to play at her best and improve as a player. Skills constantly improved throughout the season.

MIKAYLA HENSON

Mikayla is a hard running, full of energy and defensive attitude player that had a fantastic season. Taking everything she can in Mikayla listens and learns quickly and developed her game into a one which was an extreme asset to the team. Always pushing herself to improve Mikayla gave nothing but 100% all season with a lets go attitude.

CLAIRE LAMBERT

Claire has a "come with me attitude" in all aspects of her game. Strong running charges or solid defence , Claire repeatedly put outstanding performances each week putting her body on the line for her team. Takes all in always and works extremely hard on her game Claire was a real leader this season taking her game to a new level.

EMMA LYONS

Emma goes about her work giving 100% effort in all she does. Great running player and ever reliable defender, Emma took advantages of any opportunity this season. Emma has a solid skillset and showed this season that she can play at a high standard each week.

ISABELLA MACDONALD

Isabella has an outstanding set of skills . Great attack and opportunist smarts Isabella would challenge all in front of her and compete with a positive energy on every play. Isabella pushes herself in all aspects of her game to learn new plays and take them into each game. Great defender and rock solid middle Isabella has a presence everytime she takes the field.

HAYLEY MOORCROFT

Hayley has a positive energy which lifts the girls when its needed. Making tough defence look easy or making strong runs Hayley improved her game each time she took the field. Great mindset with solid skills Hayleys ever reliable performances was the teams asset this season. Works extremely hard on her game always.

HEIDI RYAN-SWEENEY

Heidi rose to another level this season with outstanding weekly performances. Solid hard runner who had abilities to break the line , score a try and always a rock in defence. Great passing game and skills ,listens and learns each time around, always wanting to improve as a player. Heidi has an infectious attitude and energy within the team that showed in each of her games this season.

EMILY STEWART

Emily played an impressive season this year showing off her great attacking skills with excellent passing and running game with a equally solid defensive game. Ever reliable in all aspects of her game Emily was a solid performer every time she played. Great attitude and positive game sense.

TEAM REPORT

As the last-minute coach for the Girls 16 League Tag team, I came into the season without specific goals. Despite a slow start to understand what coaching techniques would be effective, I believe the girls have grown significantly in both confidence and ability throughout the season. I want to extend a heartfelt thanks to Dave and Sam for their invaluable help throughout the year.

We got the result, finished minor premiers and premiers for 2024 something the girls should be proud of. I hope that each girl enjoyed the season and found it to be a rewarding experience. The true measure of our success will be seen in each player's return for the next season, as their continued participation will be the best testament to the positive impact of this year. All the best for the future girls!

TEAM REPORT

This year the 18/s girls joined with 11 new players from the Bosco 17/s bonding together quickly and easily getting together not needing much time to bond as the girls were quick to pick up each others plays. With a fresh squad of 21, each week the girls played to their opponents matching their skill and going above with their technique. The level of skill between the girls on the team has been unmatched all year. Although we had a few injuries with Tory missing the majority of the season, the injured girls still made the effort to come out and support their team. It was unfortunate with the rain this year having to miss training and games. We were lucky to play the amount of games we did.

Being the first year together as a team the girls did an unreal job beating the premiers during the season but coming up short during finals. The success of the year would not have been possible without our manager Mel and Trainer Scott who always had the girls best interest and pushed them to try and get over the line.

The energy they bring to training and game days was a pleasure to watch

The only thing I can say is that the girls need to believe in themselves because the skill they don't realise they have is unbelievable and they are definitely better than the competition but with confidence we can beat them. It has been an amazing year coaching this group of girls, the energy they bring to training and game days was a pleasure to watch and I look forward to seeing it all next year.

Congratulations to our award winners this year it was a close come up but well deserved, all girls deserve a huge congrats. And thank you to our new players this year, it has been great to see your personalities come through to your on field plays.

The Dragons are a force to be reckoned with both on and off the field. We have great players, hardworking volunteers, loyal supporters and a constantly growing family. It is a great club with a proud history and I thank you all for being a part of it. I'm looking forward to a successful and enjoyable 2025.
